- (2) The plan deposited under subsection (1) will be known as the *Adelaide Park Lands Plan*.
- (3) The following principles or requirements are to be taken into account (and, as appropriate, applied) in relation to the plan:
 - (a) the Adelaide Park Lands are to include—
 - (i) the land commonly known as the *Adelaide Park Lands*; and
 - (ii) *Victoria Square, Light Square, Hindmarsh Square, Hurtle Square, Whitmore Square* and *Wellington Square*; and
 - (iii) *Brougham Gardens* and *Palmer Gardens*,(as determined and defined by the Minister taking into account the principles set out in section 4 (but not to include any road (or part of a road) unless the Minister is acting under paragraph (b) or another provision of this Act));
 - (b) any road (or part of a road) running through, or bordering, any part of the park lands, or any part of any square, may be included as part of the Adelaide Park Lands;
 - (c) the Adelaide Park Lands will not include—

- (i) Parliament House, the premises known as *Old Parliament House*, or the land appurtenant to Parliament House or Old Parliament House;
or
 - (ii) Government House, or the land appurtenant to Government House;
 - (d) the Adelaide Park Lands will not include any land vested in the Commonwealth, or an agency or instrumentality of the Commonwealth;
 - (e) the Adelaide Park Lands are to include any other land vested in, or under the care, control or management of, the Crown, a State authority or a local government body that is relevant in view of the principle set out in section 4(1)(a).
- (4) The Minister may, by instrument deposited in the GRO, vary the Adelaide Park Lands Plan.
- (5) However—
- (a) a variation must not be made under subsection (4) by virtue of which any land would cease to be included in the Adelaide Park Lands under the plan except in pursuance of a resolution passed by both Houses of Parliament; and
 - (b) a variation must not be made under subsection (4) by virtue of which any land would be placed under the care, control and management of the Adelaide City Council except at the request, or with the concurrence, of the Council; and
 - (c) a variation must not be made under subsection (4) by virtue of which any land would continue to be included in the Adelaide Park Lands but would cease to be under the care, control and management of the Adelaide City Council except at the request, or with the concurrence, of the Council.
- (6) This section does not limit the operation of section 15 or Part 11 of Schedule 1.

15—Interaction with other Acts

- (1) The Minister may, by instrument deposited in the GRO, vary the Adelaide Park Lands Plan to ensure consistency with—
- (a) the operation of another Act (including an Act amending another Act) enacted after the commencement of this Act; or
 - (b) the operation of a proclamation under Chapter 3 of the *Local Government Act 1999* made after the commencement of this Act.
- (2) The Minister may, by instrument deposited in the GRO, on the recommendation of the Surveyor-General, vary the Adelaide Park Lands Plan to ensure consistency with any road process under the *Roads (Opening and Closing) Act 1991* that takes effect after the commencement of this Act.
- (3) The Minister may, by instrument deposited in the GRO, vary the Adelaide Park Lands Plan to ensure consistency with any action taken (or proposed to be taken) with respect to the construction or operation of a tramline in Victoria Square under the provisions of another Act.
- (4) Any provision made by an instrument under subsection (1), (2) or (3) will have effect according to its terms and despite any other provision of this Act.

- (5) To avoid doubt, nothing in this Division requires the Minister to take action with respect to any land that is inconsistent with the operation of another Act that makes specific provision in relation to the status or use of a particular piece of land.

16—Related matters

- (1) For the purposes of this Division, the Adelaide Park Lands Plan may be varied by the substitution of a new plan.
- (2) Without derogating from the operation of any other provision, the Minister must not deposit or vary a plan in the GRO under this Division without first consulting with the Surveyor-General and the Adelaide City Council.
- (3) For the purposes of any other Act or law—

 - (i) will, insofar as is not already the case, be placed under the care, control and management of the Adelaide City Council by force of this subsection (but so as to not limit any further variation of the plan by subsequent action taken under this Act); and
 - (ii) will, other than in relation to land held in fee simple, be taken to be dedicated for park land by force of this subsection (including so as to vary any previous dedication or reservation to the extent necessary to give effect to the dedication under this subsection); and
 - (b) any variation to the Adelaide Park Lands Plan that has effect pursuant to this Act will, to the extent that the variation removes land from the Adelaide Park Lands, by force of this subsection—
 - (i) revoke any dedication of relevant land as park lands (including a dedication that has effect under another Act or has had effect under this Act); and
 - (ii) revoke any classification of relevant land as community land under the *Local Government Act 1999*.
- (4) The Minister may, in conjunction with the operation of any other provision of this Act, by instrument deposited in the GRO, make any other provision relating to the status, vesting or management of land as the Minister thinks fit (including by making any other provision for the reservation of land for a specified purpose and on the basis that any provision made by the Minister under this subsection will have effect according to its terms and despite any other provision of any other Act or law).
- (5) If the Minister deposits an instrument in the GRO under this Division, the Minister must give public notice of that fact within 2 months after the instrument is deposited.
- (6) The Governor may, by proclamation, transfer, apportion, settle or adjust property, assets, rights, liabilities or expenses as between 2 or more parties in connection with the depositing or variation of the Adelaide Park Lands Plan.
- (7) A proclamation under subsection (6) may, if the proclamation so provides, take effect on a day that is earlier than the day on which the proclamation is made (other than a day that is earlier than the day on which the plan was deposited or varied (as the case requires)).

- (8) A proclamation cannot be made under subsection (6) except at the request, or with the concurrence, of the relevant parties.
- (9) The Minister and the Adelaide City Council must ensure that copies of the Adelaide Park Lands Plan are kept available for public inspection—

- (5) Subsection (4)(c) does not apply if the proposal relates to a variation of the management strategy that is, in the opinion of the Authority, of minor significance.
- (6) The Authority may, on the basis of any consultation undertaken or submissions received under subsection (4) (or as it thinks fit), amend the proposal.
