then, for the purposes of the election, he or she and his or her place of residence will be taken to be part of the community group specified by the returning officer.

- (9) In specifying a community group under subclause (8), the returning officer should, unless he or she does not consider it appropriate to do so in all the circumstances of the case, specify the community group (being a community group that forms part of an electorate) that is located closest to the place at which the Anangu concerned resides.
