   (a) even though the interest may not conform with the above provisions; and
   (b) even though the interest may not be recognised at law or in equity as an interest in land.

(5) If a first home owner grant is to be paid in consequence of the recognition of a non-conforming interest as a relevant interest, the Commissioner may impose appropriate conditions on the payment of the grant to ensure its recovery if criteria prescribed in the regulations about future conduct or events are not satisfied.

   (b) the transaction for which the grant is sought—
      (i) is an eligible transaction; and
      (ii) has been completed.

(1a) However, if—
   (a) the commencement date of an eligible transaction for which a grant is sought is on or after 17 September 2010; and
   (b) the market value of the home to which the transaction relates (as determined under section 18BB) exceeds—
      (i) $575 000; or
      (ii) if another amount is prescribed by regulation for the purposes of this subsection—that amount,
no first home owner grant is payable on the application for the grant.

(2) Despite subsection (1)(a), an applicant need not comply with the eligibility criteria to the extent the applicant is exempted from compliance by or under this Act.

(3) Only 1 first home owner grant is payable for the same eligible transaction.

(2) The Commissioner may exempt an applicant from the above requirement if the Commissioner is satisfied that:

(a) the home to which the application relates will be occupied by the applicant as his or her principal place of residence for a continuous period of at least 6 months (or a shorter period approved by the Commissioner), commencing within 12 months after completion of the eligible transaction (or within a longer period approved by the Commissioner); and

(b) the application does not form part of a scheme to circumvent limitations on or requirements affecting, eligibility or entitlement to a first home owner grant.

(1) Subject to subsection (2), an applicant for a first home owner grant must be an Australian citizen or a permanent resident.

(2) If an application is made by joint applicants and 1 of the applicants is an Australian citizen or a permanent resident, it is not necessary for the other or others to be Australian citizens or permanent residents.

(c) any penalty amount payable under section 39(3) in relation to repayment of the earlier grant has been paid.
An applicant is also ineligible if the applicant or the applicant's spouse or domestic partner—

(a) could have successfully applied for a first home owner grant under this Act or a corresponding law in respect of an earlier transaction to which he or she was a party but did not do so; or

(b) could, assuming that he or she had then been an Australian citizen or a permanent resident, have successfully applied for a first home owner grant under this Act or a corresponding law in respect of an earlier transaction to which he or she was a party.

11—Criterion 4—Applicant (or applicant's spouse etc) must not have had relevant interest in residential property

(1) An applicant is ineligible if the applicant or the applicant's spouse or domestic partner has, before 1 July 2000, held—

(3) An applicant is also ineligible if, before the commencement date of the relevant transaction, the applicant or the applicant's spouse or domestic partner—

(a) held a relevant interest in residential property in South Australia or an interest in residential property in another State or Territory that is a relevant interest under the corresponding law of that State or Territory; and

(2) The Commissioner may exempt an applicant (the non-complying applicant) from the residence requirement if—

(a) the applicant is one of 2 or more joint applicants for a first home owner grant; and

(b) at least 1 of the applicants complies with the residence requirement; and

(c) there are, in the Commissioner's opinion, good reasons to exempt the non-complying applicant from the residence requirement.
(3) The Commissioner may, if the Commissioner considers there are good reasons for doing so, vary an applicant's residence requirement at any time (including after the end of the period allowed for compliance with the residence requirement) by approving a shorter residence period or a longer completion period (or both).

(4) If the Commissioner varies a residence requirement under subsection (3), the requirement as varied will be taken to have been the applicant's residence requirement from the date of the determination of his or her application.

(3) A contract is not an eligible transaction if the Commissioner is of the opinion that it forms part of a scheme to circumvent limitations on, or requirements affecting, eligibility or entitlement to a first home owner grant and the Commissioner will, unless satisfied to the contrary, presume the existence of such a scheme, if—

(a) in the case of a contract to purchase a home—the purchaser had an option to purchase the home granted before 1 July 2000 or the vendor had an option to require the purchaser to purchase the home granted before that date; or

(ii) if the purchaser is to obtain a registered title to the land on which the home is situated—the necessary steps to obtain registration of the purchaser's title have been taken;

(b) in the case of a contract to have a home built—the building is ready for occupation as a place of residence;

(c) in the case of the building of a home by an owner builder—the building is ready for occupation as a place of residence.

(6) If a person purchases a moveable building and intends to use it as a place of residence on land in which the person has a relevant interest but on which it is not situated at the time of purchase—

(a) this Act applies as if the person were an owner builder building a home on the land; and

(b) the commencement date of the transaction is taken to be the date of the contract to purchase the moveable building; and

(c) the transaction is taken to be completed when the moveable building is ready for occupation as a place of residence on land in which the purchaser has a relevant interest.

(7) The consideration for an eligible transaction is—

(a) in the case of a contract for the purchase of a home—the consideration for the purchase;

(b) in the case of a comprehensive home building contract—the total consideration payable for the building work;

(c) in the case of the building of a home by an owner builder—the actual costs to the owner of carrying out the work (excluding any allowance for the owner builder's own labour).

13A—Special eligible transactions

(1) Subject to subsection (5), an eligible transaction that is a contract for the purchase of a home (other than a contract for an "off-the-plan" purchase of a new home) is a special eligible transaction if the contract is made between 14 October 2008 and 31 December 2009 (both dates inclusive).

(3) An eligible transaction that is the building of a new home by an owner-builder is a special eligible transaction if the commencement date of the eligible transaction is between 14 October 2008 and 31 December 2009 (both dates inclusive) and the transaction is completed within 18 months after the building work is commenced.

(4) Subject to subsection (5), an eligible transaction that is a contract for an "off-the-plan" purchase of a new home is a special eligible transaction if the contract is made between 14 October 2008 and 31 December 2009 (both dates inclusive) and—

(a) in the case of a contract made between 14 October 2008 and 30 June 2009 (both dates inclusive)—

(b) the replaced contract was—
   (i) a contract for the purchase of the same home; or
   (ii) a comprehensive home building contract to build the same or a substantially similar home.

(6) The Commissioner may, in a particular case, if he or she considers there are proper reasons for doing so, extend the time within which a special eligible transaction must be completed under this section.

(7) For the purposes of this section, building work—

(a) commences—
   (i) in the case of an eligible transaction that is the building of a home by an owner builder—on the commencement date of the eligible transaction; and
(ii) in any other case—when laying the foundations for the home commences; and

(b) is completed when the building is ready for occupation as a home.

(9) The Governor may, by regulation—

(a) alter a date or period specified by this section in order to extend an entitlement under this Act; or

(b) determine any other transaction to be a special eligible transaction under this section,

if to do so is consistent with the extension of the Commonwealth/State scheme for the payment of grants under this Act (and any such regulation may have effect in accordance with its terms and without the need for any other authorisation or appropriation).

(1) If the Commissioner is satisfied that a first home owner grant is payable on an application, the Commissioner must authorise the payment of the grant.

D is the market value of the home to which the eligible transaction relates, rounded down to the nearest $100

E is $400 000.

(2a) The Commissioner may, in a particular case, if he or she considers there are proper reasons for doing so, extend the time within which an eligible transaction must be completed under this section.

(3) This section does not give rise to an entitlement to a first home bonus grant if the Commissioner is satisfied that the contract that formed the basis of the eligible transaction replaces a contract made before 17 September 2010 (the earlier contract), and that the earlier contract was—

(a) a contract for the purchase of the same home; or

(b) a comprehensive home building contract to build the same or a substantially similar home.

18BAB—Bonus grant for transactions on or after 1 July 2012 but before 1 July 2013

(1) Subject to this section, the amount of a first home owner grant under section 18 will be increased by an amount under this section (the first home bonus grant) if—

(a) the commencement date of the eligible transaction is on or after 1 July 2012 but before 1 July 2013; and

(b) the eligible transaction is—

(i) a contract for the purchase of a new home; or

(ii) a comprehensive home building contract for a new home; or

(iii) the building of a new home by an owner builder; and

(c) the market value of the home to which the eligible transaction relates is less than $450 000; and

(d) in the case of an eligible transaction that is a comprehensive home building contract for a new home—
(i) the laying of the foundations for the home commences within 26 weeks after the contract is made, or any longer period the Commissioner may, in particular circumstances, allow; and

(ii) the contract states that the eligible transaction must be completed within 18 months after the laying of the foundations for the home is commenced or, in any other case, the eligible transaction is completed within 18 months after the laying of the foundations for the home is commenced; and

(e) in the case of an eligible transaction that is the building of a new home by an owner-builder—the transaction is completed within 18 months after its commencement date; and

(f) in the case of an eligible transaction that is a contract for an "off-the-plan" purchase of a new home—

   (i) the contract states that the eligible transaction must be completed on or before 31 December 2014; or

   (ii) in any other case, the eligible transaction is completed on or before that date.

(2) The amount of the first home bonus grant under this section is as follows:

   (a) if the market value of the home to which the eligible transaction relates does not exceed $400 000—$4 000;

   (b) if the market value of the home to which the eligible transaction relates exceeds $400 000 (but is less than $450 000)—an amount calculated in accordance with the following formula:

   \[
   A = B - \frac{C \times (D - E)}{100}
   \]

   where—

   \(A\) is the amount of the first home bonus grant

   \(B\) is $4 000

   \(C\) is 8

   \(D\) is the market value of the home to which the eligible transaction relates, rounded down to the nearest $100

   \(E\) is $400 000.

(3) The Commissioner may, in a particular case, if he or she considers there are proper reasons for doing so, extend the time within which an eligible transaction must be completed under this section.

18BB—Market value of homes

(1) For the purposes of sections 7, 18B, 18BA and 18BAB, but subject to subsections (2) and (3), the market value of the home to which an eligible transaction relates (the market value) will be determined as follows:

   (a) in the case of an eligible transaction constituted by a contract under section 13(1)(a)—the market value will be taken to be—
(i) unless subparagraph (ii) applies—the consideration for the eligible transaction;

(ii) if the Commissioner considers that the consideration for the eligible transaction may be less than the market value—the market value of the property on which the home is situated, as at the time when the contract is made, as determined by the Commissioner for the purposes of this provision;

(b) in the case of an eligible transaction constituted by a comprehensive home building contract under section 13(1)(b)—the market value will be taken to be the sum of the following:

(i) —

(A) unless subsubparagraph (B) applies—the consideration for the comprehensive home building contract under section 13(7);

(B) if the Commissioner considers that the total consideration payable for the relevant building work may be less than the actual costs to build the home—the actual costs to build the home, as determined by the Commissioner for the purposes of this provision; and

(ii) the market value of the property on which the home is to be built, as at the time when the building contract is made, as determined by the Commissioner for the purposes of this provision;

(c) in the case of an eligible transaction constituted by the building of a home by an owner builder under section 13(1)(c)—the market value will be taken to be the market value of the property on which the home is situated, as at the time when the eligible transaction is completed, as determined by the Commissioner for the purposes of this provision.

(2) For the purposes of subsection (1), if an eligible transaction relates to a home on a genuine farm, the relevant component of the farm will be taken to constitute the property on which the home is situated, or is to be built.

(3) If a person is entitled to a first home owner grant by virtue of the operation of section 5(4)—

(a) if the relevant interest relates to a comprehensive home building contract for the construction of a home—the market value of the home to which the eligible transaction relates will be taken to be the consideration for the comprehensive home building contract;

(b) in any other case—the market value of the home to which the eligible transaction relates will be determined in accordance with—

(i) the method prescribed by regulation for the purposes of subsection (6)(b) of section 18B immediately before the repeal of that subsection by the Statutes Amendment (Budget 2010) Act 2010; or

(ii) if another method is prescribed by regulation for the purposes of this subsection—that method.
(4) The Commissioner may adopt or approve any method the Commissioner considers reasonable for the purposes of determining any value or costs under a preceding subsection, including by requiring that a valuation of property be made by a person appointed or approved by the Commissioner.

(5) If the Commissioner requires a valuation of property to be made for the purposes of determining the value of any property under this section, the Commissioner may, having regard to the merits of the case, charge the whole or any part of the expenses of, or incidental to, the making of the valuation to the applicant or applicants and may recover the amount so charged from the applicant or applicants as a debt due to the Crown.

(6) To avoid doubt, the market value of any property on which a home is situated will, for the purposes of this section, be the market value of the land, the home and any other improvements.

(7) In this section—

genuine farm means land as to which the Commissioner is satisfied—

(a) the land is to be used for primary production by the person seeking the benefit of this section; and

(b) the land is, by itself, or in conjunction with other land owned by that person, capable of supporting economically viable primary production operations;

relevant component of a genuine farm means the part of the farm constituted by the home and its curtilage, or the part of the land that is to constitute the site and curtilage of a home that is to be built.

18C—Amount of grant must not exceed consideration

If, by virtue of an additional payment under section 18(2) or a first home bonus grant under section 18B, 18BA or 18BAB, the total amount payable to an applicant for a first home owner grant would, but for this section, exceed the consideration for the eligible transaction, the additional payment or the first home bonus grant will, as determined by the Commissioner, be adjusted so that the total amount payable to the applicant is equal to the amount of the consideration.

19—Payment of grant

(1) A first home owner grant is to be paid by electronic funds transfer, by cheque or in any other way the Commissioner thinks appropriate.

(2) A first home owner grant is to be paid—

(a) to the applicant; or

(b) to some other person to whom the applicant directs in writing that the grant be paid.

(3) If the applicant requests, the Commissioner may apply the amount of a first home owner grant, or part of the amount, towards a liability for State taxes, fees or charges.
20—Payment in anticipation of compliance with residence requirement

(1) The Commissioner may authorise payment of a first home owner grant in anticipation of compliance with the residence requirement if the Commissioner is satisfied that each applicant who is required to comply with the residence requirement, intends to so comply.

(2) If a first home owner grant is paid in anticipation of compliance with the residence requirement, the payment is made on condition that, if the residence requirement is not complied with, the applicant must within 14 days after the relevant date—

(a) give written notice of that fact to the Commissioner; and

(b) repay the amount of the grant.

(3) The relevant date is the earlier of the following:

(a) the end of the period allowed for compliance with the residence requirement;

(b) the date on which it first becomes apparent that the residence requirement will not be complied with during the period allowed for compliance.

(3a) However, if the Commissioner has varied the applicant's residence requirement under section 12(3), the following provisions apply:

(a) a reference in subsection (2) or (3) to the residence requirement is a reference to the residence requirement as varied;

(b) the applicant is exempt from the requirement to comply with the condition prescribed by subsection (2) insofar as the condition relates to the original residence requirement;

(c) the exemption will be taken to have come into force when the application was first determined.

(4) A person who fails to comply with the condition prescribed by subsection (2) is guilty of an offence.

Maximum penalty: $5,000.

21—Conditions generally

(1) The Commissioner may authorise the payment of a first home owner grant on conditions the Commissioner considers appropriate.

(2) A condition imposed by the Commissioner (under this section or any other provision of this Act) may require a person on whose application the first home owner grant is paid—

(a) to give notice of non-compliance with the condition within a period stated in the condition; and

(b) to repay the grant within a period stated in the condition.

(3) In the case of a joint application, each applicant is individually liable to comply with a requirement under subsection (2) but compliance by any one or more of them is to be regarded as compliance by both or all.

(4) A person who fails to comply with a condition imposed by the Commissioner (under this section or any other provision of this Act) is guilty of an offence.

Maximum penalty: $5,000.
22—Death of applicant

(1) An application for a first home owner grant does not lapse because an applicant dies before the application is decided.

(2) If an applicant dies before the application is decided, the following provisions apply:
   (a) if the deceased was one of 2 or more applicants and one or more applicants survive, the application is to be dealt with as if the surviving applicants were the sole applicants;
   (b) in any other case, a first home owner grant, if payable on the application, is to be paid to the estate of the deceased.

(3) If a deceased applicant for a first home owner grant had not, by the date of death, complied with the residence requirement but the Commissioner is satisfied that he or she intended to do so, the residence requirement is satisfied.

23—Power to correct decision

(1) If the Commissioner decides an application, and is later satisfied (independently of an objection under this Act) that the decision is incorrect, the Commissioner may vary or reverse the decision.

(2) A decision cannot be varied or reversed under this section more than 5 years after it was made.

24—Notification of decision

(1) When the Commissioner decides an application (or decides to vary or reverse an earlier decision on an application) the Commissioner must give the applicant notice of the decision.

(2) If the decision is to authorise the payment of a first home owner grant without conditions, the payment of the grant is sufficient notice of the decision.

(3) If the decision is to refuse an application, or to vary or reverse an earlier decision on an application, the Commissioner must state in the notice the reasons for the decision.

Division 6—Objections and appeals

25—Objections

(1) An applicant who is dissatisfied with the Commissioner's decision on the application may lodge a written notice of objection with the Treasurer.

(2) The grounds of objection must be stated fully and in detail in the notice of objection.

(3) The objection must be lodged within 60 days after the date of the notice of the decision or, if the decision was made in anticipation of a provision that operates retrospectively, within 60 days after the date of the notice of the decision or the date of the enactment or making of the provision (whichever is the later).

(4) If the Treasurer is satisfied that an objector has a reasonable excuse for failing to lodge an objection within the 60-day period, the Treasurer may extend the time for lodging the objection.
26—Reference of objection to Crown Solicitor for advice

The Treasurer may refer an objection, or any aspect of an objection, to the Crown Solicitor or any other person for advice.

27—Powers of the Treasurer on objection

(1) After considering an objection, the Treasurer may confirm, vary or reverse the decision subject to the objection.

(2) The Treasurer must give the objector written notice of the decision on the objection setting out the reasons for the decision.

28—Appeal

(1) An objector who is dissatisfied with the Treasurer's decision on the objection may appeal to the Magistrates Court against the decision.

(2) An appeal must be commenced within 60 days after the notice of the decision on the objection is given.

(3) The Court may extend the time for commencing an appeal.

29—Determination of appeal

On an appeal, the Court may—

(a) confirm, vary or reverse the decision on the application for a first home owner grant; and

(b) make incidental and ancillary orders.

30—Objection or appeal not to stay proceedings based on the relevant decision

(1) Although a decision is subject to an objection or appeal, the Commissioner may act on the basis that the decision is correct until the objection or appeal is decided.

(2) When an objection or appeal is decided, the Commissioner must take any necessary action to give effect to that decision.

Part 3—Administration

Division 1—Administration generally

31—Administration

The Commissioner is responsible to the Treasurer for the administration of the first home owner grant scheme.

32—Delegation

(1) The Commissioner may delegate functions related to the administration of the first home owner grant scheme.

(2) Without limiting subsection (1), the Commissioner may enter into an agreement (an administration agreement) with a financial institution or other person under which—

(a) the Commissioner delegates functions related to the administration of the first home owner scheme; and
(b) the financial institution or other person is required to carry out the delegated functions in accordance with specified conditions.

(3) The conditions of an administration agreement may include conditions prescribed by the regulations.

(4) If an administration agreement includes prescribed conditions, a financial institution or other person that contravenes a prescribed condition is guilty of an offence. Maximum penalty: $10 000.

(5) The Commissioner may, at any time, at the Commissioner's discretion, revoke an administration agreement or any other delegation under this section.

Division 2—Investigations

33—Authorised investigations

An authorised investigation is an investigation to determine—

(a) whether an application under this Act or a corresponding law for a first home owner grant has been properly made; or

(b) whether an objection to a decision made under this Act or a corresponding law should be upheld; or

(c) whether an applicant to whom, or for whose benefit, a first home owner grant has been paid under this Act or a corresponding law was eligible for the grant; or

(d) whether a condition on which a first home owner grant has been paid under this Act or a corresponding law has been complied with; or

(e) any other matter reasonably related to the administration or enforcement of this Act or a corresponding law.

34—Cross-border investigation

(1) The Commissioner may, at the request of an authority responsible for administering a corresponding law, carry out an authorised investigation for the purposes of the corresponding law.

(2) The Commissioner may delegate powers of investigation under this Division to the authority responsible for the administration of a corresponding law, or a person nominated by that authority.

35—Power of investigation

(1) For the purposes of an authorised investigation, the Commissioner may, by written notice, require a person—

(a) to give the Commissioner written information specified in the notice; or

(b) to attend at a specified time and place before the Commissioner or the Commissioner's nominee to answer questions relevant to the investigation; or

(c) to produce a document to the Commissioner at a specified time and place.

(2) The Commissioner may require that information given, or to be given, under this section be verified on oath or by statutory declaration.
(3) A person who, without reasonable excuse, refuses or fails to comply with a requirement of the Commissioner under this section is guilty of an offence. Maximum penalty: $10 000.

(4) A person who, having attended before the Commissioner or the Commissioner's nominee in response to a notice under subsection (1)(b), refuses or fails, without reasonable excuse, to answer a question relevant to the investigation is guilty of an offence. Maximum penalty: $10 000.

36—Powers of entry and inspection

(1) An authorised officer may, for the purposes of an authorised investigation, exercise any of the following powers:

(a) inspect premises;

(b) require a person to produce a document relevant to the investigation for inspection and (if necessary) to operate a computer or other device in which information is stored to produce a document in understandable form;

(c) retain a document for inspection, to make a copy of it, or to take extracts from it;

(d) require a person to answer questions relevant to the investigation;

(e) require a person to give the authorised person other assistance that may be reasonable in the circumstances to carry out the authorised investigation.

(2) An authorised person may enter premises to carry out an authorised investigation—

(a) with the consent of the occupier; or

(b) on the authority of a warrant issued under subsection (3).

(3) A magistrate may issue a warrant authorising an authorised officer to enter premises (using force that may be reasonably necessary in the circumstances) if satisfied that the warrant is reasonably necessary for the administration or enforcement of this Act.

(4) An authorised officer may be accompanied by any assistants the authorised officer reasonably requires to carry out an authorised investigation.

(5) A person must not—

(a) hinder or obstruct an authorised officer who is carrying out an authorised investigation or a person assisting the authorised officer; or

(b) use abusive, threatening or insulting language to an authorised officer who is carrying out an authorised investigation or a person assisting an authorised officer; or

(c) refuse or fail, without reasonable excuse, to comply with a requirement made by an authorised officer in the exercise of powers conferred by this section; or

(d) answer a question put by an authorised officer under this section knowing that the answer is false or misleading.

Maximum penalty: $5 000.
37—Self incrimination

(1) If a person is required to answer a question or to produce a document in the course of an authorised investigation, it is not an excuse for non-compliance that the answer to the question or the contents of the document might tend to incriminate the person or to make the person liable to a penalty.

(2) However, if the person answers the question or produces the document after objecting to the requirement to do so on grounds of self-incrimination, evidence of the answer to the question or the production or contents of the document is not admissible in proceedings for an offence or for the imposition of a penalty other than proceedings under this Act.

Part 4—Miscellaneous

38—False or misleading statements

(1) A person must not dishonestly make a false or misleading statement in or in connection with an application for a first home owner grant.

Maximum penalty: $20 000 or imprisonment for 2 years.

(2) A person must not make a false or misleading statement in or in connection with an application for a first home owner grant.

Maximum penalty: $5 000.

(3) It is a defence to a charge of an offence against subsection (2) to prove that the defendant's contravention of that subsection was neither intentional nor negligent.

39—Power to require repayment and impose penalty

(1) The Commissioner may, by written notice, require an applicant (or former applicant) for a first home owner grant to repay an amount paid on the application if—

(a) the amount was paid in error; or

(b) the Commissioner reverses the decision under which the amount was paid for any other reason.

(2) If, as a result of the making of a false or misleading statement by an applicant, an amount is paid by way of a first home owner grant, the Commissioner may, by the notice in which repayment is required or a separate notice, impose a penalty not exceeding the amount the applicant is required to repay.

(3) If an applicant (or former applicant) for a first home owner grant fails to make a repayment required under this section or the conditions of the grant, the Commissioner may, by written notice, impose a penalty not exceeding the amount the applicant is required to repay.

(4) If an amount is paid in error on an application for a first home owner grant to a third party, the Commissioner may, by written notice, require the third party to repay the amount to the Commissioner.
40—Power to recover amount paid in error etc

(1) This section applies to the following amounts:

(a) an amount that an applicant (or former applicant) for a first home owner grant is required to repay under the conditions of the grant or by requirement of the Commissioner under this Act;

(b) the amount of a penalty imposed on an applicant (or former applicant) for a first home owner grant;

(c) an amount a third party is required to repay by requirement of the Commissioner under this Act.

(2) The liability arising from a requirement to pay (or repay) an amount to which this section applies is, if the requirement attaches to 2 or more persons, joint and several.

(3) If an applicant who is liable to pay an amount to which this section applies has an interest in the home for which the first home owner grant was sought, the liability is a first charge on the applicant's interest in that home.

(4) The Commissioner may recover an amount to which this section applies as a debt due to the Crown.

(5) The Commissioner may enter into an arrangement (which may include provision for the payment of interest) for payment of a liability outstanding under this section by instalments.

(6) The Commissioner may, on application by an applicant (or former applicant) for a first home owner grant, or on his or her own initiative, write off the whole or part of a liability to pay an amount to which this section applies if satisfied that action, or further action, to recover the amount outstanding is impracticable or unwarranted (but the Commissioner is under no obligation to consider whether to act under this subsection unless or until such an application is made or it otherwise appears necessary for him or her to do so).

40A—Extensions of time

(1) If the Commissioner is authorised to extend a time limit, or to shorten a minimum period, under this Act, the Commissioner may, if to do so is consistent with the provisions of this Act, extend the time limit or shorten the period even if it has already expired.

(2) This section applies to any time limit, whether it expired before or after the commencement of this section.

41—Protection of confidential information

(1) In this section—

\textit{duty of confidentiality}—a person is subject to a duty of confidentiality if—

(a) the person is, or has been, engaged in work related to the administration of this Act; or

(b) the person has obtained access to protected information (directly or indirectly) from a person who is, or has been, engaged in work related to the administration of this Act.
protected information means information obtained in the course of work related to the administration of this Act about an applicant for a first home owner grant or such an applicant's spouse or domestic partner;

Maximum penalty: $10 000.

(3) Protected information may be disclosed—
(a) at the request or with the consent of the person to whom the information relates or a person acting on that person's behalf; or
(b) in connection with the administration or enforcement of—
   (i) this Act or a corresponding law; or
   (ii) a taxation law of the Commonwealth or a State; or
(c) for the purposes of legal proceedings; or
(d) as authorised under the regulations.

42—Evidence

(1) A certificate signed by the Commissioner stating that a first home owner grant was paid to a person named in the certificate on a specified date is admissible in legal proceedings as evidence of the payment.

(2) A copy of a notice issued by the Commissioner imposing a penalty under this Act is admissible in legal proceedings as evidence of the imposition of the penalty.

(3) A copy of a notice issued by the Commissioner requiring the payment or repayment of a specified amount is admissible in legal proceedings as evidence—
(a) that the requirement was made; and
(b) that the amount specified in the notice was outstanding at the date of the notice.

43—Time for commencing prosecution

Proceedings for an offence against this Act may only be commenced within 3 years after the date on which the offence is alleged to have been committed.

44—Standing appropriation

The Consolidated Account is appropriated to the extent necessary for the payment of grants under this Act.

45—Protection of officers etc

(a) the Commissioner; and

(2) A regulation may prescribe a penalty (not more than $2,500) for contravention of the regulation.

(3) A regulation made for the purposes of a provision of this Act that operates retrospectively may itself operate retrospectively provided that it does not do so to the prejudice of any person.

(4) A regulation made for the purposes of section 13A or 18 may operate retrospectively provided that it does not do so to the prejudice of any person.
