(4) A review may relate to a specific aspect of the composition of the council, or of the wards of the council, or may relate to those matters generally—but a council must ensure that all aspects of the composition of the council, and the issue of the division, or potential division, of the area of the council into wards, are comprehensively reviewed under this section at least once in every six years.

- (b) may then refer the report back to the Electoral Commissioner.

(17) However, a council must, if it makes an alteration to its report under subsection (16)(a), comply with the requirements of subsections (9) and (10) (as if the report (as altered) constituted a new report), unless the council determines that the alteration is of a minor nature only.

Maximum penalty: \$2 500.

(20) On the referral of a matter under subsection (19), the Electoral Commissioner may take such action as, in the circumstances of the particular case, appears appropriate to the Electoral Commissioner and may then, by notice in the *Gazette*, give effect to a proposal that could have been carried into effect by the council under this section.

(21) The Electoral Commissioner may recover from councils costs reasonably incurred by the Electoral Commissioner in performing his or her functions under this section.

Local Government Act 1999

(23) An exemption under subsection (22) may be granted on conditions determined by the Panel, including a condition that the council carry out a review under this section by a date specified by the Panel.

(24) If—

- (a) the area of a council is divided into wards; and
- (b) the Electoral Commissioner notifies the council in writing that the number of electors represented by a councillor for a ward varies from the ward quota by more than 20 per cent,

then the council must undertake a review under this section within a period specified by the Electoral Commissioner.

(25) For the purposes of subsection (24)—

- (a) if two or more councillors represent a ward, the number of electors represented by each councillor will be taken to be the number of electors for the ward (as at a date determined by the Electoral Commissioner) divided by the number of councillors who represent the ward (ignoring any fractions resulting from the division); and

17. A member of the Panel is entitled to receive fees and expenses determined by the Governor.

Protection of information etc

18. (1) A member or former member of the Panel must not make use of information acquired because of his or her official position to gain, directly or indirectly, a personal advantage for himself, herself or another, or to cause detriment to the Panel.

Maximum penalty: \$20 000 or imprisonment for 4 years.

(2) A member of the Panel must not make use of his or her official position to gain, directly or indirectly, a personal advantage for himself, herself or another.

Maximum penalty: \$20 000 or imprisonment for 4 years.

(3) A member of the Panel must not, without the approval of the Panel, divulge information that—

Local Government Act 1999

- (a) the member knows to be commercially sensitive; or
- (b) the Panel classifies as confidential information.

Maximum penalty: \$20 000 or imprisonment for 4 years.

Validity of acts and immunity

19. (1) An act or proceeding of the Panel is not invalid by reason only of a defect in the appointment of a member, or a vacancy in an office under this Part.

(2) No civil liability attaches to a member of the Panel for an honest act or omission in the exercise, performance or discharge, or purported exercise, performance or discharge, of a power, function or duty under this Chapter.

(3) A liability that would, but for this section, attach to a member attaches instead to the Crown.

Proceedings

20. (1) The member appointed to chair meetings of the Panel will preside at meetings of the Panel or, in the absence of that member, a member chosen by those present will preside.

(2) A quorum of the Panel consists of three members (and no business may be transacted at a meeting of the Panel unless a quorum is present).

(3) A decision carried by a majority of votes of the members present at a meeting of the Panel is a decision of the Panel.

(4) Each member present at a meeting of the Panel is entitled to one vote on a matter arising for decision by the Panel, and the person presiding at the meeting has, in the event of an equality of votes, a second or casting vote.

(5) A meeting of the Panel should be open to the public unless the Panel is considering a matter that, in the opinion of the Panel, should be dealt with on a confidential basis.

(6) The Panel must have accurate minutes kept of its proceedings.

(7) A person is entitled, on request, to receive a copy of any Panel minutes that have been adopted by the Panel.

(8) However, the Panel may, before it releases a copy of any minutes under subsection (7), exclude from the minutes information about any matter dealt with on a confidential basis by the Panel.

(9) Subject to this Act, the Panel may determine its own procedures.

Staffing arrangements

21. (1) The Minister will determine the staffing arrangements for the Panel after consultation with the member appointed to chair the Panel.

(2) However, if there is an agreement between the Minister and the LGA about sharing the costs of the Panel, the staffing arrangements will be determined by the Minister in the manner contemplated by the agreement after consultation with the member appointed to chair the Panel.

(3) The Panel may engage agents and consultants, and enter into other contracts for the provision of services.

(4) The Panel may—

- (a) by arrangement with the appropriate authority, make use of the services, facilities or staff of a government department, agency or instrumentality; or
- (b) by arrangement with the council, make use of the services, facilities or staff of a council.

Division 2—Functions and powers of Panel

Functions of Panel

22. The functions of the Panel include—

- (a) to consider proposals for the making of proclamations under this Chapter submitted to the Panel, and to make recommendations to the Minister on the basis of those proposals; and
- (b) to assist councils and members of the public in the formulation, development and implementation of proposals and submissions under this Chapter; and
- (c) to conduct inquiries on matters referred to the Panel by electors (or potential electors) and, if appropriate, to formulate proposals for the making of proclamations under this Chapter; and
- (d) to prepare and publish guidelines, consistent with the provisions of this Chapter and the objects of this Act, relevant to the formulation, development or implementation of proposals under this Chapter; and
- (e) to provide advice to the Minister on matters referred to the Panel by the Minister under this Chapter; and
- (f) to take on other tasks incidental to a function referred to in a preceding paragraph.

Powers of Panel

23. (1) The Panel may, in the performance of its functions—

- (a) hold hearings and inquiries;
- (b) receive and consider written submissions;
- (c) hear and consider other evidence and representations;
- (d) conduct (or engage a person to conduct) opinion surveys and polls;
- (e) otherwise inform itself as the Panel thinks fit.

(2) A hearing or inquiry should be open to the public unless the Panel is hearing, considering or determining a representation or matter that, in the opinion of the Panel, should be dealt with on a confidential basis.

Local Government Act 1999

- (3) The Panel is not bound by the rules of evidence.
- (4) The Panel may, for the purposes of its functions—
- (a) by summons issued by the Panel, require a person's attendance;
 - (b) require a person to answer, orally or in writing, questions to the best of his or her knowledge, information and belief;
 - (c) require a person to verify an answer under paragraph (b) by declaration;
 - (d) require a council or person to produce for examination by the Panel books, papers or other records;
 - (e) retain books, papers or other records produced under paragraph (d) for reasonable periods determined by the Panel and make copies of them or their contents.
- (5) Subject to subsection (6), a person or council must not refuse or fail to comply with a requirement under subsection (4).

Maximum penalty: \$10 000.

(6) A person is not obliged to comply with a requirement under subsection (4) if to do so might incriminate the person of an offence, and a person or a council is not required to provide information under subsection (4) that is privileged on the ground of legal professional privilege.

(7) A person may appear before the Panel personally or by representative.

(8) The Panel should seek to deal with a matter as expeditiously as possible.

Committees

24. (1) The Panel may establish a committee or committees to assist it in the performance of its functions under this Chapter, or to assist in the resolution or management of issues associated with the implementation of a proposal or proposals under this Chapter.

(2) A committee may, but need not, consist of a member or members of the Panel.

(3) The Panel must consult with the Minister and the LGA—

(a) before it establishes a committee under this section; and

(b) before it appoints a person who is not a member of the Panel to a committee established under this section.

(4) Subject to direction by the Panel, a committee may determine its own procedures.

(5) However, a meeting of a committee should be open to the public unless the committee is considering a matter that, in the opinion of the committee, should be dealt with on a confidential basis.

(6) The appointment of a committee does not limit the powers of the Panel in a matter.

Delegation

25. (1) The Panel may delegate a function or power—

- (a) to a specified person, committee or other body; or
- (b) to a person occupying a specified office or position.

(2) A delegation—

- (a) may be made subject to conditions and limitations specified in the instrument of delegation; and
- (b) if the instrument of delegation so provides, may be further delegated by the delegate; and
- (c) is revocable at will and does not prevent the Panel from acting in a matter.

Division 3—Principles

Principles

26. (1) The Panel should, in arriving at recommendations for the purposes of this Chapter (but taking into account the nature of the proposal under consideration), have regard to—

- (a) the objects of this Act; and
- (b) the roles, functions and objectives of councils under this Act; and
- (c) the following principles:
 - (i) the resources available to local communities should be used as economically as possible while recognising the desirability of avoiding significant divisions within a community;
 - (ii) proposed changes should, wherever practicable, benefit ratepayers;
 - (iii) a council should have a sufficient resource base to fulfil its functions fairly, effectively and efficiently;
 - (iv) a council should offer its community a reasonable range of services delivered on an efficient, flexible, equitable and responsive basis;
 - (v) a council should facilitate effective planning and development within an area, and be constituted with respect to an area that can be promoted on a coherent basis;
 - (vi) a council should be in a position to facilitate sustainable development, the protection of the environment and the integration of land use schemes;
 - (vii) a council should reflect communities of interest of an economic, recreational, social, regional or other kind, and be consistent with community structures, values, expectations and aspirations;

Local Government Act 1999

- (viii) a council area should incorporate or promote an accessible centre (or centres) for local administration and services;
 - (ix) the importance within the scheme of local government to ensure that local communities within large council areas can participate effectively in decisions about local matters;
 - (x) in considering boundary reform, it is advantageous (but not essential) to amalgamate whole areas of councils (with associated boundary changes, if necessary), and to avoid significant dislocations within the community;
 - (xi) residents should receive adequate and fair representation within the local government system, while over-representation in comparison with councils of a similar size and type should be avoided (at least in the longer term);
 - (xii) the importance within the scheme of local government that a council be able to co-operate with other councils and provide an effective form of government to the community;
 - (xiii) a scheme that provides for the integration or sharing of staff and resources between two or more councils may offer a community or communities a viable and appropriate alternative to structural change options; and
- (d) the extent and frequency of previous changes affecting the council or councils under this Chapter or the repealed Act.

(2) The Panel should, so far as is relevant, give preference to structural changes that enhance the capacity of local government to play a significant role in the future of an area or region from a strategic perspective.

Division 4—Council initiated proposals

Council initiated proposals

27. (1) Councils may submit to the Panel proposals for the making of proclamations under this Chapter.

- (2) A proposal submitted to the Panel under subsection (1) must—
- (a) set out in general terms the nature of the proposal; and
 - (b) examine the effect of the proposal to the extent required by the Panel for the purposes of this section; and
 - (c) in the case of a proposal that relates to more than one council—be submitted by all councils affected by the proposal; and
 - (d) comply with requirements published by the Panel.

(3) On the submission of a proposal to the Panel, the Panel must cause public notice to be given setting out the substance of the proposal.

- The Panel must also publish a copy of the notice in a newspaper circulating within the area or areas of the council or councils.

(4) The Panel may inquire into the proposal as the Panel thinks fit.

(5) The Panel must be satisfied that there has been a reasonable amount of community consultation on the proposal.

(6) The Panel may consult with one or more councils (including councils not included within the terms of the proposal) about the proposal and, at its discretion, about any amendment, or alternative proposal or proposals, that the Panel thinks warrants consideration.

(7) The Panel may, at the request of or with the consent of the council or councils that submitted the proposal, and any other council that may be affected—

- (a) amend the proposal;
- (b) substitute an alternative proposal.

(8) However, the Panel must not make an amendment, or substitute an alternative proposal, unless—

- (a) further consultation has been conducted to the satisfaction of the Panel; or
- (b) the Panel determines—
 - (i) that there has already been adequate consultation on the matter; or
 - (ii) that the amendment, or the alternative proposal, is only of minor significance, or that the final proposal differs from the original proposal in minor respects only.

(9) The Panel must then prepare a report to the Minister on the proposal.¹

¹ Division 6 sets out what happens after this report is prepared.

Division 5—Public initiated submissions

Public initiated submissions

28. (1) In this section—

"eligible elector", in relation to a proposal, is—

- (a) in the case of a proposal to alter the boundaries of two or more councils to incorporate land within the area of a council into the area of another council (a "receiving council")—an elector in respect of a place of residence or rateable property within the area of a receiving council, or within the area that would be so incorporated;

Local Government Act 1999

- (b) in the case of a proposal that relates to the composition of a council or the issue of wards within the area of a council—an elector in respect of a place of residence or rateable property within the area of the council;
- (c) in the case of a proposal to incorporate within the area of a council a part of the State that is not within the area of a council—a person, body corporate or group who or which would, if the proposal were to proceed, be an elector in respect of a place of residence or rateable property within the area that would be so incorporated.

(2) A group of at least 20 eligible electors may submit to a council a submission that the council consider a proposal—

- (a) to alter the boundaries of the council;
- (b) to alter the composition of the council or the representative structure of the council (including by the creation, alteration or abolition of wards);
- (c) to incorporate within the area of the council a part of the State that is not within the area of a council.

(3) However, a submission cannot be made under subsection (2) if the council has, within the period of two years immediately preceding the making of the submission, been newly constituted (including through an amalgamation) or otherwise subject to change through the implementation of a structural reform proposal (unless the submission is being made with a view to addressing a matter recommended by the Panel that the council has failed to implement).

(4) A submission under subsection (2) must—

- (a) set out in general terms the grounds on which the submission is made and the issues that, in the opinion of the person or persons making the submission, should be considered in an assessment of the matter; and
- (b) nominate five persons who are willing to represent the interests of persons who would be directly affected by any proposal based on the matters raised in the submission; and
- (c) comply with guidelines published by the Panel.

(5) The eligible electors making the submission must furnish a copy of a submission under subsection (2) to the Panel in accordance with guidelines published by the Panel.

(6) On the receipt of a submission under subsection (2), a council must consider the issues determined by the council to be relevant to the matter and then decide whether or not it is willing to—

- (a) conduct a review in relation to the matter under Division 2 of Part 1; or
- (b) formulate (or participate in the formulation of) a proposal in relation to the matter under Division 4 of this Part.

(7) The council must give the eligible electors and the Panel written notice of its decision under subsection (6) in accordance with guidelines published by the Panel (which may include a time-frame within which a decision should be made under that subsection).

(8) A group of eligible electors who, after making a submission under subsection (2), are dissatisfied with—

- (a) a decision of a council under subsection (6); or
- (b) any aspect of a review or proposal referred to in that subsection,

may submit the submission, or a submission in substantially the same terms, to the Panel.

(9) A submission under subsection (8) must—

- (a) set out in general terms the grounds on which the submission is made; and
- (b) nominate five persons who are willing to represent the interests of persons who would be directly affected by any proposal based on the matters raised in the submission; and
- (c) comply with guidelines published by the Panel.

(10) On the receipt of a submission under subsection (8), the Panel must examine and consider those issues determined by the Panel to be relevant to the matter—including the actions of any relevant council in response to a submission under subsection (2), whether in its opinion action under this Chapter is the most appropriate response to the issues raised by the submission, and whether there is likely to be sufficient support from electors or potential electors to justify the formulation and consideration of a proposal by the Panel under this Chapter—and then decide whether or not it appears appropriate to proceed with a proposal itself on the basis of the submission.

- Examination of relevant issues should include consultation with the relevant council or councils and, if the Panel thinks fit, public consultation.

(11) If the Panel decides not to proceed with a proposal under subsection (10), the Panel must provide a report on the matter—

- (a) to the persons who made the submission; and
- (b) to the Minister; and
- (c) to any relevant council.

(12) If the Panel decides to proceed with a proposal under subsection (10), the Panel may formulate a proposal and must then cause public notice to be given—

- (a) setting out the substance of the proposal; and
- (b) inviting interested persons to make written submissions on the proposal within a period specified by the Panel.

- The specified period must be at least six weeks.

Local Government Act 1999

The Panel must also publish a copy of the notice in a newspaper circulating within the area or areas of the relevant council or councils.

(13) The Panel must then, after the expiration of the time allowed for submissions, hold a hearing in relation to the proposal unless satisfied that there has already been adequate consultation on the matter or that a hearing is otherwise not warranted in the circumstances of the particular case.

(14) At a hearing held pursuant to subsection (13)—

- (a) a person who made written submissions is entitled to appear personally or by representative and to be heard on those submissions; and
- (b) the Panel may hear and consider other evidence and submissions as the Panel thinks fit.

(15) The Panel must consult with any council affected by a proposal.

(16) The Panel may conduct other inquiries and consultation as the Panel thinks fit.

(17) The Panel may, at the conclusion of its inquiries and consultation on a proposal under this section, determine—

- (a) that the proposal should proceed; or
- (b) that the proposal should be amended, or that an alternative proposal should proceed; or
- (c) that the proposal should lapse.

(18) However, the Panel must not make an amendment, or determine that an alternative proposal should proceed, unless—

- (a) the Panel has conducted further consultation as the Panel thinks fit; or
- (b) the Panel determines—
 - (i) that there has already been adequate consultation on the matter; or
 - (ii) that the amendment, or the alternative proposal, is of only minor significance, or that the final proposal differs from the original proposal in minor respects only.

(19) The Panel must ascertain whether a council affected by a proposal under subsection (17) accepts or rejects the terms of the proposal (and unless a council resolves to accept a proposal within one month after the Panel presents it to the council for formal consideration under this subsection, or within a longer period requested by the council before the expiration of that month, it will be taken that the council rejects the terms of the proposal).

(20) If a council accepts the terms of a proposal subject to the proposal being amended (or further amended), or rejects the terms of the proposal, the Panel must reconsider the proposal and may then determine—

- (a) that the proposal should still proceed; or

- (b) that the proposal should be amended (and the Panel may then proceed to make the amendment); or
- (c) that the proposal should lapse.

(21) The Panel must, after complying with the preceding subsections, cause public notice of the proposal to be given in the prescribed form.

- The Panel must also publish a copy of the notice in a newspaper circulating within the area or areas of the relevant council or councils.

(22) If, within the period of eight weeks immediately following the giving of public notice under subsection (21), in respect of a structural reform proposal—

- (a) in the case of a proposal to alter the boundaries of two or more councils to incorporate land within the area of a council (a "relinquishing council") into the area of another council (a "receiving council")—
 - (i) 10 per cent or more of electors in respect of places of residence or rateable property within the area of a relinquishing council; or
 - (ii) 10 per cent or more of electors in respect of places of residence or rateable property within the area of a receiving council; or
 - (iii) 10 per cent or more of electors in respect of places of residence or rateable property within the area that is to be so incorporated;
- (b) in any other case—10 per cent of eligible electors in relation to the proposal,

notify the Panel in accordance with the terms of notice that they desire a poll to be conducted on the proposal, the proposal cannot proceed unless or until a poll has been conducted on the matter.

For the purposes of this subsection—

- (a) a body corporate that is an elector may act through an officer of the body corporate; and
- (b) a group that is an elector may act through a member of the group, or an officer of a body corporate that is a member of the group.

(23) The following provisions apply to a poll:

- (a) the *Local Government (Elections) Act 1999* will apply to the poll subject to modifications, exclusions or additions prescribed by regulation;
- (b) a person is entitled to vote at the poll if (and only if) the person is—
 - (i) in the case of a proposal to alter the boundaries of two or more councils to incorporate land within the area of a council into the area of another council—an elector (or, in the case of a body corporate or a group of persons, a nominee of an elector) for the area of any council affected by the proposal;

Local Government Act 1999

- (ii) in any other case—an eligible elector (or, in the case of a body corporate or a group of persons, a nominee of an eligible elector);
- (c) the Panel will, after consultation with the relevant council or councils, determine the day on which the poll will be conducted;
- (d) the poll will be conducted by postal voting in a manner that allows the Panel to ascertain the overall result of the poll and, in a case where subsection (22)(a) applies, voting according to—
 - (i) the area of the relinquishing council, or of each relinquishing council (as the case may be), excluding the area that is to be incorporated into the area of another council; and
 - (ii) the area of the receiving council, or of each receiving council; and
 - (iii) the area that is to be incorporated into the area of another council;
- (e) the council or councils for the relevant area or areas must conduct the poll (at its or their expense);
- (f) the Panel must prepare a summary of the issues surrounding the proposal to assist persons who may vote at the poll, subject to complying with the following requirements:
 - (i) the Panel must consult with the relevant council or councils about the summary and must, at the request of a council, include a statement (in a form agreed between the Panel and the council) as to whether the council accepts or rejects the terms of the proposal; and
 - (ii) the Panel must not release the summary until the Electoral Commissioner has certified that he or she is satisfied that the Panel has taken reasonable steps to ensure that the summary presents the arguments for and against the implementation of the proposal in a fair and comprehensive manner;
- (g) a council affected by a proposal must ensure that copies of the summary prepared by the Panel under paragraph (f) are made available for public inspection at the principal office of the council, and distributed to electors in accordance with directions of the Panel;
- (h) the Panel may publish directions and guidelines relating to—
 - (i) the preparation, distribution and use of ballot papers; and
 - (ii) the procedure for voting at the poll; and
 - (iii) the counting of votes; and
 - (iv) the publication of results; and
 - (v) other issues relevant to the conduct of the poll;

- (i) if—
 - (i) in the case where subsection (22)(a) applies—
 - (A) 40 per cent or more of the combined total of electors in respect of places of residence or rateable property within the area of the receiving council and electors in respect of places of residence or rateable property within the area that is to be incorporated into the area of the receiving council cast a vote at the poll (either personally or, in the case of a body corporate or group, through a nominee); and
 - (B) a majority of those persons so voting vote against the proposal; or
 - (ii) in any other case—
 - (A) 40 per cent or more of the persons entitled to vote cast a vote at the poll (either personally or, in the case of a body corporate or group, through a nominee); and
 - (B) a majority of those persons so voting vote against the proposal,
- the result is binding and the proposal cannot proceed;
- (j) if paragraph (i) does not apply, the Panel must nevertheless reconsider the proposal in view of the outcome of the poll (including the outcome of the poll in distinct areas) and may, if the Panel thinks fit, amend the proposal, or substitute an alternative proposal, or resolve that the proposal should lapse.
- (24) However, if—
- (a) the Panel—
 - (i) amends the proposal so that it directly affects electors who were not directly affected by the original proposal; or
 - (ii) substitutes an alternative proposal; and
 - (b) the Panel does not, at that time, determine that the amendment, or the alternative proposal, is of only minor significance, or that the final proposal differs from the original proposal in minor respects only,

then the amended or substituted proposal will be taken to be a new proposal under this section.

(25) The Panel must, after complying with the above requirements, prepare a report to the Minister on the matter.¹

¹ Division 6 sets out what happens after this report is prepared.

Division 6—Reports to the Minister; submissions of proposals to the Governor

Reference of proposals to Minister and Governor

29. (1) On the receipt of a report of the Panel under Division 4 or 5, the Minister may—

- (a) accept the report; or
- (b) refer the report back to the Panel with a request to consider the matters, and to take steps, specified by the Minister; or
- (c) if the report relates to a proposal under Division 4 and the Panel has not recommended that the proposal proceed—at the request of one or more councils—consult with the relevant councils about the matter.

(2) If a request is made under subsection (1)(b)—

- (a) the request must contain a statement of the reasons for the request; and
- (b) the Panel may, after complying with the Minister's request and taking other steps as the Panel considers appropriate, amend or confirm the report, including any proposal recommended in the report, subject to the qualification that the Panel cannot amend or substitute a structural reform proposal without the consent of all councils affected by the proposal, and must then send the report back to the Minister.

(3) If the Minister consults with councils under subsection (1)(c), the Minister must also consult with the Panel about the matter (and obtain any report from the Panel that the Minister thinks fit).

(4) The Minister may then—

- (a) on the basis of the report of the Panel (but subject to the result of a binding poll under Division 5), forward to the Governor a proposal recommended by the Panel for the making of a proclamation under this Chapter; or

(b) if—

- (i) the Minister has undertaken consultation with various councils under subsection (1)(c); and

- (ii) on the basis of that consultation, and after taking into account any report or comments prepared or provided by the Panel in relation to the matter, and any other matter that the Minister thinks fit, the Minister decides that it is appropriate to make a recommendation to the Governor in the circumstances of the particular case; and

- (iii) all councils affected by the proposal agree with the Minister's recommendation,

forward to the Governor a proposal recommended by the Minister for the making of a proclamation under this Chapter; or

- (c) determine that a particular proposal should not further proceed under this Chapter.

(5) If a proclamation providing for the constitution, amalgamation or abolition of a council or councils, or providing for the alteration of the boundaries of a council area or areas, is made under subsection (4)(b), the Governor may, by subsequent proclamation made on the recommendation of the Minister, make provision for any related matter that may be the subject of a separate proclamation under this Chapter.

(6) A proclamation under subsection (4)(b) or (5) may be based on a proposal or recommendation that has not been submitted, formulated or considered under Division 4 or 5.

Division 7—Related matters

Report if proposal rejected

30. If—

- (a) a proposal recommended by the Panel does not proceed to a proclamation after completion of all relevant procedures under this Part; or
- (b) the Panel has not recommended a proposal submitted by two or more councils under Division 4 and an alternative proposal agreed between the councils and the Minister under Division 6 does not proceed to a proclamation after the completion of all relevant procedures under this Part,

the Minister must prepare a report on the matter and cause copies of that report to be laid before both Houses of Parliament.

Report if proposal submitted to poll

31. If a proposal is submitted to a poll under Division 5, the Minister must, after the completion of the poll and after receiving advice from the Panel, prepare a report on—

- (a) the outcome of the poll (including details of the outcome in relation to each relevant council area); and
- (b) the action that the Panel has taken, or proposes to take, on account of the outcome of the poll,

and cause copies of the report to be laid before both Houses of Parliament.

Provision of reports to councils

32. (1) The Panel must, at the time that the Panel provides a report to the Minister under Division 4 or 5, send a copy of the report to—

- (a) each council affected by a proposal to which the report relates; and
- (b) in the case of a report under Division 5—the persons nominated in a submission under that Division to represent the interests of persons directly affected by the proposal.

(2) If the Panel at the request of the Minister amends a report, the Panel must immediately send a copy of the amended report to each council or person that received a copy of the original report under subsection (1).

Part 3—General provisions

Ward quotas

33. (1) In addition to the other requirements of this Chapter, the following matters must be taken into account, as far as practicable, in the formulation of a proposal that relates to the boundaries of a ward or wards:

- (a) the desirability of reflecting communities of interest of an economic, social, regional or other kind;
- (b) the population of the area, and of each ward affected or envisaged by the proposal;
- (c) the topography of the area, and of each ward affected or envisaged by the proposal;
- (d) the feasibility of communication between electors affected by the proposal and their elected representatives;
- (e) the nature of substantial demographic changes that may occur in the foreseeable future;
- (f) the need to ensure adequate and fair representation while at the same time avoiding over-representation in comparison to other councils of a similar size and type (at least in the longer term).

(2) A proposal that relates to the formation or alteration of wards of a council must also observe the principle that the number of electors represented by a councillor must not, as at the relevant date (assuming that the proposal were in operation), vary from the ward quota by more than 10 per cent.

(2a) For the purposes of subsection (2)—

- (a) if it is proposed that two or more councillors represent a particular ward, the number of electors represented by each councillor will be taken to be the number of electors for the ward (as at the relevant date) divided by the number of proposed councillors for the ward (ignoring any fractions resulting from the division); and
- (b) the ward quota will be taken to be the number of electors for the area (as at the relevant date) divided by the number of councillors for the area who represent wards (assuming that the proposal were in operation and ignoring any fractions resulting from the division); and
- (c) the relevant date, in relation to a proposal that relates to the formation or alteration of wards of the council, will be taken to be the date on which the proposal is finalised for the purposes of this Chapter.

(3) The 10 per cent tolerance referred to in subsection (2) may be exceeded if, on the basis of demographic changes predicted by a Commonwealth or State government agency, it appears that the ward quota will not, as at the next periodic elections, be exceeded by more than 10 per cent (the relevant date in this case being the date of the next periodic elections).

(4) If under the repealed Act a proposal relating to the formation or alteration of wards did not comply with the corresponding provisions to subsections (2) and (3) and the relevant proposal proceeded (either in its original or an amended form) then, unless otherwise determined by proclamation, the relevant council (or each relevant council) must conduct (and complete) a review of its composition and wards under Part 1 so as to enable appropriate changes in the composition and wards of the council to take effect on or before the date of the second general election of the council after the proposal took effect or, if an earlier date has been fixed by proclamation, on or before that date.

Error or deficiency in an address, recommendation, notice or proclamation

34. (1) If, in the opinion of the Governor, there is an error or deficiency in an address from both Houses of Parliament, in a recommendation of the Minister, or in a report of the Panel, the Governor may, by proclamation, correct the error or supply the deficiency.

(2) The power conferred by subsection (1) may be exercised notwithstanding that a proclamation has been made under this Chapter on the basis of the address or report.

(3) If, in the opinion of the Governor, there is an error or deficiency in a proclamation under this Chapter, the Governor may, by subsequent proclamation, correct the error or supply the deficiency.

(5) A report under subsection (1) must be available for public inspection at the principal office of the council once the council has made a decision on the relevant project (and may be available at an earlier time unless the council orders that the report be kept confidential until that time).

(6) However, a council may take steps to prevent the disclosure of specific information in order to protect its commercial value or to avoid disclosing the financial affairs of a person (other than the council).

(7) The provisions of this section extend to subsidiaries as if a subsidiary were a council subject to any modifications, exclusions or additions prescribed by the regulations.

(3) The steps referred to in subsection (2)—

(a) in a case referred to in subsection (2)(a)—must provide interested persons with a reasonable opportunity to make submissions in the relevant circumstances; and

(b) may vary according to the classes of decisions that are within the scope of the policy.

(4) However, a public consultation policy for a case referred to in subsection (2)(a) must at least provide for—

(7) A council is not required to comply with subsection (6) in relation to the alteration of a public consultation policy if the council determines that the alteration is of only minor significance that would attract little (or no) community interest.

(8) A person is entitled to inspect (without charge) a public consultation policy of a council at the principal office of the council during ordinary office hours.

(9) A person is entitled, on payment of a fee fixed by the council, to a copy of a public consultation policy.

(2) The term of office of a chairperson must not exceed three years.

(3) If a council has a mayor, there may also be, if the council so resolves, a deputy mayor and if a council has a chairperson, there may also be, if the council so resolves, a deputy chairperson.

- (a) dies; or
- (b) resigns by notice in writing to the chief executive officer; or
- (c) is removed from office by the Governor on the ground of incapacity to carry out official duties satisfactorily; or

(2) If a member of a council stands for election to an office in the council other than the one presently held by the member, the latter office becomes vacant at the conclusion of the election.

(2a) Subsection (2) does not apply if the member is not elected to the office for which the member stood and the conclusion of the election for that office falls within five months before polling day for a general election (the date of that general election being known at that time).

(3) The resignation of a member takes effect on receipt by the chief executive officer of the notice of resignation or on a later date, not more than 14 days in advance, specified in the notice of resignation (but once the notice is received by the chief executive officer the resignation cannot be withdrawn).

(4) If a member's office becomes vacant because of the member's failure to submit a return under Division 2 of Part 4 of this Chapter or Part 14 of the *Local Government (Elections) Act 1999*—

- (a) the District Court may, on application made within one month after the vacation of office, restore the member to office if satisfied that the failure arose from circumstances beyond the member's control; and
- (b) proceedings for a supplementary election to fill the vacancy must not be commenced until the period for making an application under paragraph (a) has expired or, if there is an application, until the application is determined; and
- (c) the member cannot be nominated as a candidate for the election to fill the vacancy unless he or she has submitted to the chief executive officer the return that was required to be submitted.

(5) If a member's office becomes vacant because the member has been convicted of an offence under subsection (1)(i), proceedings for a supplementary election to fill the vacancy (if required) must not be commenced until the period for appealing against the conviction has expired or, if there is an appeal, until the appeal is determined.

(6) If the office of a member of a council becomes vacant under subsection (1), the chief executive officer must notify the members of the council at the next meeting of the council and give notice of the occurrence of the vacancy in the *Gazette* (but the members of the council need not be notified if the member is removed from office by the council).

(7) A member's office does not become vacant by reason only of the fact that the member, after an election or appointment, ceases to be an elector for the area.

Specific requirements if member disqualified

55. If a person—

- (a) at the time of election or appointment to the office of a member of a council is disqualified to hold that office (*see* section 62 or 267 of this Act or section 17 of the *Local Government (Elections) Act 1999*); or
- (b) holds office as a member of a council and becomes disqualified to hold that office (*see* section 54, 62 or 267 of this Act),

the person—

- (c) must immediately on becoming aware of the election or appointment, or of the existence of the disqualification (whichever is the later), deliver to the chief executive officer of the council a notice stating the fact of the disqualification (stating the grounds of disqualification); and

Local Government Act 1999

- (d) must not act in the office after becoming aware of the disqualification.

Maximum penalty: \$ 5 000.

Division 2—Special provisions if majority of members resign on specified grounds

General election to be held in special case

56. (1) If—

- (a) the membership of a council falls below the prescribed number (a "prescribed occurrence"); and
- (b) the prescribed occurrence occurs more than five months before polling day for a general election to be held under another provision of this Act or the *Local Government (Elections) Act 1999* (the date of that polling day being known at the time of the prescribed occurrence); and
- (c) the reason for the prescribed occurrence is that a number of members of the council equal to, or exceeding, the prescribed number have resigned on the express ground (stated in the notice or notices of resignation to the chief executive officer) that they consider that relations within the membership of the council are such that the council can no longer continue to conduct its affairs in an appropriate manner and that accordingly action should be taken under this Division,

the chief executive officer of the council must, by notice in the *Gazette*, declare that the council is a council to which this Division applies.

(2) If a declaration is made under subsection (1), a general election must be held for the council as soon as practicable after the date of the declaration on a day fixed as polling day by the chief executive officer in the notice under subsection (1).¹

(3) In this section—

"**prescribed number**" of members of a council is a number ascertained by dividing the total number of members that constitute the council (assuming no vacancies) by two, ignoring any fraction resulting from the division, and adding one.

¹ The term of office of any remaining members of the council will expire at the conclusion of this general election—see Division 1.

Restriction on activities during the relevant period

57. (1) In this section—

"**asset**" means anything that must be treated as an asset for the purposes of the financial statements of a council;

"**lease**" includes an agreement for lease, but does not include a lease entered into as a result of the exercise of a right or option to renew a lease entered into before the commencement of the relevant period;

"**relevant period**" in relation to a council means a period commencing on the date of a declaration under this section that relates to the council and ending on the day on which general elections for the council held pursuant to that section conclude.

(2) This section applies to a council that is the subject of a declaration under section 56.

(3) Subject to this section, if during a relevant period the council to which the period relates—

(a) enters into a contract for the appointment of a chief executive officer; or

(b) enters into a contract—

(i) the terms of which require (either unconditionally or subject to conditions) the council to make a payment exceeding \$100 000, or payments exceeding \$100 000 in total; or

(ii) the terms of which entitle the council to receive a payment exceeding \$100 000, or payments exceeding \$100 000, on account of the disposal by the council of an asset of the council; or

(c) enters into a lease under which the rent payable by the lessee in any period exceeds \$100 000,

without the approval of the Minister, the contract or lease is liable to be voided by the Minister.

(4) However, subsection (3) does not apply to—

(a) a contract or lease entered into by the council to give effect to any expenditure or revenue measure contained in a budget adopted by the council before the commencement of the relevant period; or

(b) a contract or lease of a kind excluded from the operation of that subsection by the Minister (on conditions, if any, determined by the Minister).

(5) An approval granted by the Minister for the purposes of this section has no effect unless the council had, before submitting the relevant contract or lease to the Minister for approval, resolved that it would, subject to the approval of the Minister, enter into the contract or lease.

(6) If—

(a) the Minister voids a contract or lease under this section; and

(b) the Minister or the council incurs a liability by reason of or in relation to the contract or lease,

the Minister or the council (as the case may be) may recover the whole of the amount of the liability as a debt from the persons who were members of the council at the time that the contract was made or lease was entered into or made, or from any of them, or from any one of them.

(2) If information or comment is published by a person in contravention of subsection (1), the person, and any person who authorised the publication of the information or comment, is guilty of an offence.

Maximum penalty: \$10 000.

Application of Division to members of committees and subsidiaries

72. (1) The provisions of this Division extend to members of a council committee if the council so resolves.

(2) The charter of a subsidiary may provide that the provisions of this Division extend to board members of a subsidiary established by a council or councils as if—

- (a) the subsidiary were a council; and
- (b) a board member of the subsidiary were a member of a council.

(3) If the provisions of this Division apply in relation to a regional subsidiary—

- (a) a board member must submit a primary return, and ordinary returns, to the chief executive officer of each constituent council; and
- (b) the subsidiary must, in consultation with the chief executive officers of the constituent councils, ensure that a Register of Interests relating to its board members (made up of the information required to be included in returns under this Division) is maintained at the principal office of the subsidiary, or at a council office nominated by the subsidiary, and is available for public inspection during ordinary office hours.

(4) A person is entitled, on payment of a fee fixed by the subsidiary's constituent councils, to a copy of the Register maintained under subsection (3).

(5) A member of a council who has submitted the appropriate returns under a preceding provision of this Division is not required to submit additional returns under this section.

Division 3—Conflict of interest

Conflict of interest

73. (1) A member of a council has an interest in a matter before the council if—

- (a) the member or a person with whom the member is closely associated would, if the matter were decided in a particular manner, receive or have a reasonable expectation of receiving a direct or indirect pecuniary benefit or suffer or have a reasonable expectation of suffering a direct or indirect pecuniary detriment; or
- (b) the member or a person with whom the member is closely associated would, if the matter were decided in a particular manner, obtain or have a reasonable expectation of obtaining a non-pecuniary benefit or suffer or have a reasonable expectation of suffering a non-pecuniary detriment,

(not being a benefit or detriment that would be enjoyed or suffered in common with all or a substantial proportion of the ratepayers, electors or residents of the area or a ward or some other substantial class of persons).

(2) A person is closely associated with a member of a council—

- (a) if that person is a body corporate of which the member is a director or a member of the governing body; or
- (b) if that person is a proprietary company in which the member is a shareholder; or
- (c) if that person is a beneficiary under a trust or an object of a discretionary trust of which the member is a trustee; or

Local Government Act 1999

- (d) if that person is a partner of the member; or
- (e) if that person is the employer or an employee of the member; or
- (f) if that person is a person from whom the member has received or might reasonably be expected to receive a fee, commission or other reward for providing professional or other services; or
- (g) if that person is a relative of the member.

(3) A member of a council who is a member, officer or employee of an agency or instrumentality of the Crown, will be regarded as having an interest in a matter before the council if the matter directly concerns that agency or instrumentality but otherwise will not be regarded as having an interest in a matter by virtue of being a member, officer or employee of the agency or instrumentality.

(4) In this section—

"agency or instrumentality of the Crown" includes—

- (a) an administrative unit of the Public Service;
- (b) a body corporate comprised of, or including or having a governing body comprised of or including, a Minister or Ministers of the Crown or a person or persons appointed by the Governor or a Minister or other agency or instrumentality of the Crown.

Members to disclose interests

74. (1) A member of a council who has an interest in a matter before the council must disclose the interest to the council.

(2) A member in making a disclosure under subsection (1) must provide full and accurate details of the relevant interest.

(3) A disclosure made under subsection (1) must be recorded in the minutes of the council (including details of the relevant interest).

(4) A member of a council who has an interest in a matter before the council must not—

- (a) propose or second a motion relating to the matter; or
- (b) take part in discussion by the council relating to that matter; or
- (c) while such discussion is taking place, be in, or in the close vicinity of, the room in which or other place at which that matter is being discussed; or

Qualifications—

1. Subsections (1) and (4) do not apply—

- (a) to questions relating to allowances or benefits that a council is empowered to pay to, or confer on, members, their spouses or members of their families; or

- (b) to matters of a class exempted by regulation from the provisions of those subsections; or

- 2. A member of a council who has disclosed an interest under subsection (1) may, by permission of the council, attend during proceedings of the council on the relevant matter in order to ask or answer questions, provided that the meeting is open to the public, the member withdraws from the room after asking or answering the questions, and the member does not in any other way take part in any debate or vote on the matter.
- 3. Subsection (4) does not apply in relation to a matter in which the member has an interest by virtue only of the fact that the member or a person closely associated with the member—
 - (a) is a member of, or director or member of the governing body of, a non-profit association; or
 - (b) is a member of a body (whether corporate or unincorporate) comprised of or including, or having a governing body comprised of or including, a person or persons appointed by the council.
- 4. A member does not contravene this section if the interest was unknown to the member at the relevant time.

(5) The fact that a member or members of a council have failed to comply with this section in relation to a particular matter does not, of itself, invalidate a resolution or decision on that matter but, if it appears that the non-compliance may have had a decisive influence on the passing of the resolution or the making of the decision, the District Court may, on the application of the council, the Minister or a person affected by the resolution or decision, annul the resolution or decision and make such ancillary or consequential orders as it thinks fit.

(6) In this section—

"**non-profit association**" means a body (whether corporate or unincorporate)—

- (a) that does not have as its principal object or one of its principal objects the carrying on of a trade or the making of a profit; and
- (b) that is so constituted that its profits (if any) must be applied towards the purposes for which it is established and may not be distributed to its members,

and includes the LGA.

Application of Division to members of committees and subsidiaries

75. (1) The provisions of this Division extend to committees and to members of committees established by councils as if—

- (a) a committee were a council; and

Part 5—Allowances and benefits

Allowances

76. (1) A member of a council is entitled to receive an annual allowance from the council for performing and discharging official functions and duties.

(2) A council must—

- (a) at its first ordinary meeting after being newly constituted under Chapter 3; and
- (b) at its first ordinary meeting after the conclusion of each periodic election,

fix the rates of the annual allowances to be payable to council members during the ensuing period of 12 months.

(3) The rates of allowances fixed by a council under subsection (2)(b) must not be less than the rates applying to members of the council immediately before the conclusion of the periodic election.¹

(4) The rates of the annual allowances may vary from office to office.

(5) The rates will then be reviewed by the council on an annual basis.

(6) A member of a council who holds an office for part only of the period in respect of which an allowance is payable is entitled to the proportion of the allowance that the period for which the member held the office bears to the total period.

(7) Allowances under this section must be paid at times, and in a manner, prescribed by the regulations (unless the member declines to accept payment of an allowance).

(8) The regulations may—

- (a) prescribe minimum and maximum amounts within which rates must be set under this section;
- (b) prescribe a formula or formulas which must be applied in fixing rates under this section.

(9) Regulations made for the purposes of subsection (7) or (8) may make different provision according to the offices or classes of council to which they are expressed to apply.

(10) In default of a council fixing appropriate rates under this section, the prescribed minimum amounts will apply.

¹ The rates may be subsequently reduced on a review under subsection (5).

Reimbursement of expenses

77. (1) A member of a council is entitled to receive from the council—

- (a) reimbursement of expenses of a kind prescribed for the purposes of this paragraph incurred in performing or discharging official functions and duties; and

Local Government Act 1999

(2) A policy under subsection (1)(b) lapses at a general election of the council.

(3) A person is entitled to inspect (without charge) a policy of a council under subsection (1)(b) at the principal office of the council during ordinary office hours.

(4) A person is entitled, on payment of a fee fixed by the council, to a copy of a policy under subsection (1)(b).

Provision of facilities and support

78. (1) A council may provide facilities and other forms of support to its members to assist the members in performing or discharging official functions and duties.

(2) The provision of facilities and services under this section is at the discretion of the council subject to complying with the following requirements:

(a) the council must specifically resolve that the provision of the facilities or services is necessary or expedient to the performance or discharge of official functions or duties;

(b) facilities and services must be available to members on a uniform basis (other than facilities or services specifically provided for the benefit of the principal member);

(c) any property provided to a member remains the council's.

(3) A member of a council must not use a facility or service provided by the council under this section for a purpose unrelated to the performance or discharge of official functions or duties (unless the use has been approved by the council and the member has agreed to reimburse the council for any additional costs or expenses associated with this use).

Register of allowances and benefits

79. (1) The chief executive officer of a council must ensure that a record (the "Register of Allowances and Benefits") is kept in which is entered, in accordance with principles (if any) prescribed by the regulations, in respect of each member of the council—

(a) the annual allowance payable to the member; and

(b) details of any expenses reimbursed by the council under section 77(1)(b); and

(c) details of other benefits paid or payable to, or provided for the benefit of, the member by the council.

(2) The chief executive officer must ensure that an appropriate record is made in the Register, in accordance with principles prescribed by the regulations, in respect of—

(a) changes in the allowance or a benefit payable to, or provided for the benefit of, members; or

(b) the provision of a reimbursement (other than a reimbursement under section 77(1)(a)) or benefit not previously recorded in the Register.

(3) A person is entitled to inspect (without charge) the Register at the principal office of the council during ordinary office hours.

(4) A person is entitled, on payment of a fee fixed by the council, to an extract from the Register.

Insurance of members

80. A council must take out a policy of insurance insuring every member of the council, and a spouse or another person who may be accompanying a member of the council, against risks associated with the performance or discharge of official functions or duties by members.

Local Government Act 1999

Chapter 6—Meetings

Part 1—Council meetings

Frequency and timing of ordinary meetings

81. (1) Subject to this section, ordinary meetings of a council will be held at times and places appointed by a resolution of the council.

(2) There must be at least one ordinary meeting in each month.

(3) If a time and place has not been appointed for the holding of an ordinary meeting during a month, the chief executive officer must appoint the time and place at which the ordinary meeting for the month is to be held.

(4) The chief executive officer must also appoint the time and place at which the first ordinary meeting of a council will be held—

(a) after the council is constituted under Chapter 3; or

(b) after a general election of the council.

(5) Ordinary meetings of a council may not be held on Sundays, or on public holidays.

(6) In the case of a municipal council, ordinary meetings of the council may not be held before 5 p.m. unless the council resolves otherwise by a resolution supported unanimously by all members of the council.

(7) A resolution under subsection (6) does not operate in relation to a meeting held after the conclusion of the general election next held following the making of the resolution.

Calling of special meetings

82. (1) The chief executive officer must, at the request of—

(a) the principal member of the council; or

(b) at least three members of the council; or

(c) a council committee at which at least three members of the council vote in favour of the making of the request,

call a special meeting of the council.

(2) The chief executive officer must be provided with an agenda for the special meeting at the time that a request is made under subsection (1) (and if an agenda is not provided then the request has no effect).

(3) Special meetings may be held at any time.

Notice of ordinary or special meetings

83. (1) In the case of an ordinary meeting, the chief executive officer must give each member of the council notice of the meeting at least three clear days before the date of the meeting.

(2) In the case of a special meeting, the chief executive officer must give each member of the council notice of the meeting at least four hours before the commencement of the meeting.

(3) Notice of a meeting of the council must—

(4) The chief executive officer must, insofar as is reasonably practicable—

- (a) ensure that items on an agenda given to members of the council under this section are described with reasonable particularity and accuracy; and
- (b) supply to each member of the council at the time that notice of a meeting is given a copy of any documents or reports that are to be considered at the meeting (so far as this is practicable).

(5) The chief executive officer may indicate on a document or report provided to members of the council under subsection (4) (or on a separate notice) any information or matter contained in or arising from a document or report that may, if the council so determines, be considered in confidence under Part 3, provided that the chief executive officer at the same time specifies the basis on which an order could be made under that Part.

(6) Notice may be given to a member of a council under this section—

- (a) personally; or
- (b) by delivering the notice (whether by post or otherwise) to the usual place of residence of the member or to another place authorised in writing by the member; or
- (c) by leaving the notice for the member at an appropriate place at the principal office of the council, if authorised in writing by the member to do so; or
- (d) by a means authorised in writing by the member as being an available means of giving notice (eg., facsimile transmission).

(7) A notice that is not given in accordance with subsection (6) is taken to have been validly given if the chief executive officer considers it impracticable to give the notice in accordance with that subsection and takes action the chief executive officer considers reasonable in the circumstances to bring the notice to the attention of the member.

(8) The chief executive officer must maintain a record of all notices of meetings given under this section to members of the council.

Local Government Act 1999

(9) The fact that a notice of a meeting has not been given to a member of a council in accordance with this section does not, of itself, invalidate the holding of the meeting or a resolution or decision passed or made at the meeting but the District Court may, on the application of the Minister, annul a resolution or decision passed or made at the meeting and make such ancillary or consequential orders as it thinks fit if satisfied that such action is warranted in the circumstances of the particular case.

Public notice of council meetings

84. (1) The chief executive officer must give notice to the public of the times and places of meetings of the council.

(2) Notice under subsection (1) is given by causing a copy of the notice and agenda for a meeting to be placed on public display at the principal office of the council—

- (a) in the case of an ordinary meeting—at least three clear days before the date of the meeting; or
- (b) in the case of a special meeting—as soon as practicable after the time that notice of the meeting is given to members of the council.

(2a) The chief executive officer may also give notice to the public of the time and place of a meeting of the council in such other manner as the chief executive officer considers appropriate after taking into account—

- (a) the characteristics of the council's community and area; and
- (b) the best ways to bring notice of a meeting of the council to the public's attention; and
- (c) such other matters as the chief executive officer thinks fit.

(3) A person is entitled, on payment of a fee fixed by the council, to obtain a copy of a notice and agenda on display under subsection (2).

(4) The notice and agenda must be kept on public display under subsection (2) until the completion of the relevant meeting.

(5) The chief executive officer must also ensure that a reasonable number of copies of any document or report supplied to members of the council for consideration at a meeting of the council are available for inspection by members of the public—

- (a) in the case of a document or report supplied to members of the council before the meeting—at the principal office of the council as soon as practicable after the time when the document or report is supplied to members of the council; or
- (b) in the case of a document or report supplied to members of the council at the meeting—at the meeting as soon as practicable after the time when the document or report is supplied to members of the council.

(6) However, subsection (5) does not apply to a document or report—

- (a) that is subject to the operation of section 83(5); or

- (b) that relates to a matter dealt with by the council on a confidential basis under Part 3.

Quorum

85. (1) The prescribed number of members of a council constitutes a quorum of the council and no business can be transacted at a meeting unless a quorum is present.

The **prescribed number** of members of a council is a number ascertained by dividing the total number of members of the council for the time being in office by 2, ignoring any fraction resulting from the division, and adding one.

(2) If a quorum is lost because a member cannot participate in a particular matter pursuant to Chapter 5 Part 4 Division 3, the matter must be adjourned (so that the remainder of the meeting may proceed).

(3) If a quorum cannot be obtained for consideration of a particular matter because of the operation of Chapter 5 Part 4 Division 3, the council may proceed to consider the matter without a quorum with the approval of the Minister.

Procedure at meetings

86. (1) The principal member of a council will preside at a meeting of the council.

(2) If the principal member is absent from a meeting of a council and there is a deputy, the deputy will preside but if there is no deputy or the deputy is not available to preside, a member of the council chosen by those present will preside.

(3) If—

(a) a person is to be chosen to be the principal member of a council at a meeting of the council; or

(b) a member of the council must be chosen by those present at a meeting of the council to preside at the meeting,

the chief executive officer will preside until the matter is decided.

(4) Subject to this Act, a question arising for decision at a meeting of a council will be decided by a majority of the votes cast by the members present at the meeting and entitled to vote on the question.

(5) Each member present at a meeting of a council must, subject to a provision of this Act to the contrary, vote on a question arising for decision at that meeting.

(6) The mayor of a council, or other member presiding in the absence of the mayor, at a meeting of the council, does not have a deliberative vote on a question arising for decision at the meeting but has, in the event of an equality of votes, a casting vote.

(7) The chairperson of a council, or other member presiding in the absence of the chairperson, at a meeting of the council, has a deliberative vote on a question arising for decision at the meeting but does not, in the event of an equality of votes, have a casting vote.

Local Government Act 1999

(8) Subject to this Act, the procedure to be observed at a meeting of a council will be—

(a) as prescribed by regulation;

(b) insofar as the procedure is not prescribed by regulation—as determined by the council.

(9) A meeting of a council may be adjourned from time to time and from place to place.

Part 2—Committee meetings

Calling and timing of committee meetings

87. (1) Ordinary meetings of a council committee will be held at times and places appointed by the council or, subject to a decision of the council, the council committee.

(3) A resolution appointing a time for the holding of an ordinary meeting of a council committee does not operate after the conclusion of the general election next following the making of the resolution.

(4) The chief executive officer must ensure that each member of a council committee is given notice of an ordinary meeting of the committee at least three clear days before the date of the meeting.

(5) The chief executive officer must, at the request of—

- (a) the presiding member of a council committee; or
- (b) at least two members of a council committee,

call a special meeting of a council committee.

(6) Special meetings of a council committee may be held at any time.

(7) The chief executive officer must ensure that each member of a council committee is given notice of a special meeting of the committee at least four hours before the commencement of the meeting.

(8) Notice of a meeting of a council committee must—

- (a) be in writing; and
- (b) set out the date, time and place of the meeting; and
- (c) contain, or be accompanied by, the agenda for the meeting.

(9) The chief executive officer must, insofar as is reasonably practicable—

- (a) ensure that items on an agenda given to members of a council committee under this section are described with reasonable particularity and accuracy; and

Local Government Act 1999

(10) The chief executive officer may indicate on a document or report provided to members of the committee under subsection (9) (or on a separate notice) any information or matter contained in or arising from a document or report that may, if the committee so determines, be considered in confidence under Part 3, provided that the chief executive officer at the same time specifies the basis on which an order could be made under that Part.

(11) Notice may be given to a member of a committee under this section—

- (a) personally; or
- (b) by delivering the notice (whether by post or otherwise) to the usual place of residence of the member or to another place authorised in writing by the member; or
- (c) by leaving the notice for the member at an appropriate place at the principal office of the council, if authorised in writing by the member to do so; or
- (d) by a means authorised in writing by the member as being an available means of giving notice (eg., facsimile transmission).

(12) A notice that is not given in accordance with subsection (11) is taken to have been validly given if the chief executive officer considers it impracticable to give the notice in accordance with that subsection and takes action the chief executive officer considers reasonably practicable in the circumstances to bring the notice to the attention of the member of the committee.

(13) The chief executive officer must ensure that a record of all notices of meetings given under this section is maintained.

(14) The fact that a notice of a meeting has not been given to a member of a committee in accordance with this section does not, of itself, invalidate the holding of the meeting or a resolution or decision passed or made at the meeting but the District Court may, on the application of the Minister, annul a resolution or decision passed or made at the meeting and make such ancillary or consequential orders as it thinks fit if satisfied that such action is warranted in the circumstances of the particular case.

(15) The regulations may modify the application of this section for council committees that are not performing regulatory activities of councils.

90. (1) Subject to this section, a meeting of a council or council committee must be conducted in a place open to the public.

(2) A council or council committee may order that the public be excluded from attendance at a meeting to the extent (and only to the extent) that the council or council committee considers it to be necessary and appropriate to act in a meeting closed to the public in order to receive, discuss or consider in confidence any information or matter listed in subsection (3) (after taking into account any relevant consideration under that subsection).

(3) The following information and matters are listed for the purposes of subsection (2):

- (a) information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead);
- (b) information the disclosure of which—
 - (i) could reasonably be expected to confer a commercial advantage on a person with whom the council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the council; and
 - (ii) would, on balance, be contrary to the public interest;
- (c) information the disclosure of which would reveal a trade secret;
- (d) commercial information of a confidential nature (not being a trade secret) the disclosure of which—
 - (i) could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party; and
 - (ii) would, on balance, be contrary to the public interest;
- (e) matters affecting the security of the council, members or employees of the council, or council property, or the safety of any person;
- (f) information the disclosure of which could reasonably be expected to prejudice the maintenance of law, including by affecting (or potentially affecting) the prevention, detection or investigation of a criminal offence, or the right to a fair trial;
- (g) matters that must be considered in confidence in order to ensure that the council does not breach any law, order or direction of a court or tribunal constituted by law, any duty of confidence, or other legal obligation or duty;
- (h) legal advice;
- (i) information relating to actual litigation, or litigation that the council or council committee believes on reasonable grounds will take place, involving the council or an employee of the council;

- (a) members of the council or council committee; or
- (b) members of the council or council committee and staff,

provided that a matter which would ordinarily form part of the agenda for a formal meeting of a council or council committee is not dealt with in such a way as to obtain, or effectively obtain, a decision on the matter outside a formally constituted meeting of the council or council committee.

- (e) land within the area of the District Council of Coober Pedy that is subject to a mining lease under the *Mining Act 1971* or a precious stones tenement under the *Opal Mining Act 1995*;
- (f) land occupied or held by the council, except any such land held from a council under a lease or licence;
- (g) land occupied by a subsidiary where the land is situated in the area of the council that established the subsidiary or a constituent council (as the case may be);
- (h) land that is exempt from council rates under or by virtue of another Act.

(3) If land is divided by a strata plan under the *Strata Titles Act 1988*—

- (a) rates will be assessed against the units and not against the common property; but
- (b) the equitable interest in the common property that attaches to each unit will be regarded, for the purpose of valuation, as part of the unit.

(4) If land is divided by a primary, secondary or tertiary plan of community division under the *Community Titles Act 1996*—

- (a) in the case of the division of land by a primary plan—rates will be assessed against the primary lots that are not divided by a secondary plan and against the development lot or lots (if any);
- (b) in the case of the division of land by a secondary plan—rates will be assessed against the secondary lots that are not divided by a tertiary plan and against the development lot or lots (if any);
- (c) in the case of the division of land by a tertiary plan—rates will be assessed against the tertiary lots and a development lot or lots (if any).

(5) If land is divided by a primary, secondary or tertiary plan of community division under the *Community Titles Act 1996*—

- (a) in the case of the division of land by a primary plan—where the use of the common property or part of it is, in the opinion of the Valuer-General, reasonably incidental to the use of one or more of the primary lots, rates will not be assessed against the common property, or that part of it, but the interest in the common property, or that part of it, that attaches to each primary lot will be regarded for the purposes of valuation as part of the lot;
- (b) in the case of the division of land by a secondary plan—where the use of the common property or part of it is, in the opinion of the Valuer-General, reasonably incidental to the use of one or more of the secondary lots, rates will not be assessed against the common property, or that part of it, but the interest in the common property, or that part of it, (and in the common property of the primary scheme referred to in paragraph (a) (if any)) that attaches to each secondary lot will be regarded for the purposes of valuation as part of the lot;
- (c) in the case of the division of land by a tertiary plan—where the use of the common property or part of it is, in the opinion of the Valuer-General reasonably incidental to the use of one or more of the tertiary lots, rates will not be assessed against the common property, or that part of it, but the interest in the common property, or that part of it, (and in the common property of the primary and secondary schemes referred to in paragraphs (a) and (b) (if any)) that attaches to each tertiary lot will be regarded for the purposes of valuation as part of the lot.

(6) If land is divided by a primary, secondary or tertiary plan of community division under the *Community Titles Act 1996* and the use of common property or any part of it is not, in the opinion of the Valuer-General, reasonably incidental to the use of any of the community lots, rates will be assessed against the common property or that part of it and the relevant community corporation is liable for those rates as though it were the owner of the common property.

Local Government Act 1999

(7) Despite subsection (3)(b) and subsection (5), the interest in that part of the common property of a strata scheme under the *Strata Titles Act 1988* or the *Community Titles Act 1996* that comprises the building divided into units or lots by the scheme will not be taken into account if rates are based on site value.

Land against which rates may be assessed

148. (1) Rates may be assessed against—

- (a) any piece or section of land subject to separate ownership or occupation; or
- (b) any aggregation of contiguous land subject to the same ownership or occupation.

(2) However, decisions about—

- (a) the division of land for the purposes of subsection (1); or
- (b) the aggregation of land for the purposes of subsection (1),

must be made fairly and in accordance with principles and practices that apply on a uniform basis across the area of the council.

Contiguous land

149. For the purposes of this Part, land will be regarded as being contiguous to other land if the land—

- (a) abuts on the other land at any point; or
- (b) is separated from the other land only by—
 - (i) a road, street, lane, footway, court, alley, railway or thoroughfare; or
 - (ii) a watercourse or channel; or
 - (iii) a reserve or other similar open space.

Division 2—Basis of rating**General principles**

150. A council should, when making and adopting policies and determinations concerning rates under this Act, take into account the fact that rates constitute a system of taxation for local government purposes (generally based on the value of land).

Basis of rating

151. (1) Subject to this Act, a rate must be—

- (a) a rate based on the value of land subject to the rate;¹ or
- (b) a rate based on a fixed charge;² or
- (c) a rate based on two components—
 - (i) one being based on the value of land subject to the rate; and

- (ii) the other being a fixed charge;² or
- (d) a rate based on some other factor or factors specifically allowed under this Act.
- (2) The value of land for the purpose of rating is its capital value.
- (3) However, a council may declare rates on the basis of the annual value or site value of land if—
 - (a) the council declared rates in respect of that land on that basis for the previous financial year; or
 - (b) the council declared rates in respect of that land on the basis of capital value for the previous three financial years.
- (4) Except as authorised by proclamation under Chapter 3, a council must not apply different valuation bases to different parts of its area.
- (5) Before a council—
 - (a) changes the basis of the rating of any land (including by imposing differential rates on land that has not been differentially rated in the preceding financial year, or by no longer imposing differential rates on land that has been differentially rated in the preceding financial year); or
 - (b) changes the basis on which land is valued for the purposes of rating; or
 - (c) changes the imposition of rates on land by declaring or imposing a separate rate, service rate or service charge on any land,the council must—
 - (d) prepare a report on the proposed change; and
 - (e) follow the relevant steps set out in its public consultation policy.
- (6) A report prepared for the purposes of subsection (5)(d) must address the following:
 - (a) the reasons for the proposed change;
 - (b) the relationship of the proposed change to the council's overall rates structure and policies;
 - (c) in so far as may be reasonably practicable, the likely impact of the proposed change on ratepayers (using such assumptions, rate modelling and levels of detail as the council thinks fit);
 - (d) issues concerning equity within the community,

and may address other issues considered relevant by the council.

Local Government Act 1999

(7) A public consultation policy for the purposes of subsection (5)(e) must at least provide for—

- (a) the publication in a newspaper circulating within the area of the council a notice describing the proposed change, informing the public of the preparation of the report required under subsection (5)(d), and inviting interested persons—
 - (i) to attend a public meeting in relation to the matter to be held on a date (which must be at least 21 days after the publication of the notice) stated in the notice; or
 - (ii) to make written submissions in relation to the matter within a period (which must be at least 21 days) stated in the notice; and
- (b) the council to organise the public meeting contemplated by paragraph (a)(i) and the consideration by the council of any submissions made at that meeting or in response to the invitation under paragraph (a)(ii).

(8) The council must ensure that copies of the report required under subsection (5)(d) are available at the meeting held under subsection (7)(a)(i), and for inspection (without charge) and purchase (on payment of a fee fixed by the council) at the principal office of the council at least seven days before the date of that meeting.

(9) A rate cannot be challenged on a ground based on the contents of a report prepared by a council for the purposes of subsection (5)(d).

¹ See Division 6 for provisions concerning the valuation of land for the purpose of rating.

² A fixed charge cannot be challenged on the basis that the rate is not based on the value of land.

Division 3—Specific characteristics of rates and charges

General rates

152. (1) A general rate may—

- (a) be a rate based on the value of the land subject to the rate; or
 - (b) be a rate based on a fixed charge; or
 - (c) be a rate that consists of two components—
 - (i) one being based on the value of the land subject to the rate; and
 - (ii) the other being a fixed charge.
- (2) The following provisions apply in relation to a fixed charge under subsection (1)(b) or (c):
- (a) except as provided by paragraphs (b), (c) and (d), a fixed charge must apply equally to each separate piece of rateable land in the area;
 - (b) a fixed charge cannot be imposed against land that constitutes less than the whole of a single allotment;

- (c) if two or more pieces of contiguous rateable land are owned by the same owner and occupied by the same occupier, only one fixed charge may be imposed against the whole of that land;
- (d) if two or more pieces of rateable land within the area of the council constitute a single farm enterprise, only one fixed charge may be imposed against the whole of the land.

(3) Subsection (2)(d) only applies if the council is satisfied, on application to the council and by provision of such information or evidence as the council may reasonably require, that the relevant land is within the ambit of the provision.

(4) If the grounds on which land is within the ambit of subsection (2)(d) cease to exist, the person who has the benefit of the provision must immediately inform the council of that fact.

Maximum penalty: \$5 000.

In this section—

1. An allotment is—

- (a) the whole of the land comprised in a certificate of title; or
- (b) the whole of land subject to a separate lease or licence, other than a lease or licence of a prescribed class (if any).

2. A reference to a single farm enterprise is a reference to two or more pieces of rateable land—

(a) which—

- (i) are farm land; and
 - (ii) are farmed as a single enterprise; and
 - (iii) are occupied by the same person or persons,
- whether or not the pieces of land are contiguous; or

(b) which—

- (i) as to all the pieces except one, are farm land farmed as a single enterprise occupied by the same person or persons; and
- (ii) as to one piece contiguous with at least one of the other pieces, is the principal place of residence of that person or one of those persons.

Declaration of general rate (including differential general rates)

153. (1) A council may declare—

- (a) a general rate on all rateable land within its area for a particular financial year; or

Local Government Act 1999

- (b) differential general rates on rateable land within its area for a particular financial year (unless the council has based its general rates entirely on a fixed charge).

(2) A council must, in fixing its rates for the purposes of this section, consider issues of consistency and comparability across council areas in the imposition of rates on various sectors of the business and wider community.

(3) A council must not—

- (a) declare a general rate until after it has adopted its budget for the financial year to which the rate relates; and
- (b) declare a general rate more than one month before the commencement of the financial year to which the rate relates; and
- (c) except in a case involving extraordinary administrative difficulty, declare a general rate for a particular financial year after 31 August in that financial year.

Separate rates

154. (1) A council may declare a separate rate on rateable land within a part of the area of the council for the purpose of planning, carrying out, making available, supporting, maintaining or improving an activity that is, or is intended to be, of particular benefit to the land, or the occupiers of the land, within that part of the area, or to visitors to that part of the area.

(2) A separate rate may be based on—

- (a) the value of land subject to the rate; or
- (b) under or with the approval of the Minister, a proportional measure or other proportional basis related to the relevant land or the area, or to the estimated benefit to the occupiers of the land in the part of the area subject to the rate.

(3) The Minister may—

- (a) grant an approval according to classes of activities to which the rate may apply, and specify the proportional measures to be applied under this section; or
- (b) grant an approval unconditionally; or
- (c) grant an approval on conditions determined by the Minister; or
- (d) vary or revoke an approval; or
- (e) refuse to grant an approval.

(4) A council may declare a separate rate in respect of a particular activity despite the fact that the activity is not to be directly undertaken or provided by the council.

(5) A separate rate—

- (a) may be declared for a specified period (eg., the time taken to carry out a capital project);

(b) may be declared for a period exceeding one year.

(6) Except where a separate rate is declared for more than one year, a separate rate must not be declared more than one month before the commencement of the financial year to which the rate relates.

(7) A council may declare differential separate rates.

(8) A council must, at the time that it declares a separate rate, identify the land to which the rate will relate.

(9) If a council declares a separate rate, the council must, in each rate notice sent to each ratepayer who is liable to pay the separate rate, specify—

(a) the purpose or purposes for which the rate is declared; and

(b) the basis on which the rate is declared; and

(c) the amount payable for the particular financial year; and

(d) if relevant, the period for which the rate will apply (according to a determination of the council under subsection (5)).

(10) If a separate rate is declared to raise funds for a particular purpose and—

(a) the council resolves not to carry the purpose into effect; or

(b) there is an excess of funds over the amount required for that purpose,

the revenue raised by the rate or the excess (as the case may be) must, according to a determination of the council, be—

(c) credited against future liabilities for rates in respect of the land on which the separate rate was imposed; or

(d) refunded to the persons who paid the rate,

in proportion to the amounts paid by each person.

Service rates and service charges

155. (1) In this section—

"prescribed service" means any of the following services:

(a) the provision of water;

(b) the collection, treatment or disposal (including by recycling) of waste;

(c) any other service prescribed by the regulations for the purposes of this definition.

Local Government Act 1999

(2) A council may impose—

- (a) a service rate, an annual service charge, or a combination of a service rate and an annual service charge, on rateable land within its area to which it provides, or makes available, a prescribed service;
- (b) an annual service charge on non-rateable land to which it provides, or makes available, a prescribed service.

(3) A service rate, or annual service charge, may vary according to whether the land to which it applies is vacant or occupied.

(4) If a council provides more than one prescribed service of a particular kind in its area, a different service rate or service charge may be imposed in respect of each service.

(5) A council must not seek to recover in relation to a prescribed service an amount by way of service rate, service charge, or a combination of both exceeding the cost to the council of establishing, operating, maintaining, improving and replacing (including by future capital works) the service in its area.

(6) If amounts are recovered by a council for future works—

- (a) the amounts must be allocated to a reserve for that purpose; and
- (b) the amounts must be applied for that purpose unless the council subsequently resolves not to carry the purpose into effect.

(7) If—

- (a) there are excess funds over the amount required for the relevant work in a reserve under subsection (6); or
- (b) the council makes a resolution under subsection (6)(b),

the amounts standing to the credit of the reserve must, according to a determination of the council, be—

- (c) credited against future liabilities that the persons who paid the relevant amounts may incur under this Chapter; or
- (d) refunded to the persons who paid the relevant amounts,

in proportion to the amounts paid by each person.

(8) An annual service charge must be based on the nature of the service or the level of usage of the service (or a combination of both) by a ratepayer, occupier of land, or other person.

(9) A service charge imposed by a council under this section is recoverable as if it were a rate (even as against non-rateable land).

Division 4—Differential rating and special adjustments

Basis of differential rates

156. (1) Differential rates may vary—

- (a) according to the use of the land; or
- (b) according to the locality of the land; or
- (c) according to the locality of the land and its use; or
- (d) on some other basis determined by the council.

(2) A determination under subsection (1)(d)—

(a) may only be made if—

- (i) the council is a new council with an area that includes land previously within the area of a different council; or
- (ii) the council has been formed by the amalgamation of two or more councils; or
- (iii) the boundaries of the area of the council have been altered; or
- (iv) the council has changed the basis of valuation used for the purpose of rating,

and the council has resolved that in the circumstances differential rating is appropriate in order to allow rating relativities within the area of the council to be gradually altered or realigned; and

- (b) may not be inconsistent with a proclamation under Chapter 3 (insofar as a proclamation under that Chapter provides for the realignment of rating relativities during a specified period); and
- (c) may not apply for more than five financial years or, if a proclamation under Chapter 3 so provides, a longer period specified by proclamation.

(3) If land has more than one use, the use of the land will, for the purpose of rating, be taken to be its predominant use.

(4) A particular land use must not be used as a differentiating factor affecting the incidence of differential rates unless the land use is declared by the regulations to be a permissible differentiating factor.

(5) If a council declares differential rates according to the use of land and thus provides for a distinct residential rate, the residential rate must be applied to land occupied by any of the following:

- (a) supported accommodation;
- (b) independent living units;

Local Government Act 1999

(c) day therapy centres.

(6) If land is vacant, the non-use of the land is capable of constituting a land use for the purpose of the declaration of differential rates.

(7) The locality of land may only be used as a differentiating factor as follows:

(a) there may be differentiation according to the zone in which the land is situated;

(b) there may be differentiation according to whether the land is situated within or outside a township (with, at the discretion of the council, a separate differentiation according to zones);

(c) if there are two or more townships in the area—there may be differentiation according to the township in which the land is situated (with, at the discretion of the council, a separate differentiation in relation to land outside the townships and, at the discretion of the council, a separate differentiation according to zones).

(8) A change in the use of land after differential rates are declared does not affect the incidence of the rates.

(9) A ratepayer, if of the opinion that a particular land use has been wrongly attributed to the ratepayer's land by the council for the purpose of levying differential rates, may object to the attribution of that land use to the land.

(10) An objection under subsection (9)—

(a) must be in writing; and

(b) must set out—

(i) the grounds of the objection; and

(ii) the land use (being a land use being used by the council as a differentiating factor) that should, in the objector's opinion, have been attributed to the land; and

(c) must be made within 60 days after the objector receives notice of the attribution of the particular land use to which the objection relates (unless the council, in its discretion, allows an extension of time for making the objection).

(11) The council may decide an objection as it thinks fit and must notify the objector in writing of its decision.

(12) The objector, if dissatisfied with the council's decision on the objection may, subject to the relevant rules of court, appeal against the decision to the Land and Valuation Court.

(13) Except as provided by this section, the attribution of a particular land use to land for the purpose of levying differential rates cannot be challenged.

(14) A regulation cannot be made for the purposes of this section except after consultation with the LGA.

(14a) Before a council changes from declaring differential rates in relation to any land on the basis of a differentiating factor under either paragraph (a), (b) or (c) of subsection (1) to a differentiating factor under another of those paragraphs, the council must—

- (a) prepare a report on the proposed change; and
- (b) follow the relevant steps set out in its public consultation policy.

(14b) A report prepared for the purposes of subsection (14a)(a) must address the following:

- (a) the reasons for the proposed change;
- (b) the relationship of the proposed change to the council's overall rates structure and policies;
- (c) in so far as may be reasonably practicable, the likely impact of the proposed change on rate payers (using such assumptions, rate modelling and levels of detail as the council thinks fit);
- (d) issues concerning equity within the community,

and may address other issues considered relevant by the council.

(14c) A report prepared for the purposes of subsection (14a)(a) may form a part of a report prepared for the purposes of section 151(5)(d).

(14d) A public consultation policy for the purposes of subsection (14a) must at least provide for—

- (a) the publication in a newspaper circulating within the area of the council a notice describing the proposed change, informing the public of the preparation of the report required under subsection (14a)(a), and inviting interested persons—
 - (i) to attend a public meeting in relation to the matter to be held on a date (which must be at least 21 days after the publication of the notice) stated in the notice; or
 - (ii) to make written submissions in relation to the matter within a period (which must be at least 21 days) stated in the notice; and
- (b) the council to organise the public meeting contemplated by paragraph (a)(i) and the consideration by the council of any submissions made at that meeting or in response to the invitation under paragraph (a)(ii).

(14e) The council must ensure that copies of the report required under subsection (14a)(a) are available at the meeting held under subsection (14d)(a)(i), and for inspection (without charge) and purchase (on payment of a fee fixed by the council) at the principal office of the council at least seven days before the date of that meeting.

(14f) A rate cannot be challenged on a ground based on the contents of a report prepared by a council for the purposes of subsection (14a)(a).

Local Government Act 1999

(15) In this section—

"**zone**" means an area defined as a zone, precinct or locality by a Development Plan under the *Development Act 1993*.

Notice of differentiating factors

157. If a council declares differential rates, the council must, in each rates notice, specify the differentiating factor or combination of factors that governs the calculation of rates on the land to which the account relates.

Minimum rates and special adjustments for specified values

158. (1) A council can do one or both of the following:

- (a) fix a minimum amount payable by way of rates in respect of rateable land within its area (or a part of its area);
- (b) alter the amount that would otherwise be payable by way of rates in respect of land that falls within a range of values determined by the council.

(2) However—

- (a) a minimum amount cannot be imposed against land that constitutes less than the whole of a single allotment; and
- (b) a minimum amount cannot be imposed against each supported accommodation unit or independent living unit within a group or complex of units; and
- (c) if two or more pieces of contiguous rateable land are owned by the same owner and occupied by the same occupier, a minimum amount may only be imposed against the whole of the land and not against individual pieces of it; and
- (d) a council may not apply this section so as to affect or alter the rates that would be otherwise payable under this Part in relation to more than 35 per cent of the total number of properties in the area subject to the separate assessment of rates; and
- (e) a council cannot apply this section if the council has included a fixed charge as a component of a general rate or based its general rates entirely on a fixed charge.

(3) In this section, an allotment is—

- (a) the whole of the land comprised in a certificate of title; or
- (b) the whole of land subject to a separate lease or licence, other than a lease or licence of a prescribed class (if any).

Division 5—Rebates of rates**Preliminary**

159. (1) If grounds exist for a person or body to receive a rebate of rates in pursuance of this Division, the person or body may apply to the council in a manner and form determined by the council (supplying such information as the council may reasonably require).

(2) A person or body must not—

- (a) make a false or misleading statement or representation in an application made (or purporting to be made) under this Division; or
- (b) provide false or misleading information or evidence in support of an application made (or purporting to be made) under this Division.

Maximum penalty: \$5 000.

(3) A council may grant a rebate of rates under this Division if satisfied that it is appropriate to do so (whether on application under this Division or on its own initiative).

(4) If a rebate specifically fixed by this Division is less than 100%, the council may, on its own initiative, increase the rebate.

* * * * *

(6) If—

- (a) land is used by a person or body for purposes on which an entitlement to a rebate is based in pursuance of this Division (**Category A purposes**), and for business purposes or other purposes concerned with the production of income (**Category B purposes**); and
- (b) it is possible to separate the part of the land used for Category A purposes from the part of the land used for Category B purposes,

the council is not required to grant a rebate of rates on the land used for the Category B purposes but if the council has declared differential rates in its area and thus provided for a distinct residential rate then that residential rate must be applied to the land that does not receive a rebate on account of the operation of this subsection.

(7) If a person or body has the benefit of a rebate of rates under this Division and the grounds on which the rebate has been granted cease to exist, the person or body must immediately inform the council of that fact and (whether or not the council is so informed) the entitlement to a rebate ceases.

(8) If a person or body fails to comply with subsection (7), the person or body is guilty of an offence.

Maximum penalty: \$5 000.

(9) A council cannot grant to a person or body a rebate of general rates under this Division without also granting to the person or body a comparable rebate of any other rates that may also apply under this Part.

(10) A council may, for proper cause, determine that an entitlement to a rebate of rates in pursuance of this Division no longer applies.

Local Government Act 1999

(11) If an entitlement to a rebate of rates ceases or no longer applies during the course of a financial year, the council is entitled to recover rates, or rates at the increased level (as the case may be), proportionate to the remaining part of the financial year.

Rebate of rates—health services

160. The rates on land being predominantly used for service delivery or administration by a hospital or health centre incorporated under the *South Australian Health Commission Act 1976* will be rebated at 100 per cent.

Rebate of rates—community services

161. (1) The rates on land being predominantly used for service delivery and administration by a community service organisation will be rebated at 75 per cent (or, at the discretion of the council, at a higher rate).

(2) If—

- (a) a community service organisation is entitled to a rebate of rates under subsection (1); and
- (b) the council has declared differential rates according to the use of land and thus provided for a distinct residential rate,

then that residential rate must be applied to the land to which the rebate relates.

(3) For the purposes of this section, a community services organisation is a body that—

- (a) is incorporated on a not-for-profit basis for the benefit of the public; and
- (b) provides community services without charge or for a charge that is below the cost to the body of providing the services; and
- (c) does not restrict its services to persons who are members of the body.

For the purposes of this subsection—

1. A body will not be regarded as incorporated on a not-for-profit basis—

- (a) if a principal or subsidiary object of the body is—
 - (i) to secure a pecuniary profit for the members of the body or any of them; or
 - (ii) to engage in trade or commerce; or
- (b) if the constitution or rules of the body provide that the surplus assets of the body on a winding-up are to be distributed to its members or to another body that does not have identical or similar aims or objects.

2. Subject to the operation of item 1, a body that receives funds from the State or Commonwealth Governments in order to subsidise its costs or charges will be taken to satisfy the requirements of subsection (3)(b).

3. Any of the following are community services:
- (a) the provision of emergency accommodation;
 - (b) the provision of food or clothing for disadvantaged persons;
 - (c) the provision of supported accommodation;
 - (d) the provision of essential services, or employment support, for persons with mental health disabilities, or with intellectual or physical disabilities;
 - (e) the provision of legal services for disadvantaged persons;
 - (f) the provision of drug or alcohol rehabilitation services;
 - (g) the conduct of research into, or the provision of community education about, diseases or illnesses, or the provision of palliative care to persons who suffer from diseases or illnesses.
- **Disadvantaged persons** are persons who are disadvantaged by reason of poverty, illness, frailty, or mental, intellectual or physical disability.

Rebate of rates—religious purposes

162. The rates on land containing a church or other building used for public worship (and any grounds), or land solely used for religious purposes, will be rebated at 100 per cent.

Rebate of rates—public cemeteries

163. The rates on land being used for the purposes of a public cemetery will be rebated at 100 per cent.

Rebate of rates—Royal Zoological Society of SA

164. The rates on land (other than land used as domestic premises) owned by, or under the care, control and management of, the Royal Zoological Society of South Australia Incorporated will be rebated at 100 per cent.

Rebate of rates—educational purposes

165. (1) The rates on land—

- (a) occupied by a government school under a lease or licence and being used for educational purposes; or
- (b) occupied by a non-government school registered under Part 5 of the *Education Act 1972* and being used for educational purposes,

will be rebated at 75 per cent (or, at the discretion of the council, at a higher rate).

(2) The rates on land being used by a university or university college to provide accommodation and other forms of support for students on a not-for-profit basis will be rebated at 75 per cent (or, at the discretion of the council, at a higher rate).

Local Government Act 1999

Discretionary rebates of rates

166. (1) A council may grant a rebate of rates or service charges in any of the following cases (not being cases that fall within a preceding provision of this Division):

- (a) where the rebate is desirable for the purpose of securing the proper development of the area (or a part of the area);
- (b) where the rebate is desirable for the purpose of assisting or supporting a business in its area;
- (c) where the rebate will conduce to the preservation of buildings or places of historic significance;
- (d) where the land is being used for educational purposes;
- (e) where the land is being used for agricultural, horticultural or floricultural exhibitions;
- (f) where the land is being used for a hospital or health centre;
- (g) where the land is being used to provide facilities or services for children or young persons;
- (h) where the land is being used to provide accommodation for the aged or disabled;
- (i) where the land is being used for a residential aged care facility that is approved for Commonwealth funding under the *Aged Care Act 1997* (Cwlth) or a day therapy centre;
- (j) where the land is being used by an organisation which, in the opinion of the council, provides a benefit or service to the local community;
- (k) where the rebate relates to common property or land vested in a community corporation under the *Community Titles Act 1996* over which the public has a free and unrestricted right of access and enjoyment;
- (l) where the rebate is considered by the council to be appropriate to provide relief against what would otherwise amount to a substantial change in rates payable by a ratepayer due to—
 - (i) a redistribution of the rates burden within the community arising from a change to the basis or structure of the council's rates; or
 - (ii) a change to the basis on which land is valued for the purpose of rating, rapid changes in valuations, or anomalies in valuations.

(1a) A council must, in deciding whether to grant a rebate of rates or charges under subsection (1)(d), (e), (f), (g), (h), (i) or (j), take into account—

- (a) the nature and extent of council services provided in respect of the land for which the rebate is sought in comparison to similar services provided elsewhere in its area; and
- (b) the community need that is being met by activities carried out on the land for which the rebate is sought; and

- (c) the extent to which activities carried out on the land for which the rebate is sought provides assistance or relief to disadvantaged persons,

and may take into account other matters considered relevant by the council.

(2) A rebate of rates or charges under subsection (1) may be granted on such conditions as the council thinks fit.

(3) A rebate of rates or charges under subsection (1)(a), (b) or (k) may be granted for a period exceeding one year, but not exceeding 10 years.

(3a) A rebate of rates or charges under subsection (1)(l) may be granted for a period exceeding one year, but not exceeding three years.

(4) A council may grant a rebate under this section that is up to (and including) 100 per cent of the relevant rates or service charge.

Division 6—Valuation of land for the purpose of rating

Valuation of land for the purposes of rating

167. (1) A council must not declare a rate for a particular financial year without first adopting the valuations that are to apply to land within its area for rating purposes for that year.

(2) A council must, for the purposes of subsection (1), adopt—

- (a) valuations made, or caused to be made, by the Valuer-General; or
- (b) valuations made by a valuer employed or engaged by the council, or by a firm or consortium of valuers engaged by the council,

or a combination of both.

(3) For the purposes of subsection (2)—

- (a) —
- (i) in relation to the adoption of valuations under subsection (2)(a)—the most recent valuations available to the council at the time that the council adopts its budget under this Act will govern the assessment of rates for the financial year; and
- (ii) in relation to the adoption of valuations under subsection (2)(b)—the valuations may be up to five years old; and
- (b) if the council adopts a combination of valuations under subsection (2)(a) and (b)—the valuations must be consistent with any guidelines, policies or standards published by the Valuer-General by notice in the *Gazette* for the purposes of this section; and
- (c) all land within a particular land use category declared by the regulations as a permissible differentiating factor must be subject to valuations adopted under subsection (2)(a) or to valuations adopted under subsection (2)(b), and not to a combination of both.

Local Government Act 1999

(4) The council may rely on an audit of valuations undertaken by the Valuer-General for the purpose of ensuring compliance with subsection (3)(b).

(5) Subsection (3)(c) does not apply in a case where the land use category attributed to a particular piece of land is changed following the declaration of a rate or rates for a particular financial year.

(6) A notice of the adoption of valuations must be published in the *Gazette* within 21 days after the date of the adoption.

(7) A notice under subsection (6) need only set out the total of the valuations.

(8) A valuer employed or engaged by a council for the purposes of this section must be a person who is able to act as a valuer under the *Land Valuers Act 1994*.

Valuation of land

168. (1) The Valuer-General must, at the request of a council, value any land within the council's area (being land that is capable of being separately rated) specified in the request.

(2) A council must, at the request of the Valuer-General, furnish to the Valuer-General any information requested by the Valuer-General for the purposes of valuing land within the area of the council.

(3) If a valuer is employed or engaged by a council to value land for the purpose of rating—

(a) the valuer may, for the purposes of the valuation—

(i) enter land and make inspections, measurements or surveys; and

(ii) require a person to answer questions or to furnish returns of information relevant to the valuation; and

(b) the council must, as soon as practicable after the valuation is made, enter the valuation in the assessment record; and

(c) notice of the valuation must be given by the council to the principal ratepayer in respect of the land in accordance with the regulations (although a valuation is not invalidated by failure to give the notice).

(4) A person who, without reasonable excuse—

(a) hinders or obstructs a valuer acting under this section; or

(b) having been asked a question by a valuer under this section, does not answer the question to the best of his or her knowledge, information and belief; or

(c) fails to make a return of information as required under this section, or furnishes a return that is false or misleading in a material particular,

is guilty of an offence.

Maximum penalty: \$5 000.

Objections to valuations made by council

169. (1) A person who is dissatisfied with a valuation made by a valuer employed or engaged by a council may—

- (a) object to the valuation; or
 - (b) appeal against the valuation to the Land and Valuation Court.
- (2) An objection cannot be taken under subsection (1)(a) if it involves a question of law.
- (3) An objection—
- (a) must be made to the council in writing (setting out a full and detailed statement of the grounds on which the objection is based); and
 - (b) must be made within 60 days after the date of service of the notice of the valuation to which the objection relates (unless the council, in its discretion, allows an extension of time for making the objection).
- (4) For the purposes of determining the period within which an objection to a valuation must be made—
- (a) a notice of the valuation sent by post to a person at the address for the person shown in the assessment record will be taken to be served at that address at the end of the second day after the day on which it was sent by post unless it is proved that it was not delivered to that address at all; and
 - (b) an apparently genuine document purporting to be issued by a council and to certify that a specified notice was sent by post on a specified day to a specified person at a specified address will, in the absence of proof to the contrary, constitute proof of the matters so certified.
- (5) The council must refer the objection to the valuer who made the valuation and request the valuer to reconsider the valuation.
- (6) If, on reconsideration, the valuer thinks that the valuation should be altered, the valuation will be altered in accordance with the valuer's opinion.
- (7) The council must give the objector written notice of the outcome of his or her objection.
- (8) If the objector remains dissatisfied with the valuation, the objector may request the council to refer the valuation to the Valuer-General for further review.
- (9) A request under subsection (8)—
- (a) must be made in the prescribed manner and form; and
 - (b) must be made within 21 days after the objector receives notice of the outcome of his or her initial objection (unless the council, in its discretion, allows an extension of time for making the request); and
 - (c) must be accompanied by the prescribed fee.

Local Government Act 1999

(10) The council must refer the request to the Valuer-General and the matter will then be referred to a valuer selected from a panel of valuers constituted under Part 4 of the *Valuation of Land Act 1971* in accordance with procedures set out in that Act.

(11) The valuer to whom the matter is referred under subsection (10) will carry out the review in the same manner as a review under the *Valuation of Land Act 1971* (and both the objector and the council may make representations in accordance with that Act to the valuer on the subject matter of the review).

(12) If the valuer considers that the valuation should be altered, the valuation will, subject to subsection (13), be altered in accordance with the valuer's opinion.

(13) A valuation will not be altered on the review if the alteration would have the effect of increasing or decreasing the valuation by a proportion of one-tenth or less.

(14) If a valuation is reduced on the review, the fee paid by the objector under subsection (9) must be refunded.

(15) If an objector, or the council, is dissatisfied with the valuation after the further review, the objector or the council may, in accordance with the appropriate rules of court, appeal against the valuation to the Land and Valuation Court.

(16) A prescribed fee is payable by the council to the Valuer-General in relation to a review conducted on the Valuer-General's reference under this section.

(17) No objection to a valuation may be made under this section if—

- (a) the valuation is yet to be adopted by the council; or
- (b) the valuation was adopted by the council in relation to a previous financial year.

Division 7—Issues associated with the declaration of rates

Notice of declaration of rates

170. Notice of the declaration of a rate or service charge must be published in the *Gazette* and in a newspaper circulating in the area within 21 days after the date of the declaration.

Publication of rating policy

171. (1) A council must, for each financial year, in conjunction with the declaration of rates under this Part, prepare and adopt a rating policy.

(2) The policy must—

- (a) indicate the relationship between the council's strategic management plans, its budget and its rates structure; and
- (b) in so far as may be relevant, reflect the council's consideration of issues of consistency and comparability across council areas in the imposition of rates on various sectors of the business and wider community; and
- (c) include a **business impact statement** which assesses the impact of the council's rates on businesses in the area; and

- (d) address the following:
- (i) the reason why the council has adopted the valuation method used by the council;
 - (ii) the use of differential rates in the area and, if differential rates are used, the reasons and justifications for the differentiation, and the expected level of revenue to be raised by each differential rate;
 - (iii) the use and level of a fixed charge component of a general rate (if applicable);
 - (iv) the use and level of any separate rate, service rate or service charge, including the reasons for the rate or charge;
 - (v) issues concerning equity within the community and the impact of rates across the area;
 - (vi) issues of equity arising from circumstances where ratepayers provide or maintain infrastructure that might otherwise be provided or maintained by the council;
 - (vii) the application or operation of a minimum amount payable by way of rates (if applicable);
 - (viii) the council's policy on discretionary rebates and remissions, with particular reference to the rebates that will apply for more than one financial year and including information on how a rebate is designed to meet the purpose behind the rebate;
 - (ix) methods and frequency of payments of rates;
 - (x) the application of penalties for late payments;
 - (xi) any other matter prescribed by regulation,

and may address other issues considered relevant by the council.

(3) A council must ensure that copies of a policy are available for inspection (without charge) and purchase (on payment of a fee fixed by the council) by the public at the principal office of the council.

(4) A council must ensure that an abridged or summary version of its rating policy accompanies the first rates notice sent to ratepayers under this Chapter after the declaration of rates for a particular financial year.

(5) A rate cannot be challenged on a ground based on non-compliance with this section, or a policy under this section.

Division 8—The assessment record**Chief executive officer to keep assessment record**

172. (1) The chief executive officer of a council must ensure that a record (the "assessment record") is kept in which is entered—

- (a) —
 - (i) a brief description of each separate piece of rateable land in the area; and
 - (ii) the rateable value of the land; and
- (b) if a service charge is imposed by the council on non-rateable land in the area—a brief description of that land; and
- (c) the name and address of the owner of the land; and
- (d) if the owner is not the principal ratepayer in respect of the land—the name and address of the principal ratepayer; and
- (e) so far as is known to the chief executive officer, the name of any occupier of the land (not being an owner or principal ratepayer in respect of the land); and
- (f) if the land is rated on the basis of a particular land use—that land use; and
- (g) other prescribed information.

(2) An occupier of land may, with the consent of the owner, apply to the chief executive officer of a council, in a manner and form approved by the chief executive officer, to have the occupier's name entered in the assessment record as the principal ratepayer in respect of the land.

(3) If an application is duly made under subsection (2), the chief executive officer must enter the occupier's name in the assessment record as the principal ratepayer.

(4) Despite subsection (1), if the chief executive officer is satisfied that the inclusion in the assessment record of the name or address of a person would place at risk the personal safety of that person, a member of that person's family or any other person, the chief executive officer may suppress the name or address from the assessment record.

(5) If the chief executive officer is satisfied that a person's address is suppressed from the roll under the *Electoral Act 1985*, the chief executive officer must—

- (a) if the person's residential address is included in respect of rateable property that the person owns but does not occupy—suppress the person's residential address from the assessment record;
- (b) if the person's residential address is rateable land described in the assessment record—suppress the person's name from the assessment record in relation to that land.

- (6) The chief executive officer may, as he or she thinks fit—
- (a) keep the assessment record in any form that allows for the accurate recording of information and easy access to that information; and
 - (b) make any alteration to the assessment record that may be necessary to keep the record in a correct and up-to-date form.

Alterations to assessment record

173. (1) Application may be made to the chief executive officer of a council for an alteration of the assessment record—

- (a) by an owner or occupier of land, on the ground that particular information entered in the assessment record is incorrect or has not been recorded in accordance with this Act; or
- (b) by an occupier of land who is also the principal ratepayer in respect of the land, on the ground that the person no longer wishes to be the principal ratepayer.

(2) An application under subsection (1) must be made in a manner and form approved by the chief executive officer.

(3) If a person is dissatisfied with the outcome of his or her application, the person may request the council to review the matter.

(4) A request under subsection (3) must be made to the council in writing (setting out a full and detailed statement of the grounds on which the request is made).

(5) The procedure before the council on a review under this section will be as determined by the council and the council may, in its discretion, decide whether to permit the person who requested the review to appear personally or by representative before it.

(6) The council must give the person written notice of its decision on a review.

(7) A person who is dissatisfied with the decision of the council on a review may apply to the District Court for an order for rectification of the assessment record.

* * * * *

Inspection of assessment record

174. (1) A person is entitled to inspect the assessment record at the principal office of the council during ordinary office hours.

(2) A person is entitled, on payment of a fee fixed by the council, to a copy of an entry made in the assessment record.

Duty of Registrar-General to supply information

175. (1) If—

- (a) an estate in fee simple or an estate of freehold in Crown land is granted to a person; or

Local Government Act 1999

- (b) a lease of Crown land is granted to a person, or a transfer of a lease (or part of a lease) of Crown land is consented to,

and the estate, lease or transfer is registered in the Lands Titles Registration Office, the Registrar-General must furnish to the council for the area within which the land is situated for noting in the assessment record—

- (c) the full name of the person in whose name the estate or lease is so registered, or of the transferee; and
- (d) the particulars of the estate or lease.

(2) A notice furnished under subsection (1) is, unless the contrary is proved, sufficient evidence of the matters stated in the notice for the purposes of this Chapter.

Division 9—Imposition and recovery of rates and charges

Preliminary

176. In this Division—

"rates" includes a service charge imposed under this Part.

Rates are charges against land

177. (1) Rates imposed on land are a charge on the land.

(2) However, if rates are assessed against the common property, or part of the common property, of a community scheme under the *Community Titles Act 1996*, the rates are not a charge on the common property but are, instead, a charge on each of the community lots of the community scheme in proportion to the lot entitlements of the respective lots.

(3) Subsection (2) does not apply in a case where section 147(6) applies.

Liability for rates

178. (1) Subject to subsection (2), the owner of land is the principal ratepayer in respect of the land.

(2) If—

- (a) the name of an occupier is entered in the assessment record as the principal ratepayer in respect of land; or
- (b) the land is held from the council under a lease or licence,

the occupier of the land (rather than the owner) will be regarded as the principal ratepayer.

(3) Subject to subsection (9), rates may be recovered as a debt from—

- (a) the principal ratepayer; or
- (b) any other person (not being a principal ratepayer) who is an owner or occupier of the land; or

- (c) any other person who was at the time of the declaration of the rates an owner or occupier of the land.

(4) The council may, by written notice to a lessee or licensee of land in respect of which rates have fallen due, require him or her to pay to the council rent or other consideration payable under the lease or licence in satisfaction of the liability for rates.

(5) If the council gives a notice under subsection (4), an additional charge of 5 per cent of the amount in arrears is payable and recoverable as part of those rates.

- (6) A council may remit the charge payable under subsection (5) in whole or in part.

(7) If—

- (a) the council gives a notice to a lessee or licensee under subsection (4); and
- (b) the council, by written notice to the owner of the land, informs the owner of the imposition of the requirement under subsection (4); and
- (c) the lessee or licensee, contrary to the terms of the notice under subsection (4), makes a payment to the owner instead of to the council,

the owner, must within one clear business day after receipt of the payment, pay the amount received to the council in satisfaction of the liability for rates.

Maximum penalty: \$750.

(8) If rates are paid by, or recovered from, a person who is not the principal ratepayer, that person may, subject to an agreement to the contrary—

- (a) recover the amount as a debt from the principal ratepayer; or
- (b) if the person is a lessee or licensee—set off the amount paid to the council against a liability under the lease or licence (and a lessor or tenant against whom such an amount is set off may in turn set off the amount against a prior lessor or tenant from whom his or her interest in or in relation to the land is derived).

(9) If an occupier of land derives his or her right of occupancy from a residential tenancy agreement under the *Residential Tenancies Act 1995*, no amount by way of rates may be recovered from the occupier unless that amount has fallen due by virtue of a requirement imposed under subsection (4).

Liability for rates if land is not rateable for the whole of the financial year

179. (1) If land is rateable for portion, but not for the whole, of a financial year, the land will be subject to rates imposed for the financial year but there will be a proportionate reduction in the amount of rates.

(2) A council may, for the purposes of the operation of subsection (1) in respect of land that becomes rateable after the adoption of valuations by the council for the relevant year, specifically adopt a valuation of the land.

Local Government Act 1999

(3) If during the course of a financial year land is excised from the area of one council (council A) and added to the area of another council (council B)—

- (a) the land remains subject to rates imposed by council A for the financial year; and
- (b) the land does not become subject to rates imposed by council B until the following financial year.

(4) If land ceases to be rateable land by reason of transfer or surrender to the Crown during the course of a financial year, the land remains subject to rates imposed for the financial year.

(5) If land ceases to be rateable land for a reason other than the reason under subsection (4) during the course of a financial year and the rates have been paid, the council must refund to the principal ratepayer an amount proportionate to the remaining part of the financial year.

Service of rate notice

180. (1) A council must, as soon as practicable after—

- (a) the declaration of a rate; or
- (b) the imposition of a service charge; or
- (c) a change in the rates liability of land,

send to the principal ratepayer or, in the case of a service charge, the owner or occupier of the relevant land, a rates notice.¹

(2) A rates notice must incorporate, or be accompanied by, the information required by the regulations and comply with any other requirement prescribed by the regulations.

¹ See Chapter 14 Part 2 for information concerning the service of this notice.

Payment of rates

181. (1) Subject to this section, rates declared or payable in respect of or during a particular financial year will fall due (according to the council's decision)—

- (a) in four equal or approximately equal instalments; or
- (b) in two equal or approximately equal instalments; or
- (c) in a single instalment.

(2) For the purposes of subsection (1)—

- (a) if a council decides that rates of a particular kind will be payable in four instalments in a particular financial year—
 - (i) the instalments will be payable in the months of September, December, March and June of the financial year for which the rates are declared; and
 - (ii) the day on which each instalment falls due will (subject to subparagraph (i)) be determined by the council; and

- (iii) the council cannot decide that rates of the same kind for a subsequent financial year will be payable in a lesser number of instalments unless the proposed change is that rates of that kind are to be payable in two instalments and—
 - rates of that kind for the previous three financial years have been payable in four instalments; or
 - the council has determined that it is experiencing extraordinary administrative difficulties with payments by four instalments; and
- (b) if a council decides that rates of a particular kind will be payable in two instalments in a particular financial year—
 - (i) the instalments will be payable in the months of September and March of the financial year for which the rates are declared; and
 - (ii) the day on which each instalment falls due will (subject to subparagraph (i)) be determined by the council; and
 - (iii) the council cannot decide that rates of the same kind for a subsequent financial year will be payable in a single instalment unless—
 - rates of that kind for the previous three financial years have been payable in two instalments; or
 - the council has determined that it is experiencing extraordinary administrative difficulties with payments by two instalments; and
- (c) if a council decides that rates will be payable in a single instalment in a particular financial year, the instalment will fall due on a day determined by the council, being a day that does not fall before the first day of September of the financial year for which the rates are declared.

(3) The first instalment payable in the first financial year in which rates are payable in four instalments under this section need not approximate the other three instalments, but may not be more than twice the amount of each of those other three instalments.

(4) If a council declares a general rate for a particular financial year after 31 August in that financial year, the council may adjust the months in which instalments would otherwise be payable under subsection (2)(a) or (b) (but so as to keep, as closely as is reasonably practicable, to the scheme established by subsection (2)).

(5) A council may agree with a principal ratepayer that rates will be payable in such instalments falling due on such days as the council thinks fit and in that event, that ratepayer's rates will be payable accordingly.

(6) A council must, in relation to each instalment of rates, send a rates notice to the principal ratepayer shown in the assessment record in respect of the land at the address shown in the assessment record showing the amount of the instalment and the date on which it falls due and the account must be sent—

Local Government Act 1999

- (a) if rates are payable in two or more instalments—at least 30 days but not more than 60 days before an instalment falls due; or
- (b) if rates are payable in a single instalment—at least 60 days before the instalment falls due.

(7) If the council has entered into an agreement with a principal ratepayer under subsection (5), the council may, as part of the agreement, vary the periods for the provision of accounts under subsection (6)(a) or (b).

(8) If an instalment of rates is not paid on or before the date on which it falls due—

- (a) the instalment will be regarded as being in arrears; and
- (b) a fine of 2 per cent of the amount of the instalment is payable; and
- (c) on the expiration of each full month from that date, interest at the prescribed percentage of the amount in arrears (including the amount of any previous unpaid fine but excluding interest from any previous month) accrues.

(9) A council may remit any amount payable under subsection (8) in whole or in part.

(10) An amount payable under subsection (8) in respect of outstanding rates is recoverable as a part of those rates.

(11) A council may grant discounts or other incentives in order to encourage early or prompt payment of rates.

(12) Except as provided by subsection (8)—

- (a) a council may not impose a surcharge or administrative levy with respect to the payment of rates by instalments under subsection (2)(a) or (b); but
- (b) a council may impose a surcharge or administrative levy not exceeding 1 per cent of the rates payable in a particular financial year with respect to the payment of rates by instalments under subsection (5).

(13) A council may, in relation to the payment of separate rates or service rates, by written notice incorporated in a notice for the payment of those rates sent to the principal ratepayer shown in the assessment record in respect of the land at the address shown in the assessment record at least 30 days before an amount is payable in respect of the rates for a particular financial year, impose a requirement that differs from the requirements of this section.

(14) A council must, from the beginning of the 2001/2002 financial year, offer its ratepayers the opportunity to pay rates in four equal (or approximately equal) instalments per year pursuant to subsection (2)(a).

(15) Despite a preceding subsection, a council may decide that rates of a particular kind will be payable in more than four instalments in a particular financial year and, in such a case—

- (a) the instalments must be payable on a regular basis (or essentially a regular basis) over the whole of the financial year, or the remainder of the financial year (depending on when the rates are declared); and
- (b) the council must give at least 30 days notice before an instalment falls due.

(16) Subsection (3) ceases to operate on 1 July 2001.

(17) In this section—

"the prescribed percentage" is to be calculated as follows:

$$P = \frac{\text{CADR} + 3\%}{12}$$

where—

P is the prescribed percentage

CADR is the cash advance debenture rate for that financial year.

Remission and postponement of payment

182. (1) If a council is satisfied on the application of a ratepayer that payment of rates in accordance with this Act would cause hardship, the council may—

- (a) postpone payment for such period as the council thinks fit; or
- (b) remit the rates in whole or in part.

(2) A postponement under subsection (1)—

- (a) may, if the council thinks fit, be granted on condition that the ratepayer pay interest on the amount affected by the postponement at a rate fixed by the council (but not exceeding the cash advance debenture rate); and
- (b) may be granted on other conditions determined by the council; and
- (c) ceases to operate if—
 - (i) the council in its discretion revokes the postponement (in which case the council must give the ratepayer at least 30 days written notice of the revocation before taking action to recover rates affected by the postponement); or
 - (ii) the ratepayer ceases to own or occupy the land in respect of which the rates are imposed (in which case the rates are immediately payable).

Local Government Act 1999

(3) A council may grant other or additional postponements of rates—

- (a) to assist or support a business in its area; or
- (b) to alleviate the effects of anomalies that have occurred in valuations under this Act.

(4) A council may grant other or additional remissions of rates on the same basis as applies under the *Rates and Land Tax Remission Act 1986* (and such remissions will be in addition to the remissions that are available under that Act).

(5) A council may require a ratepayer who claims to be entitled to a remission of rates by virtue of a determination under subsection (4) to provide evidence verifying his or her entitlement.

(6) A council may revoke a determination under subsection (4) at any time (but the revocation will not affect an entitlement to remission in relation to rates declared before the revocation takes effect).

(7) A council cannot grant to a ratepayer a remission of general rates under this section without also granting to the ratepayer a comparable remission of any other rates that may also apply under this Part.

Application of money in respect of rates

183. If a council receives or recovers an amount in respect of rates, the amount will be applied as follows:

- (a) firstly—in payment of any costs awarded to, or recoverable by, the council in any court proceedings undertaken by the council for the recovery of the rates;
- (b) secondly—in satisfaction of any liability for interest;
- (c) thirdly—in payment of any fine;
- (d) fourthly—in satisfaction of liabilities for rates in the order in which those liabilities arose.

Sale of land for non-payment of rates

184. (1) If an amount payable by way of rates in respect of land has been in arrears for three years or more, the council may sell the land.

(2) Before a council sells land in pursuance of this section, it must send a notice to the principal ratepayer at the address appearing in the assessment record—

- (a) stating the period for which the rates have been in arrears; and
- (b) stating the amount of the total liability for rates presently outstanding in relation to the land; and
- (c) stating that if that amount is not paid in full within one month of service of the notice (or such longer time as the council may allow), the council intends to sell the land for non-payment of rates.

(3) A copy of a notice sent to a principal ratepayer under subsection (2) must be sent—

- (a) to any owner of the land who is not the principal ratepayer; and
- (b) to any registered mortgagee of the land; and
- (c) if the land is held from the Crown under a lease, licence or agreement to purchase—to the Minister who is responsible for the administration of the *Crown Lands Act 1929*.

(4) If—

- (a) a council cannot, after making reasonable inquiries, ascertain the name and address of a person to whom a notice is to be sent under subsection (2) or (3); or
- (b) a council considers that it is unlikely that a notice sent under subsection (2) or (3) would come to the attention of the person to whom it is to be sent,

the council may effect service of the notice by—

- (c) placing a copy of the notice in a newspaper circulating throughout the State; and
- (d) leaving a copy of the notice in a conspicuous place on the land.

(5) If the outstanding amount is not paid in full within the time allowed under subsection (2), the council may proceed to have the land sold.

(6) The sale will, except in the case of land held from the Crown under a lease, licence or agreement to purchase, be by public auction (and the council may set a reserve price for the purposes of the auction).

(7) The exception under subsection (6) relating to land held from the Crown will not apply if the Minister responsible for the administration of the *Crown Lands Act 1929* grants his or her consent to the sale of land by public auction.

(8) An auction under this section must be advertised on at least two separate occasions in a newspaper circulating throughout the State.

(9) If, before the date of such an auction, the outstanding amount and the costs incurred by the council in proceeding under this section are paid to the council, the council must call off the auction.

(10) If—

- (a) an auction fails; or
- (b) an auction is not to be held because the land is held from the Crown under a lease, licence or agreement to purchase,

the council may sell the land by private contract for the best price that it can reasonably obtain.

(11) Any money received by the council in respect of the sale of land under this section will be applied as follows:

Local Government Act 1999

- (a) firstly—in paying the costs of the sale and any other costs incurred in proceeding under this section;
- (b) secondly—in discharging any liabilities to the council in respect of the land;
- (c) thirdly—in discharging any liability to the Crown for rates, charges or taxes, or any prescribed liability to the Crown in respect of the land;
- (d) fourthly—in discharging any liabilities secured by registered mortgages, encumbrances or charges;
- (e) fifthly—in discharging any other mortgages, encumbrances and charges of which the council has notice;
- (f) sixthly—in payment to the owner of the land.

(12) If the owner cannot be found after making reasonable inquiries as to his or her whereabouts, an amount payable to the owner must be dealt with as unclaimed money under the *Unclaimed Moneys Act 1891*.

(13) If land is sold in pursuance of this section, an instrument of transfer or conveyance (as appropriate) under the council's common seal will, on registration, operate to vest title to the land in the purchaser.

(14) The title vested in a purchaser under subsection (13) will be free of—

- (a) all mortgages and charges; and
- (b) except in the case of land held from the Crown under lease, licence or agreement to purchase—all leases and licences.

(15) An instrument of transfer or conveyance in pursuance of a sale under this section must, when lodged with the Registrar-General for registration, be accompanied by a statutory declaration made by the chief executive officer of the council stating that the requirements of this section in relation to the sale of the land have been observed.

(16) If it is not reasonably practicable to obtain the duplicate certificate of title to land that is sold in pursuance of this section (or other relevant instrument), the Registrar-General may register a transfer or conveyance despite the non-production of the duplicate (or instrument), but in that event will cancel the existing certificate of title for the land and issue a new certificate in the name of the transferee.

(17) A reference in this section to land or title to land is, in relation to land held from the Crown under lease, licence or agreement for purchase, a reference to the interest of the lessee, licensee or purchaser in the land.

(18) This section does not authorise the sale of non-rateable land on account of the non-payment of a service charge.

Procedure where council cannot sell land

185. (1) If after a council has made reasonable attempts to sell land on account of arrears of rates it appears that the council has no reasonable prospect of selling the land within a reasonable time, or if the current valuation of land under this Part is less than the amount of outstanding rates, the council may apply to the Minister who is responsible for the administration of the *Crown Lands Act 1929* for an order under this section.

(2) On the receipt of an application by a council under subsection (1), the Minister may, after consultation with the council and being satisfied that it is appropriate to do so, order—

- (a) in the case of land held from the Crown under a lease, licence or agreement for purchase—that the land be forfeited to the Crown (and the lease, licence or agreement is cancelled);
- (b) in any other case—that the land be transferred to the Crown or to the council.

(3) An order under subsection (2)—

- (a) must be in writing and signed by the Minister; and
- (b) —
 - (i) in the case of land held from the Crown under a lease, licence or agreement for purchase—operates to cancel the lease, licence or agreement;
 - (ii) in any other case—operates as an instrument of transfer passing title to the land to which it relates.

(4) No stamp duty is payable on an order under subsection (2).

(5) If it is not reasonably practicable to obtain a duplicate certificate of title to land that is subject to an order under subsection (2), the Registrar-General may, on application, register the order notwithstanding the non-production of the duplicate, but in that event will cancel the existing certificate of title for the land and issue a new certificate.

(6) If an order is made under this section—

- (a) the land to which the order relates is freed of any charge against the land that exists in favour of the council; and
- (b) any outstanding liability to the council in respect of the land is discharged.

Division 10—Miscellaneous

Recovery of rates not affected by an objection, review or appeal

186. (1) The right of a council to recover rates is not suspended by—

- (a) an objection, review or appeal in respect of a valuation (whether under this Act or the *Valuation of Land Act 1971*); or
- (b) an objection or appeal in respect of the attribution of a particular land use to land.

Local Government Act 1999

(2) If an objection, review or appeal results in the alteration of a valuation or of a decision to attribute a particular land use to land, a due adjustment must be made and—

- (a) an amount overpaid must be refunded or, if the council so determines, credited against future liabilities for rates on the land subject to the rates; or
- (b) an additional amount payable on account of an alteration of the valuation or decision may be recovered as arrears (but action to recover any such amount must not be taken until at least 30 days have expired from the date on which notification of the alteration is given to the person who initiated the objection, review or appeal).

(3) Interest is payable on an amount that is refunded or is for the time being credited under subsection (2)(a).

(4) The interest—

- (a) accrues on the expiration of each month from the day that the amount was paid to the council; and
- (b) will be payable at the prescribed rate; and
- (c) until the amount is refunded or ceases to be in credit, will be compounded on a monthly basis.

(5) The council must, on being satisfied by a person in whose favour an amount has been credited under subsection (2)(a) that he or she has ceased to be a ratepayer in respect of the land, refund the amount (including interest) then standing to the person's credit.

(6) In this section—

"the prescribed rate" is to be calculated as follows:

$$P = \frac{\text{CADR}}{12}$$

where—

P is the prescribed rate

CADR is the cash advance debenture rate for that financial year.

Certificate of liabilities

187. (1) A council must, on application by or on behalf of a person who has an interest in land within the area, issue to that person a certificate stating—

- (a) the amount of any liability for rates or charges on the land imposed under this Part (including rates and charges under this Part that have not yet fallen due for payment, and outstanding interest or fines payable in respect of rates and charges under this Part); and

- (b) any amount received on account of rates or charges on the land imposed under this Part that is held in credit against future liabilities for rates or charges in relation to the land.
- (2) A person has an interest in land for the purposes of this section if and only if that person is—
- (a) the owner of a registered estate or interest in the land; or
- (b) an occupier of the land; or
- (c) a person who has entered or declares to the council that he or she proposes to enter into a contract to purchase the land; or
- (d) a mortgagee or prospective mortgagee of the land.
- (3) An application for a certificate under this section—
- (a) must be in writing; and
- (b) must identify the land to which the application relates; and
- (c) must state the nature of the applicant's interest in the land; and
- (d) should be directed to the chief executive officer of the council; and
- (e) must be accompanied by the fee fixed under this Act.
- (4) If a certificate is issued under this section, the council is, as against the person to whom it is issued, estopped from asserting that any liabilities to the council for rates or charges on the land under this Part existed, as at the date of the certificate, in respect of the land to which the certificate relates beyond the liabilities disclosed in the certificate.
- (5) Except as provided by subsection (4), a council incurs no liability in respect of a certificate issued under this section.

Part 2—Fees and charges

Fees and charges

188. (1) A council may impose fees and charges—

- (a) for the use of any property or facility owned, controlled, managed or maintained by the council;
- (b) for services supplied to a person at his or her request;
- (c) for carrying out work at a person's request;
- (d) for providing information or materials, or copies of, or extracts from, council records;
- (e) in respect of any application to the council;
- (f) in respect of any authorisation, licence or permit granted by the council;
- (g) in respect of any matter for which another Act provides that a fee fixed under this Act is to be payable;
- (h) in relation to any other prescribed matter.

(2) Fees or charges under subsection (1)(a), (b) or (c) need not be fixed by reference to the cost to the council.

(2a) Fees or charges under subsection (1)(d) must not exceed a reasonable estimate of the direct cost to the council in providing the information, materials, copies or extracts.

(3) A council may provide for—

- (a) specific fees and charges;
- (b) maximum fees and charges and minimum fees and charges;
- (c) annual fees and charges;
- (d) the imposition of fees or charges according to specified conditions or circumstances;
- (e) the variation of fees or charges according to specified factors;
- (f) the reduction, waiver or refund, in whole or in part, of fees or charges.

(4) If—

- (a) a fee or charge is fixed or prescribed by or under this or another Act in respect of a particular matter; or
- (b) this or another Act provides that no fee or charge is payable in respect of a particular matter,

a council may not fix or impose a fee or charge in respect of that matter.

(5) Fees and charges may be fixed, varied or revoked—

(a) by by-law; or

(b) by decision of the council.

(6) The council must keep a list of fees and charges imposed under this section on public display (during ordinary office hours) at the principal office of the council.

(7) If a council—

(a) fixes a fee or charge under this section; or

(b) varies a fee or charge under this section,

the council must up-date the list referred to in subsection (6) and take reasonable steps to bring the fee or charge, or the variation of the fee or charge, to the notice of persons who may be affected.

Chapter 11—Land

Part 1—Local government land

Division 1—Preliminary

Crown as owner of land

189. For the purposes of this Part, if a council has, by or under this or another Act, the care, control and management of land that has not been granted in fee simple, the "owner" of land will be taken to be the Minister to whom the administration of the relevant Act has been committed.

Division 2—Acquisition of land

Acquisition of land by agreement

190. A council may acquire land by agreement.

Compulsory acquisition of land

191. (1) A council may, with the Minister's written approval, acquire land compulsorily.

(2) However, Ministerial approval is not required for the compulsory acquisition of land for a purpose classified by the regulations as an approved purpose.

(3) The *Land Acquisition Act 1969* applies to the acquisition of land under this section.

Assumption of care, control and management of land

192. (1) A council may assume the care, control and management of land in its area that has been set aside for the use or enjoyment of the public or a section of the public if—

- (a) the owner of the land; and
- (b) any person who has a recognised interest in the land under subsection (2),

consent to the assumption.

(2) The following persons have a recognised interest in land:

- (a) a trustee of the land under an instrument of trust;
- (b) a person with a registered estate or interest in the land, or a person claiming to have an estate or interest in the land as a caveator or lienor.

(3) A consent is not required from a person under subsection (1) if the person—

- (a) cannot be found after reasonable inquiry; or
- (b) is a body that has become defunct.

(4) A council must immediately cause a copy of a resolution under subsection (1) to be published in the *Gazette* (but the operation or validity of such a resolution is not dependent on publication under this subsection).

Division 3—Community land

Classification

193. (1) All local government land (except roads) that is owned by a council or under a council's care, control and management at the commencement of this section (the **commencement date**) is taken to have been classified as community land unless—

- (a) the council resolves to exclude the land from classification as community land within three years after the commencement date; and
- (b) the land is unaffected by provisions of a reservation, dedication, trust or other instrument that would prevent or restrict its alienation.

(2) Before the council resolves to exclude land from classification as community land under subsection (1)(a), it must follow the relevant steps set out in its public consultation policy.

(3) If land is under the care, control and management of a council but is not owned by the council, the council cannot resolve to exclude the land from classification as community land under subsection (1)(a) without the approval of the owner of the land.

(4) Local government land (other than a road) that is acquired by, or is brought under the care, control and management of, the council after the commencement date is taken to have been classified as community land unless—

- (a) the council resolves before it becomes local government land that it is to be excluded from classification as community land under this section; and
- (b) the land is not affected by provisions of a reservation, dedication, trust or other instrument that would prevent or restrict its alienation.

(4a) Land that formed a road or part of a road that is vested in a council after the closure of the road under the *Roads (Opening and Closing) Act 1991* is taken to have been classified as community land unless the council resolves before, or at the time of, the making of the relevant road process order under that Act that it is to be excluded from classification as community land under this section.

(5) A council may, by resolution, classify local government land as community land if the land has previously been excluded from classification as such.

(6) A council must give notice in the *Gazette* of a resolution—

- (a) to exclude land from classification as community land under subsection (4); or
- (b) to classify, as community land, land that had previously been excluded from classification as such under subsection (5).

(7) For the purposes of this section, local government land does not include easements or rights of way.

Revocation of classification of land as community land

194. (1) A council may (subject to the following exceptions and qualifications) revoke the classification of land as community land in accordance with the following procedure.

Local Government Act 1999

Exceptions and qualifications—

- (a) The classification of the Adelaide Park Lands as community land cannot be revoked (*see* Division 7).
- (b) The classification of land as community land cannot be revoked if the land is required to be held for the benefit of the community under Schedule 8, under a special Act of Parliament relating to the land, or under an instrument of trust.
- (c) The classification of land as community land cannot be revoked if the power to revoke the classification of that land is excluded by regulation.¹
- (d) The classification of other land as community land cannot be revoked unless—
 - (i) the Minister approves revocation of the classification; and
 - (ii) if the land is under the care, control and management of the council but is not owned by the council—the owner of the land approves revocation of the classification.

(2) Before a council revokes the classification of land as community land—

- (a) the council must prepare a report on the proposal containing—
 - (i) a summary of the reasons for the proposal; and
 - (ii) a statement of any dedication, reservation or trust to which the land is subject; and
 - (iii) a statement of whether revocation of the classification is proposed with a view to sale or disposal of the land and, if so, details of any Government assistance given to acquire the land and a statement of how the council proposes to use the proceeds; and
 - (iv) an assessment of how implementation of the proposal would affect the area and the local community; and
 - (v) if the council is not the owner of the land—a statement of any requirements made by the owner of the land as a condition of approving the proposed revocation of the classification; and
- (b) the council must follow the relevant steps set out in its public consultation policy.

(3) After complying with the requirements of subsection (2), the council—

- (a) must submit the proposal with a report on all submissions made on it as part of the public consultation process to the Minister; and
- (b) if the Minister approves the proposal—may make a resolution revoking the classification of the land as community land.

¹ The Minister must consult with the relevant council before a regulation is made under this paragraph in relation to a specific piece of land.

Effect of revocation of classification

195. (1) The revocation of the classification of land as community land frees the land from a dedication, reservation or trust affecting the land, other than a dedication, reservation or trust under the *Crown Lands Act 1929*.

(2) If it appears from the Register Book that the land is subject to a dedication, reservation or trust, other than a dedication reservation or trust under the *Crown Lands Act 1929*, the council must, immediately after the revocation of the classification of land as community land, give notice of the revocation to the Registrar-General in a manner and form approved by the Registrar-General (and the Registrar-General must then make appropriate amendments to any relevant instrument of title or other public record).

Division 4—Management plans

Management plans

196. (1) A council must prepare and adopt a management plan or management plans for its community land if—

- (a) the land falls within the ambit of section 194(1)(a), (b) or (c); or
- (b) the land is, or is to be, occupied under a lease or licence; or
- (c) the land has been, or is to be, specifically modified or adapted for the benefit or enjoyment of the community.

(2) A single management plan may apply to one or more separate holdings of community land.

(3) A management plan must—

- (a) identify the land to which it applies; and
- (b) state the purpose for which the land is held by the council; and
- (c) state the council's objectives, policies (if any) and proposals for the management of the land; and
- (d) state performance targets and how the council proposes to measure its performance against its objectives and performance targets.

(4) If a management plan relates to land that is not in the council's ownership, the council must consult with the owner of the land at an appropriate stage during the preparation of the plan and the plan must—

- (a) identify the owner of the land; and
- (b) state the nature of any trust, dedication or restriction to which the land is subject apart from this Act; and
- (c) contain any provisions that the owner reasonably requires and identify those provisions as provisions required by the owner.

(5) A management plan—

- (a) should (as far as practicable) be consistent with other relevant official plans and policies about conservation, development and use of the land; and

Local Government Act 1999

Example—

The management plan should be consistent with strategic plans affecting development of land in the relevant area and with statutory or other official policies for protecting the State heritage, or for encouraging recreational or sporting activities, or for fostering tourism.

- (b) must contain any special provisions required under the regulations.

Example—

The regulations may for example contain special provisions relating to the management of the Adelaide Park Lands for inclusion in the relevant management plans.

(6) In the event of an inconsistency between the provisions of an official plan or policy under another Act and the provisions of a management plan under this Act, the provisions of the official plan or policy prevail to the extent of the inconsistency.

(7) A council must have a management plan for community land in its area (if required)—

- (a) if the land was owned by the council or was under the council's care, control and management at the commencement of this Part—within five years after the commencement of this Part; or
- (b) if the land is acquired or placed under the council's care, control and management after the commencement of this Part—as soon as practicable after the requirement for the plan arises.

Public consultation on proposed management plan

197. (1) Before a council adopts a management plan for community land it must—

- (a) make copies of the proposed plan available for inspection or purchase at the council's principal office; and
- (b) follow the relevant steps set out in its public consultation policy.

(2) A council may adopt a management plan without complying with the requirements of subsection (1) if the council adopted the plan after a process of public notification and consultation before the commencement of this Act.

(3) A council must give public notice of its adoption of a management plan.

Amendment or revocation of management plan

198. (1) A management plan may be amended or revoked by the adoption of a proposal for its amendment or revocation.

(2) A council may only adopt a proposal for amendment to, or revocation of, a management plan after the council has carried out the public consultation that would be required if the proposal were for a new management plan.

(3) However, public consultation is not required if the amendment has no impact or no significant impact on the interests of the community.

(4) A council must give public notice of its adoption of a proposal for the amendment or revocation of a management plan.

Effect of management plan

199. A council must manage community land in accordance with any management plan for the relevant land.

Division 5—Business use of community land

Use of community land for business purposes

200. (1) A person must not use community land for a business purpose unless the use is approved by the council.

(2) The council cannot approve the use of community land for a business purpose contrary to the provisions of a management plan.

(3) The council's approval may be given on conditions the council considers appropriate.

(4) A person must not—

(a) use community land for a business purpose in contravention of subsection (1); or

(b) contravene a condition of an approval for the use of community land for a business purpose.

Maximum penalty: \$5 000.

Division 6—Disposal and alienation of local government land

Sale or disposal of local government land

201. (1) A council may sell or otherwise dispose of an interest in land—

(a) vested in the council in fee simple; or

(b) vested in the council as lessee.

(2) However, a council cannot dispose of community land or land forming a road or part of a road except as follows:

(a) the council may dispose of community land after revocation of its classification as such;

(b) the council may dispose of land that formed a road or part of a road after the closure of the road under the *Roads (Opening and Closing) Act 1991*;

(c) the council may grant a lease, licence, authorisation or permit under this Act;

(d) the council may grant an easement (including a right of way) over community land;

(e) the council may grant an easement (excluding a right of way) over a road or part of a road.

Local Government Act 1999

(3) If—

- (a) State government financial assistance was given to the council to acquire community land; and
- (b) the council has not resolved to use the proceeds of the sale or disposal of the land for the acquisition or development of other land for public or community use or for the provision of community facilities,

the Minister may as a condition of approving revocation of its classification with a view to sale or other disposal require the council to pay to the Crown, or to apply for a purpose specified by the Minister, on the sale or disposal of the land, an amount not exceeding the amount that bears the same proportion to the sale price (in the case of a sale) or to the value of the land (in the case of another form of disposal) as the amount of State government financial assistance bore to the purchase price (in the case of a purchase) or to the value of the land (in the case of another form of acquisition) at the time that the council acquired the land.

Alienation of community land by lease or licence

202. (1) A council may grant a lease or licence over community land (including community land that is, or forms part of, a park or reserve).

(2) Before the council grants a lease or licence relating to community land, it must follow the relevant steps set out in its public consultation policy.

(3) However, a council need not comply with the requirements of subsection (2) if—

- (a) the grant of the lease or licence is authorised in an approved management plan for the land and the term of the proposed lease or licence is five years or less; or
- (b) the regulations provide, in the circumstances of the case, for an exemption from compliance with a public consultation policy.

(4) A lease or licence is to be granted or renewed for a term (not exceeding 21 years) stated in the lease or licence (subject to the operation of Division 7).

(5) A lease or licence may provide for—

- (a) the erection or removal of buildings and other structures for the purpose of activities conducted under the lease or licence;
- (b) the exclusion, removal or regulation of persons, vehicles or animals from or on the land, and the imposition of admission or other charges;
- (c) any other matter relevant to the use or maintenance of the land.

(6) A lease or licence must be consistent with any relevant management plan.

Division 7—The Adelaide Park Lands

Interpretation

203. In this Division—

"**Council**" means The Corporation of the City of Adelaide.

Classification to be irrevocable

204. (1) The Adelaide Park Lands are classified as community land and the classification is irrevocable.

(2) On the permanent closure of a road, or part of a road, within the area of the Council that passes through, or abuts, the Adelaide Park Lands, the land merges with the park lands and is vested in the Crown.

Management plan

205. (1) The Council must prepare a management plan for the Adelaide Park Lands within five years after the commencement of this Part.

(2) In the course of preparing the management plan, and before it is made available for public consultation, the Council must consult on the terms of the proposed management plan with government departments and agencies nominated by the Minister.

(3) The Council must review its management plan for the Adelaide Park Lands at least once every three years.

Leases and licences over land in the Adelaide Park Lands

206. (1) The maximum term for which the Council may grant or renew a lease or licence over land in the Adelaide Park Lands is extended from 21 years to 42 years.

(2) However, before the Council grants or renews a lease or licence over land in the Adelaide Park Lands for a term of 21 years or more, the Council must submit copies of the lease or licence to the Presiding Members of both Houses of Parliament.

(3) The Presiding Members of the Houses of Parliament must, within six sitting days after receiving a copy of a lease or licence under subsection (2), lay the copy before their respective Houses.

(4) A House of Parliament may resolve to disallow the grant or renewal of a lease or licence pursuant to a notice of motion given in the House within 14 sitting days after a copy of the lease or licence is laid before the House under subsection (3).

(5) The Council may only grant or renew the lease or licence if—

- (a) no notice of motion for disallowance of its grant or renewal is given in either House of Parliament within 14 sitting days after a copy of the lease or licence is laid before the Houses; or
- (b) neither House of Parliament passes a resolution disallowing its grant or renewal on the basis of a motion of which notice was given within 14 sitting days after a copy of the lease or licence was laid before the House under subsection (3).

Local Government Act 1999

Division 8—Register of community land

Register

207. (1) A council must keep a register of all community land in its area.

(2) The register—

(a) must contain the information required by the regulations; and

(b) must contain copies of current management plans; and

(c) may consist (if the council so decides) of a computer record of the relevant information.

(3) The register must be available for inspection (without charge) by the public at the principal office of the council during ordinary office hours.

(4) A person is entitled, on payment of a fee fixed by the council, to an extract from the register.

Part 2—Roads

Division 1—Ownership of roads

Ownership of public roads

208. (1) All public roads in the area of a council are vested in the council in fee simple under the *Real Property Act 1886* (and any land so vested that has not been previously brought under that Act is automatically brought under that Act without further application).

(2) When land vests in a council as a public road under this or another Act, the land is discharged from all mortgages, charges, easements and other encumbrances, and all other rights, privileges, trusts, limitations or restrictions (unless provided otherwise by this or another Act).

(3) Subsection (2) does not operate so as to discharge any easement that the council resolves to preserve under this subsection.

(4) A council must cause a copy of a resolution declaring a road or land to be a public road, or preserving an easement under subsection (3), to be published in the *Gazette*.

(5) A resolution declaring a road or land to be a public road will not take effect until publication under subsection (4).

Ownership of fixtures and equipment installed on public roads

209. (1) Fixtures and equipment (including pipes, wires, cables, fittings and other objects) installed in, on, across, under or over a public road by the provider of public infrastructure remain the property of the provider of that infrastructure.

(2) Fixtures and equipment (including pipes, wires, cables, fittings and other objects) installed in, on, across, under or over a public road under an authorisation or permit from the council remain, subject to the conditions of the authorisation or permit, the property of the holder of the authorisation or permit.

(3) Subsections (1) and (2) operate subject to the provisions of any agreement to which the council is a party that provides for the vesting of property in the council.

(4) In this section—

"**public infrastructure**" means infrastructure and other facilities used in or in connection with the supply of water or electricity, gas or other forms of energy, the provision of telecommunications, or the drainage or removal of waste water or sewage.

Conversion of private road to public road

210. (1) A council may declare a private road to be a public road if—

(a) the owner of the road asks for, or consents to, the declaration; or

(b) the council makes reasonable inquiries to find the owner and fails to do so.

(2) At least three months before a council makes a declaration under this section, it must—

(a) if the identity and whereabouts of the owner of the road are known to the council—give written notice to the owner of the proposed declaration; and

Local Government Act 1999

(b) give public notice of the proposed declaration.

(3) An owner of a private road that is within the ambit of a declaration under this section may apply to the Land and Valuation Court for compensation for the loss of the owner's interest in the road.¹

(4) Any compensation on an application under subsection (3) will be assessed in accordance with the appropriate provisions of the *Land Acquisition Act 1969*.

(5) A declaration under this section must be published in the *Gazette*.

(6) On publication of the declaration, the private road is converted to a public road and vests in the council in fee simple.

(7) The council must furnish to the Registrar-General a copy of any declaration under this section in a manner and form approved by the Registrar-General immediately after it is made.

¹ This subsection does not prevent the council and an owner from entering into an agreement about the payment of compensation (if any).

Division 2—Highways

Highways

211. A council may exercise its powers under this Part in relation to a highway if (and only if)—

- (a) the council is acting under an agreement with the Commissioner of Highways; or
- (b) the council is acting under or in accordance with a notice of the Commissioner of Highways under section 26 of the *Highways Act 1926*.

Division 3—Power to carry out roadwork

Power to carry out roadwork

212. (1) A council may carry out roadwork in its area or, by agreement with another council, in the area of another council.

(2) A council may do anything reasonably necessary for, or incidental to, roadwork.

Examples—

- The council may store road materials by the roadside in the vicinity of the work.
- The council may temporarily close the road or establish temporary roads for the diversion of traffic.
- The council may erect temporary fences or barriers, erect signals or signs or give or display notices associated with the carrying out of the roadwork.

(3) However—

- (a) a council must, in carrying out roadwork, comply with any relevant requirement under the *Road Traffic Act 1961*; and

- (b) a council must, before carrying out roadwork in relation to a road that runs into or intersects with a highway (and that may have an effect on the users of that highway), consult with the Commissioner of Highways; and
- (c) a council may only carry out roadwork in relation to a private road if—
 - (i) the owner agrees; or
 - (ii) the council has given the owner reasonable notice of the proposed roadwork and a reasonable opportunity to make representations and has considered any representations made in response to the notice; or
 - (iii) the identity or whereabouts of the owner is unknown to the council; and
- (d) a council may only carry out roadwork on other private land with the agreement of the owner (unless otherwise provided by this Act).

Recovery of cost of roadwork

213. (1) If a council carries out roadwork by agreement, the council may recover the whole of the cost or an agreed contribution under the terms of the agreement.

(2) If a council carries out roadwork to repair damage to a road, the council may recover the cost of carrying out the work, as a debt, from—

- (a) the person who caused the damage; or
- (b) in the case of damage caused by the bursting, explosion or fusion of any pipe, wire, cable, fitting or other object—the person who is the owner, or who has control, of that infrastructure.

(3) If a council carries out roadwork on a private road, the council may recover the cost of the work or a contribution towards the cost of the work determined by the council—

- (a) as a debt from the owner of the private road; or
- (b) by way of a separate rate under Chapter 10 imposed on adjoining land with access to the private road.

Contribution between councils where road is on boundary between council areas

214. (1) If a council carries out roadwork on a road on the boundary between two council areas, the council is entitled to a reasonable contribution from the other council towards the cost of the work.

(2) The contribution will be—

- (a) an amount agreed between the councils; or
- (b) in the absence of agreement—an amount determined by the court in which the action for contribution is brought.

Local Government Act 1999

(3) A council is not entitled to contribution under this section unless the council seeking contribution gives the other council reasonable notice of the nature of the proposed roadwork and allows the council a reasonable opportunity to make representations about the proposed work—but notice is not required in a case of urgency.

Special provisions for certain kinds of roadwork

215. (1) If a council changes the level of a road, the council must—

- (a) ensure that adjoining properties have adequate access to the road; and
- (b) construct any retaining walls, embankments or other structures necessary to provide protection required in consequence of the change of level.

(2) A council may carry out roadwork to allow water from a road to drain into adjoining property if, in the council's opinion—

- (a) there is no significant risk of damage to the adjoining property; or
- (b) the roadwork does not significantly increase the risk of damage to adjoining property.¹

(3) A court may award damages against the council for damage caused by the drainage of water into an adjoining property in consequence of roadwork carried out by the council under subsection (2) only if satisfied that the council acted on an unreasonable basis.

(4) A council must give reasonable notice of proposed action to drain water into land under subsection (2) to the owner of the land—but notice is not required in a case of urgency.

¹ The council may of course acquire a licence or easement to permit the drainage of water into the adjoining property.

Division 4—Power to require others to carry out work

Power to order owner of private road to carry out specified roadwork

216. (1) A council may, by order in writing to the owner of a private road, require the owner to carry out specified roadwork to repair or improve the road.

(2) If the work is not carried out within a reasonable time fixed in the order—

- (b) the owner is guilty of an offence and liable to a penalty not exceeding \$5 000.

Power to order owner of infrastructure installed on road to carry out specified maintenance or repair work

217. (1) A council may, by order in writing to the owner of a structure or equipment (including pipes, wires, cables, fittings and other objects) installed in, on, across, under or over a road, require the owner—

- (a) to carry out specified work by way of maintenance or repair; or
- (b) to move the structure or equipment in order to allow the council to carry out roadwork.

(2) If the order is not complied with within a reasonable time fixed in the order—

- (a) the council may itself take the action required by the order and recover the cost of doing so as a debt from the owner; and
- (b) the owner is guilty of an offence and liable to a penalty not exceeding \$5 000.

(3) Subsection (1) and (2) do not apply to the owner of electricity infrastructure or public lighting infrastructure if the Commission has determined, on application by the owner, that there are reasonable grounds for not requiring the owner to take the action specified in the order.

(4) In this section—

"**Commission**" means the Essential Services Commission established under the *Essential Services Commission Act 2002*;

"**electricity infrastructure**" has the same meaning as in the *Electricity Act 1996*;

"**owner**" of a structure or equipment includes a lessee or licensee;

"**public lighting infrastructure**" has the same meaning as in the *Electricity Corporations (Restructuring and Disposal) Act 1999*.

Power to require owner of adjoining land to carry out specified work

218. (1) A council may, by order in writing to the owner of land adjoining a road, require the owner to carry out specified work to construct, remove or repair a crossing place from the road to the land.

(2) If the work is not carried out within a reasonable time fixed in the order—

- (a) the council may itself have the work carried out and recover the cost of the work as a debt from the owner; and
- (b) the owner is guilty of an offence.

Local Government Act 1999

(3) A council—

- (a) must immediately notify the Registrar-General, the Surveyor-General and the Valuer-General of the assignment of a name, or the change of a name, under this section; and

Maximum penalty: \$5 000.

(2) A person makes an alteration to a public road if the person—

- (e) plants a tree or other vegetation on the road, interferes with vegetation on the road, or removes vegetation from the road.
- (3) An authorisation is not required under this section for an alteration to a road if—
- (a) the person who proposes to make the alteration has some other statutory authorisation to make the alteration; or
- (b) the purpose of the alteration is to permit vehicular access to and from land adjoining the road and the alteration is approved as part of a development authorisation under the *Development Act 1993*; or
- (c) the alteration is of a kind classified under the regulations as a minor alteration.
- (4) Before the council authorises the erection or installation of a structure under subsection (2)(b), the council must give consideration to whether the structure will—
- (a) unduly obstruct the use of the road; or
- (b) unduly interfere with the construction of the road; or
- (c) have an adverse effect on road safety.
- (5) A council is not liable for injury, damage or loss resulting from anything done under the authority of an authorisation under subsection (2)(b).
- (6) An authorisation under this section—
- (a) may be granted for a particular act or occasion; or
- (b) may be granted for a term and if so granted is, subject to revocation for breach of a condition, to remain in force for a term (not exceeding 42 years) stated in the authorisation and, at the expiration of a term, may be renewed by the council for a further term (not exceeding 42 years) fixed by the council at the time of the renewal.

Local Government Act 1999

- (2) A permit may grant rights of exclusive occupation in relation to part of a public road.
- (3) A permit may be granted for a particular occasion or for a term stated in the permit.
- (4) The term of a permit cannot exceed five years.
- (5) This section does not apply to a person who is simply travelling along a road.

Public consultation

223. (1) If a council proposes to grant an authorisation or permit—

- (a) that confers a right of exclusive occupation; or
- (b) that would have the effect of restricting access to a road; or
- (c) in relation to a use or activity for which public consultation is required under the regulations,

the council must, before granting the authorisation or permit, follow the relevant steps set out in its public consultation policy.

(2) The council must also give written notice of the proposal to agencies that are, under the regulations, to be notified of the proposal.

Conditions of authorisation or permit

224. A council may grant an authorisation or permit under this Division on conditions the council considers appropriate.

Examples—

The conditions could for example—

- require compliance with specified safety requirements;
- require the person to whom the authorisation or permit is given to carry out specified work (or additional work) such as earthwork, drainage work and fencing;
- require specified insurance or indemnities;
- require the maintenance of structures erected or installed, or vegetation planted, under the authorisation or permit in good condition and to specified standards;
- in the case of an authorisation or permit given for business purposes—require the payment to the council of rent or other consideration;
- require the removal of a structure erected or installed under the authorisation or permit at the end of a stated period.

Cancellation of authorisation or permit

225. (1) A council may, by notice in writing to the holder of an authorisation or permit, cancel the authorisation or permit for breach of a condition.

(2) However, before the council cancels an authorisation or permit, the council must—

- (a) give the holder of the authorisation or permit a written notice of the proposed cancellation stating the grounds on which the council proposes to act and allowing the holder a reasonable period to make written representations to the council on the proposed cancellation; and

(b) consider any representations made in response to the notice.

(3) The period allowed under subsection (2)(a) must be at least one month unless the council determines that a shorter period should apply to protect the health or safety of the public, or otherwise to protect the public interest.

Division 7—Moveable signs

Moveable signs

226. (1) Subject to this section, a person may place and maintain a moveable sign on a road without an authorisation or permit under this Part if (and only if)—

- (a) the design and structure of the sign complies with the requirements of the council's by-laws; and
- (b) the sign is placed in a position that complies with the requirements of the council's by-laws; and
- (c) any other relevant requirements of the council's by-laws are complied with; and
- (d) the sign does not unreasonably—
 - (i) restrict the use of the road; or
 - (ii) endanger the safety of members of the public.

(2) However, a by-law cannot be made with the effect of prohibiting the placement of a moveable sign on a part of a road (other than a carriageway) unless the prohibition is reasonably necessary—

- (a) to protect public safety; or
- (b) to protect or enhance the amenity of a particular locality.

(3) A person may place and maintain a moveable sign on a road without an authorisation or permit under this Part and without reliance on subsection (1) if—

- (a) the sign is placed there pursuant to an authorisation under another Act; or

- (c) the sign is related to a State or Commonwealth election and is displayed during the period commencing on the issue of the writ or writs for the election and ending at the close of polls on polling day; or
- (d) the sign is of a prescribed class.

(4) No action lies against a council or an officer or employee of a council for injury, damage or loss resulting from the placement of a moveable sign on a road unless the council itself or some person acting on behalf of the council placed the sign on the road.

Local Government Act 1999

Removal of moveable sign

227. (1) If—

- (a) the design or construction of a moveable sign that has been placed on a road does not comply with a requirement of the council's by-laws; or
- (b) the positioning of the sign does not comply with a requirement of the council's by-laws; or
- (c) any other relevant requirement of the council's by-laws is not complied with; or
- (d) the sign unreasonably—
 - (i) restricts the use of the road; or
 - (ii) endangers the safety of members of the public,

an authorised person may order the owner of the sign to remove the sign from the road.¹

(2) If the authorised person cannot find the owner, or the owner fails to comply immediately with the order, the authorised person may remove and dispose of the sign.

¹ Any breach of a relevant by-law may also constitute an offence under Chapter 12.

Division 8—General provisions regulating authorised work

How work is to be carried out

228. A person authorised to carry out work on a road under this or another Act must—

- (a) carry out the work as expeditiously as is practicable in the circumstances; and
- (b) take action that is reasonably practicable in the circumstances to minimise obstruction of the road and inconvenience to road users; and

- (i) environmental and aesthetic issues; and
- (ii) the use and construction of the road (including the potential for interference with the construction of the road or with structures (including pipes, wires, cables, fixtures, fittings or other objects) in the road); and
- (iii) road safety matters; and
- (iv) other matters (if any) considered relevant by the council; and
- (b) if the vegetation may have a significant impact on residents, the proprietors of nearby businesses or advertisers in the area, follow the relevant steps set out in its public consultation policy.

Damage

- 233.** (1) A person who, without the council's permission, intentionally or negligently damages a road or a structure (including pipes, wires, cables, fixtures, fittings and other objects) belonging to the council associated with a road is liable to the council in damages.
- (2) The council may recover damages under this section in the same way as damages for a tort.

Council's power to remove objects etc from roads

- 234.** (1) A council may remove and dispose of any structure, object or substance from a road if—

Local Government Act 1999

(a) it has been erected, placed or deposited on the road without the authorisation or permit required under this Part; or

(b) an authorisation or permit has been granted but has later expired or been cancelled.

(2) The council may recover the cost of acting under this section as a debt from the person who erected, placed or deposited the structure, object or substance on the road.

(3) If, as a result of any accident involving a vehicle or vehicles, any wreckage, objects or materials are left on a road, the council may clear the area and may recover the cost from the driver of the vehicle or, if more than one vehicle was involved, the driver of any one of the vehicles.

Part 3—Anti-pollution measures

Deposit of rubbish etc

235. (1) A person who, without the council's authorisation or permit—

- (a) deposits rubbish on a public road or public place; or

is guilty of an offence.

Maximum penalty: \$5 000.

(3) It is a defence to a charge of an offence against subsection (1) to establish—

- (a) that the act subject to the charge was done by or with the consent of the owner of the land on which the act was done; or
- (b) that the defendant could not, by the exercise of reasonable care, have prevented the occurrence out of which the charge arose.

(4) The court by which a person is convicted of an offence under this section must, on application by a council in whose area the offence was committed, order the convicted person to pay to the council any costs incurred by the council in removing and disposing of anything deposited in contravention of this section.

(2) As soon as practicable after removal of the vehicle, the council must give to the owner of the vehicle written notice of the removal and the place to which the vehicle was removed.

Local Government Act 1999

(3) The notice must, where practicable, be served on the owner personally but if the owner is unknown or cannot be found, the notice may be given by advertisement in a newspaper circulating generally in the State.

(4) If the owner of the vehicle does not, within 14 days after the service or advertisement of the notice, pay all expenses in connection with the removal, custody, and maintenance of the vehicle, and of serving or advertising the notice, and take possession of the vehicle, the council must sell the vehicle and apply the proceeds as follows:

- (a) firstly—in payment of the expenses of the sale;
- (b) secondly—in payment of the cost of removal, custody, and maintenance of the vehicle, and of the notice served or advertised under this section;
- (c) thirdly—in payment of the balance to the owner or if, after reasonable inquiry, an owner cannot be found, to the general funds of the council.

(5) If, in the council's opinion, it is not practicable or convenient to sell the vehicle, it may dispose of it in any way it thinks fit.

(6) The owner of the vehicle is liable to the council for any expenses incurred by the council in the removal, custody, maintenance, sale or attempted sale, or otherwise in the disposal, of the vehicle under this section, and the council may recover so much of those expenses as have not been satisfied by proceeds from the sale of the vehicle as a debt due to it.

Part 4—Specific by-law provisions

Power to control access and use of land

238. (1) A council may make by-laws controlling access to and use of local government land.

Examples—

The by-laws may for example—

(2) However—

- (a) a by-law cannot be made under subsection (1) about access to or use of a road; and
- (b) a by-law prohibiting a person from bringing alcoholic liquor onto local government land, or consuming alcoholic liquor on local government land, may only be made if the land constitutes a park or a reserve.

(3) If a council makes a by-law about access to or use of a particular piece of local government land under this section, a notice setting out the effect of the by-law should be erected in a prominent position on, or in the immediate vicinity of, the land to which the by-law applies.

240. A council may make by-laws prohibiting the posting of bills, advertisements or other papers or items on a building or structure on a road, other local government land or other public place, without the permission of the council.

Part 5—Other matters

Native title

241. (1) No dealing with land under this Act affects native title in the land.

(2) However, subsection (1) does not apply if the effect is valid under a law of the State or the *Native Title Act 1993* (Commonwealth).

Time limits for dealing with certain applications

242. (1) This section applies to—

- (a) an application for a council's approval of the proposed use of community land for a business purpose; or

(3) A council must notify the applicant in writing as soon as practicable of a decision or presumptive decision on an application to which this section applies.

(4) In this section, the **relevant date** is the date of the application or, in the case of an application on which the council proposes to conduct public consultation, a later date the council fixes in a written notice given to the applicant within one month after the date of the application as the date on which it expects to complete the process of public consultation.

Registrar-General to issue certificate of title

243. (1) If land vests for an estate in fee simple in a council under this Act, the council must apply to the Registrar-General for the issue of a certificate of title for the land under the *Real Property Act 1886*.

(2) An application under this section must—

 - (iii) a fee fixed by the Registrar-General.

Liability for injury, damage or loss on community land

244. (1) A council is only liable as occupier of community land for injury, damage or loss that is a direct consequence of a wrongful act on the part of the council.

Local Government Act 1999

(2) However, this section does not affect a council's liability as occupier of a building or artificial structure on community land.

Liability for injury, damage or loss caused by certain trees

245. (1) A council is not liable for any damage to property which results from—

- (a) the planting of a tree in a road; or
- (b) the existence of a tree growing in a road (whether planted by the council or not).

(2) However, if—

- (a) the owner or occupier of property adjacent to the road has made a written request to the council to take reasonable action to avert a risk of damage to property of the owner or occupier from the tree; and
- (b) the council has failed to take reasonable action in response to the request,

the council may be liable for any damage to property that would have been averted if the council had taken reasonable action in response to the request.

Local Government Act 1999

- (b) that relate to a matter in relation to which the making of by-laws is authorised by the regulations under this or another Act.

(2) A council cannot make a by-law that requires that a person obtain a licence from the council to carry out an activity at a particular place unless the council has express power to do so under an Act.

(3) Subject to this or another Act, a by-law made by a council may—

- (a) operate subject to specified conditions; and

- (f) provide that a matter or thing is to be determined, dispensed with, regulated or prohibited according to the discretion of the council, a specified person, authority or body, or a person holding a specified office; and
- (g) fix a minimum as well as a maximum penalty for any breach of a by-law, or a maximum penalty only, or a general maximum penalty applicable to several by-laws, provided that the maximum penalty so fixed does not exceed \$750, and in the case of a continuing offence fix a further penalty not exceeding \$50 for every day on which the offence or breach of the by-law continues; and
- (h) in a case of a by-law relating to the driving, parking or standing of vehicles—
 - (i) impose, modify or restrict any evidentiary burden on a party to proceedings for an offence against the by-law, or provide for other matters in respect of evidence or the proof of any matter; and
 - (ii) fix entrance fees or parking fees; and

- (iii) provide that the owner and the driver of a vehicle driven, parked or standing in contravention of the by-law are each guilty of an offence and liable to the relevant penalty.

(4) If a code, standard or other document is adopted under subsection (3)(b) as it is in force from time to time, an alteration to the code, standard or other document will not take effect for the purposes of the by-law before a day on which notice of that alteration is published by the council in the *Gazette* and in a newspaper circulating in the area of the council.

(5) Expiation fees may be fixed for alleged offences against by-laws by—

- (a) by-laws; or
- (b) the council,

but an expiation fee fixed by the council cannot exceed 25 per cent of the maximum fine for the offence to which it relates.

(6) In any proceedings for an offence against a by-law under subsection (3)(h)—

- (a) an allegation in a complaint that a person named in the complaint was the owner of a specified vehicle on a specified day will be taken to be proved in the absence of proof to the contrary; and
- (b) if it is proved that a vehicle was driven, parked or left standing in contravention of the by-law it will be presumed, in the absence of evidence to the contrary, that the vehicle was so driven, parked or left standing by the owner of the vehicle.

(7) Despite a preceding subsection, the owner and driver of a vehicle cannot both be convicted of an offence arising out of the same circumstances and so conviction of the owner exonerates the driver and conversely conviction of the driver exonerates the owner.

Principles applying to by-laws

247. A by-law made by a council must—

- (a) be consistent with the objectives of the provision that authorises the by-law and accord with the provisions and general intent of the enabling Act; and
- (b) adopt a means of achieving those objectives that does not—
 - (i) unreasonably burden the community; or
 - (ii) make unusual or unexpected use of the power conferred by the enabling Act (having regard to the general intent of the Act); and
- (c) avoid restricting competition to any significant degree unless the council is satisfied that there is evidence that the benefits of the restriction to the community outweigh the costs of the restriction, and that the objectives of the by-law can only be reasonably achieved by the restriction; and
- (d) avoid unreasonable duplication or overlap with other statutory rules or legislation; and

Local Government Act 1999

- (e) avoid regulating a matter so as to contradict an express policy of the State that provides for the deregulation of the matter; and
- (f) avoid breaching principles of justice and fairness; and
- (g) be expressed plainly and in gender neutral language,

but a by-law cannot be challenged on the ground that it is inconsistent with one or more of these principles.

Rules relating to by-laws

248. (1) A by-law made by a council must not—

- (a) exceed the power conferred by the Act under which the by-law purports to be made; or
- (b) be inconsistent with this or another Act, or with the general law of the State; or
- (c) without clear and express authority in this or another Act—
 - (i) have retrospective effect; or
 - (ii) impose a tax; or
 - (iii) purport to shift the onus of proof to a person accused of an offence; or
 - (iv) provide for the further delegation of powers delegated under an Act; or
- (d) unreasonably interfere with rights established by law; or
- (e) unreasonably make rights dependent on administrative and not judicial decisions.

(2) If a by-law is inconsistent with a trust that applies to real or personal property held by the council, the by-law does not, to the extent of the inconsistency, apply in relation to that property.

(3) This section does not affect the validity of a by-law made before the commencement of this section.

Passing by-laws

249. (1) If it is proposed that a council make a by-law, the council must, at least 21 days before resolving to make the by-law—

- (a) make copies of the proposed by-law (and any code, standard or other document proposed to be applied or incorporated by the by-law) available for public inspection, without charge and during ordinary office hours, at the principal office of the council, and so far as is reasonably practicable on the Internet; and
- (b) by notice in a newspaper circulating in the area of the council—
 - (i) inform the public of the availability of the proposed by-law; and
 - (ii) set out the terms of the by-law, or describe in general terms the by-law's nature and effect.

(2) A council must give reasonable consideration to a written or other acceptable submission made to the council on a proposed by-law.

(3) A by-law cannot be made unless—

(a) the by-law is made at a meeting of the council where at least two-thirds of the members of the council are present; and

(b) the relevant resolution is supported by an absolute majority of members of the council.

(4) A council must not make a by-law unless or until the council has obtained a certificate, in the prescribed form, signed by a legal practitioner certifying that, in the opinion of the legal practitioner—

(a) the council has power to make the by-law by virtue of a statutory power specified in the certificate; and

(b) the by-law is not in conflict with this Act.

(5) Subject to subsection (6), a by-law comes into operation four months after the day on which it is published in the *Gazette* or from a later day or days fixed in the by-law.

(6) A by-law may take effect from an earlier day specified in the by-law if—

(a) it revokes a by-law without making provision in substitution for that by-law; or

(b) it corrects an error or inaccuracy in a by-law; or

(c) it is required for the purposes of an Act that will come into operation on assent or less than four months after assent; or

(d) it confers a benefit on a person (other than the council or an authority of the council) and does not operate so as—

(i) to affect, in a manner prejudicial to a person (other than the council or an authority of the council), the rights of that person existing before the date of commencement of the by-law; or

(ii) to impose a liability on a person (other than the council or an authority of the council) in respect of anything done or omitted to be done before the date of commencement of the by-law; or

(e) the council has been formed by the amalgamation of two or more councils and the by-law (or a by-law in substantially the same terms) was previously in force in the area of a council that has been amalgamated.

(7) A council must publish a notice of the making of a by-law under this section in a newspaper circulating in the area of the council.

(8) Section 10AA of the *Subordinate Legislation Act 1978* does not apply to a by-law of a council.

Local Government Act 1999

Model by-laws

250. (1) The Governor may, by proclamation, make, alter or revoke model by-laws dealing with a subject on which a council has power under this or another Act to make a by-law.

(2) A model by-law, or an alteration to a model by-law—

- (a) must be published in the *Gazette*; and
- (b) must be laid before both Houses of Parliament under the *Subordinate Legislation Act 1978*; and
- (c) is subject to disallowance under that Act.

(3) A council may adopt a model by-law, or an alteration to a model by-law, made by the Governor under this section if—

- (a) the adoption occurs at a meeting of the council where at least two-thirds of the members of the council are present; and
- (b) the relevant resolution is supported by an absolute majority of members of the council; and
- (c) the council adopts all of the model by-law or alteration (as the case may be).

(4) However, a council cannot adopt a model by-law or alteration unless the time for disallowance under the *Subordinate Legislation Act 1978* has passed (and the model by-law or alteration has not been disallowed).

(5) The resolution adopting a model by-law or alteration must be published in the *Gazette*.

(6) The operation of a model by-law or alteration adopted by a council under this section takes effect from a day specified in the resolution (which must not be earlier than the day of publication of the resolution in the *Gazette*), or, if no day is specified, from the day of publication of the resolution in the *Gazette*.

(7) A council must publish a notice of the adoption of a model by-law or alteration under this section in a newspaper circulating in the area of the council.

(8) An alteration or revocation of a model by-law by the Governor does not affect the prior adoption of the model by-law by the council.

(9) A council may, by further by-law, revoke a by-law adopted under this section.

Expiry of by-laws

251. (1) A by-law made under this Act, and all subsequent by-laws altering that by-law, unless it has already expired or been revoked, expire on 1 January of the year following the year in which the seventh anniversary of the day on which the by-law was made falls.

(2) For the purposes of this section, a by-law will be taken to have been made on the day on which it is published in the *Gazette* or, in the case of a model by-law, the day on which the notice of the resolution adopting the model by-law is published in the *Gazette*.

Register of by-laws and certified copies

252. (1) A council must cause a separate register to be kept of all by-laws made or adopted by the council.

(2) The register must include a copy of any code, standard or other document referred to or incorporated in a by-law.

(3) A person is entitled to inspect the register at the principal office of the council during ordinary office hours.

(4) A person is entitled, on payment of a fee fixed by the council, to an extract from the register.

(5) A person is entitled, on payment of a fee fixed by the council, to a certified copy of a by-law of a council in force in its area (or a part of its area) at the particular time.

(6) If a by-law only applies within a part or parts of the area of a council as the council may determine from time to time, and the council has made a determination, a certified copy of the resolution making the determination must accompany a copy of the by-law provided under subsection (5).

(7) The certificate referred to in subsections (5) and (6) may be given by the principal member of the council or the chief executive officer of the council.

Revocation of by-law does not affect certain resolutions

253. (1) If—

(a) a by-law revokes a by-law, or part of a by-law, that provides that the council may pass a resolution for a particular purpose; and

(b) the revoking by-law contains provisions substantially corresponding to those of the revoked by-law,

then—

(c) the revocation does not affect the operation of a resolution in force immediately before the revocation to the extent that the resolution is not inconsistent with the revoking by-law; and

(d) the resolution continues to have effect as if passed under the revoking by-law.

Division 2—Associated matters

Procedures to be followed

255. (1) A council must, before taking action to make an order under this Part (but subject to this section), give the person to whom it is proposed that the order be directed a notice in writing—

- (a) stating the proposed action, including the terms of the proposed order and the period within which compliance with the order will be required; and
- (b) stating the reasons for the proposed action; and
- (c) inviting the person to show, within a specified time (of a reasonable period), why the proposed action should not be taken (by making representations to the council or a person nominated to act on behalf of the council).

(2) If a notice is directed to a person who is not the owner of the relevant land, the council must take reasonable steps to serve a copy of the notice on the owner.

(3) The council may, after considering representations made within the time specified under subsection (1)—

- (a) make an order in accordance with the terms of the original proposal; or
- (b) make an order with modifications from the terms of the original proposal; or
- (c) determine not to proceed with an order.

Local Government Act 1999

(4) The council is not required to give further notice before it makes an order with modifications under subsection (3)(b).

(5) A council may—

- (a) include two or more orders in the same instrument;
- (b) direct two or more persons to do something specified in the order jointly.

(6) An order must—

- (a) subject to this section, specify a reasonable period within which compliance with the order is required; and
- (b) state the reasons for the order.

(7) An order must be served on the person to whom it is addressed.¹

(8) If an order is directed to a person who is not the owner of the relevant land, the council must take reasonable steps to serve a copy of the order on the owner.

(9) If land is owned or occupied by more than one person—

- (a) an order in respect of the land is not invalid merely because it is not directed to all of those owners or occupiers; and
- (b) an owner or occupier who complies with an order may recover a fair contribution from other owners or occupiers.

(10) Nothing in this section affects the right of a person from recovering from another all or any of the expenses incurred by the person in complying with an order.

(11) A council may, at the request, or with the agreement, of the person to whom an order is directed, vary an order or may, on its own initiative, revoke an order if satisfied that it is appropriate to do so.

(12) If a council, in the circumstances of a particular case, considers—

- (a) that an activity constitutes, or is likely to constitute, a threat to life or an immediate threat to public health or public safety; or
- (b) that an emergency situation otherwise exists,

the council may—

- (c) proceed immediately to make an order under this section without giving notice under subsection (1); and
- (d) require immediate compliance with an order despite subsection (6)(a).

(13) A council is not required to comply with any other procedure, or to hear from any other person, except as provided by this section before it makes an order under this section.

¹ See Chapter 14 Part 2 about various forms of service.

Rights of review

256. (1) An order must include a statement setting out the rights of a person to appeal against the order under this Act.

(2) A statement is sufficient for the purposes of subsection (1) if it includes the information specified by the regulations.

(3) A person to whom an order is directed may, within 14 days after service of the order, appeal against the order to the District Court.

* * * * *

Action on non-compliance

257. (1) If the requirements of an order are not complied with in the time fixed for compliance or, if there is an application for review, within 14 days after the determination of the review, the council may (subject to the outcome of any review) take the action required by the order.

(2) Action to be taken by a council under subsection (1) may be taken on the council's behalf by an employee of the council or by another person authorised by the council for the purpose.

(3) The reasonable costs and expenses incurred by a council in taking action under this section may be recovered by the council as a debt from the person who failed to comply with the requirements of the order.

(4) The regulations may limit the amount of costs and expenses recoverable under subsection (3) in a case involving a European wasp's nest.

(5) If an amount is recoverable from a person by a council under this section, the council may, by notice in writing to the person, fix a period, being not less than 28 days from the date of the notice, within which the amount must be paid and, if the amount is not paid by the person within that period—

- (a) the person is liable to pay interest charged at the prescribed rate per annum on the amount unpaid; and
- (b) if the person is the owner of the land to which the order relates—the council may, in accordance with Schedule 6, impose a charge over the land for the unpaid amount, together with interest.

(6) No civil liability attaches to a council, an employee of a council, or a person acting under the authority of a council, for anything done by the council, employee, or person under this section.

(7) In this section—

"European wasp's nest" means the nest of an insect of the species *Vespula germanica*.

Local Government Act 1999

Non-compliance with an order an offence

258. A person who contravenes or fails to comply with an order under this Part is guilty of an offence.

Maximum penalty: \$750.

Expiation fee: \$105.

Division 3—Policies

Councils to develop policies

259. (1) A council must take reasonable steps to prepare and adopt policies concerning the operation of this Part.

(2) A council must—

(a) prepare a draft of a policy; and

(b) by notice in a newspaper circulating in the area of the council, give notice of the place or places at which copies of the draft are available for inspection (without charge) and purchase (on payment of a fee fixed by the council) and invite interested persons to make written representations on the draft within a period specified by the council.

The period specified by the council must be at least four weeks.

(3) A council must consider any submission made to the council on a proposed policy in response to an invitation under subsection (2).

(4) A council may amend a policy at any time.

(5) However, a council must, before adopting an amendment to a policy, take the steps specified by subsections (2) and (3) (as if the amendment were a new policy), unless the council determines that the amendment is of only minor significance.

(6) A person is entitled to inspect (without charge) a policy at the principal office of the council during ordinary office hours.

(7) A person is entitled, on payment of a fee fixed by the council, to a copy of the policy.

(8) A council must, in considering whether to make an order under this Part, deal with the particular case on its merits but must also take into account any relevant policy under this Division.

Part 3—Authorised persons

Appointment of authorised persons

260. (1) A council may, by instrument in writing, appoint a person (other than a member of the council) as an authorised person.

(2) An appointment may be subject to conditions or limitations specified in the instrument of appointment.

(3) The council must issue to an authorised person an identity card—

(a) containing a photograph of the authorised person; and

(b) identifying any conditions or limitations imposed under subsection (2).

(4) An authorised person must, on demand by a person affected by an exercise or proposed exercise of a power under this Act, produce his or her identity card for inspection by that person.

(5) A council may, at any time, revoke an appointment under this section, or vary or revoke a condition or limitation, or impose a further condition or limitation.

(6) No civil liability attaches to an authorised person for an honest act or omission in the exercise, performance or discharge, or purported exercise, performance or discharge, of powers, functions or duties under this or other Acts.

(7) A liability that would, but for subsection (6), attach to an authorised person attaches instead to the council.

Powers under this Act

261. (1) An authorised person may—

(a) after giving reasonable notice to the owner or occupier of land, enter land—

(i) for a purpose related to the operation, administration or enforcement of this or another Act by the council (including to ascertain whether an order should be made or other action taken by the council under this or another Act); or

(ii) to carry out any inspection that the council is authorised to undertake under this or another Act; or

(iii) to carry out any work that the council is authorised to undertake under this or another Act;

- (h) give expiation notices to persons alleged to have committed expiable offences under this Act or a by-law under this Act;
- (i) give any directions reasonably required in connection with the exercise of a power conferred above or otherwise in connection with the administration or enforcement of this Act or a by-law under this Act.

(2) An authorised person may only exercise the power conferred by subsection (1)(b) on the authority of a warrant issued by a magistrate unless the authorised person believes, on reasonable grounds, that the circumstances require immediate action to be taken.

(3) A magistrate must not issue a warrant under subsection (2) unless satisfied, on information given on oath—

- (a) that there are reasonable grounds to suspect that a provision of this or another Act has been, is being, or is about to be, breached; or
- (b) that the warrant is otherwise reasonably required in the circumstances.

(4) In the exercise of powers under this Act, an authorised person may be assisted by such persons as he or she considers necessary in the circumstances.

(5) An occupier of a building must give to an authorised person or a person assisting an authorised person such assistance as is reasonably required for the effective exercise of the powers conferred by this section to be exercised.

Maximum penalty: \$5 000.

(6) Subject to subsection (7), a person who—

is guilty of an offence.

Maximum penalty: \$5 000.

(7) A person is not obliged to answer a question or to produce, or provide a copy of, a document or information as required under this section if to do so might tend to incriminate the person or make the person liable to a penalty.

(8) A person is not obliged to provide information under this section that is privileged on the ground of legal professional privilege.

(9) A person who assaults an authorised person, or a person assisting an authorised person in the exercise of powers under this Act, is guilty of an offence.

Maximum penalty: \$10 000 or imprisonment for 2 years.

- (10) An authorised person, or a person assisting an authorised person, who—

(2) A person must comply with an order under this section.

Maximum penalty: \$5 000.

(3) If a person does not comply with an order, the authorised person may take action reasonably required to have the order carried out.

(4) However, an authorised person may not use force against an offender under this section.

Chapter 13—Review of local government acts, decisions and operations

Part 1—Conduct of members

Grounds of complaint

263. (1) There are grounds for complaint under this Part against a member of a council if the member has contravened or failed to comply with section 74.

(2) Nothing in this Part prevents a person from making a complaint to the Ombudsman at any time under the *Ombudsman Act 1972*.

Complaints

264. (1) A public official or any other person may lodge with the District Court a complaint setting out the matters that are alleged to constitute the grounds for complaint against a member of a council under this Part.

(2) However, a person other than a public official cannot lodge a complaint without the written approval of a legally qualified person appointed by the Minister after consultation with the LGA.

(3) An apparently genuine document purporting to be an approval under subsection (2) will be accepted in any legal proceedings, in the absence of proof to the contrary, as proof that the approval has been given.

(4) The complaint must be lodged within a time prescribed by the rules of court.

Hearing by District Court

265. (1) On the lodging of a complaint, the District Court may conduct a hearing for the purpose of determining whether the matters alleged in the complaint constitute grounds for action against the member of the council under this Part.

(2) Without limiting the usual powers of the District Court, the District Court may during the hearing—

(a) allow an adjournment to enable the Ombudsman or another person to investigate or further investigate matters to which the complaint relates; and

(b) allow the modification of the complaint or additional allegations to be included in the complaint subject to any conditions as to adjournment and notice to parties and other conditions that the District Court may think fit to impose.

(3) The District Court may at any time dismiss a complaint if it considers—

(a) that the matter is frivolous or vexatious; or

(b) that the matter raised in the complaint is trivial; or

(c) that the complainant does not have a sufficient interest in the matter to which the complaint relates; or

(d) that there is some other good reason for not allowing the matter to proceed under this Part.

Constitution of District Court

266. (1) In proceedings under this Part, the District Court will, if a Judge of the District Court so determines, sit with assessors selected in accordance with Schedule 7.

* * * * *

Outcome of proceedings

267. (1) On the hearing of a complaint, the District Court may, if it is satisfied that the grounds for complaint exist and that there is proper cause for taking action against the person to whom the complaint relates, by an order or orders do one or more of the following:

- (a) reprimand the person;
- (b) require the person to attend a specified course of training or instruction, or to take other steps;
- (c) impose a fine not exceeding \$5 000 on the person;
- (d) suspend the person from any office under this Act for a period not exceeding two months;
- (e) disqualify the person from any office under this Act;
