  - (a) in the case of an order relating to a child—2 pm on a business day not later than 6 calendar months after the day on which it is made; or

## **Division 5—General**

### **32—Inpatient treatment orders displace community treatment orders**

If an inpatient treatment order is made in respect of a person to whom a community treatment order applies and the community treatment order is not revoked, the requirements of the community treatment order do not apply for the period of operation of the inpatient treatment order (and if the community treatment order remains in force at the end of that period, the requirements of the order will apply again according to their terms).

### **33—Duty of director of treatment centre to comply with inpatient treatment orders**

  - (a) for carrying the inpatient treatment order applying to the patient into effect and ensuring compliance with this Act; and
  - (b) for the maintenance of order and security at the centre or the prevention of harm or nuisance to others.
- (3) Subsection (2) has effect subject to Part 2 and the other provisions of this Act and, in the case of staff other than the director, subject to the directions of the director.

### 35—Transfer of involuntary inpatients

- (1) If the director of a treatment centre considers it is necessary or appropriate for an involuntary inpatient to be transferred from the centre to another treatment centre, the director may give a direction for the patient to be transferred to the other treatment centre, after first arranging with the director of the other centre for the patient's admission to that centre.

  - (b) staff of the hospital may exercise the powers conferred by section 34 in relation to the patient as if they were treatment centre staff.
- (4) A direction under this section must be given by writing in the form approved by the Minister.
- (5) Subject to subsection (6), if the patient has been admitted to the centre, the director must notify a guardian, medical agent, relative, carer or friend of the patient on giving a direction under this section for the transfer of the patient from the centre.

### ***Statutes Amendment (SACAT) Act 2014***

#### **131—Transitional provisions**

- (1) In this section—

***Guardianship Board*** means the Guardianship Board established under the *Guardianship and Administration Act 1993*;

***principal Act*** means the *Mental Health Act 2009*;

***relevant day*** means the day on which this Part comes into operation;

***Tribunal*** means the South Australian Civil and Administrative Tribunal.

- (2) The Tribunal will conduct a review under section 15 of the principal Act in respect of any order for which notice is given on or after the relevant day.
- (3) An order, consent or decision of the Guardianship Board under the principal Act in force immediately before the relevant day will, on and from the relevant day, be taken to be an order, consent or decision of the Tribunal.

- (4) A right to make any application or referral, or to seek a review or to institute an appeal, under the principal Act with respect to any matter in existence before the relevant day, with the effect that the relevant proceedings would have been commenced before the Guardianship Board, will be exercised as if this Part had been in operation before the right arose, so that the relevant proceedings may be commenced instead before the Tribunal.
- (5) Any proceedings before the Guardianship Board under the principal Act immediately before the relevant day will, subject to such directions as the President of the Tribunal thinks fit, be transferred to the Tribunal where they may proceed as if they had been commenced before the Tribunal.
- (6) The Tribunal may—

  - (b) adopt any findings or determinations of the Guardianship Board that may be relevant to proceedings before the Tribunal; and
  - (c) adopt or make any decision (including a decision in the nature of a consent), direction or order in relation to proceedings before the Guardianship Board before the relevant day (including so as to make a decision or give a consent, direction or order, in relation to proceedings fully heard before the relevant day); and
  - (d) take other steps to promote or ensure the smoothest possible transition from 1 jurisdiction to another in connection with the operation of this section.
- (7) Nothing in this section affects a right to appeal to the Administrative and Disciplinary Division of the District Court against a decision, direction or order of the Guardianship Board made or given before the relevant day.
- (8) A reference in subsection (5) to proceedings before the Guardianship Board will be taken to include a reference to a review being conducted under section 79 of the principal Act.
