**An Act to make provision for the operation of a national electricity market and for other purposes.**

The Parliament of South Australia enacts as follows:

**Preamble**

A National Grid Management Council was formed following decisions of Special Premiers' Conferences in October 1990 and July 1991.

The National Grid Management Council has developed plans for a co-ordinated electricity market spanning the eastern States, South Australia and the Australian Capital Territory.

The Council of Australian Governments agreed in February 1994 to recommendations for regulatory arrangements for the national electricity market consistent with reforms of competition policy.

The regulatory arrangements include regulation of certain elements of the operation of the market by way of a code of conduct that is subject to authorisation under the Trade Practices Act 1974 of the Commonwealth.

The States of New South Wales, Victoria, Queensland and South Australia and the Australian Capital Territory have agreed to the enactment of legislation in the several jurisdictions for the implementation of the regulatory arrangements.

(6) A delegated function or power that purports to have been exercised by the delegate is taken to have been duly exercised by the delegate unless the contrary is proved.

(7) A delegated function or power that is duly exercised by the delegate is taken to have been exercised by the delegator.

(8) If, when exercised by the delegator, a function or power is, under this Law, dependent on the delegator's opinion, belief or state of mind in relation to a matter, the function or power, when exercised by the delegate, is dependent on the delegate's opinion, belief or state of mind in relation to the matter.

(9) If a function or power is delegated to a particular officer or the holder of a particular office—

- (a) the delegation does not cease to have effect merely because the person who was the particular officer or the holder of the particular office when the power was delegated ceases to be the officer or the holder of the office; and
- (b) the function or power may be exercised by the person for the time being occupying or acting in the office concerned.

(10) A function or power that has been delegated may, despite the delegation, be exercised by the delegator.

**Exercise of powers between enactment and commencement**

**28.** (1) If a provision of this Law (the "empowering provision") that does not commence on its enactment would, had it commenced, confer a power—

**National Electricity (South Australia) Act 1996**

---

- (a) to make an appointment; or
- (b) to make a statutory instrument of a legislative or administrative character; or
- (c) to do another thing,

then—

- (d) the power may be exercised; and
- (e) anything may be done for the purpose of enabling the exercise of the power or of bringing the appointment, instrument or other thing into effect,

before the empowering provision commences.

(2) If a provision of an Act of South Australia (the "**empowering provision**") that does not commence on its enactment would, had it commenced, amend a provision of this Law so that it would confer a power—

- (a) to make an appointment; or
- (b) to make a statutory instrument of a legislative or administrative character; or
- (c) to do another thing,

then—

- (d) the power may be exercised; and
- (e) anything may be done for the purpose of enabling the exercise of the power or of bringing the appointment, instrument or other thing into effect,

before the empowering provision commences.

(3) If—

- (a) this Law has commenced and confers a power to make a statutory instrument (the "**basic instrument-making power**"); and
- (b) a provision of an Act of South Australia that does not commence on its enactment would, had it commenced, amend this Law so as to confer additional power to make a statutory instrument (the "**additional instrument-making power**"),

then—

- (c) the basic instrument-making power and the additional instrument-making power may be exercised by making a single instrument; and
- (d) any provision of the instrument that required an exercise of the additional instrument-making power is to be treated as made under subclause (2).

(4) If an instrument, or a provision of an instrument, is made under subclause (1) or (2) that is necessary for the purpose of—

- (a) enabling the exercise of a power mentioned in the subclause; or
- (b) bringing an appointment, instrument or other thing made or done under such a power into effect,

the instrument or provision takes effect—

- (c) on the making of the instrument; or

(d) on such later day (if any) on which, or at such later time (if any) at which, the instrument or provision is expressed to take effect.

(5) If—

(a) an appointment is made under subclause (1) or (2); or

(b) an instrument, or a provision of an instrument, made under subclause (1) or (2) is not necessary for a purpose mentioned in subclause (4),

the appointment, instrument or provision takes effect—

(c) on the commencement of the relevant empowering provision; or

(d) on such later day (if any) on which, or at such later time (if any) at which, the appointment, instrument or provision is expressed to take effect.

(6) Anything done under subclause (1) or (2) does not confer a right, or impose a liability, on a person before the relevant empowering provision commences.

(7) After the enactment of a provision mentioned in subclause (2) but before the provision's commencement, this clause applies as if the references in subclauses (2) and (5) to the commencement of the empowering provision were references to the commencement of the provision mentioned in subclause (2) as amended by the empowering provision.

(8) In the application of this clause to a statutory instrument, a reference to the enactment of the instrument is a reference to the making of the instrument.

## **PART 5 DISTANCE AND TIME**

### **Matters relating to distance and time**

**29.** (1) In the measurement of distance for the purposes of this Law, the distance is to be measured along the shortest road ordinarily used for travelling.

(2) If a period beginning on a given day, act or event is provided or allowed for a purpose by this Law, the period is to be calculated by excluding the day, or the day of the act or event, and—

(a) if the period is expressed to be a specified number of clear days or at least a specified number of days, by excluding the day on which the purpose is to be fulfilled; and

(b) in any other case, by including the day on which the purpose is to be fulfilled.

(3) If the last day of a period provided or allowed by this Law for doing anything is not a business day in the place in which the thing is to be or may be done, the thing may be done on the next business day in the place.

(4) If the last day of a period provided or allowed by this Law for the filing or registration of a document is a day on which the office is closed where the filing or registration is to be or may be done, the document may be filed or registered at the office on the next day that the office is open.

(5) If no time is provided or allowed for doing anything, the thing is to be done as soon as possible, and as often as the prescribed occasion happens.

(6) If, in this Law, there is a reference to time, the reference is, in relation to the doing of anything in a jurisdiction, a reference to the legal time in the jurisdiction.

**National Electricity (South Australia) Act 1996**

**PART 6  
SERVICE OF DOCUMENTS**

**Service of documents and meaning of service by post, etc.**

**30.** (1) If this Law requires or permits a document to be served on a person (whether the expression "deliver", "give", "notify", "send" or "serve" or another expression is used), the document may be served—

- (a) on an individual—
  - (i) by delivering it to the person personally; or
  - (ii) by leaving it at, or by sending it by post, telex, facsimile or similar facility to, the address of the place of residence or business of the person last known to the person serving the document; or
- (b) on a body corporate—
  - (i) by leaving it at the registered office of the body corporate with an officer of the body corporate; or
  - (ii) by sending it by post, telex, facsimile or similar facility to its registered office.

(2) Nothing in subclause (1)—

- (a) affects the operation of another law that authorises the service of a document otherwise than as provided in the subclause; or
- (b) affects the power of a court or tribunal to authorise service of a document otherwise than as provided in the subclause.

**Meaning of service by post, etc.**

**31.** (1) If this Law requires or permits a document to be served by post (whether the expression "deliver", "give", "notify", "send" or "serve" or another expression is used), service—

- (a) may be effected by properly addressing, prepaying and posting the document as a letter; and
- (b) is taken to have been effected at the time at which the letter would be delivered in the ordinary course of post, unless the contrary is proved.

(2) If this Law requires or permits a document to be served by a particular postal method (whether the expression "deliver", "give", "notify", "send" or "serve" or another expression is used), the requirement or permission is taken to be satisfied if the document is posted by that method or, if that method is not available, by the equivalent, or nearest equivalent, method provided for the time being by Australia Post.

**PART 7  
EFFECT OF REPEAL, AMENDMENT OR EXPIRATION**

**Time of Law ceasing to have effect**

**32.** If a provision of this Law is expressed—

- (a) to expire on a specified day; or
- (b) to remain or continue in force, or otherwise have effect, until a specified day,

this provision has effect until the last moment of the specified day.

**Repealed Law provisions not revived**

**33.** If a provision of this Law is repealed or amended by an Act of South Australia or a provision of an Act of South Australia, the provision is not revived merely because the Act or the provision of the Act—

- (a) is later repealed or amended; or

- (b) later expires.

**Saving of operation of repealed Law provisions**

**34.** (1) The repeal, amendment or expiry of a provision of this Law does not—

- (a) revive anything not in force or existing at the time the repeal, amendment or expiry takes effect; or
- (b) affect the previous operation of the provision or anything suffered, done or begun under the provision; or
- (c) affect a right, privilege or liability acquired, accrued or incurred under the provision; or
- (d) affect a penalty incurred in relation to an offence arising under the provision; or
- (e) affect an investigation, proceeding or remedy in relation to such a right, privilege, liability or penalty.

(2) Any such penalty may be imposed and enforced, and any such investigation, proceeding or remedy may be begun, continued or enforced, as if the provision had not been repealed or amended or had not expired.

**Continuance of repealed provisions**

**35.** If an Act of South Australia repeals some provisions of this Law and enacts new provisions in substitution for the repealed provisions, the repealed provisions continue in force until the new provisions commence.

**Law and amending Acts to be read as one**

**36.** This Law and all Acts of South Australia amending this Law are to be read as one.

**PART 8  
OFFENCES UNDER THIS LAW**

**Penalty at end of provision**

**37.** In this Law, a penalty specified at the end of—

- (a) a section (whether or not the section is divided into subsections); or
- (b) a subsection (but not at the end of a section); or
- (c) a section or subsection and expressed in such a way as to indicate that it applies only to part of the section or subsection,

indicates that an offence mentioned in the section, subsection or part is punishable on conviction or, if no offence is mentioned, a contravention of the section, subsection or part constitutes an offence against the provision that is punishable, on conviction, by a penalty not more than the specified penalty.

**Penalty other than at end of provision**

**38.** (1) In this Law, a penalty specified for an offence, or a contravention of a provision, indicates that the offence is punishable on conviction, or the contravention constitutes an offence against the provision that is punishable, on conviction, by a penalty not more than the specified penalty.

(2) This clause does not apply to a penalty to which clause 37 applies.

**Indictable offences and summary offences**

**39.** (1) An offence against this Law that is not punishable by imprisonment is punishable summarily.

(2) An offence against this Law that is punishable by imprisonment is, subject to subclause (3), punishable on indictment.

**National Electricity (South Australia) Act 1996**

---

(3) If—

- (a) a proceeding for an offence against this Law that is punishable by imprisonment is brought in a court of summary jurisdiction; and
- (b) the prosecutor requests the court to hear and determine the proceeding,

the offence is punishable summarily and the court must hear and determine the proceeding.

(4) A court of summary jurisdiction must not—

- (a) impose, in relation to a single offence against this Law, a period of imprisonment of more than two years; or
- (b) impose, in relation to offences against the Law, cumulative periods of imprisonment that are, in total, more than five years.

(5) Nothing in this clause renders a person liable to be punished more than once in relation to the same offence.

**Double jeopardy**

**40.** If an act or omission constitutes an offence—

- (a) under this Law; or
- (b) under another law of this jurisdiction or a law of another jurisdiction,

and the offender has been punished in relation to the offence under a law mentioned in paragraph (b), the offender is not liable to be punished in relation to the offence under this Law.

**Aiding and abetting, attempts, etc.**

**41.** (1) A person who aids, abets, counsels or procures, or by act or omission is in any way directly or indirectly concerned in or a party to, the commission of an offence against this Law is taken to have committed that offence and is liable to the penalty for the offence.

(2) A person who attempts to commit an offence against this Law commits an offence and is punishable as if the attempted offence had been committed.

**PART 9  
INSTRUMENTS UNDER THIS LAW**

**Schedule applies to statutory instruments**

**42.** (1) This Schedule applies to a statutory instrument, and to things that may be done or are required to be done under a statutory instrument, in the same way as it applies to this Law, and things that may be done or are required to be done under this Law, except so far as the context or subject matter otherwise indicates or requires.

(2) The fact that a provision of this Schedule refers to this Law and not also to a statutory instrument does not, by itself, indicate that the provision is intended to apply only to this Law.

**PART 10**

**APPLICATION TO COASTAL SEA**

**Application**

**43.** This Law has effect in and in relation to the coastal sea of this jurisdiction as if that coastal sea were part of this jurisdiction.
