the Council must, within the prescribed period, initiate civil proceedings under Division 2 in order to require the offender to make good the breach of this Act unless such proceedings have already been commenced, or an order has already been made, under that Division in relation to the matter, or the conviction is overturned on appeal.

whichever is the greater.

(4) In determining the amount by which the value of land has increased as the result of the commission of an offence under this section, no account may be taken of the possibility that the establishment of vegetation on the cleared land may be ordered under Division 2.

Clearance of native vegetation

27. Subject to any other Act or law to the contrary—

(a) native vegetation may be cleared with the consent of the Council given in accordance with section 29;

(b) native vegetation may be cleared—

(i) if the vegetation is of a prescribed class; or

(ii) in prescribed circumstances.

Application for consent

28. (1) Subject to subsection (2), the owner of land on which native vegetation is growing or is situated, or a person acting on his or her behalf, (but no other person) may apply for consent to clear the vegetation.

(2) Where the land is held from the Crown under a miscellaneous lease, an application for consent to clear vegetation can only be made by the Minister of Lands.

(3) An application for consent—

(a) must be in a form approved by the Council;

(b) must be accompanied by—

(i) a native vegetation management plan prepared by the applicant in accordance with guidelines adopted by the Council under Part 4; and

(ii) such information as the Council reasonably requires; and

(iii) the prescribed fee.

Provisions relating to consent

29. (1) Subject to subsection (4), in deciding whether to consent to an application to clear native vegetation, the Council—

(a) must have regard to the principles of clearance of native vegetation so far as they are relevant to that decision; and
(b) must not make a decision that is seriously at variance with those principles.

(2) When determining an application to clear native vegetation in order to facilitate the management of other native vegetation, the Council must, in exercising its limited discretion under subsection (1), have regard to the applicant’s desire to facilitate the management of that other vegetation.

(3) When determining an application to clear native vegetation that is growing or is situated on land that forms part of a property that is used for the business of primary production, the Council must, in exercising its limited discretion under subsection (1), have regard to the applicant’s desire to operate the business as efficiently as possible.

(4) The Council may give its consent to clearance of native vegetation that is in contravention of subsection (1)(b) if—

(a) the vegetation comprises one or more isolated plants; and

(b) the applicant is engaged in the business of primary production; and

(c) in the opinion of the Council, the retention of that plant, or those plants, would put the applicant to unreasonable expense in carrying on that business or would result in an unreasonable reduction of potential income from that business.

(5) Where native vegetation that is the subject of an application for the Council’s consent to clear under this Division is in a soil conservation district, the Council must, before giving its consent, consult the soil conservation board for that district and have regard to the board’s recommendations (if any) in relation to the application.

(6) Where native vegetation that is the subject of an application for the Council’s consent to clear under this Division is on pastoral land, the Council must, before giving its consent, consult the Pastoral Board and have regard to the Board’s recommendations (if any) in relation to the application.

(7) Where the land on which the vegetation is growing or is situated is pastoral land and is also in a soil conservation district, both the soil conservation board and the Pastoral Board must be consulted under subsections (5) and (6).

(8) Where a soil conservation board or the Pastoral Board has been consulted by the Council under subsection (5) or (6), the board concerned may request the owner of the land to submit to it a property plan under the Soil Conservation and Land Care Act 1989 or the Pastoral Land Management and Conservation Act 1989 (whichever is appropriate) and, until the plan has been submitted to it, the board may recommend to the Council that it refuse consent solely on the ground that the plan has not been submitted.

(9) Section 41(10) of the Pastoral Land Management and Conservation Act 1989 does not apply to, or in relation to, a property plan requested by the Pastoral Board under subsection (8).

(10) A consent under this Division is subject to such conditions (if any) as the Council thinks fit to impose, and any such conditions are binding on, and enforceable against, the person by whom the clearance is undertaken, all subsequent owners of the land and any other person who acquires the benefit of the consent.

(11) The Council may give its consent to clearance of native vegetation pursuant to subsection (4) if, and only if—
PART 5

Native Vegetation Act 1991

(a) it attaches to the consent a condition requiring the applicant to establish native vegetation on land specified by the Council; and

(b) the Council is satisfied that the environmental benefits that will be provided by that vegetation significantly outweigh the environmental benefits provided by the vegetation to be cleared.

(12) Subject to subsection (15), no appeal lies against a refusal of consent or a condition attached to a consent under this Division.

(13) Consent to undertake clearance under this Division remains in force for two years or for such longer period as the Council may fix at the time of granting consent or subsequently on application by a person who has the benefit of the consent.

(14) An applicant for consent under this Division may appear before the Council in support of the application and the Council must observe the rules of natural justice when considering and determining the application.

(15) Where an applicant satisfies a District Court that the Council has failed to observe the rules of natural justice the Court may quash the Council’s decision and direct it to reconsider the application.

(16) Where the Council refuses an application in whole or in part or attaches conditions to its consent, it must provide the applicant with a written statement of the reasons for its decision.

(17) The provisions of this section also apply to circumstances where the Council is considering an application referred to the Council under the Development Act 1993 as if the Council were considering an application for consent under this Act, subject to such modifications, additions or exclusions as may be necessary for the purpose.

Avoidance of duplication of procedures etc.

29A. (1) The purpose of this section is to provide for the avoidance of unnecessary duplication of procedures and compliance requirements under the Commonwealth Act and this Act where the clearance of native vegetation requires consent under this Act and approval under the Commonwealth Act.

(2) Despite any other provision of this Act, the Council may—

(a) accept a Commonwealth Act document as an application for consent under section 28 if (subject to subsection (5)) it complies with the requirements of this Act; and

(b) accept the whole or part of a plan, report, statement, assessment or other document used, or to be used, for the purposes of the Commonwealth Act as a native vegetation management plan referred to in section 28(3)(b)(i) if (subject to subsection (5)) the document has been prepared in compliance with this Act and complies with the requirements of this Act.

(3) To avoid doubt, where a controlled action under the Commonwealth Act comprises or includes the clearance of native vegetation, the Council may, when considering an application for consent to clear the native vegetation use information and other material provided to the Commonwealth Minister under the Commonwealth Act for the purpose of deciding whether to give his or her approval to the controlled action under that Act.

(4) Where a controlled action under the Commonwealth Act comprises or includes the clearance of native vegetation, the Council—
(a) must, if the Commonwealth Minister has given his or her approval to the controlled action, consider whether the conditions (if any) to be imposed on the consent should be consistent with the conditions (if any) attached to the Commonwealth Minister’s approval under the Commonwealth Act;

(b) may impose a condition on the consent that requires compliance with all or some of the conditions attached to the Commonwealth Minister’s approval under the Commonwealth Act.

(5) A document accepted under subsection (2)—

(a) may be in a form that does not comply with the requirements of this Act; and

(b) may include information or other material that is irrelevant for the purposes of this Act.

(6) Once a document is accepted under subsection (2) the document will not be invalid or ineffective for the purposes of this Act because a court, tribunal or other authority has decided that it is invalid or ineffective for the purposes of the Commonwealth Act.

(7) In this section—

“assessment report” means—

(a) an assessment report as defined in the Commonwealth Act by reference to section 84(3), 95, 100 or 105 of that Act; or

(b) a report under section 121 of the Commonwealth Act;

“Commonwealth Act” means the Environment Protection and Biodiversity Conservation Act 1999 of the Commonwealth;

“Commonwealth Act document” means—

(a) a referral under section 68, 69 or 71 of the Commonwealth Act; or

(b) information given by a person to the Minister under the Commonwealth Act under section 86 of that Act; or

(c) information and invitation published by a proponent under section 93 of the Commonwealth Act; or

(d) guidelines prepared under section 97 or 102 of the Commonwealth Act; or

(e) a draft report prepared under section 98 of the Commonwealth Act; or

(f) a finalised report prepared under section 99 of the Commonwealth Act; or

(g) a draft statement prepared under section 103 of the Commonwealth Act; or

(h) a finalised statement prepared under section 104 of the Commonwealth Act; or

(i) an assessment report.
**Referral to conciliator**

30. (1) An applicant for consent to clear native vegetation who is dissatisfied with the Council’s determination of the application may request the Council to refer the application to a conciliator for assessment.

(2) The Council must refer an application to a conciliator in pursuance of a request under subsection (1) for preliminary assessment.

(3) If, after preliminary assessment, the conciliator is of the opinion that a full assessment and report should be made under subsection (4) he or she must proceed with the assessment and report.

(4) After making the assessment the conciliator must submit a written report to the Council that either confirms the Council’s determination or recommends that the Council vary the determination or revoke the determination and make a determination recommended by the conciliator.

(5) The report must include the conciliator’s reasons for his or her recommendation.

(6) Upon receiving the conciliator’s report the Council must, if the report recommends that the determination be varied or revoked, reconsider the application and in doing so the Council must have regard to the conciliator’s recommendation.

**DIVISION 2—CIVIL ENFORCEMENT PROCEEDINGS**

**Interpretation**

31. In this Division, a reference to a breach of this Act includes a reference to a contravention of, or a failure to comply with, a heritage agreement.

**Application to the ERD Court for enforcement**

31A. (1) The following persons may apply to the ERD Court for an order to remedy or restrain a breach of this Act:

(a) the Council; or

(b) a person who owns or who has any other legal or equitable interest in land that has been, or will be, affected by the breach; or

(c) in the case of a contravention of, or failure to comply with, a heritage agreement—a party to the agreement.

(2) Proceedings under this section may be brought in a representative capacity with the consent of all persons on whose behalf they are to be brought.

(3) If proceedings under this section are brought by a person other than the Council—

(a) the applicant must serve a copy of the application on the Council within three days after filing the application with the Court; and

(b) the Court must, on application by the Council, join the Council as a party to the proceedings.
(4) An application may be made in the absence of the respondent and, if the Court is satisfied on the application that the respondent has a case to answer, it may grant leave to the applicant to serve a summons requiring the respondent to appear before the Court to show cause why an order should not be made under this section.

(5) An application under this section must, in the first instance, be referred to a conference under section 16 of the Environment, Resources and Development Court Act 1993.

(6) If—

(a) after hearing—

(i) the applicant and the respondent; and

(ii) any other person who has, in the opinion of the Court, a proper interest in the subject matter of the proceedings and desires to be heard in the proceedings,

the Court is satisfied, on the balance of probabilities, that the respondent to the application has breached this Act; or

(b) the respondent fails to appear in response to the summons or, having appeared, does not avail himself or herself of an opportunity to be heard,

the Court may, by order, exercise one or more of the following powers:

(c) require the respondent to refrain, either temporarily or permanently, from the act, or course of action, that constitutes the breach;

(d) require the respondent to make good the breach in a manner, and within a period, specified by the Court, or to take such other action as may appear appropriate to the Court, taking into account the nature and extent of the original vegetation;

(e) require the respondent to pay to any person who has suffered loss or damage as a result of the breach, or incurred costs or expenses as a result of the breach, compensation for the loss or damage or an amount for, or towards, those costs or expenses;

(f) require the respondent to pay into the Fund an amount, determined by the Court to be appropriate in the circumstances, on account of the financial benefit that the respondent has gained, or can reasonably be expected to gain, by committing the breach;

(g) require the respondent to pay into the Fund an amount, determined by the Court, in the nature of exemplary damages (and this amount may be in addition to any amount ordered to be paid under paragraph (f));

(h) require the respondent to take specified action to publicise—

(i) the breach of this Act; and

(ii) the environmental and other consequences flowing from the breach; and

(iii) the other requirements of the order made against the respondent;

(i) require the respondent to refrain from an act or course of action, or to undertake an act or course of action, to ensure that the respondent does not gain an ongoing benefit from the breach.
(7) In assessing damages under subsection (6)(g), the Court must have regard to—

(a) damage to the environment caused by the breach of this Act; and

(b) the detriment to the public interest resulting from the breach; and

(c) any benefit (including financial benefit) that the respondent sought to gain by committing the breach; and

(d) any other matter it considers relevant.

(8) The power conferred by subsection (6)(f) or (g) can only be exercised by a Judge of the Court.

(9) The Council, and any person with a legal or equitable interest in land to which an application under this section relates, is entitled to appear and be heard in proceedings based on the application before a final order is made.

(10) The Court may make such order in relation to costs of proceedings under this section as it thinks just and reasonable.

(11) In this section—

"breach" of this Act includes a threatened contravention of, or failure to comply with, this Act or a heritage agreement.

Order where native vegetation has been cleared

31B. (1) Subject to subsection (6)(d) or (7), where the ERD Court is satisfied on the balance of probabilities that the respondent—

(a) has cleared native vegetation in contravention of this Act; or

(b) has cleared native vegetation pursuant to the Council’s consent but has not complied with a condition of a kind referred to in section 30(2) attached to the consent,

the Court must make an order against the respondent under section 31A(6)(d).

(2) The order under section 31A(6)(d) must direct the respondent to—

(a) remove the buildings, works or vegetation (if any) that have been erected, undertaken or planted on the land since the clearance occurred; and

(b) establish vegetation consisting of plants of a species specified in the order in such numbers and on such parts of the cleared land as is specified in the order; and

(c) nurture, protect and maintain the plants until they are fully established or for such period as is specified in the order.

(3) The order under section 31A(6)(d) may—

(a) where part of the original vegetation is still growing or situated on the land—direct that it be removed so that the new vegetation can be established on the land;

(b) include such ancillary directions or orders as the Court thinks fit.
(4) Where the respondent is not the owner or occupier of the land, the order authorises him or her (or a person authorised by him or her) to—

(a) enter the land with such materials and equipment as are reasonably necessary to comply with the order; and

(b) to enter and cross any other land specified in the order with the materials and equipment referred to in paragraph (a) for the purpose of gaining access to the cleared land.

(5) An owner or occupier of land or any other person who hinders or obstructs the respondent (or a person authorised by the respondent) in carrying out the directions of an order under this section or entering and crossing land under subsection (4) is guilty of an offence.

Maximum penalty: $10 000.

(6) If the ERD Court is satisfied on the balance of probabilities that—

(a) the owner or occupier of the cleared land did not know and could not reasonably have been expected to know of the circumstances referred to in subsection (1) requiring the making of an order under section 31A(6)(d); and

(b) compliance with an order under section 31A(6)(d) will cause financial loss to that person,

the Court may—

(c) assess the amount of the financial loss and order the respondent to pay that amount to the owner or occupier of the land; or

(d) refuse to make the order or make the order in a modified form.

(7) If the Court is satisfied that compliance with any order under section 31A(6)(d) would not be reasonably practicable, it may refuse to make the order.

(8) However, the Court cannot take into account financial grounds when making an assessment under subsection (7) unless the Court is satisfied that it would be unduly harsh not to do so.

(9) The Court must include in the order a requirement that a copy of the order be served on the Registrar-General and that the Registrar-General note the order against the relevant certificate or other instrument of title or, in the case of land not under the Real Property Act 1886, against the land (and the Registrar-General must, on service of the order, make the note and then must not remove the note except pursuant to an order of the Court).

(10) If, in the opinion of the Court, it should refuse under subsection (6)(d) or (7) to make an order under section 31A(6)(d), the Court may make an order against the respondent requiring the establishment of vegetation in accordance with the provisions of this section on some other land owned by the respondent.

Interim order

31C. (1) If, on an application under this Division or before the determination of the proceedings commenced by an application under this Division, the ERD Court is satisfied that, in order to protect native vegetation from clearance or to preserve the rights or interests of parties to the proceedings, or for any other reason, it is desirable to make an interim order under this section, the Court may make such an order.
(2) An interim order—

(a) may be made on an application in the absence of the respondent; and

(b) may be made whether or not the application has been referred to a conference under section 31A(5); and

(c) will be made subject to such conditions as the Court thinks fit; and

(d) will not (as such) operate after the proceedings in which it is made are finally determined.

Enforcement of orders

31D. (1) A person who contravenes or fails to comply with an order under this Division is, in addition to liability for contempt of the order, guilty of an offence.

Maximum penalty: $100 000.

(2) Where the ERD Court makes an order under section 31A(6)(d) and the respondent fails to comply with the order within the period specified by the Court, the Council may cause any work contemplated by the order to be carried out, and may recover the costs and expenses of that work, as a debt, from the respondent.

(3) Section 31B(4) and (5) apply to, and in relation to, the Council when acting under subsection (2) as though it were the respondent.

(4) Where an amount is recoverable from a person by the Council under subsection (2)—

(a) the Council may, by notice in writing to the person, fix a period, being not less than 28 days from the date of the notice, within which the amount must be paid by the person, and, if the amount is not paid by the person within that period, the person is liable to pay interest charged at the rate prescribed by regulation on the amount unpaid and on any unpaid interest; and

(b) the amount together with any interest so payable is, until paid, a first charge in favour of the Council on all land owned by the person.

Enforcement notices

31E. (1) If an authorised officer who has been expressly authorised by the Minister to issue directions under this section has reasonable grounds on which to believe that a person has breached this Act, or is likely to breach this Act, the authorised officer may do such of the following as the officer considers necessary or appropriate in the circumstances:

(a) direct the person to refrain, either for a specified period or until further notice, from the act, or course of action, that constitutes, or would constitute, the breach;

(b) if, in the opinion of the authorised officer, a breach has occurred and the breach is a minor breach—direct the person to make good the breach in a manner, and within a period, specified by the authorised officer;

(c) take such urgent action as is required or is, in the opinion of the authorised officer, desirable because of any situation arising from the breach or likely breach (as the case may be).

(2) A direction under subsection (1) must be given by notice in writing.
(3) A notice under subsection (2) must—

(a) identify the authorised officer who is issuing the direction; and

(b) set out any appeal rights that the person to whom the direction is given may have under this Act.

(4) If a person fails to comply with a direction under subsection (1)(b) within the time specified in the notice, the Council may cause the necessary action to be taken.

(5) The costs and expenses incurred by the Council under subsection (4) may be recovered by the Council as a debt due from the person whose failure gave rise to the action.

(6) Where an amount is recoverable from a person by the Council under this section—

(a) the Council may, by notice in writing to the person, fix a period, being not less than 28 days from the date of the notice, within which the amount must be paid by the person and, if the amount is not paid by the person within that period, the person is liable to pay interest charged at the rate prescribed by regulation on the amount unpaid and on any unpaid interest; and

(b) the amount together with any interest so payable is, until paid, a first charge in favour of the Council on all land owned by the person.

(7) Subject to any order of the ERD Court to the contrary, the operation of a direction is not suspended pending the determination of an appeal.

(8) A person who contravenes or fails to comply with a direction under this section is guilty of an offence.

Maximum penalty: $10 000.

(9) A direction cannot be given under this section in relation to a breach if it appears that the breach occurred more than 12 months before the direction is given.

Miscellaneous provisions

31F. (1) The ERD Court may order an applicant in proceedings under section 31A—

(a) to provide security for the payment of costs that may be awarded against the applicant if the application is subsequently dismissed; and

(b) to give an undertaking as to the payment of any amount that may be awarded against the applicant under subsection (2).

(2) If on an application under section 31A the ERD Court is satisfied—

(a) that the respondent has not breached this Act; and

(b) that the respondent has suffered loss or damage as a result of the actions of the applicant; and

(c) that in the circumstances it is appropriate to make an order under this provision, the Court may, on the application of the respondent (and in addition to any order as to costs), require the applicant to pay to the respondent an amount, determined by the Court, to compensate the respondent for the loss or damage which the respondent has suffered.
PART 5

Native Vegetation Act 1991

(3) A person who fails to comply with an order of the ERD Court under this Division commits a contempt of Court.

(4) The Court may, if it considers it appropriate to do so, either on its own initiative or on the application of a party, vary or revoke an order previously made under subsection (1) or (2).

(5) The ERD Court may, on application under this subsection by a person to whom a notice has been given under section 31D(4)(a) or 31E(6)(a), extend the period that has been fixed by the Council for the purposes of the notice (and the relevant order of the Court under this subsection will then have effect according to its terms).

Appeals

32. (1) Subject to the rules of the Supreme Court, an appeal lies against—

(a) an order of the ERD Court made in the exercise of the jurisdiction conferred by this Division; or

(b) a decision by the ERD Court not to make an order under this Division,

to the Land and Valuation Court.

(2) An appeal under this section must be instituted within 60 days of the date of the decision or order subject to appeal, or such longer period as may be allowed by the Land and Valuation Court.

Commencement of proceedings

33. (1) Proceedings under this Division may be commenced at any time within four years after the date of the alleged contravention of, or failure to comply with, a provision of this Act or, with the authorisation of the Minister, at any later time within six years after that date.

(2) An apparently genuine document purporting to be under the hand of the Minister and to authorise the commencement of proceedings under this Division must be accepted in legal proceedings, in the absence of proof to the contrary, as proof of the authorisation.

DIVISION 3— AUTHORISED OFFICERS

Appointment of authorised officers

33A. (1) The Minister may appoint an officer or employee of the Crown or a local council to be an authorised officer for the purposes of this Act.

(2) An appointment of an authorised officer—

(a) must be in writing; and

(b) must be for a fixed term; and

(c) may be subject to conditions; and

(d) may be in respect of the whole State or any specified part of the State.

(3) Each authorised officer must be issued with an identity card that—

(a) includes a photograph of the authorised officer; and

(b) includes a statement about the authorised officer’s powers under this Act; and
PART 5

Native Vegetation Act 1991

section 30

(c) in the case of an authorised officer who has been expressly authorised by the Minister to issue directions under section 31E—expressly states that fact; and

(d) if the appointment is in respect of part of the State only—states the part of the State in respect of which the authorised officer is appointed.

(4) The identity card must be issued as soon as is reasonably practicable after the appointment is made (but an authorised officer is not prevented from exercising powers under this Act just because an identity card is yet to be issued).

(5) An authorised officer must, if requested to do so, produce evidence of his or her appointment by providing a copy of his or her notice of appointment, or by showing his or her identity card for inspection, before exercising the powers of an authorised officer under this Act in relation to any person.

(6) The Minister may, at any time, vary or revoke an appointment which he or she has made, or vary or revoke a condition of an appointment or impose a further condition in relation to an appointment.

(7) No civil or criminal liability attaches to an authorised officer or a person assisting an authorised officer for an act or omission by the authorised officer or by a person assisting the authorised officer in good faith and in the exercise, performance or discharge, or purported exercise, performance or discharge, of any power, function or duty under this Act.

(8) A civil liability that would, but for subsection (7), lie against an authorised officer or assistant lies instead against the Crown.

Powers of authorised officers

33B. (1) Subject to this Division, an authorised officer may—

(a) enter and inspect any land for any reasonable purpose connected with the administration or enforcement of this Act; and

(b) give directions with respect to the stopping or movement of a vehicle that—

(i) has been used in, or is suspected by the authorised officer of having been used in, the clearance of native vegetation; or

(ii) is carrying a plant, or any part of a plant, comprising native vegetation, as reasonably required in connection with the administration or enforcement of this Act; and

(c) take samples of any plant or any part of any plant from any land, for identification and analysis as reasonably required in connection with the administration or enforcement of this Act; and

(d) with the authority of a warrant issued under section 33C require any person to produce specified documents or documents of a specified kind, including a written record that reproduces in an understandable form information stored by computer, microfilm or other process, as reasonably required in connection with the administration or enforcement of this Act; and
with the authority of a warrant issued under section 33C examine, copy or take extracts from any documents so produced or require a person to provide a copy of any such document or information; and

(f) take photographs or films or make audio, video or other recordings as reasonably required in connection with the administration or enforcement of this Act; and

(g) dig up any land by the use of hand-held equipment for the purpose of taking samples; and

(h) with the authority of a warrant issued under section 33C, to the extent to which it is reasonably required, take mechanical equipment on to any land and dig up the land, or any part of it, for the purposes of taking samples that the authorised officer reasonably suspects may constitute evidence of a breach of this Act;

(i) in addition to the powers under a preceding paragraph, seize and retain anything that the authorised officer reasonably suspects may constitute evidence of a breach of this Act; and

(j) require a person who the authorised officer reasonably suspects has committed, is committing or is about to commit, a breach of this Act to state the person’s full name and usual place of residence; and

(k) require a person who the authorised officer reasonably suspects has knowledge of matters in respect of which information is reasonably required for the administration or enforcement of this Act to answer questions in relation to those matters; and

(l) give any directions reasonably required in connection with the exercise of a power conferred by any of the paragraphs of this subsection or otherwise in connection with the administration or enforcement of this Act.

(2) Without limiting subsection (1)(a), an authorised officer may enter and inspect any land for the purpose of determining whether a heritage agreement entered into under this Act or entered into in compliance with a condition of consent to clear native vegetation under the repealed Act is being, or has been, complied with.

(3) An authorised officer must not exercise a power conferred by subsection (1)(a) or (2) in respect of residential premises.

(4) Where an authorised officer enters land and takes samples of any plant or any part of any plant for identification and analysis, the authorised officer must take reasonable steps to provide the owner of land with a reasonable amount of information about his or her actions.

(5) Where an authorised officer enters land and takes photographs or films or makes audio, video or other recordings, the authorised officer must, as soon as reasonably practicable after entering the land—

(a) serve notice on the owner or occupier of the land informing him or her of the date on which the authorised officer entered the land; and

(b) provide the owner or occupier with a copy of the photographs, films, audio, video or other recordings (if any) taken or made by the authorised officer when on the land.

(6) A copy provided under subsection (5)(b) must be in an electronic form unless the Minister authorises it to be provided in some other form.
(7) Where an authorised officer digs up any land under subsection (1), the authorised officer must, after taking such steps as the authorised officer thinks fit in the exercise of powers under that subsection, insofar as is reasonably practicable, take steps to ensure that the land is restored to such state as is reasonable in the circumstances.

(8) Before an authorised officer requires a person to answer questions under subsection (1)(k), the authorised officer must inform the person of his or her right to decline to answer any question that might tend to incriminate the person or to make the person liable to a criminal penalty.

(9) Where—

(a) a person whose native language is not English is suspected of having committed an offence against this Act; and

(b) the person is not reasonably fluent in English,

the following provisions apply:

(c) the person is entitled to be assisted by an interpreter during any questioning conducted by an authorised officer in the course of an investigation of the suspected offence;

(d) where it appears that the person may be entitled to be assisted by an interpreter, an authorised officer must not proceed with any questioning, or further questioning, until the person has been informed of the right to an interpreter;

(e) if the person requests the assistance of an interpreter, an authorised officer must not proceed with any questioning, or further questioning, until an interpreter is present.

(10) In the exercise of powers under this Act an authorised officer may be assisted by such persons as he or she considers necessary in the circumstances.

(11) An authorised officer may require an occupier of any land or a person apparently in charge of any plant, equipment, vehicle or other thing to give to the authorised officer or a person assisting the authorised officer such assistance as is reasonably required by the authorised officer for the effective exercise of powers conferred by this Act.

(12) Where a person gives assistance to an authorised officer as required under subsection (11), the person must, if he or she so requires, be reimbursed by the authorised officer or the Minister for any reasonable costs and expenses incurred in giving the assistance.

**Issue of warrants**

33C. (1) Where, on the application of an authorised officer, a magistrate is satisfied that there are reasonable grounds to believe that the inspection of documents may provide information relevant to the administration or enforcement of this Act, the magistrate may issue a warrant authorising an authorised officer—

(a) to require a specified person to produce documents under section 33B(1)(d); and

(b) to examine, copy and take extracts from those documents or to require a person to provide a copy of any of those documents under section 33B(1)(e).

(2) Where, on the application of an authorised officer, a magistrate is satisfied that there are reasonable grounds to believe that a person may have committed a breach of this Act, the magistrate may issue a warrant authorising an authorised officer to take action under section 33B(1)(h).
(3) An application for the issue of a warrant may be made either personally or by telephone.

(4) The grounds of an application for a warrant must be verified by affidavit.

(5) An application for the issue of a warrant may not be made by telephone unless in the opinion of the applicant a warrant is urgently required and there is insufficient time to make the application personally.

(6) Where an application for the issue of a warrant is made by telephone, the following provisions apply:

(a) the applicant must inform the magistrate of his or her name and identify himself or herself as an authorised officer, and the magistrate, on receiving that information, is entitled to assume, without further inquiry, that the applicant is an authorised officer; and

(b) the applicant must inform the magistrate of the grounds on which he or she seeks the issue of the warrant; and

(c) if it appears to the magistrate from the information furnished by the applicant that there are proper grounds for the issue of a warrant, the magistrate must inform the applicant of the facts on which he or she relies as grounds for the issue of the warrant, and must not proceed to issue the warrant unless the applicant undertakes to make an affidavit verifying those facts; and

(d) if the applicant gives such an undertaking, the magistrate may then make out and sign a warrant, noting on the warrant the facts on which he or she relies as grounds for the issue of the warrant; and

(e) the warrant will be taken to have been issued, and will come into force, when signed by the magistrate; and

(f) the magistrate must inform the applicant of the terms of the warrant; and

(g) the applicant must, as soon as practicable after the issue of the warrant, forward to the magistrate an affidavit verifying the facts referred to in paragraph (c).

(7) A magistrate by whom a warrant is issued must file the warrant, or a copy of the warrant, and the affidavit verifying the grounds on which the application for the warrant was made, in the ERD Court.

(8) An authorised officer who executes a warrant must, as soon as practicable after execution of the warrant—

(a) prepare a notice in the prescribed form containing—

(i) his or her own name and a statement that he or she is an authorised officer under this Act; and

(ii) the name of the magistrate who issued the warrant and the date and time of its issue; and

(iii) a description of the authority conferred by the warrant; and

(b) give the notice to the person affected by the warrant.
Provisions relating to seizure

33D. (1) Where a thing has been seized under this Division the following provisions apply:

(a) the thing must be held pending proceedings for an offence against this Act related to the thing seized, unless the Minister, on application, authorises its release to the person from whom it was seized, or to any person who had legal title to it at the time of its seizure, subject to such conditions as the Minister thinks fit (including conditions as to the giving of security for satisfaction of an order under paragraph (b)(ii));

(b) where proceedings for an offence against this Act relating to the thing are instituted within the prescribed period after its seizure and the defendant is convicted or found guilty of the offence, the court may—

(i) order that it be forfeited to the Minister; or

(ii) where it has been released pursuant to paragraph (a)—order that it be forfeited to the Minister or that the person to whom it was released or the defendant pay to the Minister an amount equal to its market value at the time of its seizure, as the court thinks fit;

(c) where—

(i) proceedings are not instituted for an offence against this Act relating to the thing within the prescribed period after its seizure; or

(ii) proceedings have been so instituted and—

(A) the defendant is found not guilty of the offence; or

(B) the defendant is convicted or found guilty of the offence but no order for forfeiture is made under paragraph (b),

then the person from whom the thing was seized, or any person with legal title to it, is entitled to recover from the Minister (if necessary, by action in a court of competent jurisdiction) the thing itself, or if it has been damaged or destroyed, compensation of an amount equal to its market value at the time of its seizure.

(2) In subsection (1)—

"the prescribed period" means six months or such longer period as the ERD Court may, on application by the Minister, allow.

Offence to hinder, etc., authorised officers

33E. (1) A person who—

(a) hinders or obstructs an authorised officer, or a person assisting an authorised officer, in the exercise of powers conferred by this Act; or

(b) uses abusive, threatening or insulting language to an authorised officer, or a person assisting an authorised officer; or
(c) refuses or fails to comply with a requirement or direction of an authorised officer under this Division; or

(d) when required by an authorised officer under this Division to answer a question, refuses or fails to answer the question to the best of the person’s knowledge, information and belief; or

(e) falsely represents, by words or conduct, that he or she is an authorised officer,

is guilty of an offence.

Maximum penalty: $5 000.

(2) A person who assaults an authorised officer, or a person assisting an authorised officer in the exercise of powers under this Act, is guilty of an offence.

Maximum penalty: $10 000 or two years imprisonment or both.

(3) Despite subsection (1)(d), a person is not obliged to answer a question under this Division if to do so might tend to incriminate the person or make the person liable to a criminal penalty.

**Offences by authorised officers, etc.**

33EA. An authorised officer, or a person assisting an authorised officer, who—

(a) addresses offensive language to any other person; or

(b) without lawful authority, hinders or obstructs or uses or threatens to use force in relation to any other person,

is guilty of an offence.

Maximum penalty: $5 000.
PART 5A

ADMINISTRATIVE APPEALS

Right of appeal

33F. (1) An applicant for consent to clear native vegetation may appeal to the ERD Court against a refusal by the Council on or after the commencement of this Part to grant the consent or against the imposition by the Council on or after the commencement of this Part of conditions on the consent.

(2) A person who has been given a written direction under section 31E may appeal to the ERD Court against the direction.

(3) An appeal under subsection (1) or (2) must be instituted in the manner and form determined by the Court within the prescribed period after the appellant first has notice of the decision or direction appealed against or within such further time as the Court considers to be reasonable in the circumstances.

(4) The prescribed period referred to in subsection (3) is—

(a) in the case of an appeal under subsection (1)—two months;

(b) in the case of an appeal under subsection (2)—14 days after the direction is given to the appellant.

(5) An appeal under subsection (1) will be in the nature of a judicial review of an administrative decision on grounds relating to the practices or procedures of the Council that are recognised by administrative law (and not so as to allow in any respect a review of the merits of the decision).

(6) On an appeal the Court may—

(a) in the case of an appeal under subsection (1)—

(i) affirm the decision appealed against; or

(ii) rescind the decision appealed against and remit the subject matter of the appeal to the Council for consideration or further consideration in accordance with any recommendations of the Court (but not so as to derogate from the ultimate discretion of the Council to refuse to grant a consent, or to impose conditions with respect to the granting of a consent);

(b) in the case of an appeal under subsection (2)—

(i) affirm the direction appealed against; or

(ii) rescind the direction appealed against (but not so as to derogate from the ability of an authorised officer to give a further direction in an appropriate case after taking into account any relevant decision of the Court).

(7) Despite subsection (1) of section 17 of the Environment, Resources and Development Court Act 1993, a person cannot be joined under that subsection as a party to proceedings on an appeal under subsection (1) of this section but the Court may, if it is of the opinion that there is some good reason for doing so, allow a person who is not a party to the proceedings to appear or be represented in the proceedings and, in so doing—

(a) produce documents and other materials; and
(b) make representations and submissions.

\footnote{Section 33F(1), (4)(a), (5), (6)(a) and (7) had not been brought into operation at the date of this reprint.}

**Expiry of Part**

**33G.** This Part will expire on 1 January 2007 (and any reference to an appeal under this Part in any other section of this Act will then have no effect).
PART 5B
INTEREST AND RECOVERY OF MONEY

Interest

33H. (1) Interest accrues on an amount payable to the Council under sections 31D and 31E
and on unpaid interest under those sections in accordance with the regulations.

(2) A person who is liable to pay an amount under the provisions referred to in subsection (1)
is also liable to pay interest that accrues, or has accrued, on or in relation to that amount.

(3) Regulations referred to in subsection (1) may (without limiting their scope) prescribe the
time from which interest accrues.

Sale of land for non-payment

33I. (1) Where an amount payable under this Act, or interest in relation to such an amount, is
a first charge on land and has been unpaid for one year or more, the Council may sell the land.

(2) Before the Council sells land in pursuance of this section, it must serve notice on the
owner and occupier of the land—

(a) stating the period for which the amount and interest have been unpaid; and

(b) stating the amount of the total liability for the amount and interest presently outstanding
and charged on the land; and

(c) stating that if that amount is not paid in full within one month of service of the notice
(or such longer time as the Council may allow), the Council intends to sell the land for
non-payment of the amount and interest.

(3) A copy of a notice must be served on the registered mortgagee or encumbrancee of the
land (if any).

(4) If the outstanding amount is not paid in full within the time allowed under subsection (2),
the Council may proceed to sell the land.

(5) The sale will, except in the case of land held from the Crown under a lease, licence or
agreement to purchase, be by public auction (and the Council may set a reserve price for the
purposes of the auction).

(6) An auction under this section must be advertised on at least two separate occasions in a
newspaper circulating generally throughout the State.

(7) If, before the date of the auction, the outstanding amount and the costs incurred by the
Council in proceeding under this section are paid to the Council, the Council must withdraw the
land from auction.

(8) If—

(a) an auction fails; or

(b) the land is held from the Crown under a lease, licence or agreement to purchase,
the Minister may sell the land by private contract for the best price that he or she can reasonably
obtain.
(9) Any money received by the Council or the Minister in respect of the sale of land under this section will be applied as follows:

(a) firstly—in paying the costs of the sale and any other costs incurred in proceeding under this section;

(b) secondly—in discharging the liability for the amount and interest payable under this Act;

(c) thirdly—in discharging any liability to the Crown for rates, charges or taxes (including rates, charges or taxes that are a first charge on the land);

(d) fourthly—in discharging any liability to a council for rates or any other liability to a council in respect of the land;

(e) fifthly—in discharging any liabilities secured by registered mortgages, encumbrances or charges;

(f) sixthly—in discharging any other mortgages, encumbrances and charges of which the Council or the Minister (as the case may be) has notice;

(g) seventhly—in payment to the former owner of the land.

(10) If the former owner cannot be found after making reasonable inquiries as to his or her whereabouts, an amount payable to the former owner must be dealt with as unclaimed money under the *Unclaimed Moneys Act 1891*.

(11) Where land is sold by the Council or the Minister in pursuance of this section, an instrument of transfer executed by the Council or the Minister (as the case may be) will operate to vest title to the land in the purchaser.

(12) The title vested in a purchaser under subsection (11) will be free of—

(a) all mortgages and charges; and

(b) except in the case of land held from the Crown under lease or licence—all leases and licences,

(and the Registrar-General, when registering or enrolling an instrument of transfer to vest title in the purchaser, must discharge any caveat relating to the land, and may make any note or endorsement, or take any other action in relation to any instrument, certificate, register or record, as the Registrar-General thinks fit).

(13) An instrument of transfer passing title to land in pursuance of a sale under this section must, when lodged with the Registrar-General for registration or enrolment, be accompanied by a statutory declaration made by the presiding member of the Council stating that the requirements of this section in relation to the sale of the land have been observed.

(14) Where it is not reasonably practicable to obtain the duplicate certificate of title to land that is sold in pursuance of this section, the Registrar-General may register the transfer notwithstanding the non-production of the duplicate, but in that event he or she must cancel the existing certificate of title for the land and issue a new certificate in the name of the transferee.

(15) A reference in this section to land, or title to land, held from the Crown under lease, licence or agreement to purchase, is a reference to the interest of the lessee, licensee or purchaser in the land.
PART 6
MISCELLANEOUS

Constitution of Environment, Resources and Development Court

33J. The following provisions apply, subject to section 31A(8), in respect of the constitution of the ERD Court when exercising jurisdiction under this Act:

(a) the Court may be constituted in a manner provided by the Environment, Resources and Development Court Act 1993 or may, if the Presiding Member of the Court so determines, be constituted of a Judge and one commissioner;

(b) the provisions of the Environment, Resources and Development Court Act 1993 apply in relation to the Court constituted of a Judge and one commissioner in the same way as in relation to a full bench of the Court;

(c) the Court may not be constituted of or include a commissioner unless—

(i) in a case where only one commissioner is to sit (whether alone or with another member or members of the Court)—the commissioner; or

(ii) in any other case—at least one commissioner,

is a commissioner who has been specifically designated by the Governor as a person who has wide practical knowledge of, and experience in, the preservation and management of native vegetation.

Evidentiary provisions, etc.

34. (1) An allegation in enforcement proceedings under Part 5 Division 2 or in proceedings for an offence against this Act that vegetation is, or was, comprised of a plant or plants of a species indigenous to South Australia must be accepted as proved in the absence of proof to the contrary.

(2) Where in enforcement proceedings under Part 5 Division 2 or in proceedings for an offence against this Act it is proved that vegetation has been cleared, it must be presumed in the absence of proof to the contrary that the vegetation was cleared by the owner and occupier of the land on which it is or was growing or is or was situated.

(3) It must be presumed in enforcement proceedings under Part 5 Division 2 and in proceedings for an offence against this Act, in the absence of proof to the contrary, that vegetation to which the proceedings relate was not intentionally sown or planted by a person.

(3a) Where in enforcement proceedings under Part 5 Division 2 or in proceedings for an offence against this Act it appears that an alleged fact has been determined by the use of an electronic, sonic, optical, mechanical or other device by an authorised officer or person assisting an authorised officer, the alleged fact must be accepted as proved in the absence of proof to the contrary.

(4) In any legal proceedings, an apparently genuine document appearing to be a copy of a heritage agreement certified by the Minister, is, in the absence of proof to the contrary, proof of the agreement and its terms.

Proceedings for an offence

35. (1) An offence against this Act is a summary offence.
(2) Proceedings for an offence against this Act may be commenced at any time within three years after the date of the alleged commission of the offence or in exceptional circumstances, with the authorisation of the Minister, at any later time within 6 years after the date of the alleged commission of the offence.

(3) An apparently genuine document purporting to be under the hand of the Minister and to authorise the commencement of proceedings for an offence against this Act must be accepted in legal proceedings, in the absence of proof to the contrary, as proof of the authorisation.

(4) A penalty payable in respect of an offence against this Act must be paid into the Fund.

Assessment of costs and expenses

36. For the purposes of this Act, the costs and expenses that have been or would be incurred by the Council in taking any action are to be assessed by reference to the reasonable costs and expenses that would have been or would be incurred in having the action taken by independent contractors engaged for that purpose.

* * * * * * * *

Vicarious liability

38. For the purposes of this Act, an act or omission of an employee or agent will be taken to be the act or omission of the employer or principal unless it is proved that the act or omission did not occur in the course of the employment or agency.

Offences by bodies corporate

39. Where a body corporate is guilty of an offence against this Act, each member of the governing body, and the manager, of the body corporate are guilty of an offence and liable to the same penalty as is prescribed for the principal offence.

General defence

40. It is a defence to a charge of an offence against this Act if the defendant proves that the alleged offence was not committed intentionally and did not result from any failure on the part of the defendant to take reasonable care to avoid the commission of the offence.

Regulations

41. (1) The Governor may make such regulations as are contemplated by this Act, or as are necessary or expedient for the purposes of this Act.

(2) In particular regulations may—

(a) amend Schedule 1;

(b) prescribe and provide for the payment of fees and may empower the Council, or any other person to whom fees are payable, to remit payment of the whole or part of the fees.

(3) Any such regulations—

(a) may apply generally throughout the State or be limited in application to a particular area; and

(b) may operate by reference to any factor or combination of factors and, in particular, may operate by reference to the direction or opinion of a person or body named for that purpose in the regulation.
Principles of Clearance of Native Vegetation

1. Native vegetation should not be cleared if, in the opinion of the Council—

(a) it comprises a high level of diversity of plant species; or

(b) it has significance as a habitat for wildlife; or

(c) it includes plants of a rare, vulnerable or endangered species; or

(d) the vegetation comprises the whole, or a part, of a plant community that is rare, vulnerable or endangered; or

(e) it is significant as a remnant of vegetation in an area which has been extensively cleared; or

(f) it is growing in, or in association with, a wetland environment; or

(g) it contributes significantly to the amenity of the area in which it is growing or is situated; or

(h) the clearance of the vegetation is likely to contribute to soil erosion or salinity in an area in which appreciable erosion or salinization has already occurred or, where such erosion or salinization has not yet occurred, the clearance of the vegetation is likely to cause appreciable soil erosion or salinity; or

(i) the clearance of the vegetation is likely to cause deterioration in the quality of surface or underground water; or

(j) the clearance of the vegetation is likely to cause, or exacerbate, the incidence or intensity of flooding; or

(k) —

(i) after clearance the land will be used for a particular purpose; and

(ii) the land is the subject of assessment under section 35 of the Soil Conservation and Land Care Act 1989; and

(iii) according to that assessment the use of the land for that purpose cannot be sustained.

Interpretation

2. In this Schedule, unless the contrary intention appears—

"endangered species" means a species of plant for the time being appearing in Part 2 of Schedule 7 of the National Parks and Wildlife Act 1972;

"plant community" means plants of a species indigenous to South Australia growing in association with one another and forming a group that is distinct from other plant communities;

"rare species" means a species of plant for the time being appearing in Part 2 of Schedule 9 of the National Parks and Wildlife Act 1972;

"vulnerable species" means a species of plant for the time being appearing in Part 2 of Schedule 8 of the National Parks and Wildlife Act 1972;

"wildlife" has the same meaning as in the National Parks and Wildlife Act 1972.
SCHEDULE 2
Repeal And Transitional Provisions

1. (1) The Native Vegetation Management Act 1985 is repealed.

(2) Part 5 of the Native Vegetation Management Act 1985 will be taken to have been repealed on 13 February 1991.

2. (1) Where an application made on or before 12 February 1991 to the Native Vegetation Authority under the repealed Act for consent to clear native vegetation had not been determined by the Authority before the repeal of Part 5 of the repealed Act—

(a) the repealed Act will continue to apply to, and in relation to, that application to the exclusion of this Act; and

(b) where the application is refused or is granted subject to conditions, Part 5 of the repealed Act will apply for the benefit of the owner of the land but a claim for the payment of money under that Part must be made within two years of the Authority’s decision on which the claim is based.

(2) Where an application made on or after 13 February 1991 to the Native Vegetation Authority under the repealed Act for consent to clear native vegetation had not been determined by the Authority at the commencement of this Act, the repealed Act (excluding Part 5) will continue to apply to, and in relation to, that application to the exclusion of this Act.

(3) A person who, immediately before the repeal of Part 5 of the repealed Act, had the right—

(a) to claim the payment of money under that Part; or

(b) to require the Minister to enter into a heritage agreement and then claim the payment of money under that Part,

is entitled to exercise those rights within two years of the repeal of that Part.

(4) A condition attached to the Authority’s consent granted under the repealed Act (whether before or after the commencement of this Act) may be enforced under this Act as if it were attached to consent granted under this Act.

(5) The Native Vegetation Authority continues in existence as if the repealed Act had not been repealed for the purpose of administering the repealed Act (whether pursuant to section 16 of the Acts Interpretation Act 1915 or to this clause) and, if necessary, new appointments may be made to it.

3. The party to heritage agreements made before the commencement of this Act and referred to in those agreements as "the Minister" will, after the commencement of this Act, be taken to be the Minister who is, for the time being, responsible for the administration of this Act.
