- (c) cause a copy of the code or standard to be published in the *Gazette*,

(although proof of compliance with paragraphs (a), (b), and (c) is not necessary for the purposes of any proceedings that involve an alleged contravention of or failure to comply with a code of conduct or professional standard).

(4) Special practice areas will be those fields of nursing (in addition to the fields of midwifery and mental health nursing) that, in the opinion of the Board, require recognition under this Act as fields of nursing that require nurses who practise in those fields without supervision to have special qualifications, experience and authorisation.

(3) On the receipt of an application for the issue of a summons under this section, a member of the Board or the Registrar may, without referring the matter to the Board, issue a summons on behalf of the Board.

(5) If a person summoned as mentioned in this section fails to produce any records or equipment or to appear as required by the summons, or having appeared before the Board refuses to be sworn or to affirm, or to answer a relevant question when required to do so, a certificate of the failure or refusal, signed by the Registrar, may be filed in the Supreme Court.

(6) If a certificate is filed under subsection (5), a party requiring the production of records or equipment or the appearance of a person may apply (either *ex parte* or on notice) to the Supreme Court for an order directing the production of the records or equipment or that that person attend, or be sworn or affirm, or answer questions (as the case may require) and on that application the Supreme Court may make such orders as it thinks fit (including orders for costs).

(7) A person may be required to answer a question under this section notwithstanding that the answer to that question might tend to incriminate that person, or to produce any records or equipment notwithstanding that they might tend to incriminate that person, but if the person objects to answering a question a note of that objection must be made, and the answer is not admissible against the person in any criminal proceedings (except in proceedings for perjury).

(8) This section does not limit or affect a power of inquiry or investigation that exists apart from this section.

**Principles governing hearings**

**19.** (1) The Board is not bound by the rules of evidence and may inform itself on any matter as it thinks fit.

(2) Subject to this Act, the procedure of the Board in any proceedings under this Act will be as determined by the Board.

**Costs**

**21.** (1) The Board may award such costs against a party to proceedings before it as the Board considers just and reasonable.

(2) A party who is dissatisfied with the amount of the costs fixed by the Board may request a Master of the Supreme Court to tax the costs and, after taxing the costs, a Master may confirm or vary the amount of the costs fixed by the Board.

(3) Subject to this section, costs awarded by the Board under this section may be recovered as a debt.

## **Part 4—Registration and enrolment**

and may include other information as the Board thinks fit.

(5) The roll will be a roll of nurses to whom the Board has granted enrolment under this Act and must include, in relation to each enrolled person—

(6) The Registrar will be responsible to the Board for the form and maintenance of the register and the roll.

(7) The Registrar must remove from the register or roll the name of a person who dies or ceases for any reason to be entitled to be registered or enrolled under this Act (including because of a failure to renew the registration or enrolment in accordance with this Act).

(8) The Registrar may act under subsection (7) without giving notice to the relevant person.

(9) A registered or enrolled person must, within three months after changing address, inform the Registrar in writing of the change.

Maximum penalty: \$250.

(10) The Registrar may correct an entry in the register or roll that is not, or has ceased to be, correct.

(11) The Registrar must, on payment of the prescribed fee—

(a) release the full name of a nurse whose name appears on the register or roll;

(12) A certificate stating that a person was, or was not, registered or enrolled under this Act as at a particular date or during a particular period and purporting to be signed by the Registrar will, in legal proceedings in the absence of proof to the contrary, be accepted as proof of the registration or enrolment of that person, or of the fact that that person was not registered or enrolled, on the date, or during the period, stated in the certificate.

## Division 2—Registration and enrolment

### *Registration*

#### **Registration**

**23.** (1) Subject to this Act, a person is eligible for registration as a nurse on an appropriate part of the register if the person—

(b) has met the requirements determined by the Board to be necessary for the purposes of registration under this Act; and

(c) is a fit and proper person to be a registered nurse.

(2) Subject to this Act, registration as a nurse authorises the registered nurse to practise as a nurse without supervision.

(3) However, unless subsection (4) applies, only a nurse registered in a special practice area may practise in that area without supervision.

(4) The Board may, on conditions determined by the Board, authorise a registered nurse to practise without supervision in a special practice area in which the person is not registered.

(2) Subject to this Act, enrolment as a nurse authorises the enrolled nurse to practise in all fields of nursing under the supervision of a registered nurse who is authorised under this Act to practise in the relevant field without supervision.

(3) The Board may, on conditions determined by the Board, authorise an enrolled nurse to practise in a field or fields of nursing without the supervision of an appropriately qualified registered nurse (or without the supervision of a registered nurse at all).

(4) However—

- (a) the Board must not give an authorisation under subsection (3) unless or until the Board has obtained the advice of a panel established by the Board under subsection (5); and
- (b) the Board must, in determining whether to give an authorisation under subsection (3), consider—
  - (i) issues associated with public access to nursing care; and
  - (ii) the public interest in ensuring that appropriate standards of nursing care are maintained; and
  - (iii) the qualifications, experience and competency of the particular person.
