6—Composition of Board

(1) The Board consists of 8 members appointed by the Governor of whom—

(e) ensure that a copy of the code, standard or guidelines is published on the internet and kept available for public inspection without charge during normal office hours at the principal office of the Board,
(although proof of compliance with paragraphs (c), (d) and (e) is not necessary for the purposes of any proceedings that involve an alleged contravention of or failure to comply with a code of conduct or professional standard).

(4) The administrative processes established by the Board for handling complaints received against registered persons, optometry services providers or persons who occupy positions of authority in corporate or trustee optometry services providers must be designed—
(a) to be fair to both the aggrieved person and the respondent; and
(b) to keep both the aggrieved person and the respondent properly informed about the steps taken by the Board in response to the complaint; and

18—Conflict of interest etc under Public Sector Management Act

A member of the Board will not be taken to have a direct or indirect interest in a
