2—Liability to levy

- (1) A person who is a relevant provider of a point to point transport service during an assessment period must collect from persons using the service, and pay to the Minister, the point to point transport service transaction levy for that assessment period calculated in accordance with this clause.
- (2) A levy amount required to be collected from a person using a point to point transport service is separate from, and does not form part of, the fare or consideration payable by the person for the use of that service.
- (3) The amount of the levy is \$1 for each point to point transport service transaction that occurred in the assessment period for which the levy is payable.
- (4) The levy for an assessment period must be paid at such times and in such manner as the Minister, by notice in the Gazette, directs.
- (5) The Minister may, by further notice in the Gazette, vary or revoke a notice under subclause (4).

- (8) A notice under subclause (7) must specify the period within which the amounts to which the notice relates must be paid.
- (9) A levy (including any interest or penalty amounts referred to in subclause (7)) payable by a person under this clause is recoverable by the Minister as a debt due to the Crown.

3—Transactions for which levy is not payable

- (1) A person is not liable to pay the levy for taking a booking for a point to point transport service if—
 - (a) the booking is for a service that is to be provided by a taxi for which a licence under Part 6 is not required; or
 - (b) the booking is for a journey that commences outside Metropolitan Adelaide; or
 - (c) the service is not provided for any reason; or
 - (d) another person is already liable to pay the levy for taking a booking to provide the service.
- (2) The taking of a booking for a point to point transport service to transport more than 1 passenger in a vehicle, or that results in the passengers being transported to different destinations, is to be taken to be 1 point to point transport service transaction.
- (3) A person is not liable to pay the levy for providing a taxi service if—
 - (a) the service is provided by a taxi for which a licence under Part 6 is not required; or
 - (b) the service is for a journey that commences outside Metropolitan Adelaide.

6—No statute of limitation to apply

No statute of limitation bars or affects any action or remedy for recovery by the Minister of an amount liable to be paid under this Schedule.

7—Offences by persons involved in management of corporations

- (1) If a corporation is guilty of an offence against this Schedule, a person who is concerned in, or takes part in, the management of the corporation is guilty of an offence and liable to the same penalty as may be imposed for the principal offence when committed by a natural person unless the person proves that he or she could not by the exercise of due diligence have prevented the commission of the offence.
- (2) A person may be convicted of a contravention of a provision of this Schedule whether or not the corporation has been convicted of its contravention.
- (3) This clause does not affect a liability imposed on a corporation for an offence committed by it against this Schedule.

8—Penalties for corporations

The maximum penalty that a court may impose for an offence against this Schedule, or regulations made for the purposes of this Schedule, that is committed by a corporation is 5 times the maximum penalty that the court could, but for this clause, impose as a penalty for the offence.

9—Continuing offences

- (1) A person may be convicted of a second or subsequent offence for a failure to do an act (where the failure constitutes an offence against this Schedule or regulations made for the purposes of this Schedule) if the failure continues beyond the period or date in respect of which the person is convicted for the failure.
- (2) The maximum penalty for the offence is the same whether it is a second or subsequent offence.

10—Regulations

- (1) Regulations made for the purposes of this Schedule may—
 - (a) provide for the payment of the levy to the Minister (including for payment of the levy by instalments in respect of any assessment period); and
 - (b) make provision in relation to the collection of the levy by a relevant provider of a point to point transport service from persons using the service; and
 - (c) impose requirements in relation to record keeping and the preparation and lodgment of returns; and
 - (d) prescribe the form of any record or return; and
 - (e) prescribe consequences for failure to lodge a return or other document required to be provided under the regulations (or for failure to lodge such a return or document at the required time) including requiring the payment of interest or a monetary penalty until the failure is rectified; and
 - (f) prescribe exceptions to and exemptions from liability to the levy; and
 - (g) provide for the making of assessments of liability; and
 - (h) prescribe circumstances in which there is an entitlement to a refund of the levy paid; and
 - (i) provide for revenue collected under this Schedule, or any portion of such revenue, to be paid into a specified fund or funds and applied for prescribed purposes or in a prescribed manner; and
 - (j) make any provision to regulate such a fund; and
 - (k) provide for evidentiary certificates relating to anything done under this Schedule or the regulations; and
 - (l) make any other provision that is necessary or expedient for the purposes of this Schedule.
- (2) A regulation providing for any revenue collected under this Part to be paid into a specified fund or funds and applied for prescribed purposes or in a prescribed manner is sufficient authority for the making of such payments without further appropriation.
- (3) This clause has effect in addition to section 64.

Schedule 3—Public transport assets

- 1 If it is proposed to sell to a private sector body any property of a kind prescribed by clause 4 that, immediately before the commencement of this Act—
 - (a) is held by or on behalf of the Crown; and

- (b) is used for the purposes of a passenger transport service,
then—
 - (c) the Minister must, at least two months before the proposed sale—
 - (i) give notice of the proposal in the Gazette, and in a newspaper circulating generally throughout the State; and
 - (ii) provide a written report on the proposed sale to the Economic and Finance Committee of the Parliament; and
 - (d) if the sale proceeds it will be taken to be subject to the condition that the private sector body grant to the Minister an option to repurchase the property in the event of a proposed sale or other disposal of the property by the private sector body (being an option that prevails over any other option that may exist in relation to the property).
- 2 An option under clause 1 must provide as follows:
- (a) if the private sector body proposes to sell or otherwise dispose of the property, the body will first give the Minister at least three months notice, in writing, of its proposal;
 - (b) the Minister will then have that three month period to decide whether or not to exercise the option;
 - (c) if the Minister decides to exercise the option, the value of the property will be taken to be the market value of the property assuming that the property will be used for passenger transport purposes;
 - (d) if the Minister decides not to exercise the option, the body may proceed to sell or otherwise dispose of the property on the open market,
(and an option may include such other matters as the parties think fit).
- 3 However, clause 1 does not apply if the Minister has, by notice in the Gazette, declared that, in the Minister's opinion, the property is no longer reasonably required for passenger transport purposes (whether within the public sector or the private sector).
- 3A If it is proposed to transfer or assign to a private sector body or private sector bodies all or a major part of the rights of TransAdelaide under its service contracts with the Minister under this Act (when all of TransAdelaide's service contracts are considered together), then the Minister must, at least two months before the proposed transfer or assignment, provide a written report on the matter to the Economic and Finance Committee of the Parliament.
- 3B For the purposes of clause 3A, TransAdelaide will be taken to transfer or assign a major part of its rights under its service contracts if the effect of the relevant transaction or transactions would be to divest TransAdelaide of 50 per cent or more of the total revenue payable to TransAdelaide by the Minister under all of TransAdelaide's service contracts.
- 3C However, clause 3A does not apply to—
- (a) a transfer or assignment proposed by TransAdelaide for the purpose of entering into a joint venture or partnership arrangement; or

- (b) a transfer or assignment proposed for the purpose of a subcontracting arrangement; or
 - (c) a transfer or assignment proposed by the Minister under section 39.
- 4 The following property is prescribed:
- (a) transport depots and interchanges (including any associated land);

 - (c) the track commonly known as the O-Bahn Busway (from the Adelaide to Modbury), and all land, bridges, culverts, structures, depot and servicing facilities, signalling, road protection and communication facilities, and other similar forms of works and facilities that are essential and integral to that track;
 - (d) the tram track from Adelaide to Glenelg, and all land, bridges, culverts, structures, depot and servicing facilities, signalling, road protection and communication facilities, and other similar forms of works and facilities that are essential and integral to that track;
 - (e) the *Operations Control Centre* situated on the northern side of North Terrace, Adelaide.

3—Transitional provisions—State Transport Authority

- (1) The Governor may, by proclamation—

 - (b) transfer the employment of a person who is employed by the State Transport Authority (in the case of a transfer effected before the commencement of Schedule 2) or by TransAdelaide (in the case of a transfer effected after that commencement) to an administrative unit of the Public Service, or an agency or instrumentality of the Crown.
- (2) The Governor may, by proclamation, vest any rights or liabilities (whether vested or contingent) of the State Transport Authority (in the case of a transfer effected before the commencement of Schedule 2) or of TransAdelaide (in the case of a transfer effected after that commencement) in a Minister of the Crown, or an agency or instrumentality of the Crown.
- (3) The Governor may, by further proclamation, vary or revoke a proclamation under subclause (1) or (2).
- (4) A proclamation under subclause (3) will, if the proclamation so provides, be taken to have had effect from the making of the original proclamation under subclause (1) or (2).

- (5) The transfer of the employment of a person by a proclamation under this clause will be effected without reduction in salary and without loss of accrued or accruing rights in respect of employment.
- (6) Subclause (5) does not affect any process commenced for variation of a person's rights in respect of employment.
- (7) A reference in an instrument to the State Transport Authority will, according to its context, and subject to this Act, be construed as a reference—
 - (b) to TransAdelaide; or
 - (c) to a Minister of the Crown, or an agency or instrumentality of the Crown, as the case may require.

5—Transitional provisions—Accreditations

- (5) TransAdelaide will be taken to hold an accreditation under this Act appropriate to the passenger transport services operated by it from time to time.

8—Transitional provisions—Taxi-cab licences

- (1) A taxi-cab licence in force, immediately before the commencement of this provision, under the *Metropolitan Taxi-Cab Act 1956*, other than one designated under that Act as a hire car licence, will, on that commencement, be taken to be a licence issued under Part 6, conferring the same authority on its holder, as if this Act had been in force when the licence was issued.
- (2) The regulations may provide for the designation of a licence under subclause (1) as a licence of a particular kind or grade.

9—Centralised booking service membership

A person who, immediately before 19 April 1994—

- (a) was licensed under another Act to operate a passenger transport service; and

- (2) The regulations may, for example, make provision for or with respect to the transitional application of any regulation imposing a limit on the age of a vehicle that may be used as a public passenger vehicle.
- (3) A regulation made under this Schedule may, if the regulation so provides, take effect from the date of assent to this Act or any later date.
- (4) To the extent to which a regulation takes effect earlier than the day on which it is made, the regulation does not operate so as to—
 - (a) affect, in a manner prejudicial to any person (other than the Crown or an agency or instrumentality of the Crown), the rights of that person existing before that day; or

- (b) impose liabilities on any person (other than the Crown or an agency or instrumentality of the Crown) in respect of anything done or omitted to be done before that day.
- (5) No fees or stamp duty are payable in respect of the vesting of property under this Schedule, or in respect of any instrument evidencing or giving effect to such a vesting.
