16—Conflict of interest under Public Sector (Honesty and Accountability) Act

A member of the Board will not be taken to have a direct or indirect interest in a matter for the purposes of the *Public Sector (Honesty and Accountability) Act 1995* by reason only of the fact that the member has an interest in a matter that is shared in common with pastoralists generally, or a substantial section of pastoralists.

17—Functions of Board

- (1) The Board is responsible to the Minister for the administration of this Act and, in carrying out that function, is subject to the control and direction of the Minister.

Part 4—Pastoral leases

19—Grant of leases

- (1) Subject to this Act, the Minister may grant pastoral leases over Crown land.
- (2) Where the Minister proposes to make Crown land available for lease for pastoral purposes, the process for taking a lease must be an open competitive process.
- (3) Subsection (2) does not apply—
 - (a) if the Minister is satisfied that special circumstances exist justifying the addition of the land to the holding of an existing lease; or
 - (b) if the land was subject to a pastoral lease that was surrendered upon condition that a further such lease be granted to the same lessee or a nominee of the lessee; or
 - (c) if the Minister is satisfied, on the recommendation of the Board, that for any other good and proper reason it would be just and equitable to offer the land to a particular person.

20—Assessment of land prior to grant of lease

- (1) The Minister cannot grant a pastoral lease over Crown land—
 - (a) if the Governor has determined that the land should be set aside or used for some other more appropriate purpose; or
 - (b) unless—
 - (i) the Board is satisfied that the land is suitable for pastoral purposes; and
 - (ii) an assessment has been made of the condition of the land.
- (2) However, the Minister may grant a pastoral lease over Crown land without an assessment having been made under subsection (1)(b)(ii) if an assessment has been made within the previous 14 years.

21—Execution of leases

Where—

- (a) a document intended to constitute a pastoral lease is sent to the prospective lessee for execution; and
- (b) the document is not returned duly executed, together with such fees or other amounts as may be required, within a period (which must be at least 30 days) specified in an accompanying notice,

the Minister may decline to enter into the lease and forfeit any deposit or other money paid in connection with it.

22—Conditions of pastoral leases

- (1) A pastoral lease will be granted subject to conditions and reservations providing for the following matters (but no others):
 - (a) general conditions providing for—
 - (iii) the payment of rent annually in arrears;
 - (iv) the lessee's obligation to pay in the due manner all rates, taxes and other government charges in relation to the land;

 - (C) the *Mining Act 1971*; and
 - (D) the *Petroleum Act 2000*; and
 - (G) any other prescribed Act;
 - (vi) the lessee's obligation not to hinder or obstruct any person who is exercising, or attempting to exercise, a right of access to the land pursuant to this Act or any other Act;
 - (vii) the lessee's obligation not to hinder, obstruct or interfere with the holder of a wind farm licence under Part 6 Division 4 who is exercising, or attempting to exercise, a right under the licence;
 - (b) land management conditions providing for—
 - (i) the lessee's obligation not to pasture (as part of the commercial enterprise under the lease) any species of animal on the land other than the species specified in the lease, except with the prior approval of the Board;
 - (ii) the lessee's obligation to ensure that numbers of stock on the land or a particular part of the land do not exceed the maximum levels specified in the lease, except with the prior approval of the Board;
 - (iii) the lessee's obligation not to use the land for any purpose other than pastoral purposes, except with the prior approval of the Board;

-
- (iv) the lessee's obligation to maintain existing fencing in a stockproof condition;
 - (v) the lessee's obligation to maintain existing constructed stock watering points in proper working order;
 - (vi) the lessee's obligation to close off specified areas on the land, or to close or move specified access points on the land, for the purposes of rehabilitation of degraded land;
 - (vii) in the case of a pastoral lease relating to land in the Arkaroola Protection Area under the *Arkaroola Protection Act 2012*—the lessee's obligation to use the land in accordance with the management plan under that Act;
- (c) reservations providing for—
- (i) the property in minerals, petroleum, underground waters and live or dead standing timber on or under the land to be vested in the Crown;
 - (ii) the right of the Commissioner of Highways to establish public roads across the land;
 - (iii) the right of the Minister to grant a wind farm licence under Part 6 Division 4.
- (1a) A condition referred to in subsection (1)(a) or (1)(b), and a reservation referred to in subsection (1)(c), will be taken to be a condition or reservation (as the case requires) of all pastoral leases (whether granted before or after the commencement of this subsection).
- (2) The form of a pastoral lease and any matters (such as maximum stock levels) to be specified in the conditions of a lease will be determined by the Board.
- (3) The only conditions of a pastoral lease that can be varied by the Board pursuant to this Act are the land management conditions.
- (4) Nothing in this Act prevents a lessee and the Board from entering into an agreement for the variation of a condition of the lease.
- (5) A condition of a pastoral lease is, to the extent that it relates to the minimum stocking rate of pastoral land, void and of no effect.
- (6) The Board may, at the request or with the consent of the lessee—
- (a) approve the pasturing (as part of the commercial enterprise under the lease) of a species of animal other than a species specified in the lease; and
 - (b) approve a level of stock on the land, or on a particular part of the land, in excess of the maximum levels specified in the lease; and
 - (c) approve the use of land subject to a pastoral lease for a purpose other than pastoral purposes; and
 - (d) —
 - (i) set aside from use for pastoral purposes land, or a part of the land, subject to a pastoral lease; and

- (ii) approve the use of the pastoral land set aside for the primary purpose of traditional Aboriginal pursuits, conservation purposes or other purposes as specified by the Board.
- (7) An approval of the Board under subsection (6) must be in writing and may be subject to conditions.
- (8) Despite the preceding provisions of this section, the Minister may, from time to time, issue directions to a lessee for the purposes of the condition referred to in subsection (1)(a)(vii) (and such directions will have effect as if they were conditions of the lease).

Note—

Directions might, for example, specify areas in which trees are not to be planted so as not to interfere with the operation of a wind farm.

23—Rent

- (1) The rent payable to the Crown under a pastoral lease—
 - (a) is the amount from time to time determined under this section to be the annual rent for the lease; and
 - (b) is payable annually in arrears.
- (2) The annual rent for a pastoral lease is to be determined as follows:
 - (a) the Valuer-General will from time to time determine the unimproved value of the land in accordance with the *Valuation of Land Act 1971*, taking into account, in addition to any other matters taken into account under that Act, the following matters:
 - (i) the purposes, whether authorised under the lease or by the Board, for which the land is used and the inherent capacity of the land to be used for those purposes; and
 - (ii) any prevailing climatic conditions currently affecting the productivity of the land; and
 - (iii) the proximity and accessibility of markets and other facilities to the extent that they affect the profitability of the lessee's enterprise; and
 - (iv) any views as to land condition factors expressed by the regional NRM board within whose region the land is situated (and the Valuer-General must seek those views before making the determination); and
 - (v) the views of any consultative committee established by the Minister for the purpose of assisting in the determination of pastoral lease rents;
 - (b) the Valuer-General will, on making a determination under paragraph (a), fix the annual rent for the lease as a percentage of the unimproved value of the land, being a percentage—
 - (i) that represents, in the Valuer-General's opinion, the appropriate rate of return for the land, taking into account the purposes for which the land is being used; and

-
- (ii) that may vary from lease to lease according to the various purposes for which land is being used.
- (3) The Valuer-General must make a determination of the rents for all pastoral leases at the same time.
- (4) The Valuer-General—
- (a) may make such a determination at any time; and
 - (b) must do so on direction by the Minister,
- but, in any event, must make such a determination at least every 5 years.
- (5) On completing a determination of the annual rent for a pastoral lease, the Valuer-General must give to the Board a notice of the determination that includes a statement of the unimproved value of the land and the percentage on which the rent is based.
- (6) The Minister may, on the recommendation of the Board, and if the Minister is satisfied—
- (a) that some factor exists affecting the profitability of the enterprise under a pastoral lease that has arisen since the Valuer-General last determined the annual rent for the lease; or
 - (b) that the lessee has, under an agreement with the Minister, carried out work on the land on behalf of the Minister for which the lessee has not been recompensed; or
 - (c) that the lessee has, on his or her own initiative, undertaken special measures to remedy or prevent degradation of the land,
- reduce by an appropriate amount the rent that would otherwise be payable under the lease in respect of any particular year.
- (7) The Board is responsible for issuing and sending to lessees annual rent accounts.
- (8) The Board may, for the purposes of administrative efficiency, fix a common day by which the rent under all pastoral leases must be paid in each year and, for that purpose, rent accounts for a period greater or less than a year may be sent to lessees.
- (9) A rent account must be accompanied by or include—
- (a) a copy of the Valuer-General's notice of determination if a new determination has been made since the last rent account sent to the lessee; and
 - (b) an explanation of any debits or credits shown on the account; and
 - (c) a statement of the reasons for any reduction, waiver or deferment of rent pursuant to this section.
- (10) The Minister may, on the recommendation of the Board, and if the Minister is satisfied that a case of hardship exists, waive or defer payment of any amount of the rent due and payable under a pastoral lease, subject to such conditions (if any) as the Board recommends.

24—Term of pastoral leases

- (1) Subject to subsection (2), a pastoral lease will be granted for a term of 42 years.

- (2) Where a lessee surrenders two or more pastoral leases for the purposes of merger of the leases, the term of the lease to be granted to the lessee will be such term as the Board, having regard to the terms of the surrendered leases, thinks appropriate.

25—Assessment of land

- (1) The Board must cause an assessment of the condition of the land comprised in each pastoral lease to be completed at intervals of not more than 14 years.
- (2) An assessment of the condition of land pursuant to this Act—
 - (a) must be thorough; and
 - (b) must include an assessment of the capacity of the land to carry stock; and
 - (c) must be conducted in accordance with recognised scientific principles; and
 - (d) must be carried out by persons who are qualified and experienced in land assessment techniques; and
 - (e) must take into account any matter prescribed by the regulations.
- (3) The Board must, by notice in writing, advise a lessee of a proposed assessment not less than 28 days before the assessment is due to commence.

49E—Rights under licence

- (1) A wind farm licence may grant such rights as the Minister considers necessary for the proper functioning of the wind farm to which the licence relates and may include the right to exclude the lessee or any other person from infrastructure associated with the wind farm (provided that the licence must be consistent with an access agreement entered into in relation to the land).
- (2) A wind farm licence may grant rights in relation to the operation of—
 - (a) the wind farm as a whole; or
 - (b) specified aspects of the wind farm.

49F—Minister to fix terms and conditions

- (1) Subject to this Act, the terms and conditions on which wind farm licences will be granted or renewed under this Act (including the licence fees payable under licences) will be as fixed by the Minister.
- (2) The Minister may, with the consent of the licensee, vary the terms and conditions of a licence.

- (3) Subject to subsection (4), a licence must include—
- (a) a condition that the licensee provide the prescribed interested parties with information on an ongoing basis regarding—
 - (i) the proposed location and area of access roads and infrastructure associated with the wind farm; and
 - (ii) planned activities on the land (including construction of the wind farm) to be conducted under the licence; and
 - (b) conditions ensuring that a proper process is put in place, during the term of the licence, for the eventual decommissioning of the wind farm and rehabilitation of the wind farm site.
- (4) If more than 1 licence is granted in relation to a wind farm, only 1 of the licences must include the conditions referred to in subsection (3)(a)(i) and (b) (and the Minister may, in his or her absolute discretion, determine which of the licences will include the conditions).
- (5) A licence (other than a licence granted to a Crown agency) must—
- (a) be granted for a term of at least 25 years; and
 - (b) give the licensee a right to renew the licence for a term of at least 25 years.
- (6) In determining the licence fees payable under a licence, the Minister must not take into account the value of any work carried out by the licensee in relation to the land or any other improvements on the land that do not belong to the Crown.

49G—Waiver of conditions etc

Despite any other provision of this Act or a provision contained in a wind farm licence, the Minister may, if satisfied that it would be reasonable in the circumstances—

- (a) waive a breach of, or compliance with, a condition of a licence unconditionally or subject to conditions; or
- (b) waive, reduce or remit any licence fees payable under a licence or may allow any licence fee, or part of a licence fee, to be paid at a time other than that specified in the licence.

49H—Dealing with licence

- (1) Subject to this section and the conditions of the wind farm licence, the licence cannot be transferred, assigned, mortgaged, sublet or otherwise dealt with without the consent of the Minister.
- (2) If the Minister has consented to a wind farm licence being mortgaged under this section, the mortgagee may exercise rights pursuant to the mortgage agreement in relation to the licence without the further consent of the Minister if notice, in writing, of the proposed exercise of rights has been given to the Minister.
- (3) A wind farm licence granted to a body corporate may be transferred or assigned to a related body corporate without the consent of the Minister if notice, in writing, of the proposed transfer or assignment has been given to the Minister.

- (4) If the licensee transfers or assigns the licence—
- (a) all accrued and accruing liabilities to the Crown pass to the transferee or assignee; and
 - (b) any such liabilities that had accrued before the date of the transfer or assignment may be enforced against the transferor or assignor (who will be regarded as jointly and severally liable with the transferee or assignee).

49I—Cancellation of licences

- (1) Subject to subsection (2), the Minister may, by notice in writing to a licensee, cancel a wind farm licence if—
- (a) the Minister is satisfied that a condition of the licence has been breached; or
 - (b) the Minister is not satisfied (on the basis of evidence provided by the licensee) that the licensee has achieved the critical progress milestones specified in subsection (3); or
 - (c) the licensee requests the cancellation.
- (2) The Minister cannot cancel a licence under subsection (1)(a) unless satisfied—
- (a) that the licensee has been allowed a reasonable opportunity to make good the breach but has failed to do so; or
 - (b) that cancellation is necessary in order to prevent, arrest or minimise damage to or deterioration of land associated with the wind farm.
- (3) For the purposes of subsection (1)(b) the following critical progress milestones must be achieved by a licensee:

- (4) If the Minister grants an approval under this section to a person to enter and occupy pastoral land, no application may, for the period of 2 years and 6 months commencing from the granting of the approval, be made by another person to the Minister for an approval under this section in respect of that land.
- (5) The Minister may, on application by a person granted an approval under this section, extend the period of 2 years and 6 months referred to in subsection (4) so that that subsection would apply in relation to the land for a further period of 3 years from the granting of the application for the extension, if the Minister is satisfied that the person has developed a plan for a wind farm on the land and can fund completion of that plan.
- (6) Nothing in this section requires a person granted an approval under this section to disclose to the Minister or any other person any information collected pursuant to the approval.
- (7) An approval granted to a body corporate under this section will be taken to apply to a related body corporate on the related body corporate giving notice, in writing, to the Minister of its intention to exercise rights under the approval.

- (a) the Minister must, within 30 days after being required to do so by the appellant, state in writing the reasons for the decision; and
 - (b) the time for instituting an appeal runs from the time at which the appellant receives the written statement of those reasons.
- (5) The ERD Court may, if it is satisfied that it is just and reasonable in the circumstances to do so, dispense with the requirement that an appeal be made within the period fixed by this section.

- 5 (1) Subject to clause 6, a lease in force under the repealed Act immediately prior to the commencement of this Act becomes, on that commencement, and continues in force as, a pastoral lease under this Act with a term of 42 years running from that commencement.
- (2) The conditions (including covenants) and reservations of such a lease are not affected by its conversion to a pastoral lease pursuant to subclause (1), with the following exceptions:
 - (a) rent is payable in accordance with this Act;

-
- (b) no species of animal other than sheep or beef cattle can be pastured on the land as part of the commercial enterprise under the lease without the prior approval of the Board;

 - (3) Despite sections 25 and 26 of the Act—
 - (a) the question of the first extension of the term of a pastoral lease to which this clause applies and the variation (if at all) of its land management conditions must be dealt with, in accordance with those sections, no later than 31 December 2000; and
 - (b) any such extension must be for such period as will bring the balance of the term of the lease to 42 years.
- 6 (1) Clause 5 does not apply to a lease in force under the repealed Act if—
- (a) the Governor has determined that the land subject to the lease should be set aside or used for some other more appropriate purpose; or

 - (i) the term of the lease cannot be extended; and
 - (ii) the conditions of the lease cannot (except by agreement with the lessee) be varied by the Board;
 - (c) rent is payable in accordance with this Act;
 - (d) the reservations in the lease relating to aboriginal persons and access to the land will be taken to have been revoked.
 - (4) On expiry of a lease to which this clause applies—
 - (a) the lessee is entitled to compensation;
 - (b) compensation will be based on the market value of the lease as if the lessee were the holder of a pastoral lease; and
 - (c) the amount of the compensation will be determined by agreement between the Minister and the lessee or, in default of agreement, by the Land and Valuation Court.
