 - (ii) if the land comprised in the road proposed to be opened or closed is Crown land—the relevant State agency; and
 - (iii) the Surveyor-General; and
 - (iv) each person affected who can be identified by reasonable inquiry, at the time that the EIS, PER or DR (as the case may be) is made available for public inspection under the *Development Act 1993*; and

- (b) in the case of a DR—the Minister must ensure that a public meeting in relation to the matter is conducted in accordance with the requirements of the regulations (despite the fact that such a meeting is not required under the *Development Act 1993*); and
- (c) written submissions may be made on the proposal within the time for submissions on the EIS, PER or DR under the *Development Act 1993*; and
- (d) the proponent must then include a response to any matters raised by written submissions made under paragraph (c) as part of any response to submissions provided to the Planning Minister under the *Development Act 1993*; and
- (e) the relevant Assessment Report under the *Development Act 1993* must include the Planning Minister's response to any matters raised in relation to the proposal and, if the Minister considers that the proposal to open or close the road should proceed (if the relevant development is approved), specific information about the order that would need to be made to give effect to the proposal.

34C—Governor may give effect to road process proposal

- (1) The Governor may, on the basis of a recommendation of the Planning Minister made in an Assessment Report under the *Development Act 1993* that a road be opened or closed, in conjunction with giving a development authorisation under section 48 of the *Development Act 1993* in relation to the relevant development, by notice in the Gazette, make an order that a road be opened or closed.
- (2) The Governor may, in making an order under subsection (1)—

34D—Dealings in land after commencement of process under this Part

If an EIS, PER or DR includes details of a proposal to open a road pursuant to the exercise of powers under this Part—

- (a) the Planning Minister may, at any time after the EIS, PER or DR is made available for public inspection under the *Development Act 1993*, in relation to any land comprised in the proposed road that has been brought under the *Real Property Act 1886*—lodge a caveat with the Registrar-General forbidding any dealing with the land without the consent of the Planning Minister; and

- (b) if any land comprised in the proposed road has not been brought under the *Real Property Act 1886*—a person with an interest in the land who has received a notice of the proposal under section 34B(2)(a) must not (after the receipt of the notice) enter into any transaction in respect of the land without first disclosing the fact that the proposal exists in relation to the land (and if an agreement in respect of the land is entered into without the disclosure required by this paragraph then the agreement is voidable at the option of the person to whom the disclosure should have been made).

34E—Modification or exclusion of certain Parts of Act

- (1) The following sections of Part 3 apply, subject to such modifications, additions or exclusions as may be specified below or as may be prescribed, or as may be necessary for the purpose, with respect to a proposal or order under this Part:
 - (a) section 13(2);
 - (b) sections 17 and 18—
 - (i) as if a reference to the relevant authority were a reference to the Governor; and
 - (ii) on the basis that the Governor, as the relevant authority, can make an order under either section at any time (and not necessarily as part of the original order).
- (2) Parts 4 and 5 apply with respect to an order under this Part as if the order were an order confirmed by the Minister on the date on which the order takes effect under this Part, subject to such modifications as may be prescribed, or as may be necessary for the purpose.
- (3) Part 6 applies with respect to an order under this Part—
 - (a) as if the relevant council is proposing to open the road;
 - (b) as if a reference to the Minister were a reference to the Planning Minister.
- (4) Part 8 applies with respect to an order under this Part as if the order were an order confirmed by the Minister on the date on which the order takes effect.

- (12) The order will, on publication, have effect according to its terms.
- (13) If an order widening or extending a road under this section relates to land within the Adelaide Park Lands, the classification of the land being affected by this widening or extension as community land under the *Local Government Act 1999* (if relevant) is, by force of this section, revoked.
- (14) The applicant must, after the publication of the order, provide any documentation required by the Registrar-General to the Registrar-General.
- (15) Parts 4 and 8 apply with respect to an order under this Part as if the order were an order confirmed by the Minister on the date on which notice of the order is published in the Gazette, subject to the express terms of the order or to such modifications as may be prescribed, or as may be necessary for the purpose.

 - (b) the Surveyor-General is satisfied that a person in possession of the land for which there is no certificate is entitled by purchase or otherwise to be in possession and that it is desirable that a certificate of title to the land should be issued to that person,

the Surveyor-General may publish a notice in the Gazette stating that, unless any person claiming an interest in the land objects in writing within the time specified in the notice (being not less than 28 days), a certificate of title may be issued to the person specified in the notice as the person who the Surveyor-General is satisfied is entitled to the land.

- (2) Where a notice is published pursuant to subsection (1), the Surveyor-General must give written notice to the same effect to every owner of land adjoining the land to which the notice relates, and may give such other notice as he or she thinks fit.
