Part 4—Transfer of assets and liabilities to BSAL

7—Transfer of assets and liabilities to BSAL

- (1) The Treasurer may, by order in writing, transfer assets or liabilities (or both) of SBSA or an SBSA subsidiary to BSAL.
- (2) An order under this section must be made before, or within the period of six months beginning on, the appointed day (but this period may be reduced by proclamation under this section).
- (3) If an order is made under this section on or before the appointed day, it takes effect (subject to any contrary provision in the order) on the appointed day.
- (4) An order under this section may be varied or revoked by the Treasurer by further order in writing made before the order takes effect.
- (5) A transfer of an asset or liability under this section operates by force of this Act and despite the provisions of any other law or instrument.
- (6) The transfer of a liability under this section operates to discharge the body corporate from which the liability was transferred from the liability.
- (7) The Governor may, by proclamation, reduce the period within which an order under this section must be made.

8—Conditions of transfer

- (1) The Treasurer may, by order in writing, fix the conditions on which assets or liabilities are transferred to BSAL under this Act or a corresponding law.
- (2) An order under this section must be made within the transfer period and may be varied or revoked by the Treasurer by further order in writing made within that period.
- (3) The conditions of transfer may, for example, do one or more of the following:
 - (a) where a transferred asset is trust property each beneficiary of which is SBSA or an SBSA subsidiary, provide that the property is transferred to BSAL free of the trust;
 - (b) assign a value to particular transferred assets, or transferred assets of a particular class;
 - (c) assign a value to particular transferred liabilities, or transferred liabilities of a particular class;
 - (d) assign a net value to particular transferred assets and liabilities, or transferred assets and liabilities of particular classes;
 - (e) impose on the transferee of assets, or assets and liabilities, a liability (in terms set out in the order) to the body from which transfer is made reflecting the value or net value assigned by the Treasurer to the assets, or the assets and liabilities.

9—Transferred assets free of statutory trust in favour of Crown

A transferred asset is not subject to any statutory trust in favour of the Crown arising under the *State Bank of South Australia Act 1983*.

10—Indemnity if transfer and discharge of liability not recognised under other law

If—

- (a) the transfer of a transferred liability to BSAL and the consequent discharge from the liability is not recognised under the law of a place outside South Australia; and
- (b) the body corporate from which the liability is transferred is required under the law of that place to make a payment in satisfaction of the liability,

the body is entitled to be indemnified by BSAL for the payment.

11—Transitional provisions

The following transitional provisions apply in relation to transferred assets and liabilities:

- (a) if an instrument or other document, or oral agreement, understanding or undertaking, is applicable to a transferred asset or liability, then for the purpose of construing the instrument or other document or oral agreement, understanding or undertaking (so far as it applies to the transferred asset or liability)—
 - (i) a reference to SBSA or an SBSA subsidiary is to be construed as a reference to BSAL; and
 - (ii) a reference to a branch, office, or agency of SBSA or an SBSA subsidiary is to be construed as a reference to the corresponding branch, office, or agency of BSAL, or a branch, office or agency designated by the CEO of BSAL as the corresponding branch, office or agency; and
 - (iii) a reference to an officer of SBSA or an SBSA subsidiary is to be construed as a reference to the corresponding officer of BSAL or an officer designated by the CEO of BSAL as the corresponding officer; and
- (b) the relationship of banker and customer existing between SBSA and a customer in relation to a transferred asset or liability immediately before the transfer took effect continues between BSAL and the customer after the transfer takes effect and gives rise to the same rights (including rights of set-off) and the same liabilities as would have arisen if there had been no transfer; and
- (c) an instruction, order, mandate, authority or notice given to SBSA or an SBSA subsidiary before the transfer takes effect is, so far as it is referable to a transferred asset or liability, taken to have been given to BSAL; and
- (d) if a security held by SBSA or an SBSA subsidiary is referable to a transferred asset or liability, then, so far as it is referable to the transferred asset or liability—
 - (i) the security is available to BSAL as security for the discharge of the liabilities to which it relates including, where the security extends to future liabilities, any such liabilities incurred after the transfer; and

- (ii) BSAL is entitled to the same rights and priorities and subject to the same liabilities in relation to the security as those to which SBSA or the SBSA subsidiary would have been entitled or subject if there had been no transfer; and
- (e) BSAL is entitled to possession of all documents to which SBSA or an SBSA subsidiary was entitled immediately before the transfer took effect that are entirely referable to a transferred asset or liability and is entitled to access to, and copies of, all documents that are referable to both a transferred asset or liability and any other asset or liability that is not transferred; and
- (f) a negotiable instrument or order for payment drawn by or on, or accepted or endorsed by SBSA, is (if SBSA's liability under the instrument or order is a transferred liability) payable by BSAL in the same way as if it had been drawn by or on, or accepted or endorsed (as the case may be) by BSAL; and
- (g) a cheque drawn on an account transferred to BSAL is, although expressed to be drawn on the account formerly at SBSA, taken to have been drawn on the account at BSAL; and
- (h) if an account in respect of which a credit or debit card was issued by SBSA or an SBSA subsidiary is transferred, the card is taken to have been issued by BSAL and to be the property of BSAL; and
- (i) if a transferred asset consists of rights to the possession or use of property under a lease or other agreement, BSAL may exercise those rights without giving rise to any liability on the part of the body corporate from which the asset was transferred for parting with possession of the property, or permitting the possession or use of the property by another person, contrary to the terms of the lease or agreement; and
- (j) BSAL has the same right to ratify a contract or agreement relating to an asset or liability transferred to it from SBSA or an SBSA subsidiary as SBSA or the SBSA subsidiary would have had if there had been no transfer; and
- (k) legal proceedings in respect of a transferred asset or liability commenced by or against SBSA or an SBSA subsidiary must (subject to discontinuance) be continued and completed by or against BSAL; and
- (l) in legal proceedings relevant to a transferred asset or liability—
 - (i) BSAL will have the same rights and privileges as SBSA or the SBSA subsidiary would have had if there had been no transfer; and
 - (ii) a document that could have been given in evidence by or against SBSA or an SBSA subsidiary if there had been no transfer may be given in evidence by or against BSAL; and
- (m) BSAL may execute an instrument discharging, surrendering, transferring or otherwise dealing with a transferred asset or liability either in its own name or in the name of the body corporate from which the asset or liability was transferred to BSAL.

12—Direct payment orders to accounts transferred to BSAL

An instruction, order or mandate given to a bank or other financial institution for payments to be made from an account at the bank or other institution to an account at SBSA or an SBSA subsidiary is, if the account at SBSA or the SBSA subsidiary is transferred to BSAL under this Act or a corresponding law, taken to be an instruction, order or mandate for the payments to be made to the account at BSAL.

13—Registering authorities to note transfer

- (1) The Registrar-General or any other authority required or authorised under a law of the State to register or record transactions affecting assets or liabilities, or documents relating to such transactions—
 - (a) must, on the application of BSAL, register or record in the appropriate manner the transfer to BSAL of any transferred asset or liability; and
 - (b) must register an instrument in registrable form, executed by BSAL, relating to property that is a transferred asset even though BSAL is not registered as the proprietor of the property.
- (2) If property is registered in the name of SBSA or an SBSA subsidiary, the Registrar-General or other registering authority may register a dealing with the property by the body corporate in whose name the property is registered or by BSAL without being concerned to enquire whether the property is or is not a transferred asset.

14—Exclusion of obligation to enquire

- (1) A person dealing with SBSA or an SBSA subsidiary is not obliged to enquire whether property to which the transaction relates is or is not a transferred asset.
- (2) A person dealing with BSAL is not obliged to enquire whether property to which the transaction relates is or is not a transferred asset.
- (3) If SBSA or an SBSA subsidiary was entitled to property before the appointed day, and after that day, SBSA or the SBSA subsidiary, or BSAL, purports to deal with the property as if entitled to it, the transaction is valid even though the body corporate purporting to deal with the property is not entitled to do so because the property is, or is not, a transferred asset.
- (4) However, this section does not validate a transaction if the party dealing with SBSA, the SBSA subsidiary or BSAL has actual notice of the deficiency of title, or acts fraudulently.

15—Caveat in respect of land not transferred to BSAL

- (1) SBSA or an SBSA subsidiary may lodge with the Registrar-General a caveat in respect of land under the provisions of the *Real Property Act 1886* that—
 - (a) is land of which that body is the registered proprietor; and
 - (b) is not a transferred asset.
- (2) A caveat lodged under this section in respect of land may forbid the registration of any dealing with the land by BSAL without the consent in writing of SBSA or the SBSA subsidiary concerned.

- (3) Section 191 of the *Real Property Act 1886* applies to a caveat lodged under this section but subject to the provisions of this section.

16—Re-transfer of assets or liabilities

- (1) The Treasurer may, by order in writing, re-transfer assets or liabilities (or both) from BSAL to SBSA or an SBSA subsidiary.
- (2) An order under this section must be made within the transfer period.
- (3) The re-transfer of a liability under this section operates to discharge BSAL from the liability.
- (4) The provisions of this Act relating to transferred assets or liabilities apply in a reciprocal way in relation to assets or liabilities re-transferred under this section with such modifications and exclusions as are necessary in the context and such further modifications and exclusions as are prescribed by regulation.

17—Stamp and other duties or taxes

- (1) No stamp duty, financial institutions duty or debits tax is payable under a law of the State in respect of—
- (a) any transfer effected by order of the Treasurer under this Act; or
 - (b) any other transfer or assignment of assets or liabilities by SBSA or an SBSA subsidiary to BSAL; or
 - (c) an application or entry made, or receipt given or anything else done for a purpose connected with, or arising out of, such a transfer or assignment.
- (2) No person has an obligation under the *Stamp Duties Act 1923*, the *Financial Institutions Duty Act 1983* or the *Debits Tax Act 1990*—
- (a) to lodge a statement or return relating to a matter referred to in subsection (1); or
 - (b) to include in a statement or return a record or information relating to such a matter.

18—Evidence

- (1) A certificate issued by the Treasurer certifying that an asset or liability is or is not a transferred asset or liability is to be accepted in any legal proceedings as conclusive evidence of the matter so certified.
- (2) An apparently genuine document purporting to be a certificate of the Treasurer under subsection (1) is to be accepted in any legal proceedings as such a certificate in the absence of proof to the contrary.

Part 5—Staff

19—Transfer of staff

- (1) The Treasurer may, by order in writing, transfer an employee of SBSA or an SBSA subsidiary to a position or another position in the employment of BSAL or SBSA.

- (2) An order under this section must be made before, or within the period of six months beginning on, the appointed day (but this period may be reduced by proclamation under this section).
- (3) If an order is made under this section on or before the appointed day, it takes effect (subject to any contrary provision in the order) on the appointed day.
- (4) An order under this section may be varied or revoked by the Treasurer by further order in writing made before the order takes effect.
- (5) A transfer under this section does not—
 - (a) affect the employee's remuneration; or
 - (b) interrupt continuity of service; or
 - (c) constitute a retrenchment or redundancy.
- (6) A transfer under this section must not involve—
 - (a) any reduction in the employee's status; or
 - (b) any change in the employee's duties that would be unreasonable having regard to the employee's skills, ability and experience; or
 - (c) any change in the employee's place of employment unless the new place of employment is within reasonable commuting distance from the employee's former place of employment.
- (7) For the purposes of subsection (6), responsibility for the same or similar business operations that are smaller in scope as a result of a reduction of the business operations, or responsibility for a lesser number of staff, does not, of itself, constitute a reduction in status.
- (8) A person who is transferred from one body corporate to another under this section is taken to have accrued as an employee of the body to which the person is transferred an entitlement to annual leave, sick leave and long service leave that is equivalent to the entitlements that the person had accrued, immediately before the transfer took effect, as an employee of the body from which he or she was transferred.
- (9) A transfer under this section does not give rise to a right to any remedy or entitlement arising from cessation or change of employment.
- (10) For the purposes of construing a contract applicable to a transferred employee, a reference to the body from which the person is transferred is to be construed as a reference to the body to which the person is transferred.
- (11) The Treasurer may, by order in writing, re-transfer employees from the employment of BSAL to SBSA or any SBSA subsidiary.
- (12) An order under subsection (11) must be made within the period referred to in subsection (2).
- (13) The provisions of this Act relating to transferred employees (including the provisions relating to superannuation) apply in a reciprocal way in relation to employees re-transferred under subsection (11) with such modifications and exclusions as are necessary in the context and such further modifications and exclusions as are prescribed by regulation.

- (14) The Governor may, by proclamation, reduce the period within which an order under this section must be made.
- (15) In this section—
employee includes officer.

Part 6—Guarantee

20—Government guarantee

- (1) The Treasurer guarantees that BSAL will satisfy—
- (a) liabilities of BSAL on deposits, being deposits at call or on a period of notice, transferred from SBSA to BSAL together with interest accrued on the deposits up to the transfer and further interest accrued on the deposits up to the end of the guarantee period; and
 - (b) liabilities of BSAL on deposits, being deposits at call or on a period of notice, made with BSAL within the guarantee period, but only to the extent of \$1 000 000 in respect of any one account together with interest accrued on the deposits (to the extent that they are guaranteed) up to the end of the guarantee period; and
 - (c) liabilities of BSAL on term deposits transferred from SBSA to BSAL together with interest accrued on the deposits up to the transfer and further interest accrued on the deposits until payment or satisfaction; and
 - (d) liabilities of BSAL on term deposits maturing no later than 30 June 1999 made with BSAL within the guarantee period, but only to the extent of \$1 000 000 in respect of any one account together with interest accrued on the deposits (to the extent that they are guaranteed) until payment or satisfaction; and
 - (e) transferred liabilities arising on negotiable instruments, bank guarantees or letters of credit; and
 - (f) such other transferred liabilities and liabilities incurred by BSAL within the guarantee period as are specified by the Treasurer, by notice published in the Gazette within the transfer period, on terms and conditions fixed in the notice.
- (2) Any money required under the guarantee is to be paid out of the Consolidated Account (which is appropriated to the necessary extent).
- (3) Subject to subsections (4) and (5), the guarantee expires on 1 July 1999.
- (4) If a written demand is made not later than 30 June 1999 for payment of a guaranteed liability falling due on or before that date, the guarantee continues in relation to the liability.
- (5) If a written demand is made for payment of a guaranteed liability not later than six months after the liability falls due, the guarantee continues in relation to the liability even though—
- (a) the demand is made on or after 1 July 1999; or
 - (b) the liability falls due on or after 1 July 1999.

- (6) For the purposes of subsections (4) and (5)—
- (a) a guaranteed liability is taken to fall due when the person in whose favour the liability exists first becomes entitled to require payment in discharge of the liability; and
 - (b) where a guaranteed liability falls due by virtue of service of a written notice or demand, that notice or demand constitutes a written demand for payment of the liability.
- (7) The Treasurer may, after consultation with the board of directors of BSAL, by order in writing made within the transfer period—
- (a) fix charges to be paid by BSAL in respect of the guarantee as it relates to specified liabilities of BSAL;
 - (b) impose restrictions binding on BSAL as to—
 - (i) the acceptance of deposits by BSAL within the guarantee period; or
 - (ii) the variation by agreement at any time of the terms or conditions governing any guaranteed liability.
- (8) BSAL may agree with a depositor that a deposit is not to be subject to the guarantee and, in that event, this section does not apply to the deposit.
- (9) For the purposes of this section, payments or transfers of money from an account at BSAL containing a deposit guaranteed under this section are taken to diminish the guaranteed liability before any liability not so guaranteed.
- (10) If the Treasurer makes a payment to a person under the guarantee, the Treasurer is subrogated, to the extent of the payment, to the person's rights (including rights of priority as a creditor in a winding-up) in respect of the liability guaranteed.
- (11) In this section—

deposits includes money on current account and the bonds known as *Term Bonds* issued from time to time by SBSA or BSAL, but does not include any other bond issue, note issue or other raising in the capital markets;

the guarantee period means the period of eight months beginning on the appointed day, or, if a longer period is fixed by regulation as the guarantee period, that period.

Part 7—Reference of banking power to Commonwealth

21—Reference of banking power to Commonwealth

- (1) The matter of State banking is referred to the Parliament of the Commonwealth, but only so that the reference operates—
- (a) in relation to the banking business of BSAL to the extent (if any) that it constitutes State banking and is not otherwise included in the legislative power of the Parliament of the Commonwealth; and
 - (b) for a period from the commencement of this section until a day fixed by proclamation under this section as the day on which the reference is to terminate.

- (2) However, this section does not confer power on the Parliament of the Commonwealth—
 - (a) to prohibit BSAL from carrying on banking business without holding an authority under the law of the Commonwealth or to provide for the granting of such an authority to BSAL; or
 - (b) to impose a restriction affecting the name in which BSAL may carry on business; or
 - (c) to provide for the sale or disposal of BSAL or any part of its undertaking, or for the merger or amalgamation of BSAL or any part of its undertaking; or
 - (d) to provide for the reconstruction of BSAL.
- (3) If the Governor so declares by proclamation, the limitations imposed on the reference by subsection (2), or any such limitations as are specified in the proclamation, terminate on a day fixed by the proclamation for the purpose.
- (4) The Governor may, by proclamation—
 - (a) fix a day as the day on which the reference under this section is to terminate; and
 - (b) declare that the limitations on the reference imposed by subsection (2), or any such limitations as are specified in the proclamation, are to terminate on a day fixed by the proclamation.

Part 8—Miscellaneous

22—Exemption from stamp duty etc

- (1) The Treasurer may, by notice published in the Gazette, grant an exemption from stamp duty, financial institutions duty or debits tax in respect of—
 - (a) a transaction involved in the winding up of a trust in which SBSA or an SBSA subsidiary is a beneficiary or discretionary object; or
 - (b) the assignment of the beneficial interest, or a part of the beneficial interest, in a trust by or to SBSA or an SBSA subsidiary; or

- (b) to include in a statement or return a record or information relating to such a matter.

23—Dissolution of SBSA subsidiaries

- (1) The Governor may, by proclamation, dissolve an SBSA subsidiary.
- (2) If an SBSA subsidiary is dissolved under this section, its assets and liabilities, as they existed immediately before the time of dissolution, are vested in SBSA.
