(d) at the end of the period of three years from the date of seizure—

(i) if the products have not been forfeited or returned to the owner, they are forfeited to the Crown; and

(ii) in any case, the owner will not have any right to recover the products or be paid compensation in respect of the products (other than a right that has already arisen or been determined under paragraph (c));

(e) if the products are forfeited otherwise than under paragraph (a), the Minister may sell the products by public tender;

(f) any compensation payable under this section in respect of the products will be in an amount equal to the consideration paid by the owner of the products when he or she purchased them or, where the owner is the manufacturer of the products, their value (determined by reference to the price that would have been obtained from their sale by the owner in the ordinary course of business) as at the date of seizure;

(g) the owner of the products has no right to recover the products or be paid compensation in respect of the products apart from under this section.
