4—Meaning of fixed-odds betting

- (1) Pursuant to section 91(2)(ab) of the Act, the following forms of betting on races held by licensed racing clubs, or races that are the subject of approved contingencies, are declared to be fixed-odds betting for the purposes of the Act:
 - (a) the form of betting where a person makes a bet on a race result at starting price odds;
 - (b) the form of betting where a person makes a bet on a race result at best price odds;
 - (c) the form of betting where a person makes a bet on a race result on the basis that the amount payable on a winning bet is the amount that would be payable if the bet had been made as a totalisator bet with—
 - (i) the holder of the major betting operations licence; or
 - (ii) if the holder of the major betting operations licence is not conducting off-course totalisator betting in respect of the race, the body authorised to conduct off-course totalisator betting on the race in the jurisdiction in which the race is held,(ignoring any adjustment to the totalisator dividend that would have resulted if the bet had actually been made as a totalisator bet).

- (2) In this regulation—

best price odds means the odds determined—

- (a) in the case of a race held by a licensed racing club—by the betting price information service in attendance at the race or, in the absence of that service, by the club; or
- (b) in the case of any other race—by the body holding the race,

to be the best price for the race result (the most favourable odds available on the race result at any time);

betting price information service means a body holding an approval under section 61(3) of the Act to communicate betting price information for races held by licensed racing clubs;

starting price odds means the odds determined—

- (a) in the case of a race held by a licensed racing club—by the betting price information service in attendance at the race or, in the absence of that service, by the club; or
- (b) in the case of any other race—by the body holding the race,

to be the starting price for the race result (the odds available on the race result immediately before the start of the race).

Part 2—Licences

5—Prescribed races for classes of licence under Part 3

For the purposes of section 34(1)(a), (b) and (d) of the Act, a race conducted in the course of a business for which a licence is required under the *Racing (Proprietary Business Licensing) Act 2000* is a race of a prescribed kind.

6—Renewal of licences under Part 3

- (1) An application for renewal of a licence granted under Part 3 of the Act must be made before the date on which the licence would expire in the absence of an application for renewal but may not be made earlier than 6 months before that date.
- (2) If the licensing authority grants an application for renewal of a licence under Part 3 of the Act, the licence will continue to have effect for a period specified by the licensing authority in granting the application.

Part 3—Betting operations tax

7—Interpretation

In this Part—

Commissioner means the Commissioner of State Taxation.

7A—Meaning of net State wagering revenue

- (1) For the purposes of paragraph (b) of the definition of *net State wagering revenue* in section 40B of the Act, all fees and commissions associated with making bets with, or using a service provided by, a betting operator are prescribed.
- (2) For the purposes of paragraph (d) of the definition of *net State wagering revenue* in section 40B of the Act, the amount of any refund of a bet made with, or using a service provided by, a betting operator by persons located in South Australia at the time of making the bet or using the service is prescribed.

7B—Registration of betting operator liable to pay betting operations tax

- (1) A betting operator who is not already registered must apply for registration under this regulation if the betting operator is liable to pay betting operations tax in respect of a financial year under section 40D of the Act.
Maximum penalty: \$5 000.
- (2) An application for registration must be made to the Commissioner in a manner and form approved by the Commissioner—
 - (a) in the case of a betting operator who is a licensed bookmaker—within 7 days after the end of the relevant financial year; or
 - (b) in the case of any other betting operator—within 7 days after the month in which the betting operator becomes liable to pay betting operations tax for the relevant financial year.

- (3) On receiving an application under this regulation, the Commissioner must register the applicant.
- (4) The Commissioner may cancel the registration of a betting operator if satisfied that the betting operator has ceased to pay or have a liability to pay betting operations tax as set out in subregulation (1).

7C—Lodgement of return and payment of tax

- (1) A licensed bookmaker who is registered or required to apply for registration under this Part must, within 21 days after the end of each financial year—
 - (a) lodge with the Commissioner a return setting out the bookmaker's net State wagering revenue for the relevant financial year; and
 - (b) pay to the Commissioner the betting operations tax payable on that revenue (if any).
- (2) Any other betting operator who is registered or required to apply for registration under this Part must, within 21 days after the end of the month in a financial year in which the betting operator's net State wagering revenue for that financial year first exceeds \$150 000 (the *first month*), and within 21 days after the end of each subsequent month of that financial year—
 - (a) lodge with the Commissioner a return setting out—
 - (i) the betting operator's net State wagering revenue for that month; and
 - (ii) the betting operator's total net State wagering revenue for the relevant financial year; and
 - (b) pay to the Commissioner any betting operations tax payable on the net State wagering revenue for that month as follows:
 - (i) for the first month—the betting operator is liable to pay betting operations tax for that month at a rate of 15% of the amount of the betting operator's total net State wagering revenue for the year to date in excess of \$150 000;
 - (ii) for each subsequent month—
 - (A) if there is a net loss in the betting operator's State wagering revenue—no betting operations tax is payable for that month; or
 - (B) if there is a net gain in the betting operator's State wagering revenue—the betting operator is liable to pay, for that month, an amount of betting operations tax equal to—
 - 15% of the amount of the betting operator's total net State wagering revenue for that month; less
 - the amount of any overpayment of betting operations tax made by the betting operator for the financial year to date (taking into account any net loss in the betting operator's State wagering revenue that occurred in the previous month).

- (3) The Commissioner may vary—
 - (a) the time within which a specified betting operator is required to furnish returns or pay betting operations tax; or
 - (b) the period in relation to which a specified betting operator, or betting operators of a specified class, are required to furnish returns or pay betting operations tax.
- (4) A variation made under subregulation (3)—
 - (a) may be made subject to conditions or limitations; and
 - (b) may be made, varied or revoked by notice in writing to a betting operator or by notice in the Gazette.

 - (a) in the case of payment to the licensed bookmaker—the Treasurer is satisfied that the bookmaker has, since the payment to the Treasurer in respect of the bet, paid the amount of the winnings to the person entitled to be paid the winnings on the bet; and

- (b) in the case of payment to the person entitled to be paid the winnings—the Treasurer is satisfied that the person is so entitled and has not made a claim to the licensed bookmaker for payment of the winnings or has made such a claim but payment has been refused; and

- (3) For the purposes of this regulation—
