5—Constitution of the fishery

(1) The River Fishery is constituted.

(2) The River Fishery consists of the taking of fish specified in the Schedule in the River Murray.

6—Conditions limiting certain fishing activities to specified areas

The Director may impose a condition of a licence in respect of the fishery limiting to specified areas of the River Murray the fishing activities that may be engaged in pursuant to the licence.

7—No further licences are to be granted

The licences in respect of the fishery in force under the revoked regulations immediately before the commencement of these regulations continue in force as licences in respect of the fishery subject to the provisions of the Act and these regulations, and no other licence may be granted in respect of the fishery.

8—Expiry of licences

A licence in respect of the fishery expires on 30 June following the date of its last renewal.

9—Renewal of licences

(5) The Director must return any renewal fee that accompanied the application if the application is not successful.

10—Refund on surrender of licence

Where a licence in respect of the fishery is surrendered, the Director must, on application by the former licensee, refund an amount that bears to the renewal fee last paid in respect of the licence the same proportion as the number of complete months from the date of surrender to the day on which the following licence period commences bears to the number of months in the licence period during which the licence was surrendered.

11—Registration of boats
