 - (a) a transitional financial year under Schedule 5 clause 95 of the Act; and
 - (b) the 2023/2024 financial year and the 2024/2025 financial year.
- (3) For the purposes of this regulation—
 - (a) **establishment costs** are fair costs directly associated with—
 - (i) a council being required to impose a regional landscape levy on rateable land within its area (or part of its area) in a particular financial year after not being required to impose such a levy or a regional NRM levy under the repealed Act in the immediately preceding financial year; and
 - (ii) a council being required to impose a regional landscape levy on rateable land within its area (or part of its area) in a particular financial year on a basis under section 69(3)(a) of the Act that is different to the basis that applied with respect to the immediately preceding financial year (either under the Act or the repealed Act), other than where any additional costs incurred by the council on account of the change to the basis for the levy are not significant;
 - (b) **ongoing costs** are fair annual costs directly associated with a council imposing and collecting a regional landscape levy, other than costs that a council would incur in any event on account of the imposition and collection of rates under the *Local Government Act 1999*;
 - (c) **transitional costs** are fair costs incurred by a council, in relation to a transitional financial year, with respect to—

- (i) changing the name of the relevant levy from *regional NRM levy* to *regional landscape levy* in connection with imposing a levy under section 69 of the Act; or
 - (ii) a change in the boundaries of any region located within its area in connection with the imposition of a regional landscape levy; or
 - (iii) making any amendments to the council's rating system on account of the introduction of the regional landscape levy; or
 - (iv) conducting any tests involving the council's rating system on account of the introduction of the regional landscape levy; or
 - (v) setting up and assigning new codes within the council's rating system on account of the introduction of the regional landscape levy.
- (4) Subject to this regulation, the costs that a council may recover with respect to a particular financial year will be determined according to whether the council is claiming—
 - (a) establishment costs; or
 - (b) ongoing costs; or
 - (c) transitional costs; or
 - (d) any combination of these costs.
- (5) Subject to this regulation, the amount that a council may recover as establishment costs will be—
 - (a) fair costs incurred by a council with respect to—
 - (i) consulting with the relevant regional landscape board in relation to the basis for the regional landscape levy; and
 - (ii) establishing the ability of the council's rating system to deal with the regional landscape levy; and
 - (iii) making any amendments to the council's rating system on account of the imposition of the regional landscape levy; and
 - (iv) conducting any tests involving the council's rating system on account of the imposition of the regional landscape levy; and
 - (v) setting up and assigning codes within the council's rating system on account of the imposition of the regional landscape levy; and
 - (vi) obtaining any new assessment or valuation information on account of the imposition of the regional landscape levy; and
 - (vii) confirming the imposition of the appropriate levy with respect to rateable land in the area of the council; or
 - (b) \$10 848 (indexed), plus 71 cents (indexed) for each assessment of levy against a piece of rateable land, adjusted, if necessary, under subregulation (6).

- (6) If a council is claiming establishment costs under paragraph (b) of subregulation (5) from 2 or more regional landscape boards with respect to a particular financial year, the component under that paragraph represented by \$10 848 (indexed) will be reduced, with respect to the payment to each regional landscape board, to 60% of the amount that would otherwise apply.
- (7) Subject to this regulation, the amount that a council may recover as ongoing costs will be—
- (a) fair costs as described in subregulation (3)(b); or
 - (b) \$2 532 (indexed), plus 25 cents (indexed) for each assessment of levy against a piece of rateable land.
- (8) If a council is claiming transitional costs from 2 or more regional landscape boards with respect to a particular financial year, the respective shares of those boards will be as agreed between them or, in default of an agreement, as determined by the Minister.
- (9) Subject to subregulation (11), a council seeking to recover any costs with respect to a particular financial year, other than the 2020/2021 financial year, should, as a preliminary step, furnish to the relevant regional landscape board or boards, a reasonable estimate of the costs that the council expects to claim under this regulation.
- (10) An estimate under subregulation (9) should comply with any requirements determined by the Minister for the purposes of this regulation and be furnished before the regional landscape board or boards finalise their draft budgets for inclusion in their draft annual business plans for the relevant financial year.
- (11) In relation to ongoing costs, if—
- (a) a council is anticipated to be imposing a regional landscape levy in an ensuing financial year; and
 - (b) the council has not furnished, in accordance with subregulation (9), an estimate of its ongoing costs for that financial year by 31 January in the year in which the financial year will commence,
- it will be conclusively presumed that the council will be recovering costs under subregulation (7)(b).
- (12) A regional landscape board must, after taking into account any information furnished by a council under subregulation (9) or the operation of subregulation (11), include in its annual business plan for the relevant financial year the amount that it appears to be a reasonable estimate of its liability to the council under this regulation for that financial year.
- (13) A council must, after declaring the relevant levy, furnish to any regional landscape board from which it is seeking to recover costs, an invoice that sets out the amount that the council is claiming, and the calculations used by the council to determine the amount.
- (14) A council should, except in a case involving extraordinary administrative difficulty, furnish an invoice under subregulation (13) by 31 March in the financial year with respect to which the relevant regional landscape levy is imposed (starting with March 2021).

-
- (15) A regional landscape board must, within 30 days after receiving an invoice under subregulation (13) (treating each category of costs claimed separately)—
- (a) pay the amount claimed by the council; or
 - (b) if the board considers that a claim is excessive and should therefore be reviewed—refer the matter to the Minister so that the Minister may determine what is a reasonable claim taking into account the scheme set out in this regulation.
- (16) The Minister must make a determination within 60 days after a matter is referred under subregulation (15) (and a determination of the Minister will have effect as a determination of the fair costs of the relevant council).
- (17) An assessment of levy under subregulation (5)(b) or (7)(b) will be determined according to assessments as they exist at the time that the council declares its levy with respect to the relevant financial year.
- (18) An amount specified by this regulation that is followed by the word (*indexed*) must be adjusted with respect to each financial year, beginning with the 2021/2022 financial year, by multiplying the amount by a proportion obtained by dividing the CPI for the September quarter of the immediately preceding financial year by the CPI for the September quarter 2019, on the basis that the quotient used for the purposes of the adjustment will be calculated to 2 decimal places and that the amount obtained from the adjustment will be rounded—
- (a) in the case of an amount specified in dollars—to the nearest dollar; and
 - (b) in the case of an amount expressed in cents—to the nearest cent.

15—Contributions by constituent councils—rateable land divided by boundaries of 2 or more landscape management regions or councils (section 73 of Act)

- (1) The following scheme applies for the purposes of section 73 of the Act:
- (a) if a piece of rateable land within the area of a council is divided by the boundaries of 2 or more landscape management regions, the whole of the land will be taken to be assigned to the landscape management region in which the larger (or, in the case of more than 2 landscape management regions, the largest) portion of the land is located (the *assigned landscape management region*);
 - (b) if—
 - (i) a piece of rateable land is divided by the boundaries of 2 or more councils; and
 - (ii) the regional landscape levy imposed by at least 1 of those councils is based on a fixed charge under section 69(3) of the Act,the whole of the land will be taken to be assigned to the council area in which the larger (or, in the case of more than 2 council areas, the largest) portion of the land is located (the *assigned council area*);
 - (c) if, in the opinion of the Minister, the application of a preceding paragraph (or both) has, in a particular case, resulted in—

- (i) uncertainty or disagreement as to which council area is the assigned council area or which landscape management region is the assigned landscape management region; or
- (ii) an excessively disproportionate burden falling on the council for the assigned council area,

the Minister may make a determination as to the assignment on such basis, and following such consultation (if any) with the Valuer-General or any other person or body, as the Minister thinks fit.

- (2) For the purposes of this regulation, a reference to a *piece of rateable land* includes a reference to 2 or more pieces of contiguous rateable land owned by the same owner and occupied by the same occupier.

Division 2—Levies in respect of land outside council areas

For the purposes of section 71(5) of the Act, differential levies may be declared, in relation to an area of rateable land referred to in section 71(4)(d) of the Act, by multiplying the factor specified in column 2 of the following table for the area of rateable land specified in column 1 with such minimum amount payable by way of a levy as may be fixed by a regional landscape board under section 71(7) of the Act.

Area of rateable land	Factor (with which the minimum amount is to be multiplied)
Less than 10 hectares	1
10 or more hectares but less than 100 hectares	3.5
100 or more hectares but less than 100 000 hectares	7
100 000 or more hectares	12

18—Remissions—contiguous land

If OC levies based on a factor referred to in section 71(4)(b) or (c) of the Act are declared by a regional landscape board in respect of 2 or more pieces of contiguous rateable land (being land that is owned by the same owner and occupied by the same occupier), the board must remit the levies in respect of all but 1 piece of rateable land.

19—Remissions—single farm enterprises

- (1) If OC levies based on the factor referred to in section 71(4)(b) of the Act are declared by a regional landscape board in respect of a single farm enterprise, the board must remit the levies in respect of all but 1 piece of rateable land forming part of the single farm enterprise.
- (2) Subregulation (1) only applies if the regional landscape board is satisfied, on application to the board and by provision of such information or evidence as the board may reasonably require, that the relevant land is a single farm enterprise.
- (3) If the grounds on which the relevant land is taken to be a single farm enterprise cease to exist, the person liable to pay an OC levy in respect of the land must inform the regional landscape board of that fact as soon as is reasonably practicable.

Maximum penalty: \$7 000.

- (4) For the purposes of this regulation, a reference to a *single farm enterprise* is a reference to 2 or more pieces of rateable land—
 - (a) which—
 - (i) are farm land; and
 - (ii) are farmed as a single enterprise; and
 - (iii) are occupied by the same person or persons, whether or not the pieces of land are contiguous; or
 - (b) which—

 - (ii) as to 1 piece contiguous with at least 1 of the other pieces, is the principal place of residence of that person or 1 of those persons.
