- (1) For the purposes of section 20(6a) of the Act—

 - (b) an entitlement to such leave may be converted to the amount fixed under paragraph (a) if an election is made to the Committee, or to the person holding an office nominated by the Committee, in a manner determined by the Committee, by 31 August immediately following the financial year in which the entitlement accrues; and
 - (c) an amount payable on account of an election under paragraph (b) will be paid to the officer at a time, and in a manner, determined by the Committee for the purposes of this paragraph; and
 - (d) an amount payable in relation to a part of a working day or part-time work will be determined in a manner determined by the Committee.

- (2) The amount of \$180 (indexed) referred to in subsection (1)(a) is to be adjusted on an annual basis (commencing in relation to days accrued in the 2013/2014 financial year) by multiplying that amount by a proportion obtained by dividing the Consumer Price Index for the March quarter in the immediately preceding financial year by the Consumer Price Index for the March quarter, 2012 (with an adjustment applying according to when a leave entitlement accrues rather than when a payment is made).
- (2a) An amount determined under subregulation (2) is to be rounded up or down to the nearest \$1 (and if the amount to be rounded is 50 cents, then the amount is to be rounded up).
- (3) In this regulation—
