Part 3—General

5—Calculation or assessment of fees

- (1) An authority with which an application is duly lodged under a related set of regulations (including via the SA planning portal)—
 - (a) may require the applicant to provide such information as the authority may reasonably require to calculate any fee payable under these regulations or a related set of regulations; and
 - (b) may make any other determination for the purposes of these regulations or a related set of regulations (even if it is not a relevant authority).
- (2) If an authority acting under subregulation (1), or a relevant authority in any event, believes that any information provided by an applicant is incomplete or inaccurate, the authority (or relevant authority) may calculate any fee on the basis of estimates made by it.
- (3) An authority may, at any time, and despite an earlier calculation or acceptance of an amount in respect of the fee, reassess a fee payable under these regulations or a related set of regulations.
- (4) On a reassessment under subregulation (3)—
 - (a) if it appears that an overpayment has occurred, a refund is due in accordance with the reassessment; and

- (b) if it appears that an underpayment has occurred, a further amount becomes payable under these regulations.

6—Time period suspended if fee not paid

If a fee is not paid in accordance with the Act, these regulations or a related set of regulations, any period between the date of a request for payment of the fee by an authority entitled to receive payment of the fee and the date of actual payment of the fee will not be taken into account for the purposes of any time limit or period prescribed by a related set of regulations (as relevant).

7—Waiver or refund of fee

An authority to which a fee is payable under these regulations or a related set of regulations may, as it considers appropriate to do so—

- (a) waive the payment of the fee, or the payment of part of the fee; or
- (b) refund the whole or a part of the fee.

Part 4—Development assessment fees (specific provisions)

8—Variation of authorisation (section 128)

- (1) Subject to subregulation (2), an application seeking the variation of a development authorisation previously given under the Act (including by seeking the variation of a condition imposed with respect to the development authorisation) will be subject to the fees prescribed by these regulations as if it were a new application for development authorisation, but only to the extent that a particular fee imposed in relation to the application reflects the step or steps to be undertaken by the relevant authority or another body on account of the application.
- (2) An application seeking a variation that is minor in nature under regulation 65(1) of the *Planning, Development and Infrastructure (General) Regulations 2017* must be accompanied by the prescribed fee.

9—Staged development

- (1) Subject to subregulation (2), if an application for a development authorisation is for a second or subsequent consent because the applicant is seeking the assessment of a particular development in stages, the prescribed fee for the lodgement of an application (referred to as the **base amount**) is only payable in relation to the first application.
- (2) The prescribed fee for the lodgement of an application will again be payable if the application is to be treated as a new application for development authorisation in the manner envisaged by regulation 8(1) (and after taking into account the operation of section 128(2)(b) of the Act).

11—Development undertaken by councils

No fee is payable under Schedule 1 Part 2 in respect of a development to be undertaken by a council unless the primary reason for the proposed development is to raise revenue for the council.

12—Excluded Crown development

No fee is payable under Schedule 1 in respect of a development excluded from the provisions of section 131 of the Act by regulation under section 131(4) of the Act.

13—Development to be assessed by accredited professional

- (1) Subject to subregulation (2), the fees set out in Schedule 1 Parts 2 and 3 are not payable if the relevant authority is an accredited professional, other than an assessment manager.
- (2) If an application is made to an accredited professional—

- (3) Except as provided by subregulation (2), the fee to be paid to an accredited professional (other than an assessment manager) will be determined by agreement between the applicant and the accredited professional.
- (4) To avoid doubt, nothing in this regulation affects the requirement to pay the fee under Schedule 1 item 14A in relation to an application in respect of development to which that item relates.

14—Assessment requirements—water and sewerage

- (1) A fee under Schedule 1 item 26 is payable to the South Australian Water Corporation.
- (2) The fee is payable by the person who makes the application to divide the land.

- (2) In accordance with section 198(2) of the Act, if an application for the division of land under the *Community Titles Act 1996* or the *Strata Titles Act 1988* relates to an existing building unit scheme, a contribution is not payable under section 198 of the Act unless the plan divides the land into more units than existed on 22 February 1968, and in that case, the contribution will be calculated only in respect of the additional units.
- (3) For the purposes of subregulation (2), an existing building unit scheme is a scheme where—
 - (a) land was, before 22 February 1968, laid out in a building unit scheme consisting of 2 or more properties designed for separate occupation; and
 - (b) as at that date, buildings to which the scheme relates had been erected.

17—Multi-unit buildings

If a variation is made to an amount prescribed under Schedule 1 item 25, the amount to be applied in a particular case is the amount in force as at the time the relevant application under Part 7 of the Act was made.

Part 6—Distribution of fees

18—Distribution of fees

- (1) Fees relating to development assessment paid or payable under these regulations will be distributed between the Chief Executive and designated entities under a scheme established by the Chief Executive for the purposes of this regulation.
- (2) In addition, in relation to an application for planning consent that must be referred to 1 or more prescribed bodies under Schedule 9 of the *Planning, Development and Infrastructure (General) Regulations 2017*, the scheme established under subregulation (1) will—
 - (a) specify the fee payable by the applicant for each referral (but if the application must be referred to the same body under more than 1 item of that Schedule, then only 1 fee is payable with respect to the referral of the application to that body); and
 - (b) provide for an amount specified under the scheme to be paid to a prescribed body for each amount paid by an applicant under paragraph (a) on account of a referral to that prescribed body.
- (3) A reference in subregulations (1) and (2) to a fee payable under these regulations extends to a fee that, although payable, was waived (in whole or in part) by a relevant authority.

19—Payment requirements

An amount payable under these regulations must be paid—

- (a) in the case of a fee received by a payment via the SA planning portal—to the entity entitled to the amount under these regulations under a scheme established by the Chief Executive for the purposes of this paragraph; and

- (b) in any other case—to the entity entitled to the amount under these regulations within 10 business days after the end of the quarter in which the amount is received by the designated entity under a scheme established by the Chief Executive for the purposes of this paragraph.
