and

(c) vary or revoke a proclamation made under this subsection.

Investigations

4. (1) A corresponding Commissioner may make a written request to the South Australian Commissioner to undertake an investigation under this Act in relation to the enforcement of a corresponding law.

(3) An agreement made for the purposes of subsection (2) may be varied by further agreement between the parties or be terminated by either party.

Investigatory powers in relation to records

5. (1) For the purpose of undertaking an investigation the South Australian Commissioner may—

PART IVA

ENFORCEMENT OF PECUNIARY SUMS AND OTHER ORDERS

DIVISION I—ENFORCEMENT OF PECUNIARY SUMS

Default in payment of instalments

75a. If the Children's Court has directed that a pecuniary sum be paid in instalments and default is made in payment of any such instalment, the whole of the balance of the pecuniary sum becomes due and payable on that default.

Detention in default of payment

75b. (1) For the purposes of enforcing an order of the Children's Court against a child or a surety for payment of a pecuniary sum, the Court may, at the time of making the order, sentence the person to a period of detention (or imprisonment in the case of a surety) to be served on default in payment of the sum.

(2) Where a child or a surety has been in default of payment of a pecuniary sum for more than one month, the Court—

(a) may, if a sentence of detention or imprisonment was not imposed pursuant to subsection (1), sentence the person to a period of detention (or imprisonment in the case of a surety) in respect of the amount outstanding under the order and issue a mandate or warrant for that period;

or

(b) may, if such a sentence was imposed pursuant to subsection (1), issue a mandate or warrant against the person for a period of detention or imprisonment in respect of the amount outstanding.

(3) A period of detention or imprisonment fixed under this section will be calculated at the rate of one day for each prescribed unit of the pecuniary sum or the balance outstanding (as the case may require) but must not in any case exceed three months.

(4) The Court may direct that a period of detention or imprisonment under this section be cumulative upon any other sentence, or sentences, of detention or imprisonment then being served, or to be served, by the person.

Warrant for sale of goods

75c. (1) Where a person has been in default of payment of a pecuniary sum for more than one month the Court may, if of the opinion that to do so would supply, or substantially reduce, the amount outstanding, order the sale of goods owned by the person, and issue a warrant authorizing the seizure and sale of those goods.

(2) The goods that may be seized pursuant to a warrant under this section are those that could be taken in bankruptcy proceedings.

(3) If the person in default or any other person alleges that any particular goods are not liable to seizure and sale under this section, the person executing the warrant must not proceed to sell those goods until the Court has, on the application of the appropriate clerk of the Court, determined the matter.

(4) For the purposes of determining an application under subsection (3), the Court may issue a summons requiring the attendance of such persons as the Court thinks fit to call before it.

(5) Where a person other than the person in default claims an interest in goods the subject of a warrant under this section, the Court may, if satisfied of the validity of the claim—

(a) exclude the goods from the warrant;

or

(b) direct the application of the proceeds of the sale in such manner as the Court considers just.

(6) The surplus proceeds from a sale pursuant to a warrant under this section must be returned to the person in default.

(7) Goods seized pursuant to a warrant but not sold must be returned to the person in default or left at the place from which they were taken.

(8) If the proceeds from the sale of goods pursuant to a warrant are insufficient to meet the amount in respect of which the warrant was issued (including any costs of issue and execution of the warrant), the Court may fix default detention (or imprisonment in the case of a surety) in respect of the balance outstanding.

Costs of process will be added

75d. The costs of issuing and executing a mandate or warrant under this Division will be added to the amount in respect of which it was issued.

Person in default may pay person executing the mandate or warrant

75e. (1) Where a person against whom a mandate or warrant has been issued under this Division pays to the person executing the mandate or warrant the amount in respect of which it was issued, together with the costs of issuing and executing it, the mandate or warrant is satisfied.

(2) A person to whom any money has been paid in accordance with subsection (1) must issue a receipt for the payment and forward the amount to the appropriate clerk of the Court.

Postponement or suspension of warrants

75f. (1) Where a person in default of payment of a pecuniary sum applies to a clerk of the Children's Court for relief under this section, the clerk may, subject to such conditions as to payment of the sum as the clerk thinks fit, postpone the issue of a mandate or warrant under this Part or suspend its operation (as the case may require).

(2) The conditions referred to in subsection (1) may include a condition requiring that specified security for payment be given.

(3) A postponement or suspension under this section may be revoked by a clerk of the Children's Court for breach of condition.

Remission of pecuniary sum

75g. (1) The Children's Court may, on the application of the person liable under an order for payment of a pecuniary sum, remit the outstanding amount under the order if the Court is satisfied that, in all the circumstances of the case, no other order under this Division would be appropriate.

(2) Upon the Court making an order under subsection (1), the liability of the person in default to comply with the order for payment of the sum is wholly extinguished.

***Ex parte* orders**

75h. (1) The Court may, in such circumstances as it thinks appropriate, make an order under this Division in the absence of the person to whom the order relates.

(2) Where an order is made in the absence of a person pursuant to subsection (1), a copy of the order must be served on the person personally.

(3) Where the order is for detention or sale of goods, no action for enforcement of the order may be taken until ten days after service of the order.

Amount in default is reduced by detention or imprisonment served

75i. (1) Where a person is committed to a training centre or prison pursuant to a mandate or warrant issued under this Division, the amount in respect of which the mandate or warrant was issued is reduced by one prescribed unit for each day served in a training centre or prison pursuant to the mandate or warrant.

(2) If the person at any time pays to the appropriate clerk of the Children's Court or the superintendent of the training centre or prison manager the amount then outstanding under the mandate or warrant, together with the costs of issuing and executing it, the sentence of detention or imprisonment is wholly extinguished.

(3) If the person at any time pays to the appropriate clerk of the Children's Court or the superintendent of the training centre or prison manager a part of the amount then outstanding under the mandate or warrant, the balance of the period of detention or imprisonment still to be served will be reduced by the proportion that the amount so paid bears to that outstanding amount (ignoring any fraction or any part of a day).

(4) A training centre superintendent or prison manager to whom any money has been paid must issue a receipt for the payment and forward the amount to the appropriate clerk of the Children's Court.

(5) Where a person has served a period of detention fixed under this Part, the whole of the amount in respect of which the mandate or warrant was issued is extinguished.

(6) For the purposes of this section, the deduction from a person's earnings or allowance while in a training centre or prison of the amount of a levy payable under the *Criminal Injuries Compensation Act, 1978*, will be taken to be payment by the person of that amount.

Periodic detention on default in payment of pecuniary sum

75j. (1) Subject to subsection (2), where a mandate for the detention of a child has been issued for the purpose of enforcing an order for payment of a pecuniary sum against the child, the Director-General may, with the consent of the child, direct that he or she serve the period of detention on a periodic, non-residential basis.

(2) The Court, upon making an order for payment of a pecuniary sum against a child, may order that the Director-General refrain from exercising the powers conferred by subsection (1) in any proceedings for the enforcement of that order.

(3) Where the Director-General directs that a child serve a period of detention on a periodic, non-residential basis, the following provisions apply:

(a) the total number of hours of periodic detention to be served by the child will be computed on the basis of eight hours (or, if a lesser number is prescribed, that number) for each day of detention specified in the mandate;

(b) the child must not serve more than eight hours of periodic detention on any one day;

(c) the child must serve the detention on a periodic basis in accordance with the directions of the Director-General;

(d) without limiting the generality of paragraph *(c)*, the Director-General may require the child to participate in such work projects or programmes as the Director-General thinks appropriate whilst the child is in detention;

(e) the mandate for the detention of the child will not be executed whilst the child complies with the directions of the Director-General.

(4) Where a child has served at least two-thirds of the total number of hours of periodic detention and has complied with all the directions of the Director-General, the Director-General may, if of the opinion that good reason exists for doing so, release the child from the obligation to serve such number of the remaining hours of periodic detention as the Director-General thinks fit.

(5) Where a mandate for the detention of a child is executed as a result of failure to comply with the directions of the Director-General given under this section, the period of detention specified in the mandate will be reduced by one day for each eight hours (or, if a lesser number of hours has been prescribed under subsection (3), that number) of periodic detention served by the child.

Civil liability cannot be diminished

75k. Notwithstanding any other provision of this Part, a person cannot diminish a civil liability by serving a period of detention or imprisonment pursuant to this Division.

DIVISION II—ENFORCEMENT OF NON-PECUNIARY ORDERS

Enforcement of non-pecuniary orders

75*l*. Where a child fails to comply with a sentence of the Children's Court requiring the child to do some act (not being the payment of a pecuniary sum), the Court may, on application by a clerk of the Court—

(a) sentence the child to such period of detention (not exceeding three months) as the Court thinks fit;

(b) issue a mandate against the child;

and

(c) if the Court thinks it appropriate to do so, direct that the period of detention be cumulative upon any other sentence, or sentences, of detention or imprisonment being served, or to be served, by the child.

Insertion of s. 97a

9. The following section is inserted after section 97 of the principal Act:

Detention of children in emergencies

97a. (1) Notwithstanding any other provision of this Act, if the Minister is of the opinion that an emergency has arisen (whether out of an industrial dispute or any other circumstance) by virtue of which it is impossible or impracticable to detain children in training centres or other approved places as provided by this Act, a child who is to be detained under this Act may be detained—

(a) in a police prison;

or

(b) in a police station, watch-house or lock-up approved by the Minister,

until the emergency is, in the opinion of the Minister, over.

(2) The person for the time being in charge of the place in which a child is being detained pursuant to this section must take such steps as are reasonably practicable to keep the child from coming into contact with any adult person being detained in the same place.

(2) A fire may, subject to any other restrictions imposed under this or any other Act, be lighted or maintained in the open air in the following circumstances:

(a) a fire for cooking or personal comfort may be lighted or maintained provided that—

(i) the fire is contained in a properly constructed fire place, a portable cooking appliance or a trench at least 30 cm deep;

(4) A prohibition or restriction will not be imposed under subsection (3) except after consultation with the councils for the areas affected by it.

(5) The fact that a person has lit and maintained a fire under subsection (2) does not of itself relieve the person from liability for any loss or damage caused by the fire.

Division II—Total Fire Ban

Total fire ban

37. (1) The Board may determine to impose a ban (a "total fire ban") on the lighting or maintaining of fires in the open air for any purpose on a specified day or days, or during any specified part or parts of a day or days, throughout the whole State, or any specified part of the State.

Division III—Permits

and

(b) adequate precautions will be taken to prevent the spread of fire.

(4) A permit issued under this section will include—

(a) the prescribed conditions;

and

(b) such other conditions as the authorized officer thinks fit to include in the permit.

(5) A permit issued under this section will be in a form prescribed by the regulations.

(6) Unless issued in accordance with an authorization granted under subsection (7), a permit does not authorize a person to light or maintain a fire contrary to the terms of a total fire ban.

(7) The Board may, by instrument in writing, authorize (subject to stipulated restrictions and conditions) the issue of permits for the lighting and maintaining of fires in the open air, on days on which a total fire ban has been imposed, in parts of the State designated in the authorization.

(8) Notice of the issue of a permit under this section must be given in the manner provided by the regulations to such persons and authorities as may be stipulated by the regulations.

(9) A permit may be revoked by an authorized officer, or by the Board—

(12) On an appeal, the Minister may—

(a) confirm the revocation;

(b) direct that a new permit be issued.

(13) The fact that the holder of a permit has complied with the conditions of the permit does not of itself relieve the holder from liability for any loss or damage caused by a fire lit under the authority of a permit.

(14) In this section—

"authorized officer" means—

(a) a person authorized by the Board;

or

(b) a person authorized by a council, with the approval of the Board, to issue permits under this section.

(a) direct the person who lit the fire, or the owner of the land, to extinguish the fire or to take such other steps in relation to the fire as appear necessary to prevent it from getting out of control;

or

(b) extinguish the fire, or take such other steps in relation to the fire as appear necessary to prevent it from getting out of control.

(2) If a C.F.S. officer is satisfied—

(a) that a person proposes to light a fire;

the officer may direct that person to refrain from lighting a fire during a period specified in the direction.

(3) A person who contravenes, or fails forthwith to comply with, a direction under this section is guilty of an offence.

Penalty: For a first offence—Division 6 fine or division 6 imprisonment; for a subsequent offence—Division 5 fine or division 5 imprisonment.

(4) The Board may determine that the powers of a C.F.S. officer under this section may only be exercised by C.F.S. officers of or above a certain rank.

(10) Any expenses recoverable under subsection (9) will be a charge against the land to which they relate and may be recovered as if they were rates in arrears.

(11) A person to whom notice is addressed may appeal against a requirement of the notice.

(12) An appeal under subsection (10) must be made—

(a) where the notice was issued by a council—to the Board;

(b) in any other case—to the Minister.

(13) An appeal—

(a) is instituted by written notice of appeal setting out in detail the grounds of appeal;

and

(b) must be instituted within 14 days of the requirement being imposed unless the appellate authority, in its discretion, allows an extension of time for instituting the appeal.

(14) The appellant must send a copy of the notice of appeal to the responsible authority that issued the notice to which the appeal relates.

(15) Subject to a determination of the appellate authority, where an appeal is instituted, the requirement being appealed against is suspended until the appeal is determined or withdrawn.

(16) For the purposes of dealing with an appeal, the appellate authority may adopt such procedures as it thinks fit.

(17) On hearing an appeal, the appellate authority may—

(7) Any rules made by a credit union before the commencement of this Act that do not allow the withdrawal of share capital (except in the event of the winding up of the credit union) may continue to operate in relation to the shares issued pursuant to those rules before that commencement.

(8) No share may be sold or transferred—

(a) at more than its nominal value;

(2) If a credit union is registered (otherwise than as a result of an amalgamation) on a day falling between 1 January and 30 June in any year, its first financial year may, if the credit union so elects, extend to 30 June in the following year.

Financial years of groups

79. (1) Subject to this section, the directors of a holding credit union must take such action (if any) as is necessary to ensure that the financial year of each subsidiary of the holding credit union coincides with the financial year of the holding credit union.

(2) The action referred to in subsection (1) must be taken in relation to a particular subsidiary not later than 12 months after the date on which the subsidiary became a subsidiary of the holding credit union.

(3) Subject to any order by the Commission under this section, where the financial year of a holding credit union and the financial year of each of its subsidiaries coincide, the directors of the holding credit union must at all times take such action as is necessary to ensure that the financial year of any of its subsidiaries is not altered in such a way that all of those financial years no longer coincide.

(4) Where the directors of a holding credit union are of the opinion that there is good reason why the financial year of any of its subsidiaries should not coincide with the financial year of the holding credit union, they may apply in writing to the Commission for an order authorizing the subsidiary to continue to have or to adopt (as the case requires) a financial year that does not coincide with that of the holding credit union.

(5) The application must be supported by a statement in writing made in accordance with a resolution of the directors of the holding credit union, signed by not less than two directors and stating the reasons for seeking the order.

(6) The Commission may require the directors making the application to supply such information relating to the operations of the holding credit union and its subsidiaries as the Commission thinks necessary for the purpose of determining the application.

(11) The Court, in determining the appeal, may make any order that the Commission had power to make on the original application and may exercise any of the powers that the Commission might have exercised in relation to the original application.

(12) Where the directors of a holding credit union have applied to the Commission for an order under this section, subsection (1) does not apply to or in relation to the subsidiary to which the application relates until the determination of the application and of any appeal arising out of the application.

(13) Where an order is made authorizing a subsidiary to have or to adopt a financial year that does not coincide with that of its holding credit union, compliance with the terms of the order of the Commission (including any limitations or conditions set out in the order), or, where there has been an appeal, compliance with the terms of any order made on the determination of the appeal, constitutes compliance with subsection (1) in relation to the subsidiary.

(14) Where an application for an order by the Commission under this section has been refused and there is no appeal, or where there has been an appeal and the appeal has been withdrawn or dismissed, the time within which the directors of the holding credit union are

required to comply with subsection (1) in relation to the subsidiary is the period of 12 months after the date on which notice of refusal by the Commission is served on the holding credit union or, where there has been an appeal that has been dismissed, the period of 12 months after the determination of the appeal.

(15) Where the directors of a holding credit union have applied to the Commission for an order under this section, and the application has been refused and the appeal (if any) arising out of the refusal has been dismissed, the directors of the holding credit union are not entitled to make an application under this section with respect to the subsidiary within three years after the refusal of the first mentioned application or, where there was an appeal, after the dismissal of the appeal, unless the Commission is satisfied that there has been a substantial change in the relevant facts or circumstances since the refusal of the former application or the determination of the appeal, as the case may be.

Accounting records to be kept

81. (1) The directors of a credit union must, not less than 14 days before an annual general meeting of the credit union or, if no annual general meeting is held within the period within which it is required under Division II to be held, not less than 14 days before the end of that period, cause to be prepared—

(a) a profit and loss account for the last financial year of the credit union, being a profit and loss account that gives a true and fair view of the profit or loss of the credit union for that financial year;

and

(b) a balance-sheet as at the end of the last financial year of the credit union, being a balance-sheet that gives a true and fair view of the state of affairs of the credit union as at the end of that financial year.

(2) Where, at the end of a financial year of a credit union, the credit union is a holding credit union, the directors of the credit union must, not less than 14 days before the next annual general meeting of the credit union or, if no annual general meeting is held within the period after the end of that financial year within which it is required under Division II to be held, not less than 14 days before the end of that period, cause to be prepared group accounts dealing with—

(a) the profit or loss of the credit union and its subsidiaries for their respective last financial years;

and

(b) the state of affairs of the credit union and its subsidiaries as at the end of their respective last financial years,

and giving a true and fair view of the profit or loss and the state of affairs so far as those matters concern members of the holding credit union.

(3) The directors of a credit union must take reasonable steps to ensure that the accounts of the credit union and, if it is a holding credit union for which group accounts are required, the group accounts, are audited as required by this Part not less than 14 days before the annual general meeting of the credit union or, if no annual general meeting is held within the period within which it is required under Division II to be held, not less than 14 days before the end of that period.

(4) The directors of a credit union must cause to be attached to, or endorsed on, the accounts or group accounts in relation to the credit union the auditor's report relating to those accounts or group accounts, as the case may be, that is furnished to the directors in accordance with Division V.

(b) to ascertain whether any current assets, other than current assets to which paragraph *(a)* applies, are unlikely to realize in the ordinary course of business their value as shown in the accounting records of the credit union and, if so, to cause—

(i) those assets to be written down to an amount that they might be expected so to realize;

or

(ii) adequate provision to be made for the difference between the amount of the value as so shown and the amount that they might be expected so to realize;

and

(c) to ascertain whether any non-current asset is shown in the books of the credit union at an amount that, having regard to its value to the credit union as a going concern, exceeds the amount that it would have been reasonable for the credit union to expend to acquire that asset as at the end of the financial year and, unless adequate provision for writing down that asset is made, to cause to be included in the accounts such information and explanations as will prevent the accounts from being misleading by reason of the overstatement of the amount of that asset.

(6) Without limiting the effect of the preceding provisions of this section, the directors of a credit union must ensure that the accounts of the credit union and, if it is a holding credit union for which group accounts are required, the group accounts comply with such of the prescribed requirements as are relevant to those accounts or group accounts, as the case may be, but where accounts or group accounts prepared in accordance with those requirements would not otherwise give a true and fair view of the matters required by this section to be dealt with in the accounts or group accounts, the directors of the credit union must add such information and explanations as will give a true and fair view of those matters.

(7) Without limiting the effect of the preceding provisions of this section, but subject to subsection (9), the directors of a credit union must ensure that the accounts of the credit union and, if it is a holding credit union for which group accounts are required, the group accounts, comply with such approved accounting standards as are applicable.

if the credit union or holding credit union were a company or holding company within the meaning of the *Companies (South Australia) Code.*

(9) Where the accounts of a credit union or the group accounts of a holding credit union would not, if prepared in accordance with an applicable approved accounting standard, give a true and fair view of the matters required by this Division to be dealt with in those accounts or group accounts, the directors of the credit union or holding credit union are not required to comply with subsection (7).

(10) The directors of a credit union must cause to be attached to any accounts required to be laid before an annual general meeting, before the auditor reports on the accounts under this Part, a statement made in accordance with a resolution of the directors and signed by not less than two directors—

(iii) as at the date of the statement, there are reasonable grounds to believe that the credit union will be able to pay its debts as and when they fall due;

(b) stating whether the accounts comply with applicable approved accounting standards;

and

(c) if the accounts do not comply with a particular applicable approved accounting standard—

(i) stating why the accounts would not, if they had been prepared in accordance with that standard, have given a true and fair view of the matters required by this Division to be dealt with in the accounts;

and

(ii) giving particulars of the quantified financial effect on the accounts of the failure to comply with that standard.

(11) The directors of a credit union that is a holding credit union must cause to be attached to group accounts required to be laid before an annual general meeting, before the auditor reports on the group accounts under this Part, a statement made in accordance with a resolution of the directors of the credit union and signed by not less than two directors—

and

(ii) the state of affairs of the credit union and its subsidiaries as at the end of their respective last financial years,

so far as they concern members of the credit union;

(b) stating whether the group accounts comply with applicable approved accounting standards;

and

(ii) giving particulars of the quantified financial effect on those accounts of the failure to comply with that standard.

(12) The directors of a credit union—

(a) must, in forming an opinion as to the matters referred to in subsection (10) *(a)* (i) and (ii) for the purposes of a statement under that subsection, have regard to—

(i) circumstances that have arisen;

and

(ii) information that has become available,

since the end of the financial year to which the accounts relate, being circumstances or information that would, if the accounts were being prepared at the time the statement is made, have affected the determination of an amount or a particular in those accounts;

and

(b) must, if adjustments have not been made in those accounts to reflect circumstances or information of a kind referred to in paragraph *(a)*, being circumstances or information relevant to an understanding of those accounts, or of an amount or particular in those accounts, include in the statement such information and explanations as will prevent those accounts, or that amount or particular, from being misleading as a result of such adjustments not having been made.

(13) The directors of a credit union that is a holding credit union—

(a) must, in forming an opinion as to the matters referred to in subsection (11) *(a)* for the purposes of a statement under that subsection, have regard to circumstances that have arisen, or information that has become available, since—

or

(ii) in the case of circumstances or information relating to a subsidiary—the end of the financial year of the subsidiary to which those accounts relate,

being circumstances or information that would, if those accounts were being prepared at the time the statement is made, have affected the determination of an amount or a particular in those accounts;

and

(ii) the state of affairs of the holding credit union and its subsidiaries as at the end of their respective last financial years,

so far as they concern members of the holding credit union;

(2) In any proceedings against a person for an offence against subsection (1) arising out of the accounts of a credit union or the group accounts of a holding credit union not complying with an applicable approved accounting standard, the onus of proving that the accounts would not, if prepared in accordance with that standard, have given a true and fair view of the matters required by this Division to be dealt with in those accounts lies on that person.

(3) In any proceedings for an offence against subsection (1) arising out of an omission from the accounts of a credit union or the group accounts of a holding credit union, it is a defence to prove that the information omitted was immaterial and did not affect the giving of a true and fair view of the matters required by this Division to be dealt with in those accounts.

(4) If, after the expiration of the period within which any accounts of a credit union or any report of the directors of a credit union is or are required by section 81 to be prepared, the Commission, by notice in writing to each of the directors, requires the directors to produce the accounts or report to a person specified in the notice on a date and at a place so specified, and the directors fail to produce the accounts or report as required by the notice, then, in any proceeding for a failure to comply with section 81, proof of the failure to produce the accounts or report as required by the notice is, in the absence of proof to the contrary, proof that the accounts or report were not prepared within that period.

(6) While a vacancy in the office of auditor continues, the surviving or continuing auditor or auditors (if any) may act.

(7) A credit union must not, and the directors of a credit union must not, appoint a person or firm as auditor of the credit union unless that person or firm has, before the appointment, consented by notice in writing given to the credit union or to the directors to act as auditor and has not withdrawn consent by notice in writing given to the credit union or to the directors.

(8) A notice under subsection (7) given by a firm must be signed in the firm name and in his or her own name by a member of the firm who is a registered company auditor.

(9) If a credit union appoints a person or firm as auditor of the credit union in contravention of subsection (7), the purported appointment does not have any effect and the credit union and any officer of the credit union who is in default are each guilty of an offence.

(10) Where an auditor of a credit union is removed from office at a general meeting in accordance with section 90—

(a) the credit union may at that meeting (without adjournment), by a resolution passed by a majority of members of the credit union as, being entitled so to do, vote in person, forthwith appoint as auditor or auditors a person or persons, a firm or firms, or a person or persons and a firm or firms, to whom or which has been sent a copy of the notice of nomination in accordance with section 89 (3);

or

(b) if such a resolution is not passed or, by reason only that such a copy of the notice of nomination has not been sent to a person, could not be passed, the meeting may be adjourned to a date not earlier than 20 days and not later than 30 days after the day of the meeting and the credit union may, at the adjourned meeting, by ordinary resolution appoint as auditor or auditors a person or persons, a firm or firms, or a person or persons and a firm or firms, notice of whose nomination for appointment as auditor has been received by the credit union from a member of the credit union at least 14 clear days before the date to which the meeting is adjourned.

(11) If after the removal from office of an auditor of a credit union the credit union fails to appoint another auditor under subsection (10), the credit union must, within seven days after the failure, notify the Commission accordingly, whereupon the Commission must, unless there is another auditor of the credit union whom the Commission believes to be able to carry out the responsibilities of auditor alone and who agrees to continue as auditor, appoint as auditor or auditors of the credit union a person or persons, a firm or firms, or a person or persons and a firm or firms, who or which consents or consent to be so appointed.

(12) Subject to subsection (11), if a credit union does not appoint an auditor when required by this Act to do so, the Commission may, on the application in writing of a member of the credit union, appoint as auditor or auditors of the credit union a person or persons, a firm or firms, or a person or persons and a firm or firms, who or which consents or consent to be so appointed.

(13) A person or firm appointed as auditor of a credit union under subsection (5), (10), (11) or (12) holds office, subject to this Division, until the next annual general meeting of the credit union.

Nomination of auditors

89. (1) Subject to this section, a credit union is not entitled to appoint a person or firm as auditor of the credit union at its annual general meeting, not being a meeting at which an auditor is removed from office, unless notice in writing of nomination of the person or firm as auditor was given to the credit union by a member of the credit union—

(a) before the meeting was convened;

or

(b) not less than 21 days before the meeting.

(2) If a credit union purports to appoint a person or firm as auditor of the credit union in contravention of subsection (1), the purported appointment is of no effect and the credit union and any officer of the credit union who is in default are each guilty of an offence.

(3) Where notice of nomination of a person or firm for appointment as auditor of a credit union is received by the credit union, whether for appointment at a meeting or an adjourned meeting referred to in section 88 (10) or at an annual general meeting, the credit union must—

(a) not less than seven days before the meeting;

or

(b) at the time notice of the meeting is given,

send a copy of the notice of nomination to each person or firm nominated, to each auditor of the credit union and to each person entitled to receive notice of general meetings of the credit union.

Removal and resignation of auditors

90. (1) An auditor of a credit union may be removed from office by special resolution at a general meeting of the credit union, but not otherwise.

(2) If notice of a special resolution to remove an auditor is given, the credit union must forthwith send a copy of the notice to the auditor and to the Commission.

(3) Within seven days after receiving a copy of the notice, the auditor may make representations in writing, not exceeding a reasonable length, to the credit union and request that, before the meeting at which the resolution is to be considered, a copy of the representations be sent by the credit union, at its expense, to every member of the credit union.

(4) Unless the Commission on the application of the credit union orders otherwise, the credit union must be sent a copy of the representations in accordance with the auditor's request, and the auditor may, without prejudice to the right to be heard orally or, where a firm is the auditor, to have a member of the firm heard orally on its behalf, require that the representations be read out at the meeting.

(5) Upon the removal from office of an auditor of a credit union, the credit union must forthwith give to the Commission notice in writing of the removal.

(6) An auditor of a credit union may, by notice in writing given to the credit union, resign as auditor of the credit union if—

(a) the auditor has, by notice in writing given to the Commission, applied for consent to the resignation and stated the reasons for the application and has, at or about the same time as the auditor gave the notice to the Commission, notified the credit union in writing of the application to the Commission;

and

(b) the auditor has received the consent of the Commission.

(7) The Commission must, as soon as practicable after receiving a notice from an auditor under subsection (6), notify the auditor and the credit union whether it consents to the resignation.

(8) A statement made by an auditor in an application to the Commission under subsection (6) or in answer to an inquiry by the Commission relating to the reasons for the application—

(a) is not admissible in evidence in any civil or criminal proceedings against the auditor;

and

(b) may not be made the ground of a prosecution, action or suit against the auditor,

and a certificate by the Commission that the statement was made in the application or in the answer to the inquiry by the Commission is conclusive evidence that the statement was so made.

(9) A person aggrieved by a refusal of the Commission to consent to the resignation of an auditor of a credit union may, within one month after the date of the refusal, appeal to the Court against the refusal, and the Court, after giving the auditor and the credit union an

opportunity to be heard, may confirm or reverse the refusal and may make such further order as it thinks just.

(10) Subject to any order of the Court under subsection (9) and to subsection (11), the resignation of an auditor takes effect—

(a) on the date (if any) specified for the purpose in the notice of resignation;

(b) on the date on which the Commission gives its consent to the resignation;

or

(c) on the date (if any) fixed by the Commission for the purpose,

whichever last occurs.

(11) Where on the retirement or withdrawal from a firm of a member the firm will no longer be capable, by reason of the provisions of section 87 (2) *(d)* of acting as auditor of a credit union, the member so retiring or withdrawing must (if not disqualified from acting as auditor of the credit union) give reasonable notice to the credit union of his or her retirement or withdrawal and upon receipt of the notice by the credit union the office of auditor of the credit union becomes vacant.

(12) Within 14 days after the receipt of a notice of resignation, retirement or withdrawal from an auditor of a credit union or, where an auditor of a credit union is removed from office, within 14 days after the removal, the credit union must lodge a notice of the resignation, retirement or withdrawal, or removal, in the prescribed form with the Commission.

or

(b) a reproduction of those matters is kept in a written form approved by the Commission.

(3) A credit union must take all reasonable precautions, including such precautions (if any) as are prescribed, for guarding against damage to, destruction of or falsification of or in, and for discovery of falsification of or in, any account or accounting record or part of an account or accounting record required by this Act to be kept or prepared by the credit union.

(4) Where a credit union records or stores any matters by means of a mechanical, electronic or other device, any duty imposed by this Act to make an account or accounting record containing those matters available for inspection or to provide copies of the whole or part of an account or accounting record containing those matters is to be construed as a duty to make the matters available for inspection in written form or to provide a document containing a clear reproduction in writing of the whole or part of them, as the case may be.

(5) A writing that purports to reproduce matters recorded or stored by means of a mechanical, electronic or other device is, unless the contrary is established, to be taken to be a reproduction of those matters.

(6) Notice of an order under subsection (5) must be published in the *Gazette*.

(7) The Commission may not make an order in relation to a credit union, or a class of credit unions, under this section unless the Commission is of the opinion, in respect of each requirement of this Act specified in the order, that compliance with the requirement—

(b) would be inappropriate to the circumstances of the credit union, or of the credit unions included in that class, as the case may be;

or

(c) would impose unreasonable burdens on—

(i) the credit union, an officer of the credit union or the auditor of the credit union;

or

or

(b) to prevent undue hardship—

(i) to an alleged victim of crime; 72/1990

or

(ii) to a witness or potential witness in civil or criminal proceedings who is not a party to those proceedings,

the court may, subject to this section, make such an order.

(2) Where the question of making a suppression order (other than an interim suppression order) is under consideration by a court—

(a) the public interest in publication of information related to court proceedings, and the consequential right of the news media to publish such information, must be recognized as considerations of substantial weight;

and

(b) the court may only make the order if satisfied that the prejudice to the proper administration of justice, or the undue hardship, that would occur if the order were not made should be accorded greater weight than the considerations referred to above.

(3) Where an application is made to a court for a suppression order, the court may, without inquiring into the merits of the application, make such an order (an "interim suppression order") to have effect, subject to revocation by the court, until the application is determined; but if such an order is made the court must determine the application as a matter of urgency and, wherever practicable, within 72 hours after making the interim suppression order.

(4) A suppression order may be made subject to such exceptions and conditions as the court thinks fit and specifies in the order.

(6) A suppression order may be varied or revoked by the court by which it was made, on the application of any of the persons entitled to make submissions by virtue of subsection (5) *(a)*.

(7) On an application for the making, variation or revocation of a suppression order—

(a) a matter of fact is sufficiently proved if proved on the balance of probabilities;

(b) if there appears to be no serious dispute as to a particular matter of fact, the court (having regard to the desirability of dealing expeditiously with the application) may—

and

(ii) accept the relevant fact as proved.

(8) An appeal lies against—

(a) a suppression order or a decision by a court not to make a suppression order;

(d) a person who had, in the opinion of the primary court, a proper interest in the question of whether a suppression order should be made;

but a person who did not appear before the primary court may only bring an appeal, or be heard on an appeal, by leave of the appellate court (which will be granted if the appellate court is satisfied that that person's failure to appear before the primary court is not attributable to a lack of proper diligence).

(10) Where a court makes a suppression order (other than an interim suppression order), the court must—

(a) immediately forward to the Registrar a copy of the order;

and

(b) within 30 days forward to the Attorney-General a report setting out—

(ii) the name of any person whose name is suppressed from publication;

(iii) a transcript or other record of any evidence suppressed from publication;

and

(iv) full particulars of the reasons for which the order was made.

(11) Where a court varies or revokes a suppression order (other than an interim suppression order), the court must forward to the Registrar a written notification of the variation or revocation.

(12) The Registrar will establish and maintain a register of all suppression orders (other than interim suppression orders).

(13) The register will be made available for inspection by members of the public free of charge during ordinary office hours.

(7) The fact that a member has failed to comply with this section in relation to a matter does not, of itself, invalidate a resolution or decision on that matter, but, where it appears that the non-compliance may have had a decisive influence on the passing of the resolution or the making of the decision, the Supreme Court may, on the application of the Board, the Minister or any person affected by the resolution or decision, annul the resolution or decision and make such ancillary orders as it thinks fit.

PART IV

PASTORAL LEASES

Grant of leases

19. (1) Subject to this Act, the Minister may grant pastoral leases over Crown land.

(2) Where the Minister proposes to make Crown land available for lease for pastoral purposes, the process for taking a lease must be an open competitive process.

(3) Subsection (2) does not apply—

(a) if the Minister is satisfied that special circumstances exist justifying the addition of the land to the holding of an existing lease;

(b) if the land was subject to a pastoral lease that was surrendered upon condition that a further such lease be granted to the same lessee or a nominee of the lessee;

or

(c) if the Minister is satisfied, on the recommendation of the Board, that for any other good and proper reason it would be just and equitable to offer the land to a particular person.

Assessment of land prior to grant of lease

20. The Minister cannot grant a pastoral lease over Crown land—

(a) if the Governor has determined that the land should be set aside or used for some other more appropriate purpose;

or

(b) unless—

(i) the Board is satisfied that the land is suitable for pastoral purposes;

and

(ii) an assessment has been made of the condition of the land.

Execution of leases

21. Where—

(a) a document intended to constitute a pastoral lease is sent to the prospective lessee for execution;

and

(b) the document is not returned duly executed, together with such fees or other amounts as may be required, within a period (which must be at least 30 days) specified in an accompanying notice,

the Minister may decline to enter into the lease and forfeit any deposit or other money paid in connection with it.

Conditions of pastoral leases

22. (1) A pastoral lease will be granted subject to conditions and reservations providing for the following matters (but no others):

(a) general conditions providing for—

(i) the area of land subject to the lease;

(ii) the term of the lease;

(iii) the payment of rent annually in arrears;

(iv) the lessee's obligation to pay in the due manner all rates, taxes and other government charges in relation to the land;

(v) the lessee's obligation to comply with the following Acts and any regulations under those Acts to the extent that they apply in relation to the land:

(A) the *Animal and Plant Control (Agricultural Protection and Other Purposes) Act, 1986*;

(B) the *Dog Fence Act, 1946*;

(C) the *Mining Act, 1971*;

(D) the *Petroleum Act, 1940*;

(E) the *Soil Conservation Act, 1939*;

(F) the *Water Resources Act, 1976*;

and

(G) any other prescribed Act;

(vi) the lessee's obligation not to hinder or obstruct any person who is exercising a right of access to the land pursuant to this Act or any other Act;

(b) land management conditions providing for—

(i) the lessee's obligation not to pasture (as part of the commercial enterprise under the lease) any species of animal on the land other than the species specified in the lease, except with the prior approval of the Board;

(ii) the lessee's obligation to ensure that numbers of stock on the land or a particular part of the land do not exceed the maximum levels specified in the lease, except with the prior approval of the Board;

(iii) the lessee's obligation not to use the land for any purpose other than pastoral purposes, except with the prior approval of the Board;

(iv) the lessee's obligation to maintain existing fencing in a stockproof condition;

(v) the lessee's obligation to maintain existing constructed stock watering points in proper working order;

(vi) the lessee's obligation to close off specified areas on the land, or to close or move specified access points on the land, for the purposes of rehabilitation of degraded land;

(c) reservations providing for—

(i) the property in minerals, petroleum, underground waters and live or dead standing timber on or under the land to be vested in the Crown;

(ii) the right of the Commissioner of Highways to establish public roads across the land.

(2) The form of a pastoral lease and any matters (such as maximum stock levels) to be specified in the conditions of a lease will be determined by the Board.

(3) The only conditions of a pastoral lease that can be varied by the Board pursuant to this Act are the land management conditions.

(4) Nothing in this Act prevents a lessee and the Board from entering into an agreement for the variation of a condition of the lease.

Rent

23. (1) The rent payable under a pastoral lease will be an amount determined annually by the Valuer-General and will, subject to subsection (3), be payable annually in arrears, but cannot, in respect of any year, exceed (in relation to land used for the pasturing of sheep or beef cattle) the fixed maximum rent for that year.

(2) For the purposes of subsection (1), the fixed maximum rent for a particular year is—

(a) for the first year after the commencement of this section—

(i) 80 cents for each head of sheep;

and

(ii) $2.40 for each head of cattle;

(b) for the second year or each succeeding year—the maximum rent for the year immediately preceding it increased by the sum of—

(i) the Consumer Price Index (all groups index for Adelaide) as at 30 June in that preceding year;

and

(ii) 10 per cent of the maximum rent for that preceding year,

based on the number of stock carried on the land during the preceding year (as determined in accordance with section 42) or the average number of stock carried on the land over the preceding 20 years, whichever is the lesser.

(3) The board may, for the purposes of administrative efficiency, fix a common day by which the rent under all pastoral leases must be paid in each year and, for that purpose, rental accounts for a period greater or less than a year may be sent to lessees.

(4) In making a determination of rent in respect of a pastoral lease for a particular year, the Valuer-General—

(a) must not take into account the value of improvements that do not belong to the Crown;

and

(b) must have regard to—

(i) the capacity of the land to carry stock;

(ii) the numbers of stock actually carried on the land during the previous year (as determined in accordance with section 42);

(iii) the proximity and accessibility of markets and facilities affecting the profitability of the commercial enterprise under the lease;

and

(iv) any other factors that affect the determination of a fair market rental for the land.

(5) The Board may, if it thinks that a case of hardship exists, waive or defer payment of any rent, or part of any rent, unconditionally or subject to such conditions as the Board thinks fit.

Term of pastoral leases

24. (1) Subject to subsection (2), a pastoral lease will be granted for a term of 42 years.

(2) Where a lessee surrenders two or more pastoral leases for the purposes of merger of the leases, the term of the lease to be granted to the lessee will be such term as the Board, having regard to the terms of the surrendered leases, thinks appropriate.

Extension of term of pastoral leases

25. (1) Subject to this Act, the Board will, by notice in writing given to the lessee in the last year of each 14 year period of the term, extend the term of a pastoral lease by a period of 14 years.

(2) The Board must cause an assessment of the condition of the land comprised in a pastoral lease to be carried out before commencing to consider the extension of the term of the lease.

(3) The Board has a discretion not to extend the term of a pastoral lease if satisfied—

(a) that there has been a wilful breach of a condition of the lease resulting in, or likely to result in, degradation of the land;

or

(b) that the lessee has, without reasonable excuse, failed to discharge a duty imposed by section 7.

(4) If the Board refuses to extend the term of a pastoral lease, the lessee may at any time apply to the Board for extension of the term of the lease.

(5) If the Board is satisfied on an application under subsection (4) that grounds for refusal no longer exist, it may extend the term of the lease by such period as will bring the balance of the term to 42 years.

Variation of land management conditions

26. (1) The Board may, by notice in writing to the lessee, vary the land management conditions of a pastoral lease to take effect at the commencement of the next 14 year period of the term of lease.

(2) The Board cannot vary the conditions of a lease pursuant to subsection (1) unless—

(a) the assessment of the condition of the land required by this Act has been completed;

(b) the notice to the lessee is given at least four months before the variation will take effect;

and

(c) the lease conditions as varied by the Board are accepted by the lessee.

(3) If the lessee does not accept the variation of the lease conditions, the term of the pastoral lease will not be extended.

(4) Any variation of the conditions of a pastoral lease must accord with the terms of any property plan that has been approved in respect of the lease.

Exemption from stamp duty

27. The grant of a pastoral lease or extension of the term of a lease is exempt from stamp duty.

Dealing with pastoral leases

28. (1) Subject to the conditions of the lease, the interest of the lessee under a pastoral lease cannot be transferred, assigned, mortgaged, sublet or otherwise dealt with without the consent of the Minister.

(2) The Minister must not unreasonably or capriciously refuse or withhold consent under subsection (1).

(3) Where a lessee transfers or assigns his or her interest under a pastoral lease, all accrued and accruing liabilities pass to the transferee or assignee.

(4) Any such liabilities that had accrued before the date of the transfer or assignment may be enforced against the transferor or assignor (who will be regarded as jointly and severally liable with the transferee or assignee).

(5) A pastoral lease can be wholly or partially surrendered with the consent of the Minister (which may be unconditional or subject to conditions) and, subject to subsection (6), the consent of all persons who have a registered interest in or caveat over the lease.

(6) If it appears to the Minister that a consent has been unreasonably withheld, the Minister may accept the surrender notwithstanding the absence of that consent.

(7) Where the surrender of a pastoral lease is conditional on the granting of an interest in the land to the lessee or any other person, an interest or caveat registered on the lease continues in force and will be endorsed on the new lease or other documents of title, unless the holder of the interest or caveat consents to its discharge.

(8) Where the surrender of a pastoral lease is not conditional on the granting of an interest in the land to the lessee or any other person, the land reverts to the Crown freed from all encumbrances and claims.

Agreements to deal with a lease

29. Where an agreement is entered into under which the parties agree to transfer, assign, mortgage, sublet or otherwise deal with a pastoral lease, the agreement will expire 12 months after its execution unless the consent of the Minister to the transfer, assignment, mortgage, subletting or other dealing has been obtained.

Consent to certain share transfers in pastoral company

30. (1) Where a company—

(a) is a lessee under a pastoral lease;

or

(b) is a party to an agreement for the transfer, assignment, mortgage or subletting of a pastoral lease to the company,

no change in the ownership of the shares of the company can be effected without the prior consent of the Minister, if the change in ownership would result in a controlling interest in the company being held by some person, or by some other person than the present holder of such an interest.

(2) Subsection (1) does not apply to a change in ownership of shares effected by a will or other testamentary disposition.

Alteration of boundaries

31. (1) If the Board is satisfied that the boundary of land subject to a pastoral lease does not reflect the land actually occupied by the lessee, the Minister may, by notice in writing to the lessee, alter the boundary accordingly.

(2) The Minister may, in the same notice, vary the rent payable under the lease to take into account the increase or reduction in value of the lease that results from the alteration of the boundary.

(3) On registration by the Registrar-General of a boundary alteration pursuant to this section—

(a) the alteration takes effect;

and

(b) all registered interests or caveats to which the pastoral lease is subject extend over the lease as so altered.

Resumption of land

32. (1) The Minister may, by notice in the *Gazette*, resume any pastoral land.

(2) Before a notice is published under subsection (1), the Minister must give written notice of intention to resume to the lessee under the pastoral lease affected by the proposal.

(3) The resumption takes effect on a day specified in the notice in the *Gazette*, which must be a day falling at least six months after the date on which that notice is given.

(4) Where the whole of the land subject to a pastoral lease is resumed, the resumption operates to cancel the lease.

(5) Where part only of the land subject to a pastoral lease is resumed—

(a) the area of land resumed is excised from the area to which the lease formerly applied;

and

(b) the lease continues to apply to the remainder of that land subject to—

(i) any variation of its conditions specified in the notice;

(ii) any variation of its conditions determined by the Tribunal on the application of the lessee (and any such variation may, according to the Tribunal's determination, operate in addition to or in substitution of a variation under subparagraph (i)).

Abandonment of land

33. If land subject to a pastoral lease has been abandoned, the Board may cancel the lease.

Vacation of land

34. (1) Where the lessee or former lessee under a pastoral lease vacates the land leaving behind property, the Minister may, by notice in writing, require him or her to remove the property within a stipulated period.

(2) If the notice is not complied with within the stipulated period, the Minister may remove and dispose of the property.

(3) Any costs incurred by the Minister under subsection (2) that are not covered by the proceeds (if any) of the sale of the property may be recovered as a debt from the person to whom the notice under subsection (1) was given.

(4) Any surplus proceeds of the sale of the property must be paid to the lessee or former lessee.

Penalties for late payment of rent

35. (1) The Minister may, by notice in the *Gazette*—

(a) fix a scale of penalties to be paid by lessees for late payment of rent or any other amount due under pastoral leases;

(b) vary or revoke a scale previously fixed under this section.

(2) Any such penalty will be regarded as an amount that is due and payable under the pastoral lease.

(3) The Board may, for proper reasons, remit a penalty under this section in whole or part.

Waiver

36. The Board may, if it thinks special reason exists for doing so, waive a breach of, or non-compliance with, a condition of a pastoral lease unconditionally or subject to conditions.

Cancellation of lease or imposition of fine on breach of conditions

37. (1) Subject to subsection (2), the Board may—

(a) impose a fine on the lessee under a pastoral lease of an amount not exceeding $10 000;

or

(b) cancel a pastoral lease,

if satisfied that a breach of a condition of the lease has occurred.

(2) The Board cannot cancel a pastoral lease unless satisfied—

(a) that the lessee has been allowed a reasonable opportunity to make good the breach but has failed to do so;

or

(b) that cancellation is necessary in order to prevent, arrest or minimize damage to or deterioration of the land.

(3) On cancelling a pastoral lease under this section, the Board may—

(a) order that the lessee or the holder of any registered interest in or caveat over the lease be compensated for loss suffered as a result of the cancellation to such extent as the Board thinks fit (but the total amount payable under all such orders must not exceed the market value of the lessee's interest less the costs incurred by the Board in taking action under this section);

or

(b) make such incidental or ancillary orders as it thinks fit.

(4) On cancellation of a pastoral lease under this section, the land is freed from all encumbrances and claims.

(5) Fines imposed under this section—

(a) are payable by the Board into the General Revenue of the State;

and

(b) if unpaid, may be recovered by the Board from the lessee as a debt.

Cancellation of pastoral lease obtained by false statement

38. The Board may cancel a pastoral lease if satisfied that the lease was obtained under this Act by a false declaration or statement.

Compensation

39. (1) A lessee is entitled to compensation on—

(a) resumption of pastoral land;

or

(b) expiry of a lease pursuant to a refusal to extend its term under section 25 or 26.

(2) The amount of the compensation—

(a) will be determined by agreement between the Minister and the lessee or, in default of agreement, by the Land and Valuation Court;

and

(b) must be based on the market value of the pastoral lease as if the lease were not being resumed or were not expiring but had been duly extended in accordance with this Act.

Notice of adverse action to be given to holders of registered interests or caveats

40. (1) The Board or the Minister (as the case may require) must—

(a) before resuming any pastoral land;

(b) before cancelling a lease pursuant to this Part;

or

(c) on making a decision under this Part not to extend the term of a lease,

give written notice of the action to all persons who have a registered interest in or caveat over the lease.

(2) Notice of a proposed resumption or cancellation must be given at least 14 days before the proposal is implemented.

PART V

LAND MANAGEMENT AND PROTECTION

Property plans

41. (1) If the Board is of the opinion that pastoral land has, from any cause, been damaged, or is likely to suffer damage or deteriorate, and that in order to prevent, arrest or minimize damage to or deterioration of the land, or to rehabilitate the land, it is necessary that action under this section be taken, the Board may, by notice in writing to the lessee, require the lessee—

(a) to submit to the Board a plan (a "property plan") detailing the proposed management of the pastoral land over a specified period;

or

(b) to submit to the Board a revised property plan,

in accordance with the terms of the notice.

(2) The Board must not, in exercising its powers under subsection (1), act capriciously or vexatiously.

(3) A property plan must contain such information as the Board may require.

(4) The Board may—

(a) approve, by endorsement, a property plan or revised property plan;

(b) refer the plan back to the lessee for modification;

or

(c) reject the plan and—

(i) require, by notice in writing, the lessee to submit a fresh plan;

or

(ii) prepare (or revise, as the case may be) a property plan itself and recover the cost of doing so from the lessee as a debt.

(5) If a lessee fails to comply with a notice under subsection (1) or (4), the Board may prepare a property plan or revised property plan in respect of the pastoral land and recover the cost of doing so from the lessee as a debt.

(6) A property plan or revised property plan prepared by the Board pursuant to subsection (4) or (5) will be taken to be an approved property plan for the land to which it relates.

(7) The Board may, by endorsement, approve a property plan voluntarily submitted to the Board by a lessee.

(8) An approved property plan may, with the approval of the Board, be varied by the lessee.

(9) A property plan or revised property plan must be prepared in consultation with the soil conservation authority for the area in which the pastoral land to which the plan relates is located.

(10) If a lessee fails, without reasonable excuse—

(a) to comply with a notice under subsection (1) or (4);

or

(b) to implement an approved property plan,

the failure constitutes a breach of the conditions of the pastoral lease.

Verification of stock levels

42. (1) The lessee under a pastoral lease must, not later than 30 April in each year, furnish the Board with a statutory declaration as to stock levels on the pastoral land.

(2) For the purpose of ascertaining at any time the amount of stock on pastoral land, or on any particular area of pastoral land, the Board may, by notice in writing to the lessee—

(a) require the lessee to furnish the Board, within a specified time, with a statutory declaration as to stock levels on the land;

or

(b) require the lessee to muster stock in accordance with the terms of the notice in order to allow a person authorized by the Minister to count the stock.

(3) A statutory declaration furnished pursuant to this section must contain such information as the Board may require.

(4) If a lessee fails to comply with a notice under subsection (2) *(b)*, the Board may cause the muster to be carried out and, subject to subsection (5), may recover the cost of doing so from the lessee as a debt.

(5) If a muster carried out pursuant to this section verifies that the stock levels as declared by the lessee in accordance with this section were accurate, the cost of carrying out the muster will be borne by the Crown.

(6) A declaration as to stock levels will be taken to be accurate if a subsequent muster finds that the numbers of stock on the land are less than or do not exceed by more than 10 per cent the declared levels.

(7) If a lessee fails, without reasonable excuse, to comply with a requirement of, or notice under, this section, the failure constitutes a breach of the conditions of the pastoral lease.

Notices to destock or take other action

43. (1) If the Board is of the opinion that pastoral land has, from any cause, been damaged, or is likely to suffer damage or deteriorate, and that in order to prevent, arrest or minimize damage to or deterioration of the land, or to rehabilitate the land, it is necessary that action under this section be taken, the Board may, by notice in writing to the lessee, require the lessee to do any one or more of the following:

(a) remove a specified number of stock from the land or a particular part of the land;

(b) keep the amount of stock on the land or a particular part of the land to a specified level, or to keep no stock at all on that land;

(c) carry out specified improvements to or land treatment works on the land;

(d) adopt or desist from specified land management practices,

in accordance with the terms of the notice.

(2) A notice under subsection (1) may provide—

(a) that it is to have effect for a specified period;

or

(b) that it is to have effect until the Board, on the application of the lessee, directs that the notice cease to operate.

(3) The Board may, by notice in writing to the lessee, vary or revoke a notice under this section.

(4) If a lessee fails to comply with a notice under subsection (1), the Board may cause the required action to be carried out and may recover the cost of doing so from the lessee as a debt.

(5) If a lessee fails to comply with a notice under subsection (1), the failure constitutes a breach of the conditions of the pastoral lease.

Reference areas

44. (1) The Board may, by notice in the *Gazette*, declare a specified area of pastoral land to be a reference area for the purposes of evaluating the effect that the grazing of stock has on the land.

(2) A reference area—

(a) cannot exceed one square kilometre in size;

and

(b) will, where necessary, be fenced by the Minister.

(3) A lessee is not obliged to maintain a reference area or its fences, subject to any agreement between the lessee and the Minister to the contrary.

(4) The lessee of pastoral land on which a reference area is established—

(a) must not, if the area is fenced, allow any stock within the reference area;

and

(b) must, if the Board so requires, inspect the area and its fences and make reports to the Board in accordance with the directions of the Board.

Penalty: Division 6 fine.

(5) The Board may, by notice in the *Gazette*, vary or revoke a notice under this section.

(6) The lessee of pastoral land on which a reference area is established is not entitled to compensation for any reduction in the value of the lease resulting from the establishment of the reference area, but any such reduction in value will be taken into account when the lease is next revalued for the purposes of rent determination.

PART VI

ACCESS TO PASTORAL LAND

DIVISION I—PUBLIC ACCESS ROUTES AND STOCK ROUTES

Establishment of public access routes and stock routes

45. (1) A public access route is a route dedicated as a public access route pursuant to this section.

(2) A stock route is a route—

(a) delineated as a stock route on a prescribed plan;

or

(b) dedicated as a stock route pursuant to this section.

(3) The Board may, by notice in the *Gazette*—

(a) dedicate delineated routes over pastoral land as public access routes or stock routes, or both;

or

(b) vary or revoke a notice under this section.

(4) A map in a notice published under this section must also show all public roads that cross the pastoral land, and all stock routes delineated on a prescribed plan that cross the land.

(5) A notice must not be published under this section unless—

(a) the proposal to be implemented by the notice has been published in a newspaper circulating generally in the State inviting members of the public to comment on the proposal within a specified period of not less than three months;

(b) the Board has considered any such comments;

and

(c) the Board has consulted with—

(i) all pastoral lessees affected by the proposal;

(ii) the soil conservation authority for the area within which the public access route or stock route lies;

and

(iii) such organizations as the Board believes have an interest in the matter.

(6) Subsection (5) does not apply in relation to the temporary closure of a public access route or stock route, or any part of such a route, pursuant to subsection (7).

(7) On being satisfied, on the application of a lessee, that it is necessary to do so for the purposes of the safety of the public, the management of stock or the carrying out of rehabilitative work on land adjacent to the route, the Board may, by notice in the *Gazette*, temporarily close a public access route or a stock route, or a part of such a route and, for

that purpose, may require the lessee to erect such signs or barriers as the Board thinks fit for the purpose of warning the public of the closure.

(8) If a public access route or a stock route as delineated on a prescribed plan or on a map published under this section differs from the route as it exists on the ground or as marked out on the ground, the latter prevails.

(9) On a public access route or stock route being established—

(a) the lessee's rights under the pastoral lease over the land comprising the route cease;

and

(b) the care, control and management of the route is vested in the Minister,

but the Minister is not thereby obliged to maintain any such route.

(10) Notwithstanding subsection (9), the Minister may, if of the opinion that an access route has suffered considerable damage as a result of it being used by members of the public, contribute towards the repair or maintenance of the route.

(11) A lessee of pastoral land over which a public access route or stock route is established is not obliged and cannot be required to keep stock off the route, and may use the route for the purposes of droving stock.

(12) The lessee of pastoral land over which a public access route or stock route is established is not entitled to compensation for any reduction in the value of the lease resulting from establishment of the route, but any such reduction in value will be taken into account when the lease is next revalued for the purposes of rent determination.

DIVISION II—TRAVELLING STOCK

Travelling with stock

46. (1) A person may, after giving notice in accordance with the regulations to the lessee of pastoral land, travel with stock across the land.

(2) Where the predominant purpose of a person exercising the powers conferred by subsection (1) is to obtain feed for the stock from land comprised in the lease, that person is liable to pay compensation to the lessee in accordance with the regulations.

(3) A person who exercises powers conferred by this section—

(a) must—

(i) if there is a stock route across the land—use the stock route;

(ii) if there is no such stock route—use a route directed by the lessee;

(iii) in the absence of a stock route and directions from the lessee—use the most direct practicable route;

(b) must travel the stock across the land—

(i) in the case of sheep—not less than 8 kilometres each day;

(ii) in the case of cattle—not less than 16 kilometres each day;

and

(c) must comply with any conditions imposed by the regulations.

Penalty: Division 8 fine.

(4) If pastoral land is fenced, the lessee must, for the purpose of facilitating the exercise of rights conferred by this section—

(a) provide a gate or other means of access at any point at which the fence is intersected by a stock route;

and

(b) provide such other gates or other means of access as are necessary so that the length of fence between points of access does not exceed 16 kilometres.

Penalty: Division 8 fine.

DIVISION III—PUBLIC ACCESS

(2) Subsection (1) does not give an Aborigine a right to camp—

(a) within a radius of one kilometre of any house, shed or other outbuilding on pastoral land;

or

(b) within a radius of 500 metres of a dam or any other constructed stock watering point.

Right to travel across and camp on pastoral land

(2) Subject to this Act, a person may, on giving oral or written notice to the lessee, travel across pastoral land (otherwise than on a public access route) by any means other than a motor vehicle, a horse or a camel and, in the course of so travelling, camp temporarily on the land.

(3) Subject to this Act, a person may, with the consent of the lessee or the Minister, travel across pastoral land (otherwise than on a public access route) by means of a motor vehicle, a horse or a camel and, in the course of so travelling, camp temporarily on the land.

(4) This section does not give a person the right to camp—

(a) within a radius of one kilometre of any house, shed or other outbuilding on the land;

or

(b) within a radius of 500 metres of a dam or any other constructed stock watering point on the land.

(5) A person who proposes to travel across or camp on pastoral land in the manner referred to in subsection (3) must first seek the lessee's consent to the proposal and the lessee may refuse that consent if of the opinion that it is necessary to do so for the purposes of the safety of the public, the management of stock or the carrying out of rehabilitative work on the land or for any other good and sufficient reason.

(6) If the lessee refuses to consent to a proposal under subsection (5), the person may seek the Minister's consent to the proposal.

(7) The Minister may, without consulting the lessee, consent to the proposal but, if the Minister consents to the proposal without consulting the lessee, the proposal cannot be carried out until the Minister has notified the lessee that consent has been given.

(8) The Minister incurs no liability by virtue of giving consent to a proposal to travel across or camp on pastoral land.

(9) For the purposes of this section, camping is temporary if it is for a period not exceeding two weeks or, if some other greater or lesser period is prescribed in respect of a particular area, that period in relation to camping in that area.

Public access not to be obstructed

49. (1) A person must not, without lawful authority, place any obstruction across a public access route or stock route.

Penalty: Division 8 fine.

(2) If any pastoral land over which a public access route is established is fenced, the lessee—

(a) must provide a gate or other means of access at the point of intersection;

and

(b) must keep any such gate unlocked.

Penalty: Division 8 fine.

No. 58 of 1989

An Act to regulate shareholdings in Santos Limited while that company, or a subsidiary of that company, engages in the recovery and production of petroleum within the State; to repeal the Santos (Regulation of Shareholdings) Act, 1979; and for other purposes.

[*Assented to 26 October 1989*]

The Parliament of South Australia enacts as follows:

Short title

1. This Act may be cited as the *Santos Limited (Regulation of Shareholdings) Act, 1989.*

Commencement

2. This Act will come into operation on a day to be fixed by proclamation.

Interpretation

3. (1) In this Act, unless the contrary intention appears—

"the Code" means the *Companies (South Australia) Code*:

"the Company" means Santos Limited:

"director" has the meaning assigned by section 5 (1) of the Code:

"officer", in relation to the Company, has the meaning assigned by section 5 (1) of the Code:

"petroleum" has the meaning assigned by section 3 (1) of the *Petroleum Act, 1940*:

"relevant interest", in relation to shares in the Company, has the same meaning as the expression has for the purposes of Division 4 of Part IV of the Code:

"share", in relation to the Company, means a share in the share capital of the Company and includes stock:

"subsidiary", in relation to the Company, has the same meaning as the expression has for the purposes of the Code:

"voting share" has the meaning assigned by section 5 (1) of the Code.

(2) For the purposes of this Act, a person is an associate of another—

(a) if the person is an associate of the other for the purposes of Division 4 of Part IV of the Code;

or

(b) if the Minister—

(i) is of the opinion that the person and the other are likely to act in concert with a view to taking control of the Company or otherwise against the public interest;

and

(ii) by notice in writing served on the Company, declares that the person is an associate of the other.

(3) Where notice of a declaration under subsection (2) is served on the Company, the Minister must, at the same time or as soon as practicable thereafter, cause written notice of the declaration to be served on the persons to whom the declaration relates.

(4) For the purposes of this Act, the voting shares in the Company to which a person (being the Company or any other person) is entitled include—

(a) voting shares in which the person has a relevant interest;

and

(b) voting shares in which an associate of the person has a relevant interest.

(5) A reference in this Act to the Code is a reference to the Code as it would apply if references in the Code to a corporation or company included references to—

(a) a body corporate of any kind wherever formed or incorporated and whether formed or incorporated under the Code or any other law;

(b) any unincorporated society, association, company of proprietors or other body, wherever formed, that, under the law of its place of formation, may sue or be sued, or may hold property in the name of the secretary or some other officer of the society, association or body, or in the name of any trustee or trustees;

and

(c) any unincorporated society, association, company of proprietors or other body or undertaking to which is applied, under the laws of the place of its formation, with or without exceptions, a law in force in that place relating to companies or corporations as if it were a company or corporation within the meaning of that law.

(6) The regulations may provide that relevant interests, or particular classes of relevant interests, in shares, or in particular classes of shares, are, in such circumstances and subject to such conditions (if any) as are specified in the regulations, to be disregarded for such purposes as are specified in the regulations.

(7) If the whole or a portion of the share capital of the Company consists of stock, a reference in this Act to a number of shares in the Company as a percentage is, in relation to an amount of stock, a reference to the amount of stock that represents that number of shares.

(8) If a person has a right to have transferred to him or her shares in the Company that are held by another, the first mentioned person is to be taken, for the purposes of this Act (other than section 9 (3)), to hold the shares.

Application of Act

4. (1) This Act applies in relation to the Company only so long as the Company, or a subsidiary of the Company, engages in the recovery and production of petroleum within the State.

(2) This Act (including any provision of the Code referred to or applied for the purposes of this Act) applies in relation to any transaction, agreement, arrangement, understanding or undertaking—

(a) whether the transaction, agreement, arrangement, understanding or undertaking is entered into, or made, in this State or elsewhere;

(b) whether the shares (if any) to which the transaction, agreement, arrangement, understanding or undertaking relates are registered in this State or elsewhere;

and

(c) whether the proper law of the transaction, agreement, arrangement, understanding or undertaking is the law of this State or not.

Prohibited shareholding interest

5. (1) A person has a prohibited shareholding interest in the Company if the person is entitled to voting shares in the Company that together constitute more than 15 per cent of the total number of voting shares in the Company.

(2) For the purposes of this Act, the Company cannot have a prohibited shareholding interest in itself.

Prohibition on having entitlement to more than 15 per cent of the voting shares in the Company

6. It is unlawful for a person to have a prohibited shareholding interest in the Company.

Power to require information relating to entitlement to shares in the Company

7. (1) The Minister, or a director or the secretary of the Company, may, by notice in writing served on a person who has, or is suspected by the Minister, director or secretary, as the case may be, of having, a relevant interest in shares in the Company, require the person to furnish information specified in the notice for the purpose of determining whether that person or any other person has, or is taking action to acquire, a prohibited shareholding interest in the Company.

(2) A notice under subsection (1) may require the person on whom the notice is served, or, if that person is a corporation, two directors of the corporation, to verify by statutory declaration any information furnished in compliance with the notice.

(3) If—

(a) a person on whom a notice under subsection (1) has been served fails to furnish, within the time allowed in the notice, the information required by the notice, verified as required by the notice;

or

(b) information furnished by the person in response to the notice is, in the opinion of the Minister, by reason of anything included in it or omitted from it, false or misleading in a material particular,

the Minister may, by reason only of that fact, by notice in writing served on the Company, do one or more of the following:

(c) declare that the person is an associate of another, or that another is an associate of that person;

(d) declare that the person, or another to whom a declaration under paragraph *(c)* relates, has a relevant interest in specified shares in the Company;

(e) declare that the voting rights attaching to the shares to which a declaration under paragraph *(d)* relates are suspended;

(f) declare that the person, or another to whom a declaration under paragraph *(c)* relates, has a prohibited shareholding interest in the Company.

(4) Where notice of a declaration under subsection (3) is served on the Company, the Minister must, at the same time or as soon as practicable thereafter, cause written notice of the declaration to be served—

(a) on the person to whom the declaration relates;

and

(b) in the case of a declaration under paragraph *(e)* of that subsection—on the holder of the shares to which the declaration relates.

Disposal, forfeiture, etc., of shares where prohibited shareholding interest

8. (1) Where the Minister—

(a) makes a declaration under section 7 (3);

or

(b) forms the opinion and, by notice in writing served on the Company, declares under this subsection,

that a person (in this section referred to as "the offender") has a prohibited shareholding interest in the Company, the Minister may, by notice in writing served—

(c) if the offender holds voting shares in the Company to which the offender is entitled—on the offender;

or

(d) on any other person who holds voting shares in the Company to which the offender is entitled,

declare that the offender or that other person must dispose of the relevant number of those shares, or a specified number of those shares not exceeding the relevant number, otherwise than to an associate of the offender within a period specified in the notice, being not less than three months after service of the notice.

(2) For the purposes of subsection (1), the relevant number of shares that a person may be required by a notice under that subsection to dispose of otherwise than to an associate of the offender is—

(a) subject to paragraph *(b)*, the number of shares held by the person that would need to be so disposed of in order to cause the offender to cease to have a prohibited shareholding interest in the Company;

or

(b) if, after all the shares in the Company held by the person to which the offender is entitled were so disposed of, the offender would continue to have a prohibited shareholding interest in the Company—the total number of those shares.

(3) For the purposes of this section, a person is not to be taken to have disposed of shares in the Company to which an offender is entitled unless and until the person ceases to hold the shares and the offender ceases to be entitled to the shares.

(4) If a person served with notice of a declaration under subsection (1) requiring the person to dispose of shares in the Company fails to comply with the notice within the period specified in the notice, the shares to which the notice relates are, by force of this subsection, forfeited to the Crown.

(5) If a transaction is entered into with respect to any shares in the Company and—

(a) a person who did not, before the transaction occurred, have a prohibited shareholding interest in the Company would, but for this subsection, have such an interest after the transaction;

or

(b) a person who, before the transaction occurred, had a prohibited shareholding interest in the Company would, but for this subsection, be entitled after the transaction

to a greater number of voting shares in the Company than the person was entitled to immediately before the transaction,

the transaction is illegal and void.

(6) If voting shares in the Company have been transferred as a result of a transaction that is illegal and void by virtue of subsection (5), the Minister may, by notice in writing served on the transferee, declare that the shares are forfeited to the Crown.

(7) The Minister must cause written notice of—

(a) a declaration under subsection (1) requiring a person to dispose of shares in the Company;

or

(b) a declaration under subsection (6) that shares in the Company are forfeited to the Crown,

to be served on the Company.

(8) A director or secretary of the Company may, before a transfer of shares in the Company is registered, require the transferee, or, if the transferee is a corporation, two directors of the transferee corporation, to make a statutory declaration to the effect that the transaction to which the transfer relates was not a transaction to which subsection (5) applies.

(9) If a requirement under subsection (8) is not complied with, the Company may refuse to register the transfer in relation to which the requirement was made.

Voting rights in respect of certain shares

9. (1) This section applies to all voting shares in the Company to which any person who has a prohibited shareholding interest in the Company is entitled.

(2) The aggregate voting rights to be attached to the shares to which this section applies are, in lieu of the voting rights that would, but for this subsection, be so attached, the voting rights (in this section referred to as "the relevant voting rights") that would be so attached if those shares constituted 15 per cent of the total number of voting shares in the Company.

(3) Each person who holds any of the shares to which this section applies is entitled to such proportion of the relevant voting rights as the number of those shares held by the person bears to the total number of those shares.

(4) Where written notice is served on the Company of a declaration of the Minister under this Act—

(a) that a person is an associate of another;

or

(b) that a person has a prohibited shareholding interest in shares in the Company,

the declaration is binding and has effect for the purposes of the application of this section in relation to any general meeting of the Company held after receipt by the Company of the notice.

Annulment of certain resolutions of the Company

10. (1) Where the Minister is of the opinion that a resolution of a general meeting of the Company has been passed as a result of the admission of votes that should not, by virtue of a declaration of the Minister under section 7 (3) or by virtue of section 9, have been admitted, the Minister may, by notice in writing served on the Company, declare the resolution to have been (at all times) null and void.

(2) Where notice of a declaration under subsection (1) is served on the Company, the Minister must, at the same time or as soon as practicable thereafter, cause written notice of

the declaration to be served on each person whose votes should not, in the opinion of the Minister, have been admitted.

(3) A notice under subsection (1) does not have any effect unless it is served on the Company within one month after the date of the resolution to which it relates.

Making, review and revocation of declarations by Minister

11. (1) A declaration may be made by the Minister under this Act on the basis of such information as the Minister considers sufficient in the circumstances.

(2) A declaration of the Minister under this Act other than—

(a) a declaration under section 8 (1) requiring a person to dispose of shares in the Company;

or

(b) a declaration under section 8 (6) that shares in the Company are forfeited to the Crown,

is effective when written notice of the declaration is served on the Company irrespective of when or whether service is effected on any other person as provided by this Act.

(3) Where the Minister makes a declaration under this Act—

(a) the Company;

or

or

(b) in any other case—be paid to the person from whom the shares were forfeited.

Immunity of Minister, Commission and Company and its officers and auditors

14. No liability attaches to the Minister, the Corporate Affairs Commission or the Company or any officer or auditor of the Company for any act or omission in good faith and in the exercise or discharge, or purported exercise or discharge, of a power or duty under this Act.

No. 66 of 1989

An Act relating to the marketing of wheat; to repeal the Wheat Marketing Act, 1984; and for other purposes.

[*Assented to 29 October 1989*]

The Parliament of South Australia enacts as follows:

Short title

1. This Act may be cited as the *Wheat Marketing Act, 1989.*

Commencement

2. This Act is to be taken to have come into operation on 1 July, 1989.

Interpretation

3. (1) In this Act—

"the Australian Wheat Board" or "the Board" means the Australian Wheat Board continued in existence under the Commonwealth Act:

"the Commonwealth Act" means the *Wheat Marketing Act 1989* of the Commonwealth, as amended from time to time:

"grain" has the meaning assigned to that word by the Commonwealth Act, but does not include barley or oats.

(2) Except as otherwise provided, a word or expression defined in the Commonwealth Act has the same meaning when used in this Act.

Functions of Australian Wheat Board

4. The Australian Wheat Board has the following functions in addition to those conferred on it by the Commonwealth Act:

(a) to trade in wheat and wheat products;

(b) to make arrangements for the growing of wheat for the purpose of trading in wheat;

(c) to promote, fund or undertake research into matters related to the marketing of wheat or wheat products;

(d) to trade in grain (other than wheat) and grain products to the extent that trading in such grain or grain products will promote an object of the Board under the Commonwealth Act;

(e) to make arrangements for the growing of grain (other than wheat) for the purposes of trading in such grain;

and

(f) such other functions as are conferred on the Board by a law of the State.

Powers of Board

5. (1) The Board has power to do all things that are necessary or convenient to be done in connection with the performance of its functions under this Act.

(2) Without limiting the effect of subsection (1), the Board has power to do anything in connection with the performance of its functions under this Act that it may do under section 7 of the Commonwealth Act in connection with the performance of its functions under that Act.

Directions to Board

6. (1) Subject to this section, the Commonwealth Minister may give written directions to the Board concerning the performance of its functions and the exercise of its powers under this Act, and the Board must comply with any such directions.

(2) The provisions of section 8 (2) and (3) of the Commonwealth Act apply in relation to a direction under subsection (1) as if those provisions were included in this section.

Delegation

7. The Board may, by instrument in writing, delegate any of its powers or functions under this Act to a person to whom powers or functions may be delegated under the Commonwealth Act.

Application of certain provisions of Commonwealth Act

8. The following provisions of the Commonwealth Act apply as if included in this Act:

(a) Divisions 2 and 3 of Part 4;

and

(b) section 74.

Payment by Board

9. (1) Payment in good faith by the Board of any money payable under this Act to the person appearing to the Board to be entitled to receive it discharges the Board from any further liability in respect of that money.

(3) Subsection (1) does not apply—

(a) in relation to a purchaser, or purchase, of a prescribed class;

or

(b) in relation to wheat where the amount required to be paid to the Minister under subsection (1) has been paid in relation to a previous contract for the sale of the wheat.

(4) A purchaser of wheat harvested in a season is to presume conclusively that the seller has consented to the making of payments under this section, but if the seller, by notice in writing given to the Minister during March in that season, indicates that he or she does not consent to the making of such payments in respect of wheat of that season, the Minister must pay to the seller the amount received by the Minister in respect of wheat of that season sold by the seller.

(5) Money received by the Minister pursuant to this section must, pending payment under subsection (2) or (4), be kept in a bank account established for that purpose or may be invested in such manner as the Minister thinks fit.

(6) Any amount earned through investment of money pursuant to subsection (5) must be paid to the Commonwealth for the purposes of the Wheat Research Trust Fund.

(7) Payments made by the Minister to the Commonwealth under this section must be made on the condition that the money so paid is expended in South Australia.

(8) Any amount to be paid to the Minister under this section in relation to a contract for the sale of wheat must be paid to the Minister not later than 21 days after payment, or the first payment, in respect of the wheat is made to the seller under the contract and any amount not so paid to the Minister may be recovered by the Minister, by action in a court of competent jurisdiction, as a debt due to the Minister.

(9) The Minister may establish a committee to advise the Minister on the percentage that should be prescribed for the purposes of this section for wheat of a season and on any other matter relating to the operation of this section on which the Minister may require the committee's advice.

(10) The committee is to consist of three persons appointed by the Minister after consultation with the Grain Section of the United Farmers and Stockowners of S.A. Incorporated.

(11) The members of the committee hold office at the pleasure of the Minister and may conduct proceedings of the committee in such manner as they think fit.

(12) The Minister may, by notice published in the *Gazette*—

(a) prescribe a percentage for the purposes of this section for wheat of a specified season;

(b) prescribe a class of purchasers or purchases to whom or to which this section is not to apply;

(c) prescribe the manner in which the value of wheat is to be ascertained for the purposes of this section.

(13) the Minister may, by notice published in the *Gazette*, vary or revoke a notice under subsection (12).

(14) Proper accounts must be kept of all money received or paid by the Minister under this section and those accounts may at any time and must, at least once in each year, be audited by the Auditor-General.

(15) In this section—

"prescribed" means prescribed by the Minister by notice published in the *Gazette*:

"value" of wheat means its sale value ascertained in the manner prescribed:

"the Wheat Research Trust Fund" means the fund of that name established under the *Rural Industries Research Act 1985* of the Commonwealth, as amended from time to time, or any fund established under that Act or another Act of the Commonwealth in place of that fund.

Repeal and transitional provisions

11. (1) The *Wheat Marketing Act, 1984*, is repealed.

(2) Notwithstanding subsection (1), the *Wheat Marketing Act, 1984* (other than section 21) continues in operation in relation to—

(a) wheat delivered to the Board before 1 July, 1989;

and

(b) wheat in respect of which a permit was issued, or an authorization or consent was given, under that Act.

(3) For the purposes of subsection (2), a reference in the *Wheat Marketing Act, 1984*, to the Australian Wheat Board is, in relation to anything done or to be done after 1 July, 1989, to be read as a reference to the Board as continued in existence by the Commonwealth Act.

(4) If, on the repeal of the *Wheat Marketing Act, 1984*, there is money standing to the credit of the account kept under section 22 of that Act, the money must be applied for the benefit of the wheat industry in such manner as the Commonwealth Minister, after consultation with the Grain Council, directs.

(5) A reference in any other Act to the Australian Wheat Board is, on and from the commencement of this Act, to be read as a reference to the Australian Wheat Board continued in existence under the Commonwealth Act.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.

TABLE OF ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

TABLE OF PUBLIC GENERAL ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

The Acts contained in this Table are those published in the new edition of the South Australian Statutes, 1837-1975, and Acts which have come into force since the publication of the new edition, which have been amended by Acts passed since the 3rd February, 1976, but before the 1st January, 1990.

Acts which have been repealed since April, 1937, are shown in the Table of Acts Repealed. Acts repealed by Acts that had not come into operation before the 1st January, 1990, have not been deleted from this Table of Amendments and Cases. The amendment or repeal of individual provisions is shown, whether or not the amending or repealing Act had come into operation at that date. Acts listed in the Table of Public General Acts had come into operation at 1st January, 1990, unless that Table indicates otherwise.

This Table also contains notes, placed against references to the appropriate sections of the Acts affected, of the reported decisions of the Privy Council, the High Court of Australia, the Supreme Court of South Australia, and the Industrial Court of South Australia, relating to the interpretation of those sections. The cases so noted are those comprised in reports published since 1st April, 1937, and include the cases reported up to the end of 166 Commonwealth Law Reports, up to the end of 47 South Australian State Reports, and up to the end of 56 South Australian Industrial Reports. Volume 13 of the South Australian Statutes, 1837-1975, contains notes of reported cases relating to the provisions of the Acts contained in that work and published prior to 3rd February, 1976.
