- 15 (1) In a criminal trial, evidence of the identity of the defendant is not inadmissible merely because it was obtained other than by an identification parade if the judge is of the opinion that the evidence has sufficient probative value to justify its admission.
- (2) In a criminal trial where the identity of the defendant is in issue, the judge must, if evidence of the identity of the defendant is admitted, inform the jury—
 - 20 (a) of the need for caution before accepting identification evidence; and
 - (b) of the reasons for the need for caution, both generally and in the circumstances of the case.

- (3) In giving any such information, the judge is not required to use any particular form of words but may not make any suggestion that evidence of identification obtained other than by an identification parade is less reliable than evidence of identification obtained by that means unless, in the circumstances of the case, the judge is of the opinion that it is in the interests of justice to do so.
