Part 3A—Spouse members

Division 1—Preliminary

26A—Interpretation

In this Part—

eligible member means a member in respect of whom payments are being made to the Treasurer under section 15B or 26;

prescribed payment means payment of an amount that is a spouse contributions-splitting amount for the purpose of the definition of *contributions-splitting ETP* in section 27A(1) of the *Income Tax Assessment Act 1936* of the Commonwealth;

voluntary death insurance means death insurance granted by the Board under section 26G;

voluntary death insurance benefits means benefits payable in respect of voluntary death insurance.

Division 2—Spouse members

26B—Spouse contributions splitting

(1) Subject to this section, an eligible member may apply to the Board, in a manner approved by the Board, to make a prescribed payment from the member's contribution account or employer contribution account into a rollover account established in the name, and for the benefit, of the member's spouse.

(2) An application under subsection (1), and the making of a prescribed payment following the acceptance of an application, are subject to, and must comply with—

- (a) Division 6.7 of the *Superannuation Industry (Supervision) Regulations 1994* of the Commonwealth (as if the provisions of that Division apply to, and in relation to, the scheme); and

- (b) such terms and conditions as may be specified by the Board.
- (3) The Board may fix fees payable in respect of applications under this section.
- (4) Any fee payable under subsection (3) may be deducted by the Board from—
- (a) the applicant's employer contribution account; or
- (b) if there are insufficient funds in that account—a spouse account established in the name of the applicant's spouse.

26C—Other contributions for spouse members

- (1) An eligible member may make monetary contributions to the Treasurer under this section for crediting to a contribution account in the name of the member's spouse.
- (2) A spouse member may, while the spouse member is the spouse of a member, make monetary contributions to the Treasurer under this section.
- (3) The amount of each contribution under this section must be equal to or exceed the amount prescribed by regulation for the purposes of section 25A.

26D—Spouse members and spouse accounts

- (1) If a prescribed payment, or a monetary contribution under section 26C(1), is made by a member for the benefit of a spouse in respect of whom neither a prescribed payment nor a contribution under section 26C(1) has previously been made, the spouse becomes a *spouse member* of the Triple S scheme by virtue of this subsection.
- (2) The Board must—
- (a) maintain a contribution account in the name of a spouse member who is making or has made contributions to the scheme under section 26C, or in relation to whom contributions are being or have been made by a member under that section; and
- (b) credit the account with the amount of contributions made by the member; and
- (c) debit the account with any payment that is to be charged against the account under this Act.
- (3) The Board must—
- (a) maintain a rollover account in the name of a spouse member—
- (i) for the benefit of whom a prescribed payment has been made; or
- (ii) for whom an amount of money has been carried over from another superannuation fund or scheme to the Triple S scheme; and

**Southern State Superannuation (Insurance, Spouse Accounts and Other Measures) Amendment

Part 2—Amendment of *Southern State Superannuation Act 1994*

- (b) credit the account with the amount of the prescribed payment made, or money carried over for, the spouse member; and
- (c) debit the account with any payment that is to be charged against the account under this Act.

(4) The Board must—

- (a) maintain a co-contribution account in the name of a spouse member in respect of whom a co-contribution has been paid to the Board; and
- (b) credit the account with the amount of any co-contribution paid to the Board in respect of the spouse member; and
- (c) debit the account with any payment that is to be charged against the account under this Act.

(5) The Board may, in an appropriate case, debit against a spouse account an administrative charge fixed by the Board.

(6) However, an administrative charge may not be debited against a spouse member's co-contribution account if the Board is maintaining a contribution account or rollover account in the name of the spouse member and the credit balance (if any) of either or both of those accounts is sufficient to pay the administrative charge.

(7) The Board may, for the purposes of subsection (5), fix different charges depending on the balance of spouse members' accounts or any other relevant factor.

(8) The Governor may, by regulation, make any provision in connection with the operation of subsection (1), including by providing that a specified provision of this Act does not apply to a spouse member or applies to a spouse member subject to any modification prescribed by the regulations.

26E—Accretions to spouse members' accounts

(1) At the end of each financial year, each spouse account that has a credit balance will be adjusted to reflect a rate of return determined by the Board in relation to spouse members' accounts for the relevant financial year.

(2) In determining a rate of return for the purposes of subsection (1), the Board should have regard to—

- (a) the net rate of return achieved by investment of the Southern State Superannuation Fund over the financial year or, where a spouse member has made a nomination under subsection (3), the net rate of return achieved by the class of investments, or the combination of classes of investments, nominated by the spouse member; and
- (b) the desirability of reducing undue fluctuations in the rate of return on spouse members' accounts.

5 (3) If the Fund is invested in different classes of investments, the Board may, with the agreement of the Superannuation Funds Management Corporation of South Australia, permit spouse members, on such terms and conditions as it thinks fit, to nominate the class of investments, or the combination of classes of investments, for the purpose of determining the rate of return under this section.

10 (4) If, under subsection (2)(b), the Board determines a rate of return that is at variance with the net rate of return achieved by investment of the Fund, the Board must include its reasons for the determination in its report for the relevant financial year.

15 (5) If it is necessary to determine the balance of a spouse member's account and the Board has not yet determined a rate of return in relation to the relevant financial year, the balance will be determined by applying a percentage rate of return on accounts estimated by the Board.

(6) A balance determined under subsection (5) will not be adjusted when a rate of return is subsequently determined under subsection (1).

20 (7) A reference in this section to *rate of return* is a reference to a positive or a negative rate of return.

20 **26F—Amalgamation of accounts**

25 (1) If a person who is a spouse member is, or becomes, a member of the scheme, the Board may transfer the amounts standing to the credit of the person's spouse accounts to a member's contribution account, rollover account or co-contribution account, as appropriate, maintained by the Board in the name of the person (and the Board may, if necessary for the purposes of this subsection, establish such an account in the name of the person).

(2) If all amounts standing to the credit of the person's spouse accounts are transferred from those accounts under this section—

30 (a) the person ceases to be a spouse member of the scheme; and

(b) the person's voluntary death insurance under Division 3 (if any) is taken to be voluntary invalidity/death insurance under section 22.

Division 3—Voluntary death insurance

35 **26G—Voluntary death insurance**

(1) A spouse member may, if the spouse member is the spouse of a member, apply to the Board for voluntary death insurance.

40 (2) A spouse member who is not the spouse of a member is not entitled to death insurance cover and any such cover enjoyed by a spouse member will cease if the spouse member ceases to be the spouse of a member.

- 5
- (3) An application must be made in a manner approved by the Board and must specify the voluntary death insurance that the spouse member is applying for.
- (4) The applicant must provide the Board with prescribed information as to the applicant's state of health and the Board may require an applicant to provide satisfactory evidence of the state of the applicant's health.
- 10
- (5) The cost of any medical examination to which an applicant is required to submit for the purposes of subsection (4) must be paid by the applicant.
- (6) If it appears to the Board—
- (a) that an applicant's state of health is such as to create a risk of premature death; or
- 15
- (b) that an applicant has in the past engaged in an activity of a prescribed kind that increases the risk of premature death; or
- (c) that an applicant is likely in the future to engage in an activity of a kind referred to in paragraph (b),
- the Board may refuse the application or may grant it on conditions (being conditions authorised by the regulations).
- 20
- (7) If it appears to the Board that an applicant withheld information required in relation to his or her application under this section, the Board may withhold or reduce voluntary death insurance benefits that the applicant would otherwise have been entitled to.
- 25
- (8) If the Board grants an application for voluntary death insurance or for an increase or decrease in the level of voluntary death insurance, the Board must fix the date for the commencement of the insurance or of the increase or decrease in the level of insurance.

26H—Variation of voluntary death insurance

- 30
- (1) A spouse member who has voluntary death insurance may apply to the Board to increase or decrease the level of the insurance.
- (2) An application must be made in a manner approved by the Board.
- (3) This Division applies to an application to increase the level of insurance as though it were an initial application for voluntary insurance.

26I—Amount of death insurance benefits and amount of premiums

- 35
- (1) The amount of voluntary death insurance benefits for spouse members and the amount of the premiums in respect of those benefits will be fixed by or under regulation.

- (2) The regulations may provide—
- (a) for different amounts of voluntary death insurance depending on the spouse member's age or on any other relevant factor; and
 - 5 (b) for annual increases in the amount of voluntary death insurance for the benefit of spouse members who wish to have annual increases in their insurance; and
 - (c) for the amount of premiums to be fixed by the Board.
- (3) Premiums may be debited against any of a spouse member's spouse
- 10 accounts.
- (4) If the debiting of a premium against a particular spouse account under subsection (3) would result in a debit balance in the account—
- (a) the premium may be debited against the account to the extent of the credit balance in the account; and
 - 15 (b) if there is another spouse account in the name of the spouse member, the premium will be debited against that account to the extent of the credit balance in the account; and
 - (c) the spouse member's voluntary death insurance is suspended from the expiration of the month following the month in which the last premium was debited until a spouse account in the name of the spouse member is again sufficiently in credit to enable the debiting of premiums without resulting in a debit balance.
- 20
- (5) In subsection (4)—
- 25 *month* means any 1 of the 12 months of a calendar year.

Division 4—Payment of benefits

26J—Benefits for spouse members
