5—Insertion of section 6B

After section 6A insert:

6B—Regulated stand-alone power systems

- (1) The regulations under the application Act of a participating jurisdiction (a *local regulation*) may provide that the following form part of the national electricity system (a *regulated stand-alone power system*):
 - (a) a particular stand-alone power system, which consists of a distribution system owned, controlled or operated, or proposed to be owned, controlled or operated, by a regulated distribution system operator;

- (b) a stand-alone power system, which consists of a distribution system owned, controlled or operated, or proposed to be owned, controlled or operated, by a regulated distribution system operator, that belongs to a particular class of stand-alone power systems.
- (2) Without limiting subsection (1), the local regulation may provide that a particular stand-alone power system, or a class of stand-alone power systems, forms part of the national electricity system by reference to—
- (a) the particular geographic area in which the stand-alone power system, or class of stand-alone power systems, is or will be located; or
 - (b) the regulated distribution system operator that owns, controls or operates, or proposes to own, control or operate, the stand-alone power system or class of stand-alone power systems; or
 - (c) whether the stand-alone power system, or class of stand-alone power systems, complies with any requirements specified by the Rules.
- (3) The local regulation may modify the application of a specified provision of this Law or the Rules for and with respect to a regulated stand-alone power system or a class of regulated stand-alone power systems.
- (4) A regulated distribution system operator that owns, controls or operates a regulated stand-alone power system—
- (a) must comply with the Rules to the extent that the Rules are applied by the local regulation to the regulated stand-alone power system; and
 - (b) may, to the extent that the Rules apply to the regulated stand-alone power system, be proceeded against under this Law for any breach of those Rules.
- (5) The Minister responsible for administering the application Act (other than the application Act of South Australia) under which a local regulation referred to in this section is made is to make arrangements for notice of the making and publication of the regulation to be published for information in the South Australian Government Gazette.
- (6) In this section—
- stand-alone power system*** means a system that—
- (a) generates and distributes electricity; and
 - (b) does not form part of the interconnected national electricity system.

6—Amendment of section 11—Electricity market activities in this jurisdiction

- (1) Section 11(1)—after "electricity system" insert:
or directly or indirectly connected to a regulated stand-alone power system
- (2) Section 11(2)—after "electricity system" insert:

8—Insertion of section 90EB

After section 90EA insert:

90EB—South Australian Minister to make initial Rules relating to stand-alone power systems

- (1) The Minister in right of the Crown of South Australia administering Part 2 of the *National Electricity (South Australia) Act 1996* of South Australia (the **South Australian Minister**) may make Rules—
 - (a) for or with respect to the stand-alone power system amendments; and
 - (b) for or with respect to any other subject contemplated by, or necessary or expedient for, the stand-alone power system amendments; and
 - (c) that revoke or amend a Rule as a consequence of the enactment of the stand-alone power system amendments.
- (2) Section 34(3) applies to Rules made under subsection (1) in the same way as it applies to Rules made by the AEMC.
- (3) As soon as practicable after making Rules under subsection (1), the South Australian Minister must—
 - (a) publish notice of the making of the Rules in the South Australian Government Gazette; and
 - (b) make the Rules publicly available.
- (4) The notice referred to in subsection (3)(a) must state—
 - (a) the date on which the Rules commence operation; or
 - (b) if different Rules will commence operation on different dates, those dates.
- (5) The Rules made under subsection (1) may only be made on the recommendation of the MCE.
- (6) Once the first Rules have been made under subsection (1), no further Rules can be made under that subsection.

(7) In this section—
