23AAE—Payment of Division 293 tax

- (2) If the Board makes a payment to or on behalf of a member under subsection (1), the Board must debit the amount of the payment against the member's Government contribution account or, if the credit balance of the member's Government contribution account is not sufficient to make the payment, the member's contribution account, rollover account or co-contribution account.

Division 293 tax has the same meaning as in the *Income Tax Assessment Act 1997* of the Commonwealth.

- (2) If a Division 293 release authority for a contributor who is entitled to a pension is given to the Board in accordance with Schedule 1 Subdivision 135-B of the *Taxation Administration Act*, the Board must—
 - (a) commute so much of the contributor's pension as is necessary to provide a lump sum equal to the release amount required to be paid by the Board in respect of the contributor under Schedule 1 section 135-75 of the *Taxation Administration Act*; and

- (b) pay the lump sum resulting from the commutation to the Commissioner of Taxation.
- (3) The commutation factors to be applied in the commutation of a pension under this section will be determined by the Treasurer on the recommendation of an actuary.
- (4) If the Board is satisfied that—
 - (a) a contributor is entitled to commute the whole of his or her pension under section 35 and has done so except for a part that the contributor wishes to retain for the purpose of commutation under this section in order to meet the contributor's liability for Division 293 tax; and
 - (b) after commutation under this section for that purpose there will still be a part of the pension remaining uncommuted; and
 - (c) the part of the pension originally retained for commutation under this section was a reasonable estimate of the amount of the pension that would be required for that purpose,

the Board will, on the application of the contributor made after a Division 293 release authority for the contributor is given to the Board, commute the remaining uncommuted part of the pension using the factors applicable under section 35.
