- (2) The plan for an approved authority must set out—
 - (a) a target for the rate of return on investment and management of the nominated funds of the approved authority; and
 - (b) strategies for the achievement of that target; and
 - (c) the anticipated operating costs to be incurred by the Corporation during the financial year in relation to the investment and management of the nominated funds of the approved authority; and
 - (d) the factors that, in the opinion of the Corporation, will affect or influence the investment and management of the nominated funds of the approved authority during the year; and
 - (e) such other matters as the Corporation thinks should be included in the plan.

- (3) The draft plan must be prepared and copies submitted to the Minister and the approved authority to which the plan relates—
 - (a) if the plan is the initial plan in relation to the approved authority—as soon as practicable after the plan has been prepared;
 - (b) in any other case—before the commencement of the financial year to which the plan relates.
- (4) The Corporation must have regard to any comments made by the Minister or the approved authority in relation to the draft plan and, if it thinks necessary or desirable to do so, amend the plan as a result of the comments.
- (5) However, if the approved authority requests an amendment to the plan, the Corporation must amend the plan in accordance with the request unless the Corporation considers, after consulting with the approved authority, that the amendment should not be made.
- (6) If the Corporation considers that a requested amendment should not be made, it must provide the approved authority with written advice of the Corporation's reasons for not amending the plan in accordance with the request.
- (7) The Corporation must provide a copy of the final plan to the Minister and the approved authority to which the plan relates.
