(2) An apparently genuine document purporting to be a certificate under subsection (1) must be accepted as such in the absence of proof to the contrary.

**PART 3  
RESTRUCTURING AND DISPOSAL**

**Orders to effect transfers, leases and other restructuring**

8. (1) The Minister may, by order in writing (a **transfer order**), do one or more of the following:

- (a) transfer to a State-owned company, Minister, electricity corporation or any instrumentality of the Crown or statutory corporation, or the Crown, assets or liabilities (or both) of an electricity corporation;
- (b) transfer to a State-owned company, Minister, electricity corporation or any instrumentality of the Crown or statutory corporation, or the Crown, assets or liabilities (or both) of a body by which assets or liabilities have been acquired under a transfer order;
- (c) grant to a State-owned company, Minister, electricity corporation or any instrumentality of the Crown or statutory corporation, or the Crown, a lease, easement or other rights in respect of assets of or available to an electricity corporation;
- (d) grant to a State-owned company, Minister, electricity corporation or any instrumentality of the Crown or statutory corporation, or the Crown, a lease, easement or other rights in respect of assets of or available to a body by which assets have been acquired under a transfer order;
- (e) extinguish a lease, easement or other rights held by a State-owned company, Minister, electricity corporation or any instrumentality of the Crown or statutory corporation, or the Crown, in consequence of a transfer order.

(2) If—

- (a) an electricity corporation has an easement in relation to electricity infrastructure on, above or under land; and
- (b) the Minister, by a transfer order, transfers part of the infrastructure, or grants a lease or other rights in respect of part of the infrastructure, to a body of a kind referred to in subsection (1),

the Minister may, by the transfer order, transfer to the body rights conferred by the easement but limited so they operate in relation to that part of the infrastructure (which rights will be taken to constitute a separate registrable easement) and may, by a subsequent transfer order, transfer to the same or a different body rights conferred by the easement but limited so they operate in relation to another part of the infrastructure, whether on, above or under the same or a different part of the land (which rights will also be taken to constitute a separate registrable easement).

(3) In exercising powers under this section in relation to assets or liabilities of, or available to, a body other than the Minister, the Minister is to be taken to be acting as the agent of the other body.

(4) A transfer order takes effect on the date of the order or on a later date specified in the order.

(5) A transfer order effects the transfer and vesting of an asset or liability, or the grant or extinguishment of a lease, easement or other rights, in accordance with its terms by force of this Act and despite the provisions of any other law or instrument.

(6) The transfer of a liability from a body discharges the body from the liability.

(7) If a transfer order so provides—

- (a) a security to which a transferred asset is subject ceases to apply to the asset on its transfer by the transfer order;
- (b) a security to which a leased asset is subject ceases to apply to the asset on the grant of the lease by the transfer order.

(8) A transfer order may provide that references to a body of a kind referred to in subsection (1) (the **first body**) in a specified instrument or an instrument of a specified class (a **transferred instrument**) are replaced by references to another body of a kind referred to in subsection (1) (the **second body**), and in that case—

- (a) the instrument is modified as provided in the order; and
- (b) the second body accordingly succeeds to the rights and liabilities of the first body under the instrument as from the date on which the transfer order takes effect or the date on which the instrument takes effect (whichever is the later).

(9) The Minister may, by order in writing, declare that the effect of the whole or part of a transfer order is reversed and in that case (despite the provisions of any other law or instrument)—

- (a) the order will be taken to have come into effect contemporaneously with the transfer order; and
- (b) transfers or grants identified in the order are cancelled and will be taken never to have been made; and
- (c) transferred instruments identified in the order are to be construed as if they had never been affected by the transfer order.

(10) A power may not be exercised under this section in relation to a company that has ceased to be a State-owned company.

### **Subcontracting performance of obligations to State-owned companies**

**9.** Despite any other law or instrument, an electricity corporation may, if authorised to do so by the Minister, subcontract to a State-owned company the performance of all or part of the electricity corporation's obligations under a contract.

### **Conditions of transfer order**

**10.** (1) The Minister may, by order in writing, fix the conditions on which a transfer order operates.

(2) An order under this section may be varied or revoked by the Minister by further order (but not in relation to a company that has ceased to be a State-owned company).

(3) The conditions attaching to a transfer order may, for example, do one or more of the following:

- (a) assign a value to particular transferred assets, or transferred assets of a particular class;
- (b) assign a value to particular transferred liabilities, or transferred liabilities of a particular class;

**Electricity Corporations (Restructuring and Disposal) Act 1999**

---

- (c) assign a net value to particular transferred assets and liabilities, or transferred assets and liabilities of particular classes;
- (d) impose liabilities (in terms set out in the order) on the transferee reflecting the value or net value assigned by the Minister to transferred assets, or transferred assets and liabilities.

**Conversion of electricity corporation to State-owned company**

**11.** If the Governor so declares by proclamation, Schedule 2 applies to an electricity corporation specified in the proclamation.

**Vesting orders**

**12.** (1) In any case where there appears to the Minister to be a dispute or doubt as to the ownership of public lighting infrastructure, the Minister may, by order in writing (a **vesting order**), declare that the ownership of public lighting infrastructure specified in the order is vested in an electricity corporation, State-owned company or council specified in the order.

(2) Before making a vesting order that relates to public lighting infrastructure, the Minister must consult with the council of the area affected.

(3) A vesting order effects the vesting of the specified public lighting infrastructure in accordance with its terms by force of this Act and despite the provisions of any other law or instrument.

**Disposal of electricity assets and limitations on disposal**

**13.** (1) The Crown, an instrumentality of the Crown or a statutory corporation must not sell or transfer prescribed electricity assets.

(2) If a prescribed company or a subsidiary of a prescribed company owns prescribed electricity assets, shares in the prescribed company—

- (a) must not be issued; or
- (b) if owned by an instrumentality of the Crown or a statutory corporation—must not be sold or transferred.

(3) Subject to the limitations under subsections (1) and (2), the Minister may by agreement (a **sale/lease agreement**) with another (the **purchaser**) do one or more of the following:

- (a) transfer to the purchaser assets or liabilities (or both) of an electricity corporation;
- (b) grant to the purchaser a lease, easement or other rights in respect of assets of or available to an electricity corporation;
- (c) transfer to the purchaser assets or liabilities (or both) of a State-owned company;
- (d) transfer to the purchaser shares in a State-owned company;
- (e) grant to the purchaser a lease, easement or other rights in respect of assets of or available to a State-owned company;
- (f) transfer to the purchaser assets or liabilities (or both) that have been acquired by a Minister, any instrumentality of the Crown or a statutory corporation under this Act;

(g) grant to the purchaser a lease, easement or other rights in respect of assets that have been acquired by a Minister, any instrumentality of the Crown or a statutory corporation under this Act.

(4) Subsections (1) and (2) do not apply to—

(a) the sale or transfer of prescribed electricity assets to the Crown, an instrumentality of the Crown or a statutory corporation;

(b) the issuing, sale or transfer of shares to an instrumentality of the Crown or a statutory corporation;

(c) the sale or disposal of prescribed electricity assets in the ordinary course of the maintenance, repair, replacement or upgrading of equipment;

(d) the exercise by a person other than the Crown, an instrumentality of the Crown or a statutory corporation of a right under an instrument executed before 17 November 1998;

(e) the performance by the Crown, an instrumentality of the Crown or a statutory corporation of an obligation under an instrument executed before 17 November 1998.

(5) The Minister must cause a copy of each relevant long term lease, and a prescribed report relating to the lease, to be laid before each House of Parliament—

(a) not later than 14 sitting days after the end of two years from the date on which the first relevant long term lease was made; or

(b) if, before the end of the period referred to in paragraph (a), sale/lease agreements have been made providing for the disposal of all prescribed electricity assets of or available to an electricity corporation, State-owned company, Minister or any instrumentality of the Crown or statutory corporation (whether by the granting of a lease or the disposal of shares)—not later than 14 sitting days after the date on which the last such sale/lease agreement was made.

#### **Provisions relating to sale/lease agreements**

**14.** (1) If—

- (b) the Minister, by a sale/lease agreement, transfers part of the infrastructure, or grants a lease or other rights in respect of part of the infrastructure, to a purchaser,

the Minister may, by the sale/lease agreement, transfer to the purchaser rights conferred by the easement but limited so they operate in relation to that part of the infrastructure (which rights will be taken to constitute a separate registrable easement) and may, by a subsequent sale/lease agreement, transfer to the same or a different purchaser rights conferred by the easement but limited so they operate in relation to another part of the infrastructure, whether on, above or under the same part or a different part of the land (which rights will also be taken to constitute a separate registrable easement).

(2) A sale/lease agreement may transfer assets or liabilities (or both) to a State-owned company, Minister, electricity corporation or any instrumentality of the Crown or statutory corporation, or the Crown, with effect at the end of the term of a lease (whether granted by the agreement, a transfer order or otherwise) or in specified circumstances.

- (b) a security to which a leased asset is subject ceases to apply to the asset on the grant of the lease by the sale/lease agreement.

(8) A sale/lease agreement may provide that instruments identified in the agreement, or to be identified as provided in the agreement, are to be transferred instruments.

(9) If an instrument is identified in, or under, a sale/lease agreement as a transferred instrument, the instrument operates, as from a date specified in the agreement, subject to any modifications specified in the agreement.

#### **Subcontracting performance of obligations to purchasers**

**15.** Despite any other law or instrument, an electricity corporation or State-owned company may, if authorised to do so by the Minister, subcontract to a purchaser under a sale/lease agreement the performance of all or part of the electricity corporation's or State-owned company's obligations under a contract.

#### **Special orders**

(2) A special order may only be made at the request of the purchaser made within 12 months of the date of the sale/lease agreement and with the consent of the other body or bodies.

(3) Only one special order may be made at the request of the same purchaser.

(5) A special order takes effect on the date of the order or on a later date specified in the order.

(6) A special order effects the transfer and vesting of an asset or liability in accordance with its terms by force of this Act and despite the provisions of any other law or instrument.

(7) A special order may provide that instruments identified in the order, or to be identified as provided in the order, are to be transferred instruments.

(8) If an instrument is identified in, or under, a special order as a transferred instrument, the instrument operates, as from a date specified in the order, subject to any modifications specified in the order.

**Terms of leases and related instruments**

17. (1) The Minister is to endeavour to ensure that a prescribed long term lease in respect of prescribed electricity assets or a related instrument contains terms under which—

the Minister must, as soon as practicable, prepare a report on the matter and cause copies of that report to be laid before both Houses of Parliament.

(19) If the Minister approves a development under this section, no other procedure or requirement relating to the assessment of the development under this Act applies and no other development authorisation (including a certificate or approval under Part 6) is required under this Act, although the Minister may, if necessary for the purposes of any other Act, issue any other development authorisation under this Act (which will then be taken, for the purposes of that other Act, to have been issued by a relevant authority under this Act).

(20) Despite a preceding subsection, if the Minister directs that an EIS, PER or DR be prepared with respect to a development otherwise within the ambit of this section then—
