- (i) is primary production of the type for which the land is used and the land is used to a significant extent for the purposes of that business; or

- (a) in relation to land alienated from the Crown by grant in fee simple means any person (other than a mortgagee of the land)—

(3) The taxes so imposed for a particular financial year will, subject to this Act, be calculated as at midnight on 30 June immediately preceding that financial year on the basis of circumstances then existing.

(4) Land of the Crown, subject to any agreement for sale or right of purchase, is liable to taxation, whether that agreement or right is absolute or conditional, and whether it is capable of completion or exercise immediately or at any future time.

(5) Nothing in this Act interferes with any exemption, by special legislation, of land from taxation.

Exemption of certain residential land from land tax

5. (1) Land is exempt from land tax under this section if—

- (a) proper grounds exist for exempting the land from land tax; and
- (b) the land has been exempted from land tax in pursuance of this section and the exemption is, for the time being, in force.

(2) Where proper grounds exist upon which land may be exempted from land tax in pursuance of this section an owner of the land may apply to the Commissioner for an exemption in respect of that land.

(3) A person must not make any false or misleading statement or representation in an application made, or purporting to be made, under this section.

Maximum penalty: \$10 000.

(4) The Commissioner may, if satisfied that proper grounds exist for doing so, exempt land from land tax (whether or not an application for exemption has been made).

(5) The Commissioner must, on exempting land from land tax under this section, give notice in writing to an owner of the land setting out the grounds on which the exemption is made.

(6) Where—

- (a) a notice of exemption under subsection (5) contains a statement purporting to be—
 - (i) a statement of fact; and
 - (ii) a ground on which the exemption is made; and
- (b) the statement is inaccurate in any respect,

the owner to whom notice of the exemption was given must, within 21 days after the date of receipt of the notice, notify the Commissioner of the inaccuracy.

Maximum penalty: \$5 000.

Expiation fee: \$315.

(7) Where—

- (a) land has been exempted from land tax in pursuance of this section; and
- (b) in the opinion of the Commissioner, proper grounds for the exemption do not, or have ceased to, exist,

the Commissioner may revoke the exemption.

(8) Where land has been exempted from land tax in pursuance of this section, and proper grounds for the exemption cease to exist, the owner of the land must forthwith inform the Commissioner in writing of that fact and (whether or not the Commissioner is so informed and whether or not the exemption is revoked) the land will cease to be exempt from land tax.

(9) If an owner of land fails to comply with subsection (8), the owner is guilty of an offence.

Maximum penalty: \$5 000.
Expiation fee: \$315.

(10) An exemption granted in pursuance of this section is effective from a day (which may be antecedent or subsequent to the day on which it was granted) determined by the Commissioner.

(11) For the purposes of this section, proper grounds for exempting land from land tax exist if—

(a) the land is owned by—

- (i) a natural person for whom the land constitutes his or her principal place of residence (whether or not he or she is the sole owner of the land); or
- (ii) a person entitled to the benefit of this section pursuant to subsection (12); and

(b) the criteria for the time being in force under subsection (13) are satisfied.

(12) The owner of land comprising a retirement village is entitled to the benefit of this section in respect of so much of the land as consists of—

- (a) a residential unit occupied, pursuant to a residence contract, by a natural person (alone or with any other person) as his or her principal place of residence; or
- (b) the land appurtenant to any such unit; or
- (c) a facility provided pursuant to the retirement village scheme for the exclusive use of the residents (and their guests).

(13) The Governor may, by regulation, determine criteria for the purposes of subsection (11)(b).

(14) Where an owner of land contravenes or fails to comply with a provision of this section, and, in consequence, land tax is not assessed in respect of that land during a financial year for which land tax is payable upon the land, the Commissioner may assess the land tax upon the land for that financial year at a rate not exceeding double the rate that would otherwise have been applicable.

Waiver or refund of land tax for residential land in certain cases

5A. (1) The Commissioner may, on application under this section, grant—

- (a) a waiver or refund of land tax paid or payable by the applicant on land for a particular financial year; or
- (b) a refund of an amount paid by the applicant as a purchaser of land to the vendor of the land as an adjustment of land tax paid or payable on the land for the financial year in which settlement takes place (an **amount representing land tax**),

if the following criteria are satisfied:

- (c) the land became the applicant's principal place of residence during the course of the financial year; and

- (d) proper grounds for exempting the land from land tax under section 5 came into existence when the land became the applicant's principal place of residence; and
- (e) the applicant must have divested himself or herself, before the end of the financial year, of any other land in respect of which the applicant has had the benefit of a relevant concession for the financial year; and
- (f) unless the Commissioner allows otherwise in a particular case, no rent or other consideration has been paid or is payable for occupation, during the financial year, of the land or any other land in respect of which the applicant has had the benefit of a relevant concession for the financial year, while the applicant owned both the land and other such land; and
- (g) the criteria for the time being determined by regulation.

(2) For the purposes of subsection (1), an applicant has had the benefit of a relevant concession in respect of land for a financial year if the applicant has, for the financial year—

- (a) had the benefit of an exemption from land tax under section 5 in respect of the land as the applicant's principal place of residence; or
- (b) had the benefit of a waiver or refund of land tax, or an amount representing land tax, under this section in respect of the land.

(3) The amount of the waiver or refund is to be determined as follows:

- (a) in the case of a waiver or refund of land tax—the amount of the waiver or refund is the amount by which the assessment of the taxpayer would have been reduced if the land had been exempt from land tax under section 5;
- (b) in the case of a refund of an amount representing land tax paid by a purchaser of the land, the amount of the refund is—
 - (i) the actual amount paid to the vendor by the purchaser as an adjustment of land tax; or
 - (ii) a proportion of the land tax that would be payable on the land for the financial year concerned if the taxpayer owned only that land, being the proportion that the number of days from the date of settlement to the end of that financial year bears to 365,

whichever is the lesser.

(4) An application for a waiver or refund of land tax or an amount representing land tax under this section—

- (a) will be taken to be an application for a refund of land tax for the purposes of the *Taxation Administration Act 1996*; and
- (b) must be accompanied by evidence supporting the application as required by the Commissioner; and
- (c) must be made on or before 30 September following the end of the financial year in respect of which the waiver or refund is sought.

(5) A person must not make a false or misleading statement or representation in an application made, or purporting to be made, under this section.

Maximum penalty: \$10 000.

(6) If the Commissioner—

- (a) has made a determination that land tax, or an amount representing land tax, in respect of land for a financial year be waived or refunded under this section; and
- (b) subsequently determines that proper grounds for the determination did not exist,

the Commissioner may revoke the earlier determination and, in that event, the amount waived or refunded becomes payable as land tax in respect of the land for the financial year by the person who had the benefit of the waiver or refund.

(7) This section applies in relation to land tax for a financial year commencing on or after 1 July 2001.

Assessment of tax against land divided by a community or strata plan

6. (1) Where land is divided by a primary, secondary or tertiary plan of community division under the *Community Titles Act 1996*—

- (a) in the case of the division of land by a primary plan—land tax will be assessed against the primary lots that are not divided by a secondary plan and against a development lot or lots (if any);
- (b) in the case of the division of land by a secondary plan—land tax will be assessed against the secondary lots that are not divided by a tertiary plan and against the development lot or lots (if any);
- (c) in the case of the division of land by a tertiary plan—land tax will be assessed against the tertiary lots and a development lot or lots (if any).

(2) Where land is divided by a primary, secondary or tertiary plan of community division under the *Community Titles Act 1996*—

- (a) in the case of the division of land by a primary plan—where the use of the common property or part of it is, in the opinion of the Valuer-General reasonably incidental to the use of one or more of the primary lots, land tax will not be levied against the common property, or that part of it, but the interest in the common property, or that part of it, that attaches to each primary lot will be regarded for the purposes of valuation as part of the lot;
- (b) in the case of the division of land by a secondary plan—where the use of the common property or part of it is, in the opinion of the Valuer-General reasonably incidental to the use of one or more of the secondary lots, land tax will not be levied against the common property, or that part of it, but the interest in the common property, or that part of it, (and in the common property of the primary scheme referred to in paragraph (a) (if any)) that attaches to each secondary lot will be regarded for the purposes of valuation as part of the lot;

- (c) in the case of the division of land by a tertiary plan—where the use of the common property or part of it is, in the opinion of the Valuer-General reasonably incidental to the use of one or more of the tertiary lots, land tax will not be levied against the common property, or that part of it, but the interest in the common property, or that part of it, (and in the common property of the primary and secondary schemes referred to in paragraphs (a) and (b) (if any)) that attaches to each tertiary lot will be regarded for the purposes of valuation as part of the lot.

(3) Where land is divided by a primary, secondary or tertiary plan of community division under the *Community Titles Act 1996* and the use of the common property or any part of it is not, in the opinion of the Valuer-General reasonably incidental to the use of any of the community lots, land tax will be levied against the common property or that part of it and the relevant community corporation is liable for the tax as though it were the owner of the common property.

(4) Where land is divided by a strata plan under the *Strata Titles Act 1988*, land tax will be assessed against the strata units but not against the common property.

Taxable value of land

7. (1) Subject to this Act, the site value of land is its taxable value.

(2) Land tax in respect of a particular financial year is calculated on the basis of determinations of site value in force under the *Valuation of Land Act 1971* as at midnight on 30 June immediately preceding the commencement of that financial year (whether the determination is actually made before, on or after that date).

(3) Where a determination of site value as in force at the date referred to in subsection (2) is corrected or amended under the *Valuation of Land Act 1971* (whether in pursuance of an objection, review or appeal or otherwise), the determination of site value, as corrected or amended, must be used for the calculation of land tax.

Scale of land tax

8. (1) Land tax is calculated on the basis of the taxable value of the land in accordance with the following table:

Taxable value of land	Amount of tax
Not exceeding \$50 000	Nil
Exceeding \$50 000 but not exceeding \$300 000	\$0.35 for every \$100 or fractional part of \$100 over \$50 000.
Exceeding \$300 000 but not exceeding \$1 million	\$875 plus \$1.65 for every \$100 or fractional part of \$100 over \$300 000.
Exceeding \$1 million	\$12 425 plus \$3.70 for every \$100 or fractional part of \$100 over \$1 million

(2) Except as otherwise provided by this Act, land tax is calculated on the basis of the aggregate taxable value of all land owned by the taxpayer.

(3) Where a taxpayer is liable to pay land tax in respect of land included in more than one land tax assessment, the land tax is (subject to any additional levy that affects portion only of that land) apportioned to and chargeable on the land included in the various assessments in the proportions that the taxable value of the land included in each separate assessment bears to the aggregate taxable value of all the land.

Defined rural areas

9. The Governor may, by proclamation—

- (a) declare any part of the State to be a defined rural area for the purposes of this Act; or
- (b) vary or revoke any such declaration.

Defined shack-site areas

10. (1) The Governor may, by proclamation—

- (a) declare any part of the State to be a defined shack-site area for the purposes of this Act; or
- (b) vary or revoke any such declaration.

(2) A proclamation under subsection (1) is effective from a day (which may be antecedent or subsequent to the day on which it is made) determined by the Governor.

Minimum tax

11. Where the total amount of land tax payable by any taxpayer in respect of any year would, apart from this section, be less than \$10, no land tax is payable.

Tax in cases where there are two or more owners

12. (1) Subject to subsection (2), where two or more persons are the owners of land, the same amount of land tax is payable in respect of that land as if only one person were the owner.

(2) Subsection (1) does not affect the operation of any provisions of this Act under which the value of land is aggregated, for the purpose of the assessment of tax, with the value of other land.

Cases of multiple ownership and aggregation of value

13. (1) If two or more persons are owners of the same land but not all in the same capacity¹, the Commissioner may treat all who are owners of the land in one particular capacity (to be decided by the Commissioner) as—

- (a) the sole owner or owners of the land; and
- (b) the sole taxpayer or taxpayers for the land.

(2) If the Commissioner treats a person or persons as the sole owner or owners of land under subsection (1), the aggregation principle applies as if that person or those persons were the sole owner or owners of the land.

(3) The aggregation principle is subject to the following qualifications:

- (a) if two or more persons are the taxpayers for the same land, the taxable value of the land will not be aggregated with the taxable value of—
 - (i) other land for which one or more, but not all, of those persons is or are the taxpayer or taxpayers; or
 - (ii) other land for which one or more of those persons and some other person are the taxpayers;

- (b) subject to subsection (3a), if land is held on trust (other than a trust arising because of a contract to purchase or acquire an estate or interest in the land), notice of the trust is given as required by regulation, and the trustee is the taxpayer for the land, the taxable value of the land will not be aggregated with the taxable value of other land owned by the same taxpayer unless the other land is held in trust for the same beneficiary.

(3a) If two or more portions of land comprising the whole or a part of a certificate of title are held on trust for two or more beneficiaries, the qualification to the aggregation principle under subsection (3)(b) does not apply and the Commissioner may treat all the land comprising the certificate of title as the one piece of land.

(4) If two or more trustees own land separately, but subject to the same trust, the Commissioner may treat any one of the trustees as the owner or owners of all the land subject to the trust.

(5) For the purposes of this section, the various capacities in which a person may be the owner of land are as follows:

- (a) as legal owner;
- (b) as equitable owner;
- (c) as prospective owner (*ie.* a person who has entered into a contract to purchase or acquire an estate or interest in the land);
- (d) as lessee under a perpetual lease or a shack-site lease;
- (e) if the land is in a defined shack-site area—as occupier.

¹ See subsection (5).

Person liable to tax

14. (1) Subject to this Act, an owner of land is liable for tax in respect of that land.

(2) In any proceedings relating to tax in respect of land, the person named in a valuation roll under the *Valuation of Land Act 1971* as the owner of the land, being the valuation roll containing the site value required to be used in calculating the land tax in respect of the land, will be presumed, in the absence of proof to the contrary, to be the owner of the land liable to the tax.

Change of ownership

15. (1) Subject to this Act, no land and no person assessed for tax is relieved of a charge or liability for tax in respect of a particular financial year by reason of a change in the ownership of the land, or any other event, occurring after the commencement of the financial year.

(2) The Commissioner may refuse to recognise any change in the ownership of any land until the amount of the tax in respect of the land has been paid.

(3) The Commissioner may refuse to recognise any change in the ownership of any land where notice of that change of ownership has not been given as required by the regulations.

(4) Where the Commissioner refuses to recognise a change in the ownership of any land, the person who is recognised by the Commissioner as the owner of the land remains the taxpayer in respect of the land.

Liability for tax to be joint and several

16. Where there are two or more taxpayers in respect of the same land, they are jointly and severally liable to pay tax in respect of that land.

Distribution of burden

17. (1) The burden of the tax will be distributed between the taxpayers in the relative proportions of the value of their interests in the land taxed.

(2) A taxpayer who has paid tax in respect of land is entitled to recover from every other taxpayer in respect of the same land a proper proportion of the amount paid.

Contracts, etc., to evade land tax

18. (1) Where a contract, agreement or arrangement entered into in writing or verbally (whether before or after the commencement of the *Land Tax Act Amendment Act 1977*) has or purports to have the purpose (whether as the main or a subsidiary purpose) of in any way directly or indirectly—

- (a) altering the incidence of land tax; or
- (b) relieving any person from liability to pay land tax, or reducing any such liability; or
- (c) defeating, evading or avoiding any obligation or liability imposed by this Act,

the Commissioner may, by notice in writing given to the parties treat that contract, agreement or arrangement as void for the purposes of this Act.

(2) Where the Commissioner has, in pursuance of this section, treated a contract, agreement or arrangement as void for the purposes of this Act, it will be presumed, in any legal proceedings, in the absence of proof to the contrary, that the purpose of the contract, agreement or arrangement is such as would attract the operation of this section.

Time for payment of tax

19. The amount specified in an assessment by the Commissioner as land tax payable in respect of land for a financial year must be paid to the Commissioner within 30 days after service of the assessment on the taxpayer, or, if there is more than one taxpayer liable to pay the tax in respect of the land, on any one of the taxpayers.

Power to let or sell land liable to tax

20. (1) If tax is in arrears for 6 months or more, the Commissioner may have a notice published in the *Gazette*—

- (a) specifying the land in respect of which the tax is payable; and
- (b) specifying the amount of the tax in arrears; and
- (c) stating that if the tax is not paid within 3 months of the date of the notice the Commissioner will let the land, or apply to the Supreme Court for an order for sale of the land.

(2) If at the expiration of 3 months from the date of a notice published under subsection (1) any part of the tax remains in arrears the Commissioner may—

- (a) let the land; or
- (b) apply to the Supreme Court for an order for the sale of the land.

(3) The Supreme Court may, on an application under subsection (2)(b)—

- (a) make an order for the sale of the land; and
- (b) give directions as to how the proceeds of sale are to be dealt with.

(4) Subject to any directions of the Supreme Court under subsection (3), where land is leased or sold in pursuance of this section the proceeds will be applied by the Commissioner towards the payment of the arrears of tax and the costs of proceeding under this section and any surplus must be paid to the person beneficially entitled to the land or, if the land has been sold, to the person who was beneficially entitled to the land prior to the sale.

Transfer of land in satisfaction of tax liability

21. Where land is unencumbered except by a liability to pay tax, the Commissioner may, on behalf of the Crown, accept a transfer of an estate in fee simple in the land in satisfaction of the liability for tax.

Tax first charge on land

22. (1) Subject to this Act, tax is, until payment, a first charge on the land in respect of which the tax is payable.

(2) Where land tax is levied against the common property, or part of the common property, of a community scheme under the *Community Titles Act 1996*, the tax is not a charge on the common property but is, instead, a first charge on each of the community lots of the community scheme.

Certificates in respect of liability to tax

23. (1) Upon application by the purchaser of any land, or the purchaser's agent, and payment of the prescribed fee, the Commissioner may issue a certificate showing the amount (if any) of tax that is, or will be, payable under this Act in respect of the land on a specified date ("the relevant date").

(2) Where the Commissioner is unable to calculate exactly the amount referred to in subsection (1), the Commissioner may make an estimate of that amount.

(3) Where the land in respect of which an application is made under this section is only part of the land included in a land tax assessment, the certificate referred to in subsection (1) must relate to the whole of the land comprised in the assessment.

(4) Where—

- (a) the amount (if any) stated in a certificate given under this section is paid within a period specified in the certificate; or
- (b) the certificate indicates that no amount is or will be payable,

the purchaser and the purchaser's successors in title are released from any liability to tax that accrued in respect of the land before the relevant date, and no such liability is or remains a charge upon the land after it becomes vested in the purchaser.

Alterations to valuations

24. The right of the Commissioner to recover tax under this Act is not suspended or delayed by an objection, review or appeal in relation to a valuation under the *Valuation of Land Act 1971* and the Commissioner may recover tax on the assumption that the valuation is correct, but if any alteration to a valuation affecting the amount of land tax payable in respect of any land is made under that Act (whether in consequence of an objection, review or appeal, or otherwise) the Commissioner must make a reassessment of the liability to land tax in respect of the land.

Service

25. (1) An assessment or other document to be served on a person for the purposes of this Act may be served on the person by affixing it conspicuously on any land to which the assessment or other document relates.

(2) This section is in addition to and does not derogate from a provision of the *Taxation Administration Act 1996* as to the service of documents.

Regulations

26. (1) The Governor may make regulations for the purposes of this Act.

(2) Any such regulation may impose a fine not exceeding \$125 for breach of a regulation.
