Local Government Act, 1934

PART XXV  
SEWERAGE AND DRAINAGE

\* \* \* \* \*

**Resolution of council for providing of bacteriolytic tanks**

**528.** (1) The council may, by resolution passed by an absolute majority, declare that all the buildings within the area, or any part of the area, must be provided with bacteriolytic tanks for the disposal of sewage; but no such resolution may be passed unless the council is of opinion that there is a proper supply of water in or with respect to the area or part (as the case may be) for the purposes of the disposal of sewage by means of bacteriolytic tanks.

(1a) The council may, by resolution passed in the manner and under the circumstances provided for by subsection (1), declare that all the buildings within the area, or any part of it, which are erected after a day fixed by the resolution, must be provided with bacteriolytic tanks for the disposal of sewage. The council may, at any time subsequent to passing a resolution pursuant to this subsection, pass a resolution under subsection (1) relating to any part of the area to which a resolution under this subsection applies.

(1b) Before a resolution is passed under subsection (1) or (1a), the proposal must be submitted by the council to the South Australian Health Commission and the Commission must, after making such inquiries as it considers necessary, report to the council whether or not, in its opinion, the area or part to which it is proposed that the resolution should apply is suitable for the installation of bacteriolytic tanks and whether or not the Commission approves of the passing of the resolution. No resolution of the council under subsection (1) or (1a) has any force or legal effect unless the passing of the resolution is approved by the Commission.

(2) Every such resolution, together with the approval of the South Australian Health Commission to the passing of the resolution, must be published in the *Gazette*.

**Installation of bacteriolytic tanks**

**529.** (1) Within the time fixed by the resolution or, if no time is fixed, then within six months of the publication of the resolution in the *Gazette*, the owner of every building (to which the resolution applies) in the area or part must provide and install a bacteriolytic tank for the disposal of sewage from the building.

(2) If the owner fails to provide or install the bacteriolytic tank, the council may supply or install a bacteriolytic tank with respect to the building. For that purpose any person authorized by the council to do so may enter any land and perform any work necessary for carrying out the provisions of this section. The cost to the council of supplying or installing the tank is a debt due to the council by the owner of the building, and is until paid a charge on the land in respect of which the cost is incurred.

(3) All bacteriolytic tanks installed pursuant to this section must be installed in conformity with the *Public and Environmental Health Act 1987*.

\* \* \* \* \*

**Provision of treatment unit instead of bacteriolytic tank**

**530a.** In any case where, pursuant to this Division, an owner is required to provide and install a bacteriolytic tank, the council may by notice in writing permit the owner to provide and install in place of such a tank a method of treatment approved by the South Australian Health Commission. Any such permit may be given subject to conditions considered desirable by the council and may be withdrawn by the council.

**"All purpose" bacteriolytic tank**

**530b.** In any case where, pursuant to this Division, the council requires the installation of a bacteriolytic tank, the council may, with the approval of the South Australian Health Commission, require the installation of a bacteriolytic tank of the kind known as an "all purpose" tank, namely, a bacteriolytic tank which is suitable for the disposal of sullage and waste water in addition to sewerage.

**Septic tanks**

**530c.** (1) If a council proposes to undertake a scheme for the disposal of septic tank effluent, the council must give notice of the proposed scheme to the owners of land in the part of its area affected by the scheme.

\* \* \* \* \*

(3) A notice under subsection (1) must include, or be accompanied by—

- (a) details of the proposed scheme, including a description of any land that would be benefited by the scheme;
- (b) an estimate of the costs of the scheme;
- (c) particulars of the manner in which the scheme would be financed, including the manner in which the capital and operating costs would be recovered;

and

- (d) details of any plans and specifications relating to the scheme that are available for public inspection.

(4) An owner of land within the part of the area affected by the proposed scheme may, within 21 days after the receipt of the notice, lodge an objection to the proposed scheme with the council.

(5) The council must consider any objection lodged under subsection (4) and may abandon the scheme or proceed with it with such modifications as it thinks fit.

(6) If a scheme is undertaken, the owner of every building in the part of the council's area affected by the scheme must, at the request of the council, at the owner's own expense—

- (a) provide effluent drains conforming to specifications approved by the South Australian Health Commission that may be necessary for the purposes of the scheme;

and

- (b) remove any sludge that may from time to time accumulate in the tank.

(7) Where a request under subsection (6) is not complied with, the council may have the work carried out (and a person authorized to do so by the council may enter premises at any reasonable time for the purposes of carrying out the work).

(8) The council may recover as a debt costs and expenses reasonably incurred under subsection (7) from the person in default.

(9) Any costs and expenses recoverable under subsection (8) are, while they remain unpaid, a charge on the land.

**Local Government Act, 1934**

---

(10) The regulations may prescribe guidelines to assist councils in undertaking schemes for the disposal of septic tank effluent.

(11) A regulation may incorporate, adopt, apply or make prescriptions by reference to, with or without modification, any code or standard prepared or published by any body or authority as in force at the time the regulation is made or as in force from time to time.

(12) A regulation cannot be made for the purposes of this section except after consultation with the Local Government Association of South Australia.

**Limitation of application of Part**

**531.** This Part does not apply to any area or portion of an area which is included within the drainage area as defined by the *Sewerage Act, 1929*.

\* \* \* \* \*

Local Government Act, 1934

PART XXX  
CEMETERIES

**Power of council to establish cemetery, crematorium and mortuary**

**585.** (1) The council must, if of opinion that there is no adequate provision (whether within or outside the area) for the burial of persons dying within the area, make such provision by the establishment of a public cemetery.

(2) The council may establish a crematorium and may, subject to the *Cremation Act, 1891*, permit and control the cremation of the dead in it.

(3) The council may establish and manage public mortuaries for the temporary repose of the dead pending burial or cremation.

\* \* \* \* \*

**Closing of cemeteries**

**587.** (1) The council may petition the Governor for the closure of a cemetery or part of a cemetery in the area which is unsuitable or is no longer suitable for burial purposes.

(2) The Governor, if of opinion that a cemetery or part of a cemetery (whether within or outside an area) is unsuitable or no longer suitable for burial purposes, may on any such petition or without petition, by proclamation close the cemetery or part.

(3) Upon the making of any such proclamation, the cemetery or part referred to in the proclamation ceases to be a cemetery and must not be used for burial purposes unless a right for burial purposes has been acquired over any portion of the cemetery or part, in which case the portion may be used for the burial of the person by whom the right was acquired or any member of the family of that person.

**Provisions as to closed cemeteries**

**588.** (1) If any land comprised in any cemetery closed pursuant to section 587 or a corresponding previous enactment is vested in or under the care, control and management of the council, the council may petition the Governor praying that the Governor may—

- (a) determine any trust on which the land is held by the council;
- (b) dedicate the land as park lands.

(2) Upon receipt of any such petition the Minister—

- (a) must publish the substance of the petition at least twice in a newspaper circulating in the area, and at least twice in a newspaper published in Adelaide, calling on any persons objecting to the exercise of the powers under this section to state their objections to the Minister;

and

- (b) must cause any inquiries the Minister may think fit to be made with a view to ascertaining whether any rights for burial purposes exist over the land and for otherwise ascertaining whether there is any reason why the powers given by this section should not be exercised.

(3) If the Governor is satisfied that the powers given by this section should be exercised, the Governor may by proclamation—

(a) determine any trust on which the council holds the land;

and

(b) dedicate the land as park lands.

(4) No such proclamation may be made until the expiration of six months after the publication of the last notice referred to above.

(5) Upon the making of any such proclamation—

(a) any such trust is determined;

(b) any right for burial purposes in relation to the land is determined;

and

(c) the land becomes park lands.

(6) The council must in addition to paying the costs of the advertisements pay to the Minister the cost of any inquiry under this section.

#### **Neglected cemeteries**

**589.** (1) If the council is of the opinion that a cemetery within the area—

(a) is in a neglected condition; or

(b) in any manner fails to comply with a requirement of a regulation made by the Governor under this Part,

the council may, by order, require the person in whom the fee simple of the cemetery is vested (whether as trustee or otherwise) to carry out any work for the purpose of remedying the condition of neglect or complying with the requirement.

(2) Divisions 2 and 3 of Part 2 of Chapter 12 of the *Local Government Act 1999* apply with respect to—

(a) a proposal to make an order; and

(b) an order made,

under subsection (1).

(3) If a cemetery is vested in any person as trustee and the cemetery was established before the commencement of this Act, an amount recoverable by the council from the trustee under Division 2 of Part 2 of Chapter 12 of the *Local Government Act 1999* is limited to the amount in the hands of the trustee for the purposes of the cemetery.

#### **Power to take over cemeteries**

**590.** (1) If the owner of any cemetery within an area is unknown, or if any such cemetery is held by trustees who are dead or unknown, and the council is of opinion that for the proper upkeep and care of the cemetery the council should assume the care, control and management of the cemetery, the council may, by a resolution passed by an absolute majority, assume the care, control and management of the cemetery.

**Local Government Act, 1934**

---

(2) Notice of every such resolution must be published in the *Gazette*.

(3) The cemetery becomes, on publication of the notice, a public cemetery and is thereafter under the care, control and management of the council, and the council may exercise in respect of the cemetery the same powers as if the cemetery were a public cemetery vested in the council.

**Power of council to accept conveyances of cemetery lands from trustees**

**591.** (1) The trustees of any land within an area held on trust for a cemetery may convey it to the council if the council is willing to accept the trust.

(2) The council will hold the cemetery on the original trusts or such of them as are applicable.

(3) The trustees are, from the time of the conveyance, discharged from the trusts.

(4) The council must not accept a conveyance of any such cemetery under this section if under the trusts on which the council will hold the cemetery the use of the cemetery is confined to the burial of persons of a particular religious denomination or sect.

**Power to set apart portion of cemetery for religious denomination**

**591a.** The council may set apart any portion of a cemetery vested in or under the care, control and management of the council for the burial of persons of a particular religious denomination.

**Power to manage cemeteries**

**592.** The council may grant rights for burial purposes over any part of a cemetery vested in, or under the care, control and management of, the council, and may do any other things necessary for the upkeep, maintenance and management of the cemetery. No such right for burial purposes may be granted for a longer term than 99 years.

**Penalty for interring human body except at public cemetery**

**593.** A person who interrs, or aids or suffers the interment of, any human body—

(a) in any church or place (other than a cemetery) within any municipality or any township in any district;

is guilty of an offence.

Penalty: Not less than \$100 nor more than \$200, plus a further penalty of not less than \$100 nor more than \$200 for every day after notice to remove the body has been given by the council, during which the body is allowed to remain so interred.

**Power of entry**

**594.** An officer of the council authorized for the purpose may, for the purpose of inspecting a cemetery within the area, enter the cemetery at any reasonable time in the daytime.

- (i) regulating the construction and the general regulation of mortuaries established by councils;
- (j) providing penalties not exceeding \$200 for the breach of any regulation.

(2) Any such regulation may be restricted in its application to any specified cemetery.

(3) Any such regulation which is not limited in its application as provided by subsection (2) applies to the whole of the State and to all cemeteries.

\* \* \* \* \*

**Provisions applicable to outside areas**

**596.** This Part applies to the portion of the State not comprised within any area, and the South Australian Health Commission has in respect of that portion of the State all the powers conferred on councils by this Part except sections 585, 590, 591 and 592, and this Part will, *mutatis mutandis*, be construed accordingly.

**PART XL  
LEGAL PROCEDURE**

**Recovery of amounts due to council**

**692.** (1) If any provision of this Act provides that any fees, charges, expenses or other amounts may be recovered by the council from any person, or are payable to the council by any person, the fees, charges, expenses or other amounts may be recovered by action in a court of competent jurisdiction.

(2) If any such fees, charges, expenses or other amounts are payable by reason of anything done in respect of any ratable or other property, or are payable by any person by reason of being the owner or occupier of any ratable or other property within the area, the fees, charges, expenses or other amounts may, after the expiration of 14 days after demand for payment is given by notice in writing by the council to the person from whom recovery is sought, be recoverable in any manner (other than by exercising a power of sale) in which rates are recoverable as if the fees, charges, expenses or other amounts had been a rate declared on the property at the time of the making of the demand and of which notice had been given.

Unless otherwise provided, no such fees, charges, expenses or other amounts are a charge on the property.

Any notice in writing given by the council requiring payment of any such fees, charges, expenses or other amounts are a sufficient demand for the purpose of this subsection.

All the provisions of that Part apply to any such sale, and for that purpose the Part will be construed as if the word "rate" included a reference to the fees, charges, expenses or other amounts.

(4) If a fee, charge, expense or other amount that is a charge on land is not paid within 30 days of a demand by the council for payment, the amount payable will bear interest at the prime bank rate for that financial year plus 3 per cent.

**Service of notices, etc.**

**Owner and driver not both liable to conviction**

**789c.** The owner and driver of a vehicle are not both liable to be convicted of an offence arising out of the same circumstances and consequently conviction of the owner exonerates the driver and conversely conviction of the driver exonerates the owner.

- (b) proceedings commenced against an owner of a vehicle who has been named in a statutory declaration under this section as the driver of the vehicle.

(4) Subject to subsection (5), in proceedings against the owner of a vehicle for an offence against this Act, it is a defence to prove—

- (b) that the owner provided the complainant with a statutory declaration in accordance with an invitation under this section.

(5) The defence in subsection (4)(b) does not apply if it is proved that the owner made the declaration knowing it to be false in a material particular.

(6) If—

- (a) an expiation notice is given to a person named as the alleged driver in a statutory declaration under this section; or
- (b) proceedings are commenced against a person named as the alleged driver in such a statutory declaration,

the notice or summons, as the case may be, must be accompanied by a notice setting out particulars of the statutory declaration that named the person as the alleged driver.

(7) In proceedings against a person named in a statutory declaration under this section for the offence to which the declaration relates, it will be presumed, in the absence of proof to the contrary, that the person was the driver of the vehicle at the time at which the alleged offence was committed.
