- (1) The council may, by resolution passed by an absolute majority, declare that all the buildings within the area, or any part of the area, must be provided with bacteriolytic tanks for the disposal of sewage; but no such resolution may be passed unless the council is of opinion that there is a proper supply of water in or with respect to the area or part (as the case may be) for the purposes of the disposal of sewage by means of bacteriolytic tanks.
- (1a) The council may, by resolution passed in the manner and under the circumstances provided for by subsection (1), declare that all the buildings within the area, or any part of it, which are erected after a day fixed by the resolution, must be provided with bacteriolytic tanks for the disposal of sewage. The council may, at any time subsequent to passing a resolution pursuant to this subsection, pass a resolution under subsection (1) relating to any part of the area to which a resolution under this subsection applies.
- (1b) Before a resolution is passed under subsection (1) or (1a), the proposal must be submitted by the council to the South Australian Health Commission and the Commission must, after making such inquiries as it considers necessary, report to the council whether or not, in its opinion, the area or part to which it is proposed that the resolution should apply is suitable for the installation of bacteriolytic tanks and whether or not the Commission approves of the passing of the resolution. No resolution of the council under subsection (1) or (1a) has any force or legal effect unless the passing of the resolution is approved by the Commission.
- (2) Every such resolution, together with the approval of the South Australian Health Commission to the passing of the resolution, must be published in the Gazette.

529—Installation of bacteriolytic tanks

- (1) Within the time fixed by the resolution or, if no time is fixed, then within six months of the publication of the resolution in the Gazette, the owner of every building (to which the resolution applies) in the area or part must provide and install a bacteriolytic tank for the disposal of sewage from the building.
- (2) If the owner fails to provide or install the bacteriolytic tank, the council may supply or install a bacteriolytic tank with respect to the building. For that purpose any person authorised by the council to do so may enter any land and perform any work necessary for carrying out the provisions of this section. The cost to the council of supplying or installing the tank is a debt due to the council by the owner of the building, and is until paid a charge on the land in respect of which the cost is incurred.
- (3) All bacteriolytic tanks installed pursuant to this section must be installed in conformity with the *Public and Environmental Health Act 1987*.

In any case where, pursuant to this Division, an owner is required to provide and install a bacteriolytic tank, the council may by notice in writing permit the owner to provide and install in place of such a tank a method of treatment approved by the South Australian Health Commission. Any such permit may be given subject to conditions considered desirable by the council and may be withdrawn by the council.

530B—All purpose bacteriolytic tank

In any case where, pursuant to this Division, the council requires the installation of a bacteriolytic tank, the council may, with the approval of the South Australian Health Commission, require the installation of a bacteriolytic tank of the kind known as an *all purpose* tank, namely, a bacteriolytic tank which is suitable for the disposal of sullage and waste water in addition to sewerage.

 - (d) details of any plans and specifications relating to the scheme that are available for public inspection.
- (4) An owner of land within the part of the area affected by the proposed scheme may, within 21 days after the receipt of the notice, lodge an objection to the proposed scheme with the council.
- (5) The council must consider any objection lodged under subsection (4) and may abandon the scheme or proceed with it with such modifications as it thinks fit.
- (6) If a scheme is undertaken, the owner of every building in the part of the council's area affected by the scheme must, at the request of the council, at the owner's own expense—
 - (a) provide effluent drains conforming to specifications approved by the South Australian Health Commission that may be necessary for the purposes of the scheme; and
 - (b) remove any sludge that may from time to time accumulate in the tank.
- (7) Where a request under subsection (6) is not complied with, the council may have the work carried out (and a person authorised to do so by the council may enter premises at any reasonable time for the purposes of carrying out the work).
- (8) The council may recover as a debt costs and expenses reasonably incurred under subsection (7) from the person in default.

- (9) Any costs and expenses recoverable under subsection (8) are, while they remain unpaid, a charge on the land.
- (10) The regulations may prescribe guidelines to assist councils in undertaking schemes for the disposal of septic tank effluent.
- (11) A regulation may incorporate, adopt, apply or make prescriptions by reference to, with or without modification, any code or standard prepared or published by any body or authority as in force at the time the regulation is made or as in force from time to time.

- (3) Upon the making of any such proclamation, the cemetery or part referred to in the proclamation ceases to be a cemetery and must not be used for burial purposes unless a right for burial purposes has been acquired over any portion of the cemetery or part, in which case the portion may be used for the burial of the person by whom the right was acquired or any member of the family of that person.

 - (a) determine any trust on which the council holds the land; and
 - (b) dedicate the land as park lands.

590—Power to take over cemeteries

- (1) If the owner of any cemetery within an area is unknown, or if any such cemetery is held by trustees who are dead or unknown, and the council is of opinion that for the proper upkeep and care of the cemetery the council should assume the care, control and management of the cemetery, the council may, by a resolution passed by an absolute majority, assume the care, control and management of the cemetery.
- (2) Notice of every such resolution must be published in the Gazette.
- (3) The cemetery becomes, on publication of the notice, a public cemetery and is thereafter under the care, control and management of the council, and the council may exercise in respect of the cemetery the same powers as if the cemetery were a public cemetery vested in the council.

Part XL—Legal procedure

692—Recovery of amounts due to council

- (1) If any provision of this Act provides that any fees, charges, expenses or other amounts may be recovered by the council from any person, or are payable to the council by any person, the fees, charges, expenses or other amounts may be recovered by action in a court of competent jurisdiction.

- (2) If any such fees, charges, expenses or other amounts are payable by reason of anything done in respect of any ratable or other property, or are payable by any person by reason of being the owner or occupier of any ratable or other property within the area, the fees, charges, expenses or other amounts may, after the expiration of 14 days after demand for payment is given by notice in writing by the council to the person from whom recovery is sought, be recoverable in any manner (other than by exercising a power of sale) in which rates are recoverable as if the fees, charges, expenses or other amounts had been a rate declared on the property at the time of the making of the demand and of which notice had been given.

Unless otherwise provided, no such fees, charges, expenses or other amounts are a charge on the property.

Any notice in writing given by the council requiring payment of any such fees, charges, expenses or other amounts are a sufficient demand for the purpose of this subsection.

- (2a) Subsection (2) does not apply with respect to—
- (a) rates, charges, interest or fines recoverable under Part X;

All the provisions of that Part apply to any such sale, and for that purpose the Part will be construed as if the word "rate" included a reference to the fees, charges, expenses or other amounts.
- (4) If a fee, charge, expense or other amount that is a charge on land is not paid within 30 days of a demand by the council for payment, the amount payable will bear interest at the prime bank rate for that financial year plus 3 per cent.

696—Authentication of certain documents by the council

 - (b) that the owner provided the complainant with a statutory declaration in accordance with an invitation under this section.
- (5) The defence in subsection (4)(b) does not apply if it is proved that the owner made the declaration knowing it to be false in a material particular.

- (a) an expiation notice is given to a person named as the alleged driver in a statutory declaration under this section; or
 - (b) proceedings are commenced against a person named as the alleged driver in such a statutory declaration,
- the notice or summons, as the case may be, must be accompanied by a notice setting out particulars of the statutory declaration that named the person as the alleged driver.
- (7) In proceedings against a person named in a statutory declaration under this section for the offence to which the declaration relates, it will be presumed, in the absence of proof to the contrary, that the person was the driver of the vehicle at the time at which the alleged offence was committed.

791—Penalty for offence against this Act

A person guilty of an offence against this Act, or any regulation or by-law made or continued under this Act, punishable on summary conviction is, for every such offence, liable to a penalty specifically imposed by this Act or by a by-law for that purpose, and, if no penalty is so imposed, to a penalty not exceeding \$750.

792—Power of Governor to remit fines

The Governor may remit the whole or any part of any fine or penalty, although it may be appropriated to a council.

793—Conviction not to bar action
