AND WHEREAS the State has agreed subject to the ratification of this Indenture by the Parliament of South Australia to assist Mobil as herein set forth to enable the said lubricating oil refinery to be constructed and operated.

NOW THIS INDENTURE WITNESSETH that the State and Mobil HEREBY COVENANT AND AGREE WITH EACH OTHER as follows:—

1.

(1) In this Indenture, unless the context otherwise requires:—

"**Port Adelaide**" has the same meaning as in the *Harbors and Navigation Act 1993*.

- (2) This Indenture shall be interpreted according to the laws for the time being in force in the State.

2.

- (1) The Government of the State will, as soon as practicable after the execution of this Indenture, introduce a Bill into the Parliament of South Australia to approve and ratify this Indenture and to provide for carrying it into effect.
- (2) If such a Bill is not passed before the 31st day of December, 1977, the clauses of this Indenture other than this clause shall not come into operation.

3.

- (1) This Indenture is made subject to Mobil having already completed, or within such period as the State may allow, completing the construction on the lube refinery site of a lubricating oil refinery having a designed production capacity of not less than 3 000 barrels of lubricating oil per day.
- (2) Until such time as the said lubricating oil refinery is constructed and commences to operate, the clauses of this Indenture, other than Clauses 1, 2 and 3, shall not commence to operate and if the lubricating oil refinery is not constructed as provided in Clause 3(1), the clauses of this Indenture other than Clauses 1, 2 and 3 shall have no effect.
- (3) Mobil shall in the design, erection, equipment and operation of the lube refinery, comply with accepted modern oil refinery practice and standards.

5.

- (1) Notwithstanding anything contained in this Indenture or in the original Indenture, for the purpose of calculating the amount of the charge payable under clause 4 in respect of lube refinery feedstock unloaded by means of the marine installations except as mentioned in Clause 5(2) petroleum products shall be understood not to be distributed whilst they are inside or on the way to either the lube refinery site, the P.R.A. site or any other site owned by Mobil in which petroleum products may lawfully be kept or stored or temporarily placed and being within five kilometres of the nearest boundary of the lube refinery site.
- (2) The exception is where petroleum products are passed from one such site to another such site and are consumed there other than as refinery feedstock.

6.

(1) Subject to this clause, where, for any year ending on 1 February, the total amount paid for that year under clause 4(1) of this Indenture and clause 9(1) of the original Indenture in respect of lube refinery feedstock and feedstock for the P.R.A. refinery unloaded by means of the marine installations in respect of—

- (a) lube refinery feedstock; and
- (b) feedstock for the P.R.A. refinery to the extent that it is calculated on the volume of Mobil owned petroleum products manufactured at the P.R.A. refinery and distributed by Mobil (which shall include distribution by P.R.A. of such petroleum products by means of P.R.A.'s pipeline to Mobil's Birkenhead Terminal),

exceeds the prescribed amount, the State shall pay to Mobil, as soon as practicable, the amount of the excess.

(1a) For the purposes of subclause (1), "the prescribed amount" means—

- (a) in respect of each year up to and including the year ending on 1 February, 1986—\$476 000; and
- (b) in respect of the year ending on 1 February, 1987—\$520 000; and
- (c) in respect of the year ending on 1 February, 1988—a sum that bears to \$600 000 the same proportion as the Consumer Price Index for the June quarter of 1986 bears to the Consumer Price Index for the June quarter of 1985; and
- (d) in respect of the year ending on 1 February, 1989—a sum that bears to \$690 000 the same proportion as the Consumer Price Index for the June quarter of 1987 bears to the Consumer Price Index for the June quarter of 1985; and
- (e) in respect of the year ending on 1 February, 1990—a sum that bears to \$790 000 the same proportion as the Consumer Price Index for the June quarter of 1988 bears to the Consumer Price Index for the June quarter of 1985; and
- (f) in respect of each of the years ending on 1 February in 1991, 1992, 1993, 1994, 1995 and 1996—a sum that bears to \$850 000 the same proportion as the Consumer Price Index for the June quarter of the preceding calendar year but one bears to the Consumer Price Index for the June quarter of 1985.

(2) In calculating any amount to be paid by the State pursuant to sub-clause (1) of this clause, no account shall be taken, in any such year, of any amount paid under clause 4(1) of this Indenture or clause 9(1) of the original Indenture based on any excess portion of the volume of Mobil owned petroleum products manufactured at the P.R.A. refinery in respect of which a charge under those clauses is calculated, if such Mobil owned volume exceeds, in any such year:—

- (i) 76% (seventy six per cent) of the maximum yearly production capacity of the P.R.A. refinery at the time the lube refinery comes into operation

plus

- (ii) a volume equal to any increase in Mobil's share of the maximum yearly production capacity of the P.R.A. refinery beyond that calculated in accordance with Clause 6(2)(i), which increase results from an expansion of the P.R.A. refinery after the time the lube refinery comes into operation.
 - (3) For the purposes of paragraphs (i) and (ii) of sub-clause (2) of this clause, the maximum yearly production capacity of the P.R.A. refinery shall be such capacity as certified by P.R.A. and approved by the Treasurer of the State of South Australia.
7. No charge is payable to the Minister for Transport in respect of—
- (a) petroleum products produced at the lube refinery and loaded at the marine installations; or
 - (b) petroleum products produced at the lube refinery and loaded at Port Adelaide if the products are—
 - (i) transported by pipeline or other means of land transport to Port Adelaide; and
 - (ii) transported by sea from Port Adelaide and subsequently unloaded at port facilities provided by or on behalf of the State.
- 8.
- (1) Petroleum products produced at the lube refinery and transported by sea to Port Adelaide are not liable to an inward cargo service charge at that port unless harbor works and facilities additional to those in existence at the time of the execution of this Indenture are provided at that port by or on behalf of the State and are used for unloading or landing such products.

If such facilities are so used, inward cargo services charges appropriate to the amount expended by or on behalf of the State on the provision of such additional facilities will be payable.
 - (2) A charge is payable in respect of—
 - (a) petroleum products unloaded at Port Pirie, Port Lincoln or at any other port in the State (other than Port Adelaide) if the products were produced at the lube refinery and transported to that port by sea; and
 - (b) petroleum products unloaded at any port in the State if the products were produced at the lube refinery and—
 - (i) are transported to Port Adelaide by pipeline or other means of land transport; and
 - (ii) are transported by sea from Port Adelaide to the port at which they are unloaded.
 - (3) A charge under subclause (2) is payable at a rate equal to the rate of inward cargo service charge under the scale fixed from time to time in respect of bulk liquid cargo unloaded at that port and is payable to the authority who has the care, control and management of the port.

-
9. Except as expressly provided, this Indenture does not confer any exemption from charges payable under the law of the State for the use of port facilities, or services provided by or on behalf of the State at such facilities.
- 12.
- (1) With the written consent of the State, Mobil may assign or otherwise dispose of, to any person, any right, power, benefit, or privilege conferred on Mobil by this Indenture.
 - (2) A person to whom any right, power, benefit or privilege is so assigned or disposed of may, with the written consent of the State, further assign or dispose of it.
 - (3) Mobil may with the written consent of the State cause any of its obligations or duties under this Indenture to be performed by any other Company, but notwithstanding such consent Mobil shall remain liable for any failure to perform such obligations or duties.
 - (4) No consent shall be required for the assignment of any right, power, benefit or privilege conferred on Mobil by this Indenture to, or for the performance of Mobil's obligations or duties under this Indenture by, a company more than 50 per cent of the issued shares of which are owned directly or indirectly by Mobil Oil Corporation, a company incorporated in the State of New York, U.S.A.
 - (5) The State shall not arbitrarily or unreasonably withhold consent to any assignment or disposition under this clause.
13. Any consent or permission to be given by the State under this Indenture shall be deemed to be duly given if given by notice in writing to Mobil signed by the Premier or Acting Premier of the State.
- 14.
- (1) —
 - (a) Mobil may, subject to the consent of P.R.A. use and occupy the foreshore adjacent to the refinery site and the marine installations and the Bill referred to in Clause 2 of this Indenture shall provide for the amendment of Sections 6 and 7 of the Act to such extent as may be necessary to give effect to the provisions of this paragraph.
 - (b) Mobil may, subject to the consent of P.R.A. use the facilities constructed and provided or to be provided in accordance with paragraphs (c), (d), (e) and (f) of Clause 5 of the original Indenture but the State shall not be obliged to construct, maintain or arrange for any such facilities to any greater extent than the original Indenture provides.
 - (c) Mobil may draw water from the sea as provided for in paragraph (c) of sub-clause (1) of Clause 6 of the original Indenture.
 - (d) Mobil shall be entitled to the benefit of the provisions of Clause 8 of the original Indenture.
 - (2) It is confirmed that the expression "the refinery" as used in the Act and the original Indenture has the same meaning as "the P.R.A. refinery" as herein defined.
 - (3) Except as is expressly provided by this Indenture, nothing herein contained shall affect any of the provisions of the original Indenture nor impose any obligation upon the State or the Government of the State to introduce any Bill into the Parliament of South Australia to vary the original Indenture or to amend any provisions of the Act.

IN WITNESS whereof the parties hereto have executed these presents the day and year first hereinbefore written.
