-
- (2) The Minister may, by instrument in writing, determine that a Centre asset is to be regarded as personalty although annexed to land (and any such determination will have effect according to its terms and despite the provisions of any other law or instrument).
 - (3) The Minister may, by subsequent instrument in writing, vary or revoke a determination under subsection (2).

3A—Centre land

- (1) Subject to this section, the Centre land will be the area of land shown as Allotment 100 in Lands Titles Registration Office Deposited Plan 66751.
- (2) The Minister may, by instrument deposited in the Lands Titles Registration Office, vary the Centre land.
- (3) However—
 - (a) a variation must not be made under subsection (2) by virtue of which any land would be added to the Centre land except in pursuance of a resolution passed by both Houses of Parliament; and
 - (b) a variation must not be made under subsection (2) by virtue of which any land would be placed under the control of the Board of the Botanic Gardens and State Herbarium except with the concurrence of that board.
- (4) The Minister must also consult with the Surveyor-General, and any lessee or other person who may be directly affected, before the Minister deposits an instrument under subsection (2).
- (5) A variation to the Centre land under this section will, by force of this section, vary any relevant dedication of the land affected by the variation.
- (6) For the purposes of this section, the Centre land may be varied by the depositing of a new plan (with a new number) in the Lands Titles Registration Office.

 - (v) to provide other services or facilities determined or approved by the Minister; and

- (1a) Despite subsection (1)(a), the Minister may declare that a part of Centre land is dedicated for purposes appropriate to the functions or purposes of the University of Adelaide.
