## **Division 2—Administration**

### **7—Membership**

- (1) The Authority consists of 7 members appointed by the Governor of whom at least 4 are to be members of different outback communities.
- (2) In selecting a member of an outback community for appointment to the Authority, nominations for appointment must be sought by notice in a newspaper circulating generally throughout the outback and on the website of the Authority.
- (3) At least 1 member of the Authority must be a woman and 1 a man.
- (4) The Governor will appoint 1 of the members to be the presiding member of the Authority.
- (5) The Governor may appoint a person to be the deputy of a member of the Authority and the deputy may act as a member of the Authority during any period of absence of the member.

### **10—Proceedings**

- (1) A quorum of the Authority consists of 4 members.
- (2) In the absence of the presiding member from a meeting of the Authority a member chosen by those present will preside at the meeting.
- (3) A decision carried by a majority of the votes cast by the members at a meeting of the Authority is a decision of the Authority.
- (4) Each member present at a meeting of the Authority has 1 vote on a matter arising for decision and, if the votes are equal, the member presiding at the meeting may exercise a casting vote.
- (5) A conference by telephone or other electronic means between the members of the Authority will, for the purposes of this section, be taken to be a meeting of the Authority at which the participating members are present if—
  - (a) notice of the conference is given to all members in the manner determined by the Authority for the purpose; and
  - (b) each participating member is capable of communicating with every other participating member during the conference.
- (6) A proposed resolution of the Authority becomes a valid decision of the Authority despite the fact that it is not voted on at a meeting of the Authority if—

- (b) a majority of the members express concurrence in the proposed resolution by letter, telegram, telex, fax, e-mail or other written communication setting out the terms of the resolution.
- (7) Notice of a proposed resolution for the submission of a strategic management plan, annual business plan or budget or a variation of a strategic management plan, annual business plan or budget to the Minister must be given to all members of the Authority, together with a copy of the proposed plan, budget or variation, at least 21 days before a vote is to be taken on the resolution.
- (8) A meeting of the Authority is to be open to the public unless the Authority considers it to be necessary and appropriate to close the meeting to the public in order to receive, discuss or consider in confidence any information or matter of the kind that could lead to the closure of a council meeting under the *Local Government Act 1999*.
- (9) The Authority must have accurate minutes kept of its proceedings and, subject to the exclusion of matters considered in a meeting closed to the public, make them available for inspection free of charge on a website and at its principal place of business during normal office hours.
- (10) Subject to this Act, the Authority may determine its own procedures.

## **11—Committees**

- (1) The Authority may establish committees to assist it in the performance of its functions.

- (4) The *Public Sector (Honesty and Accountability) Act 1995* applies to a member of a committee in the same way as to an advisory body member within the meaning of that Act (as if a reference to the relevant Minister were a reference to the Minister responsible for the administration of this Act).

## **12—Staff**

The Authority's staff consists of Public Service employees assigned to assist the Authority.

## **13—Delegation**

- (1) The Authority or the presiding member of the Authority may delegate a function or power under this or any other Act to—

- (2) If a person to whom a function or power is delegated is not a member of the Authority or a member of the staff of the Authority, or a committee to which a function or power is delegated includes a person who is not a member of the Authority or a member of the staff of the Authority, the prior approval of the Minister must be obtained to the delegation (but failure to obtain the approval will not make the delegation invalid).
- (3) A function or power delegated under this section may, if the instrument of delegation so provides, be further delegated.

- (4) A delegation under this section—
  - (a) must be by instrument in writing; and
  - (b) may be absolute or conditional; and
