## The Parliament of South Australia enacts as follows:

### 1—Short title

This Act may be cited as *The Electricity Trust of South Australia (Torrens Island Power Station) Act 1962*.

### 2—Resumption of certain reserves

- (1) Notwithstanding the provisions of section 64 of the *Harbors Act 1936* the reserves defined in Schedule 1 to this Act and the land defined in Schedule 2 to this Act are hereby withdrawn from the South Australian Harbors Board.
- (2) Notwithstanding anything in the *Crown Lands Act 1929* contained, the reserve defined in Schedule 3 to this Act is hereby resumed.

### **3—Vesting of certain land in Electricity Trust of S.A.**

The land shown in the plan in Schedule 4 to this Act and therein hatched in black being that portion of Torrens Island numbered section 453 Hundred of Port Adelaide and extending to low water mark is by force of this Act vested in The Electricity Trust of South Australia for an estate in fee simple.

### **4—Construction of power station**

The Electricity Trust of South Australia may on the land vested in it by section 3 of this Act construct and operate a power station or power stations together with any other structures, equipments, buildings, offices, ancillary works and facilities it may deem necessary for the purposes of its undertaking.

### **5—Power to construct bridges etc**

Notwithstanding any other Act or law The Electricity Trust of South Australia may for the purposes of any power station to be constructed or which has been constructed by it on the land vested in it by section 3 of this Act—

- (a) construct a temporary barrage across Angas Inlet in a position approximately as shown on the plan in Schedule 4 and therein marked "A" from Torrens Island to Garden Island, thereby preventing access by water between Angas Inlet and North Arm; and
- (b) construct a temporary bridge across the North Arm in a position approximately as shown on the said plan and therein marked "B" from Torrens Island to the mainland on the southern side of the North Arm at low level and without any lifting or opening device; and
- (c) construct a permanent bridge or a permanent embankment across Angus Inlet in a position approximately as shown on the plan and therein marked "C" from Torrens Island to Garden Island and if a bridge without any lifting or opening device and if an embankment thereby permanently and completely preventing access by water between Angas Inlet and North Arm; and
- (d) construct a permanent bridge in a position approximately as shown on the plan and therein marked "D" from Garden Island across the North Arm to the mainland at low level and without any lifting or opening device.

### **6—Non-liability of Trust for damages**

The Electricity Trust of South Australia shall not be liable for any costs, charges, compensation or damages whatsoever to any person whatsoever arising from or out of the said constructions as provided by this Act whether by reason of hindering or preventing navigation between Angas Inlet and North Arm or by reason of diversion of waters or otherwise howsoever.

### **7—Saving**

Nothing in this Act shall take away or restrict any other rights or powers of The Electricity Trust of South Australia.
