as amended by

Tobacco Products Control Act Amendment Act, 1988, No. 42 of 1988 [Assented to 5 May 1988]²

Tobacco Products (Licensing) (Fees) Amendment Act 1992 No. 47 of 1992 [Assented to 17 September 1992]⁴

An Act to recover from consumers of tobacco products an appropriate contribution towards the State's revenues; to repeal the Business Franchise (Tobacco) Act, 1974; and for other purposes.

Preamble:

1. *The consumption of tobacco products impairs the health of the citizens of the State and places a substantial burden on the State's financial resources.*
2. *In view of this financial burden, the Parliament considers it fair that consumers of tobacco products should make an appropriate contribution to State revenues irrespective of the source of the tobacco products.*
3. *The purpose of this Act is to establish a legislative scheme under which—*
 - (a) *a direct contribution to State revenues, in the form of a licence fee, will be made by a consumer who takes out a consumption licence;*

but

 - (b) *a tobacco merchant who chooses to be licensed and thus by payment of licence fees to make a contribution to State revenues on behalf of consumers will relieve a consumer from the obligation to hold a consumption licence for the consumption of tobacco products obtained through the merchant.*

The Parliament of South Australia therefore enacts as follows:

¹Came into operation 18 December 1986: *Gaz.* 18 December 1986, p. 1877.

²Came into operation 1 July 1988: *Gaz.* 26 May 1988, p. 1333.

³Came into operation (except ss. 3 and 5) on assent: s. 2(1); ss. 3 and 5 came into operation 1 November 1990: s. 2(2).

⁴Came into operation 1 September 1992: s. 2.

(3) A tobacco merchant that holds a restricted licence will not, while the condition of the licence is observed, be regarded as a member of a group.

(4) The Commissioner may, if satisfied that a member of a group of tobacco merchants will carry on business in substantial independence from the other member or members of the group, determine that the tobacco merchant will not be regarded as a member of the group.

(5) While a determination is in force under subsection (4), the tobacco merchant will not be regarded as a member of the group.

(a) who carry on business in the State;

or

(b) who carry on business outside the State and in the course of that business dispatch tobacco products to purchasers in the State.

Act to bind the Crown

7. This Act binds the Crown not only in right of the State but also (so far as the legislative power of the State extends) in all its other capacities.

PART II
LICENCES

DIVISION I—CONSUMPTION LICENCES

Unlawful consumption of tobacco products

8. (1) Subject to this section, a person shall not consume a tobacco product unless—
- (a) that person holds a consumption licence;
 - or
 - (b) the tobacco product was obtained from a licensed tobacco merchant.

Penalty: \$10 000.

- (2) This section does not prevent a person from consuming a tobacco product if—
- (a) the person obtained the tobacco product, while outside the State, for personal consumption;
 - or
 - (b) the person obtained the tobacco product as a gift from a person who is neither a tobacco merchant nor an associate of a tobacco merchant.

(3) Where a person is alleged to have committed an offence against subsection (1) a notice will be sent to the alleged offender offering him or her the opportunity to expiate the offence by payment of a civil penalty of \$200 to the Commissioner within 60 days of the date of the notice.

(4) A prosecution for an offence against subsection (1) must not be commenced if the offence is expiated in accordance with the notice.

(5) The Commissioner has a discretion to recover the civil penalty as a debt instead of proceeding to a prosecution.

(6) A consumer will not be liable both to a civil penalty and a criminal penalty in respect of the same act of consumption and consequently recovery of the civil penalty exonerates the consumer from liability for the criminal penalty and conversely the imposition of a criminal penalty exonerates the consumer from liability for the civil penalty.

Consumption licences

9. (1) A consumption licence may be granted for a term of 3 months, 6 months or 12 months.

- (2) The fee for a consumption licence is—
- (a) if granted for a 3 month term—\$110;
 - (b) if granted for a 6 month term—\$210;
 - (c) if granted for a 12 month term—\$430.

- (3) An application for a consumption licence—
- (a) must be made in writing to the Commissioner;
 - (b) must contain—

- (i) the applicant's name and address;

and

- (ii) a statement, signed by the applicant, to the effect that the applicant is of or over the age of 16 years;

and

(c) must be accompanied by the appropriate fee.

(4) If an application for a consumption licence is made in accordance with subsection (3), the Commissioner must (unless the Commissioner has reason to doubt the veracity of the declaration as to the applicant's age) grant a licence to the applicant.

(5) A consumption licence must contain a warning in a form approved by the Minister against the dangers of smoking.

DIVISION II—TOBACCO MERCHANTS' LICENCES

Tobacco merchant may choose whether to be licensed

10. (1) A tobacco merchant may hold a tobacco merchant's licence but is not obliged to hold such a licence.

(2) If a tobacco merchant is a member of a group, a tobacco merchant's licence cannot be held by a member of the group independently of the other members of the group but must be held on behalf of all members of the group.

(3) Where a tobacco merchant's licence is held on behalf of a group of tobacco merchants, each member of the group is a licensed tobacco merchant.

Classes and terms of licences

11. (1) Tobacco merchants' licences will be of two classes:

(a) licences (referred to in this Act as "unrestricted licences") that are not subject to any condition;

and

(b) licences (referred to in this Act as "restricted licences") that are subject to a condition that the holder of the licence must not, during the period for which the licence remains in force, sell tobacco products except tobacco products purchased from licensed tobacco merchants.

(2) A restricted licence will not be granted to an applicant for a tobacco merchant's licence unless the applicant applies for such a licence.

(3) If the condition of a restricted licence is not observed—

(a) the holder of the licence is guilty of an offence and liable to a penalty not exceeding \$20 000;

and

(b) the licence fee for each month in which the condition is not observed will be re-assessed by the Commissioner as if the licence were an unrestricted licence.

(4) Subject to this section, a tobacco merchant's licence will be granted for a term of one calendar month.

(5) If a tobacco merchant's licence is granted after the commencement of a calendar month—

(a) the licence will expire at the end of the month;

and

(b) the licence will, if the Commissioner so determines, operate retrospectively from the first day of the month.

(6) The Commissioner may grant a restricted licence on the basis that the licence will be automatically renewed, without further application by the tobacco merchant, up to a total period (not exceeding 12 months) specified in the licence.

(7) A licensed tobacco merchant may surrender the licence to the Commissioner at any time.

Application for tobacco merchant's licence

12. (1) An application for a tobacco merchant's licence—

(a) must be made in writing to the Commissioner;

(b) must contain the applicant's name and, if the applicant is a member of a group, the names of all tobacco merchants in the group;

(c) must state—

(i) the address or addresses of the premises from which the tobacco merchant carries or proposes to carry on business;

and

(ii) if the tobacco merchant is a member of a group—the address or addresses of premises from which other members of the group carry on business;

(d) must (except in the case of an application for a restricted licence) state—

(i) if the applicant is not a member of a group—the aggregate value of tobacco products (not being tobacco products purchased from a licensed tobacco merchant) sold by the merchant during the relevant period;

and

(ii) if the applicant is a member of a group—the aggregate value of tobacco products (not being tobacco products purchased from a licensed tobacco merchant) sold by the members of the group during the relevant period;

(e) in the case of an application for a restricted licence—must contain—

(i) a declaration that during the period of 2 months preceding the date of the application the applicant has not sold tobacco products other than tobacco products purchased from licensed tobacco merchants;

and

(ii) a declaration that the applicant does not intend to sell tobacco products other than tobacco products purchased from licensed tobacco merchants;

and

(f) must contain any further statements or declarations required by the Commissioner.

(2) If during the relevant period the tobacco merchant sold tobacco products for delivery and consumption outside the State, the application must contain a statement of—

(a) the value of the tobacco products so sold;

and

(b) the names and addresses of the persons to whom those tobacco products were sold.

Licence fees

13. (1) Subject to this section, the fee for a tobacco merchant's licence (not being a restricted licence) is—

(a) if the tobacco merchant is not a member of a group—\$2 plus—

(i) 75 per cent of the aggregate value of tobacco products (not being tobacco products purchased from a licensed tobacco merchant) sold by the merchant to licensed tobacco merchants during the relevant period;

and

(ii) 80 per cent of the aggregate value of tobacco products (not being tobacco products purchased from a licensed tobacco merchant) sold by the merchant otherwise than to licensed tobacco merchants during the relevant period;

(b) if the tobacco merchant is a member of a group—\$2 plus—

(i) 75 per cent of the aggregate value of tobacco products (not being tobacco products purchased from a licensed tobacco merchant) sold by the members of the group to licensed tobacco merchants during the relevant period;

and

(ii) 80 per cent of the aggregate value of tobacco products (not being tobacco products purchased from a licensed tobacco merchant) sold by the members of the group otherwise than to licensed tobacco merchants during the relevant period.

(2) The fee for a restricted licence is \$2 multiplied by the number of months in the period for which the licence is to be in force or \$10 whichever is the lesser (but this fee is subject to re-assessment if the condition of the licence is not observed).

(3) Licence fees for tobacco merchants' licences will be assessed by the Commissioner.

(4) If an applicant for a tobacco merchant's licence (not being a restricted licence) did not carry on business during the relevant period, or part of the relevant period, the Commissioner may assess a licence fee on the basis of—

(a) the Commissioner's estimates of the scale of the business that would have been carried on by the applicant during the relevant period or that part of the relevant period if the applicant had then carried on business;

and

(b) assumptions by the Commissioner as to the nature of that business.

(5) If the information for assessing a licence fee is incomplete, the Commissioner may supply the deficiency by making any estimate or assumption that appears reasonable in the circumstances.

(6) The Commissioner may at any time re-assess a licence fee if—

(a) it appears that—

(i) an error was made in the original assessment;

or

(ii) the information, or an estimate or assumption, on which the original assessment was based is erroneous or incomplete;

or

(b) it is appropriate on account of amendments effected to this Act.

(7) A re-assessment under subsection (6) has retrospective effect and accordingly if such a re-assessment is made—

(a) any amount overpaid will (without the necessity of any further appropriation) be refunded;

or

(b) if the fee is increased, the difference between that fee and the fee as originally assessed may be recovered as a debt from the person to whom the licence was issued or, if that person was a member of a group, from any member or members of the group.

(8) The value of tobacco products sold for delivery and consumption outside the State will be disregarded in assessing licence fees under this section.

(9) If a tobacco merchant deals in tobacco products directly imported by the merchant from outside Australia, then, for the purpose of assessing licence fees, sales of tobacco products by that tobacco merchant will, if the Commissioner so determines, be treated as if made to licensed tobacco merchants (whether actually so made or not).

(10) If the Commissioner determines that this subsection should apply in relation to a particular licensed tobacco merchant then—

(a) sales of tobacco products to that tobacco merchant by any other licensed tobacco merchant will be disregarded in assessing the vendor's licence fee;

but

(b) the purchaser's licence fee will be assessed as if those tobacco products had not been purchased from a licensed tobacco merchant.

Valuation of tobacco products

14. (1) The Minister may, by notice in the *Gazette*—

(a) set out a basis for valuing tobacco products;

(b) vary or revoke any such notice previously published.

(2) While such a notice is in force, the tobacco products will, for the purpose of assessing licence fees, be valued in accordance with the notice.

PART III

Declarations to be obtained from purchasers

15. (1) An unlicensed tobacco merchant shall obtain from every person who purchases a tobacco product by retail from the merchant—

and

(b) all declarations obtained by the merchant during the month.

Penalty: \$20 000.

(4) A purchaser of a tobacco product who is requested by an unlicensed tobacco merchant, or a person acting on behalf of an unlicensed tobacco merchant, to sign a declaration in a form prescribed by schedule 1 and who takes the tobacco product from the tobacco merchant's premises without signing such a declaration is guilty of an offence.

Penalty: \$2 000.

Notice to be displayed for the information of prospective purchasers

16. (1) An unlicensed tobacco merchant shall display a notice or notices prominently in the merchant's premises so as to ensure (as far as reasonably practicable) that prospective purchasers will, before purchasing tobacco products, or selecting tobacco products for purchase, be made aware—

(a) that the tobacco merchant is unlicensed;

(b) that purchasers of tobacco products will be required to sign a declaration under this Act;

and

(c) that the tobacco products cannot be lawfully consumed without a consumption licence.

Penalty: \$20 000.

(2) One such notice must be prominently displayed at or near the main entrance to the merchant's premises so as to be clearly legible by members of the public as they enter the premises.
