

SOUTH AUSTRALIA

**ANGAS INLET ZONING REGULATIONS, 1988**

**REGULATIONS UNDER THE BOATING ACT, 1974**

*Angas Inlet Zoning Regulations, 1988*

being

No. 190 of 1988: *Gaz.* 1 September 1988, p. 948

**Citation**

1. These regulations may be cited as the *Angas Inlet Zoning Regulations, 1988*.

**Interpretation**

2. In these regulations—

"the controlled area" means that portion of Angas Inlet that is bounded as follows:

Commencing at a point where median high water mark on Torrens Island intersects the line of buoys, thence south-east along the line of buoys to a point where median high water on Garden Island intersects the line of buoys, thence south-west along median high water mark to the Causeway, thence north-west along median high water mark to Torrens Island, thence north-east along median high water mark to the point of commencement:

"the line of buoys" means a line of orange coloured buoys installed at the direction of the Minister for the purpose of marking out the controlled area.

**Activities prohibited in the controlled area**

3. (1) A person who takes a vessel, water ski, surf board or other similar device into the controlled area or who causes or permits a vessel, water ski, surf board or other similar device to enter the controlled area is guilty of an offence.

Penalty: \$200.

(2) Subregulation (1) does not apply to a person who operates a vessel in the controlled area—

- (a) for a purpose connected with the operation or maintenance of Torrens Island Power Station;

or

- (b) for the purposes of a rescue operation.

3.
