    - (i) a reference in those sections to a relevant regional NRM board or boards will be taken to be a reference to the relevant regional landscape board or boards referred to in paragraph (a); and
    - (ii) a reference in those sections to a relevant regional NRM plan will be taken to include a reference to a relevant regional landscape plan; and
    - (iii) the functions of the NRM group will include supporting the objects of the Act and assisting in other ways to support the administration of the Act at the local level; and

- (c) on the abolition of the NRM group the Minister may, by notice in the Gazette, provide for the vesting or distribution of any outstanding property, assets or rights of the NRM group, and attach any liability of the NRM group to the Minister or to a regional landscape board (as the Minister thinks fit).
