Legislative history

Part 1—Preliminary

1—Short title

These regulations may be cited as the *National Energy Retail Regulations*.

Part 2—General provisions

3—Interpretation

In these regulations—

the Law means the *National Energy Retail Law*;

tier 1 civil penalty provision—see regulation 6(2);

tier 2 civil penalty provision—see regulation 6(3);

tier 3 civil penalty provision—see regulation 6(4).

4—Jurisdictional regulator

For the purposes of the definition of *jurisdictional regulator* in section 2(1) of the Law, each of the following bodies or persons is prescribed as a jurisdictional regulator:

- (a) for the State of New South Wales—the Independent Pricing and Regulatory Tribunal of New South Wales established by section 5(1) of the *Independent Pricing and Regulatory Tribunal Act 1992* of New South Wales;
- (b) for the State of Victoria—the Essential Services Commission established by section 7(1) of the *Essential Services Commission Act 2001* of Victoria;
- (c) for the State of Queensland—
 - (i) for electricity—the regulator under section 62 of the *Electricity Act 1994* of Queensland; and
 - (ii) for gas—the regulator under section 8 of the *Gas Supply Act 2003* of Queensland;
- (d) for the State of South Australia—the Essential Services Commission established by section 4(1) of the *Essential Services Commission Act 2002* of South Australia;
- (e) for the State of Tasmania—the Regulator established under section 5 of the *Electricity Supply Industry Act 1995* of Tasmania, being the Regulator within the meaning of the *Economic Regulation Act 2009* of Tasmania;
- (f) for the Australian Capital Territory—the Independent Competition and Regulatory Commission for the Australian Capital Territory established by section 5(1) of the *Independent Competition and Regulatory Commission Act 1997* of the Australian Capital Territory;

- (g) if a body or person referred to in paragraphs (a) to (f) is abolished under an Act of a participating jurisdiction and another body or person is established under an Act of that participating jurisdiction with functions and powers that correspond to the functions and powers of the body or person referred to in paragraphs (a) to (f)—that other body or person;
- (h) if the functions and powers of a body or person referred to in paragraphs (a) to (f) are transferred to another body or person established under an Act of the relevant participating jurisdiction—that other body or person.

5—Energy ombudsman

For the purposes of the definition of **energy ombudsman** in section 2(1) of the Law, each of the following bodies or persons is prescribed as an energy ombudsman:

- (a) for the State of New South Wales—Energy and Water Ombudsman (NSW) Limited ACN 079 718 915;
- (b) for the State of Victoria—Energy and Water Ombudsman (Victoria) Limited ACN 070 516 175;
- (c) for the State of Queensland—the energy ombudsman established under Part 2 of the *Energy and Water Ombudsman Act 2006* of Queensland;
- (d) for the State of South Australia—Energy Industry Ombudsman (SA) Limited ACN 089 791 604;
- (e) for the State of Tasmania—the Ombudsman referred to in the *Energy Ombudsman Act 1998* of Tasmania, being the Ombudsman within the meaning of the *Ombudsman Act 1978* of Tasmania;
- (f) for the Australian Capital Territory—the ACT Civil and Administrative Tribunal established under section 88 of the *ACT Civil and Administrative Tribunal Act 2008* of the Australian Capital Territory;
- (g) if a body or person referred to in paragraphs (a) to (f) is dissolved or otherwise abolished and another body or person is established with functions and powers that correspond to the functions and powers of the body or person referred to in paragraphs (a) to (f)—that other body or person;
- (h) if the functions and powers of a body or person referred to in paragraphs (a) to (f) are transferred to another body or person—that other body or person.

6—Civil penalty provisions

- (1) For the purposes of section 4(1)(b) of the Law, a provision of the Law, other than a civil penalty provision under section 4(1)(a) of the Law, or Rules listed in Schedule 1 is prescribed to be a civil penalty provision.
- (2) A civil penalty provision listed in Schedule 1 Part 1 is prescribed for the purposes of section 4A(1)(c) of the Law and is a ***tier 1 civil penalty provision***.
- (3) A civil penalty provision listed in Schedule 1 Part 2 is prescribed for the purposes of section 4A(1)(b) of the Law and is a ***tier 2 civil penalty provision***.
- (4) A civil penalty provision to which section 4A(1)(a) of the Law applies is a ***tier 3 civil penalty provision***.

7—Business customers—upper consumption thresholds for determining status as small or large customers (section 6(2)(a) of the Law)

- (1) This regulation determines the upper consumption thresholds for determining whether business customers are small or large customers.

Note—

A small customer includes a customer who is a business customer who consumes energy below the upper consumption threshold (see section 5(2) of the Law). A large customer is a business customer who consumes energy at or above the upper consumption threshold (see section 5(3) of the Law).

- (2) The upper consumption threshold for electricity is 100 MWh per annum.
- (3) The upper consumption threshold for gas is 1 terajoule (TJ) per annum.

8—Business customers—lower consumption thresholds for determining status as small market offer customers (section 6(2)(a) of the Law)

- (1) This regulation determines the lower consumption thresholds for determining which business customers who are small customers are small market offer customers.

Note—

A small market offer customer is a small customer who is a business customer who consumes energy at or above the lower consumption threshold prescribed by the Regulations (see section 5(4) of the Law).

- (2) The lower consumption threshold for electricity is 40 MWh per annum.
- (3) The lower consumption threshold for gas is 400 gigajoules (GJ) per annum.

9—Review of consumption thresholds (section 6(2)(b) of the Law)

- (1) In this regulation—

consumption thresholds means the upper consumption thresholds and lower consumption thresholds determined by regulations 7 and 8;

review period means the period of 12 months ending with each fifth anniversary of the commencement of these regulations.

- (2) The MCE may, from time to time, review the consumption thresholds and must do so within each review period.
- (3) The MCE may, from time to time, give a direction under section 228 of the Law to the AEMC to review, and make recommendations about, the consumption thresholds.

9A—Additional innovative trial principles

For the purposes of section 13A(i) of the Law, the following principles are prescribed:

- (a) whether the trial project is able to be trialled and evaluated;
- (b) whether there is potential for the trial project to be successfully expanded;
- (c) whether the trial project will provide for public sharing of knowledge, information and data resulting from the trial project.

9B—Prescribed period for extension of trial waiver

For the purposes of section 121H(1) of the Law, the period of 1 year is prescribed.

9C—Prescribed period for extension of trial Rule

For the purposes of section 262A(1) of the Law, the period of 1 year is prescribed.

10—Feed-in arrangement (section 154(2)(h) of the Law)

For the purposes of section 154(2)(h) of the Law, a feed-in arrangement is—

- (a) in the case of New South Wales or Queensland—the Solar Bonus Scheme established in that jurisdiction; and
- (b) in the case of Victoria—a contract with a retailer for the sale of small renewable energy generation electricity (within the meaning of section 40F of the *Electricity Industry Act 2000* of Victoria), qualifying solar energy generation electricity (within the meaning of that section) or TFiT scheme electricity (within the meaning of that section); and
- (c) in the case of South Australia—the feed-in scheme established under Division 3AB of Part 3 of the *Electricity Act 1996* of South Australia; and
- (d) in the case of the Australian Capital Territory—an arrangement established in that jurisdiction relating to the payment of a renewable energy premium under the *Electricity Feed-in (Renewable Energy Premium) Act 2008* of the Australian Capital Territory.

11—Content of request for Rule

- (1) For the purposes of section 246 of the Law, a request for the making of a Rule must contain the following information:
 - (a) the name and address of the person making the request;
 - (b) a description of the Rule that the person proposes be made;
 - (c) a statement of the nature and scope of the issue that is proposed to be addressed and an explanation of how the proposed Rule would address the issue;
 - (d) an explanation of how the proposed Rule will or is likely to contribute to the achievement of the national energy retail objective;
 - (e) an explanation of the expected benefits and costs of the proposed change and the potential impacts of the change on those likely to be affected;
 - (f) in the case of a request by an energy regulatory body in the circumstances described in section 253(1)(a) of the Law—a summary of the consultation conducted by the energy regulatory body (including information about the extent of the consultation and about the issues raised during the consultation and the energy regulatory body's response to those issues).
- (2) A request under section 246 of the Law for the making of a Rule must be in writing.

12—Energy efficiency website

For the purposes of Rule 170 of the *National Energy Retail Rules*, the website www.energymadeeasy.gov.au is prescribed.

12A—Indexation of civil and criminal penalty amounts

- (1) For the purposes of sections 300A and 300B of the Law, each civil penalty amount and criminal penalty amount is to be adjusted in accordance with the following formula:

$$P = Pc \times A / B$$

Where—

P is the amount that applies on and from the date of the adjustment

Pc is the amount that applied immediately before the first adjustment

A is—

- (a) for the first adjustment—the sum of the index numbers for the 4 quarters in the 2022 calendar year; and
- (b) for each subsequent adjustment—the sum of the index numbers for the 4 quarters in the calendar year that ended most recently before the date of the adjustment

B is the sum of the index numbers for the 4 quarters in the 2019 calendar year

A/B is calculated to the nearest 3 decimal places (and a fourth decimal place of 5 is to be rounded up).

- (2) An amount adjusted under this regulation is to be rounded up or down as follows:
- (a) in the case of an amount that is \$10 000 or greater—to the nearest multiple of \$100 (with an amount of \$50 rounded up);
 - (b) in the case of an amount that is less than \$10 000—to the nearest multiple of \$10 (with an amount of \$5 rounded up).
- (3) If an amount adjusted under this regulation is less than the amount that applied immediately before the adjustment, the amount that applied immediately before the adjustment applies instead.
- (4) In this regulation—
- index number*** for a quarter means—
- (a) the All Groups Consumer Price Index number that is the weighted average of the 8 capital cities and is published by the Australian Statistician for that quarter; or
 - (b) if the Australian Statistician fails or ceases to publish that Index, another index number determined by the MCE for that quarter.

Part 3—Transitional provisions

13—Retailers

- (1) An entity specified in column 1 of the table in Schedule 2 will, on the commencement of these regulations, be taken to be the holder of a retailer authorisation (or retailer authorisations) issued under Part 5 of the Law.

- (2) The form of energy in relation to which an authorisation under subregulation (1) will apply will be determined according to column 2 of the table in Schedule 2 and any authorisation will be—
 - (a) for the sale of electricity only; or
 - (b) for the sale of gas only; or
 - (c) for the sale of electricity and the sale of gas under separate authorisations.
- (3) The particulars of the retailers within the ambit of subregulation (1) must be included in the Public Register maintained under section 119 of the Law.

14—Exempt sellers

- (1) An entity specified in column 1 of the table in Schedule 3 will, on the commencement of these regulations, be taken as an exempt seller holding an individual exemption under Division 6 of Part 5 of the Law.
- (2) The form of energy in relation to which an exempt seller's exemption will apply will be determined according to column 2 of the table in Schedule 3.
- (3) The particulars of exempt sellers within the ambit of subregulation (1) must be included in the Public Register maintained under section 119 of the Law.

15—Retailers of last resort

- (1) An entity specified in column 1 of the table in Schedule 4 will, on the commencement of these regulations, be taken to be a default RoLR appointed under section 125 of the Law—
 - (a) for the form of energy listed in column 2 of that table; and
 - (b) for the connection point or distribution system listed in column 3 of that table.
- (2) The particulars of a default RoLR within the ambit of subregulation (1) must be included in the register maintained under section 127 of the Law.
