APPENDIX

LEGISLATIVE HISTORY

Citation

1. These regulations may be cited as the *Wildlife Regulations 2001*.

Commencement

2. These regulations will come into operation on 1 September 2001.

Revocation

3. The *Wildlife Regulations 1990* (see *Gazette* 1 November 1990 p. 1400), as varied, are revoked.

Interpretation

4. (1) In these regulations, unless the contrary intention appears—

"**the Act**" means the *National Parks and Wildlife Act 1972*;

"**the record book**"—*see* regulation 9(1);

"**the return book**"—*see* regulation 9(3);

"**section 58 permit**" means a permit granted under section 58 of the Act;

"**section 59 permit**" means a permit granted under section 59 of the Act;

"**section 60C permit**" means a permit granted under section 60C of the Act;

"**specialist animal**" means an animal of a specialist species;

"**specialist species**" means a species of protected animal that—

(a) is not excluded by proclamation under section 58(4) of the Act; and

(b) is not listed in Schedule 6.

- (2) A reference in these regulations to a class 1, 2, 3, 4, 5, 7, 8, 10, 11 or 12 permit is a reference to a permit of that class referred to in Schedule 3.

Application

5. A warden is not subject to these regulations in relation to the performance of his or her functions or the exercise of his or her powers as a warden and an employee of the Department is not subject to these regulations in relation to the performance of the duties of his or her employment.

Taking of native plants

6. A person must, within 14 days after the expiration or revocation of a permit granted to him or her under section 49 of the Act, provide the Director with the following information in writing:

(a) the species and number of native plants taken pursuant to the permit; and

(b) the date on which they were taken; and

(c) the location at which they were taken.

5.

Release of animals

7. (1) A person must, within 14 days after releasing an animal pursuant to a permit granted under section 55 of the Act, provide the Director with the following information in writing:

- (a) the species of the animal released; and
- (b) the date and time of release; and
- (c) if more than one animal was released at that time—the number of animals of each species released; and
- (d) the exact location at which each animal was released.

(2) The person referred to in subregulation (1) must provide the Director with such further information in writing in relation to the release as the Director requires.

Information to be provided on application for section 58 or 60C permit

8. A person must, when applying for a section 58 or section 60C permit, provide the Director with—

- (a) a written statement setting out—
 - (i) the species of protected animals (if any) and the number of individuals of each species in the applicant's possession; and
 - (ii) the number of carcasses, eggs or skins (if any) of protected animals in the applicant's possession and the species to which those animals belong; and
- (b) such other information as the Director may require.

Records and returns in relation to sections 58 and 60C permits

9. (1) The holder of a class 1, 2, 3 or 12 permit must keep a record of the following information in a book (the record book) supplied by the Director for that purpose:

- (a) the species of animals, and the number of individuals of each species, acquired or disposed of pursuant to the permit; and
- (b) the date of acquisition or disposal; and
- (c) the name and address of, and the number of the permit held by, the person from whom the animals were acquired or to whom the animals were disposed; and
- (d) the species of animals, and the number of individuals of each species, born to animals kept pursuant to the permit; and
- (e) the species of animals, and the number of individuals of each species, that have died or escaped while being kept pursuant to the permit; and
- (f) all other information that must be included in a return by virtue of subregulation (2).

6.

(2) The holder of a section 58 permit (other than a class 2 or class 10 permit) or a section 60C permit must at the times indicated in schedule 5 provide the Director with a return that has been signed by the holder of the permit and that sets out the information required by schedule 4.

(3) The permit holder must use a return supplied by the Director for that purpose (whether supplied individually or bound in the form of a book (the return book)) and a copy of each return must be kept by the permit holder.

(4) The holder of a class 2 permit must submit the record book, or a copy of the record book, to the Director within 14 days after 30 September, 31 December, 31 March and 30 June in each year.

(5) The record book must be kept in a safe and secure place at the place at which the animals to which the records relate are kept and, if the permit holder keeps animals at more than one place, separate records must be kept at each place at which animals are kept.

(6) Submission of a record book to the Director by the holder of a class 2 permit under subregulation (4) will not be taken to be in breach of subregulation (5).

(7) Copies of returns must be kept in a safe and secure place—

(a) in the case of a class 1, 3 or 12 permit—at the principal place at which animals to which the returns relate are kept; and

(b) in the case of a class 4, 5 or 11 permit—at the permit holder's principal place of residence; and

(c) in the case of a class 7 or 8 permit—at the principal place at which the permit holder carries on the business of processing or tanning.

(8) Where a transaction or event occurs in respect of which an entry must be made in the record book or in a return, the entry must be made as soon as reasonably practicable after the occurrence of that transaction or event.

(9) A permit holder must notify the Director of any loss of, or damage to, the record book or copies of returns within seven days after becoming aware of that loss or damage.

(10) A person who has the custody or control of the record book or copies of returns must, if requested by a warden, produce the book or copies for inspection by the warden.

(11) A permit holder who is charged with an offence against the Act or these regulations must, at the request of the Director or a warden, produce to the court that hears the charge the record book or books and the return book or copies of individual returns that are, in the opinion of the Director or warden, relevant to the charge.

(12) The Director must supply a record book and a return book or individual return forms to the permit holder when granting the permit but if further books are required because of loss or because animals are kept at more than one place, the Director may require payment of the prescribed fee for the supply of each additional record or return book.

7.

(13) Subject to this regulation, a person must not sell or give an animal pursuant to a class 1 or 3 permit unless—

- (a) the animal was bred by the permit holder; or
- (b) the animal has been in the possession of the permit holder for at least six months.

(14) Subject to this regulation, a person must not sell an animal pursuant to a class 2 permit unless the animal has been in the possession of the permit holder for at least seven days.

(15) An animal may be sold or given in contravention of subregulation (13) or sold in contravention of subregulation (14) with the approval of the Director or a warden.

(16) A reference in this regulation to a warden does not include a warden who is a member of the police force.

(17) The Director may, on such conditions as the Director thinks fit, exempt a person from compliance with any provision of this regulation.

Class 2 permits

10. (1) A person must not carry on the business of a dealer in protected animals or the carcasses or eggs of protected animals except at premises approved by the Director.

- (2) An application for the Director's approval—
 - (a) must be in a form approved by the Director; and
 - (b) must be accompanied by such information as the Director requires; and
 - (c) must be accompanied by the prescribed fee.

(3) The holder of a class 2 permit must display at all premises at which he or she carries on the business of a dealer in protected animals a certificate signed by or on behalf of the Director to the effect that the dealer is the holder of a class 2 permit.

(4) The certificate may include such further information as the Director thinks fit.

Premises from which animals are sold

11. (1) A person must not sell an animal pursuant to a section 58 permit unless—

- (a) in the case of a class 2 permit—the premises from which the animal is sold have been approved by the Director pursuant to these regulations;
- (b) in any other case—the premises from which the animal is sold—
 - (i) are the premises at which the animal was kept pursuant to the permit or any other permit; or
 - (ii) are premises approved by the Director for the purposes of sale.

(2) The premises from which a protected animal is sold (whether pursuant to a permit or not) must afford protection to the animal from weather conditions that would be likely to cause distress to the animal.

Advertisement to include permit number

12. Where section 58 of the Act requires that the sale of a protected animal be authorised by a permit granted under that section, a person who advertises the animal for sale must state in the advertisement the number of the permit that authorises the sale.

Purchase etc., only from permit holder

13. (1) A person must not purchase a protected animal or the carcass or eggs of a protected animal or receive a protected animal or the carcass or eggs of a protected animal as a gift from a person who is required by the Act to hold a permit authorising the sale or gift if that person does not hold the required permit.

(2) A person who sells or gives a protected animal or the carcass or eggs of a protected animal pursuant to a section 58 permit must, if requested by the prospective purchaser or donee, produce the permit for inspection.

Labelling containers of protected animals, carcasses or eggs

14. (1) Where a protected animal or the carcass or egg of a protected animal is consigned or conveyed from the premises at which the animal is or was kept pursuant to a section 58 permit, the holder of the permit must ensure that the receptacle or container containing the animal, carcass or egg has securely attached to it a label clearly displaying the following information:

- (a) the permit holder's name and residential or business address; and
- (b) the number of the permit; and
- (c) the name and address of the person to whom the animal, carcass or egg is being consigned or conveyed and, if that person also holds a section 58 permit, the number of that permit.

(2) A person must not knowingly transport a protected animal or the carcass or egg of a protected animal from premises at which the animal is or has been kept pursuant to a section 58 permit unless a label is attached to the receptacle or package containing the animal, carcass or egg in accordance with this regulation.

Dealing in juvenile birds

15. (1) Subject to subregulation (2), a person must not sell a bird (whether pursuant to a section 58 permit or not) if the bird is a protected animal, or is of a species listed in the tenth schedule to the Act, and is too young to fly or to feed itself.

(2) Subregulation (1) does not apply to the sale of an emu pursuant to a section 60C permit.

Importing protected animals, carcasses and eggs

16. (1) A person who intends importing a protected animal or the carcass or egg of a protected animal must—

9.

- (a) at least 48 hours before importation give the Director notice in writing stating—
- (i) the species of the animal which is, or the carcass or egg of which is, to be imported; and
 - (ii) the name and address of the person who had possession of the animal, carcass or egg before importation and the name and address of the person who will have possession of the animal, carcass or egg after importation; and
 - (iii) the manner of importation; and
 - (iv) the time and place of importation; and
- (b) if the proposed importation does not proceed—inform the Director of that fact within 48 hours after he or she first becomes aware that it will not proceed; and
- (c) if the importation does proceed but one or more of the particulars of the importation differ from those stated under paragraph (a)—inform the Director of the variation within 48 hours after the importation takes place.

(2) A person who imports a protected animal or the carcass or egg of a protected animal pursuant to a section 59 permit must not dispose of the animal, carcass or egg for seven days after importation without the written authority of the Director or a warden.

(3) The reference in subregulation (2) to a warden does not include a warden who is a member of the police force.

Exporting protected animals, carcasses and eggs

17. (1) A person who exports an animal or the carcass or egg of an animal pursuant to a section 59 permit must ensure that—

- (a) the original permit; or
- (b) in the case of a class 2 permit—a photocopy of the original permit; or
- (c) in the circumstances prescribed by subregulation (2)—a facsimile of the original permit transmitted to the person by the Minister,

is securely attached in a conspicuous position to the receptacle or package containing the protected animal, carcass or egg.

(2) If a facsimile referred to in subregulation (1) can be read without difficulty, it may be used instead of the original permit by a person who is the holder of a class 1, 2, 3, 7, 8 or 12 permit in relation to the animal, carcass or egg being exported.

(3) A person must not knowingly transport for export a protected animal or the carcass or egg of a protected animal unless a permit to export, or a facsimile of such a permit, is attached to the receptacle or package containing the animal, carcass or egg in accordance with this regulation.

Standards for keeping protected animals

18. (1) A person who keeps a protected animal must—

- (a) keep the animal in a cage or enclosure that is adequate in size and that provides adequate shelter in all circumstances; and
- (b) keep the cage or enclosure within which the animal is kept in a clean and sanitary condition; and
- (c) keep an adequate supply of clean water in the cage or enclosure; and
- (d) provide sufficient and appropriate food in the cage or enclosure; and
- (e) not keep the animal with another animal that is likely to injure or kill it; and
- (f) protect the animal from weather conditions that would be likely to cause it distress; and
- (g) not permit the animal to suffer distress from any other cause that can reasonably be avoided.

(2) If, in the opinion of a warden, a person is contravening or is failing to comply with a requirement of subregulation (1) in relation to an animal, the warden may remove the animal from that person's possession or control.

(3) A warden is not bound to return an animal removed under subregulation (2) unless the warden is satisfied that there will not be a further contravention of, or non-compliance with, subregulation (1) in relation to that animal.

Cross-breeding

19. A person must not, without the approval of the Director, permit a protected animal to mate with an animal of another species or sub-species if conception and a live birth may result from the union.

Conditions of emu farming permits

20. (1) A class 12 permit is subject to the following conditions in addition to any conditions imposed by the Act or the Minister:

- (a) that the holder of the permit must not acquire an emu, or the egg of an emu, in the course of carrying on the business of farming emus, from a person who does not hold a class 12 permit; and
- (b) that the holder of the permit must not sell a live emu to a person who does not hold a class 12 permit; and
- (c) that the holder of the permit must comply with the requirements of the emu code of management (*see* subregulation (4)) relating to fencing, gates and emu handling facilities and must maintain fences, gates and handling facilities in accordance with those requirements in a proper state of repair; and

- (d) that the holder of the permit must not send an emu for slaughter to an abattoir or slaughterhouse unless—
- (i) the abattoir or slaughterhouse has been approved for that purpose by the Director; and
 - (ii) the holder of the permit has been issued with a sealed tag in relation to the emu by the Director; and
 - (iii) the permit holder has taken all reasonable steps to ensure that the tag is delivered to the person in charge of the abattoir or slaughterhouse when the emu is delivered; and
- (e) that the holder of the permit must not slaughter an emu, or cause an emu to be slaughtered, on his or her property without the written approval of the Director; and
- (f) that the holder of the permit must, if an emu is slaughtered or dies in any other manner on his or her property, attach a sealed tag (issued to the permit holder by the Director) to the skin of the emu in the manner provided by these regulations before the skin leaves the property; and
- (g) that the holder of the permit must comply with regulation 21 insofar as that regulation is applicable to him or her.

(2) The Director may, by written notice given to a permit holder, waive compliance by the permit holder with a condition referred to in subregulation (1).

(3) The holder of a class 12 permit who contravenes or fails to comply with a condition of the permit referred to in subregulation (1) is guilty of an offence.

Maximum penalty: \$1 000.

Expiation fee: \$150.

(4) In subregulation (1)—

"**emu code of management**" means the code of management for the time being adopted under section 60D of the Act in relation to emu farming.

Sealed tags for emus

21. (1) The Director may issue sealed tags for attachment to the skins of emus in accordance with these regulations.

(2) A person must not sell or supply a sealed tag to another person except in accordance with these regulations or, in the case of a tag attached to an emu skin, when selling or supplying the skin to another person.

(3) The person in charge of an abattoir or slaughterhouse at which an emu is slaughtered must ensure that a sealed tag issued by the Director for that purpose is attached to the skin of the emu in the manner provided by these regulations.

(4) A person must not remove, or attempt to remove, a sealed tag from the skin of an emu unless—

- (a) the person carries on the business of tanning or dealing in skins pursuant to a class 8 permit and removes, or attempts to remove, the tag in the course of carrying on that business; or
- (b) the person is authorised in writing to do so by the Director.

(5) When a sealed tag is removed from an emu skin, it must be removed with sufficient care to ensure that letters, numbers or other identifying marks on, or forming part of, the tag are preserved.

(6) Tags must be kept for at least 12 months after removal unless the Director authorises their earlier destruction or disposal and must be produced for inspection by a warden on request.

(7) A person who has possession of a sealed tag that has not yet been attached to the skin of an emu or that has been removed from an emu skin and is being kept in accordance with subregulation (6) must keep it in a place that is secure against theft, loss and damage but if the tag is stolen, lost or damaged the person must inform the Director in writing of the identity of the tag as soon as practicable.

(8) A sealed tag must be attached to the skin of an emu by enclosing at least two centimetres of skin in the tag and pulling the strap of the tag so that the tag is secured by the last notch in the strap.

(9) A person must not alter or damage a sealed tag—

- (a) that has not been attached to a skin; or
- (b) that has been attached to a skin but has not been removed from the skin; or
- (c) that has been removed from a skin but which must be kept in accordance with these regulations.

Declaration of royalty

22. The amounts set out in Schedule 9 are declared as royalty on animals of the classes specified in that schedule.

Notification of change of address

23. A person to whom a permit has been granted under the Act and who changes his or her address during the period that the permit remains in force must, within fourteen days after changing his or her address, notify the Director of the new address.

Permit not to be used by another

24. A person to whom a permit has been granted under the Act must not allow or permit that permit to be used by any other person.

General offence

25. A person who contravenes or fails to comply with a provision of these regulations is guilty of an offence.

Maximum penalty: \$1 000.

Expiation fee: \$150.

False or misleading statement

26. (1) A person must not make a false or misleading statement in a record or return under these regulations.

Maximum penalty: \$1 000.

Expiation fee: \$150.

(2) It is a defence to a charge of an offence against subregulation (1), if it is proved that the defendant believed on reasonable grounds that the statement was true.
