- (2) If there is a collection agent in respect of the pig, the collection agent must pay the contribution on behalf of the pig producer.
- (3) The relevant collection agent or, in respect of a pig for which there is no collection agent, the pig producer must—
 - (a) keep proper records relating to pigs sold by the person (either as principal or agent) or to the person (as the case requires) and the contributions required to be made in respect of those pigs; and
 - (b) make those records available for inspection at any reasonable time by a person authorised by the Minister for the purpose.
- (4) The relevant collection agent or, in the case of a pig for which there is no collection agent, the pig producer must—
 - (a) within 14 days after the end of each prescribed period, furnish the Minister with a financial statement relating to the contributions arising from the sale of pigs by the person (either as principal or agent) or to the person (as the case requires) during that period that—
