Part 2—Membership, accounts and contributions

Division 1—Members

Subdivision 1—Membership

8—Purpose of Subdivision

Pursuant to section 19(3) of the Act, the purpose of this Subdivision is to make provision in relation to membership of the scheme.

9—Membership

- (1) Subject to subregulations (2), (3) and (8), the following persons are not members of the scheme:
- (a) a person employed pursuant to a fixed term contract that—
 - (i) requires the employer to provide for or contribute towards benefits for the employee in a scheme of superannuation other than the Triple S scheme; and

 - (3) If the employer contributions pursuant to a contract referred to in subregulation (1)(a) are not sufficient to reduce the charge percentage under the Commonwealth Act to zero, the employee is a member of the Triple S scheme.
 - (4) A person who has made an election under regulation 10 is a member of the Triple S scheme.
 - (5) A person who has made an election under regulation 12(1) or 13(1), or is taken to have made an election under regulation 13(1), is a member of the Triple S scheme.

 - (a) a person who is not a member of the Triple S scheme has an entitlement to a lump sum under Part 5 or under the provisions of an Act that correspond to that Part; and
 - (b) that entitlement is to be retained in the Fund, or rolled over for payment into the Fund (as the case may be),

then that person becomes a member of the Triple S scheme by force of this subregulation.
 - (7) If a co-contribution or benefit rolled over from another superannuation fund or scheme is paid to the Board for a person who is a member of the State Scheme or the Police Superannuation Scheme but not, at the time of the payment, a member of the Triple S scheme, the person becomes a member of the Triple S scheme by virtue of this subregulation when the payment is received by the Board.

- (2) If a member is a Super SA Select member—
- (a) he or she may elect, in the approved form, to have an amount equivalent to the balance standing to the credit of each account maintained by the Board in his or her name rolled over to Super SA Select; but
 - (b) the Board must continue to maintain an employer contribution account in his or her name from which insurance premiums payable by the member, and the disability pension premium, will be debited in accordance with regulation 39.

- (3) A member of the scheme who is a Super SA Select member is entitled to—
- (a) payment, in accordance with Part 4, of the balance of each account maintained for the member by the Board as required under section 12 of the Act; and
 - (b) default invalidity/death insurance and additional invalidity/death insurance taken out under Part 3 Division 2 Subdivision 2 (if any); and
 - (c) subject to Part 3 Division 2 Subdivisions 4 and 4A, a disability pension or police disability pension,
- but is not entitled to make contributions under section 20 of the Act and is not entitled to any other benefits under the Act.

14—Duration of membership

- (1) Despite any other provision of these regulations, a person who fulfils the requirements for membership of the scheme under section 19 of the Act, or under this Division, remains a member of the scheme until benefits payable under the Act or these regulations to, on behalf of, or in respect of, the member have been paid even though the member may have subsequently ceased to fulfil the requirements for membership.
- (2) However, a member to whom benefits payable under the Act or these regulations have been paid under regulation 58(1)(b) because the member is suffering from a terminal illness remains a member of the scheme until the employment of the member terminates.
- (3) Subject to subregulation (3a), if a member becomes a member of a scheme of superannuation established for the benefit of the employees of an agency or instrumentality of the Crown, his or her membership of the Triple S scheme that is attributable to his or her employment by the agency or instrumentality is terminated and an amount equivalent to the balance standing to the credit of each account maintained by the Board in the name of the member is to be carried over to the other superannuation scheme.
- (3a) Subregulation (3) does not apply in relation to membership of Super SA Select.
- (4) If an employer contribution has not accrued to a member under the Act or the repealed Act for a period of 3 years or more because the member has been an active contributor during that period under the *Superannuation Act 1988*, an amount equivalent to the balance standing to the credit of the member's contribution account and the member's rollover account (if any) may be paid by the Treasurer to the credit of the member's rollover account under the *Superannuation Act 1988* and in that event the member ceases to be a member of the Triple S scheme.
- (5) However, if the Board is maintaining a co-contribution account on behalf of a member of the State Scheme because of co-contribution payments received in respect of that membership, the member does not cease to be a member of the Triple S scheme by virtue of the operation of subregulation (4).
- (6) If—
 - (a) a person is a member of the scheme solely by virtue of being a member of the State Scheme in respect of whom a co-contribution has been paid to the Board; and

- (b) the person becomes entitled to the payment of benefits under the *Superannuation Act 1988* and to the payment of the amount standing to the credit of the person's co-contribution account,

then the person ceases to be a member of the Triple S scheme on the payment of the balance of the co-contribution account.

(7) If—

- (a) a person is a member of the scheme solely by virtue of being a member of the Police Superannuation Scheme—

- (i) in respect of whom a co-contribution or a benefit rolled over from another fund or scheme has been paid to the Board; or
- (ii) who has made an election, or is taken to have made an election, under regulation 13; and

- (b) the person becomes entitled to the payment of benefits under the *Police Superannuation Act 1990* and Part 4 of these regulations,

then the person ceases to be a member of the Triple S scheme on the payment of the balance of each account maintained by the Board in his or her name.

15—Members to whom section 21 does not apply

- (1) Pursuant to section 21(4)(b) of the Act, that section does not apply in relation to a person who is a member of the scheme by virtue of regulation 9(5a), (5b) or (6).
- (2) For the purposes of the definition of *prescribed scheme* in section 21 of the Act, Super SA Select is prescribed.

Subdivision 2—Accounts

16—Contribution, co-contribution and rollover accounts

- (a) if contributions are being or have been made in relation to the member by the member's employer—an employer contribution account; and
- (b) if the member is making or has made monetary contributions to the scheme—an employee contribution account.
- (1a) For the purposes of this regulation, a payment received by the Board from the board of the Southern Select Super Corporation on behalf of a member who is also a Super SA Select member is to be taken to be a contribution made in relation to the member by his or her employer.

Note—

Payments will be made by the board of the Southern Select Super Corporation to the Board on behalf of Super SA Select members for the purpose of ensuring that insurance premiums and the disability pension premium can be deducted from the member's employer contribution account in accordance with subregulation (3)(a).

- (2) A member's employer contribution account must be credited with—
- (a) amounts that are equivalent to the amounts paid or payable by the member's employer to the Treasurer under section 21 of the Act in respect of salary paid to the member; and
 - (ab) in the case of a member who is in receipt of a disability pension under regulation 36—a contribution replacement benefit as required under regulation 36AAB(2); and
 - (b) in the case of the employer contribution account of a member referred to in section 21(2) of the Act—amounts that are equivalent to the amounts paid or payable by, or on behalf of, the member's employer to the Treasurer under that subsection in respect of the member; and
 - (c) in the case of the employer contribution account of a person who has elected to become a member of the Triple S scheme under regulation 12 or 13, or is taken to have elected to become a member under regulation 13—amounts that are equivalent to the amounts paid or payable by, or on behalf of, the member's employer to the Treasurer under regulation 12(2) or 13(2) in respect of the member; and
 - (d) in the case of the employer contribution account of a PSS 3 member who has made an election under section 36 of the *Parliamentary Superannuation Act 1974* to take out voluntary invalidity/death insurance and is a member of the Triple S scheme—amounts that are equivalent to amounts transferred from the Parliamentary Superannuation scheme to the Triple S scheme in respect of the PSS 3 member; and
 - (e) in the case of the employer contribution account of a member who is a Super SA Select member—amounts that are equivalent to amounts transferred from Super SA Select to the Triple S scheme in respect of the member.
- (3) A member's employer contribution account must be debited with—
- (a) in the case of a member other than a member referred to in paragraph (b)—
 - (i) an administrative charge to be fixed by the Board; and
 - (ii) the amount of the premium fixed by or under these regulations in respect of the default invalidity/death insurance and the additional invalidity/death insurance (if any) for the member; and
 - (iii) a disability pension premium which, subject to subregulation (12), will be an amount fixed by the Board; and
 - (b) in the case of a person who has elected to become a member of the Triple S scheme under regulation 12 or 13, or is taken to have elected to become a member under regulation 13, or is a PSS 3 member who has made an election under section 36 of the *Parliamentary Superannuation Act 1974* to take out voluntary invalidity/death insurance and is a member of the Triple S scheme—
 - (i) an administrative charge to be fixed by the Board; and

(ii) the amount of the premium fixed by or under these regulations in respect of the additional invalidity/death insurance (if any) for the member; and

(c) any other payment that is to be charged against the account under the Act or these regulations,

to the extent that the charge, premium or other payment can be charged or debited to the account.

- (4) A member's employee contribution account must be credited with the amount of contributions made by the member.
- (5) A member's rollover account must be credited with the amount of any money rolled over from another superannuation fund or scheme for the benefit of the member and must be debited with any payment that is to be charged against the account under the Act or these regulations.
- (6) A member's co-contribution account must be credited with the amount of any co-contribution paid to the Board in respect of the member and must be debited with any payment that is to be charged against the account under the Act or these regulations.
- (7) The Board may fix an administrative charge and apply it to any account or accounts maintained by the Board on behalf of a member by deduction of a fixed fee from, or adjustment to the investment returns allocated to, the account or accounts.
- (8) However, an administrative charge may not be debited against a member's co-contribution account if the credit balance of the member's employer contribution account or rollover account (if any) is sufficient to pay the administrative charge.
- (9) The Board may, in fixing administrative charges to be debited against members' accounts under this regulation, fix different charges depending on the balance of members' accounts or any other relevant factor.
- (9a) An administrative charge fixed and applied under this regulation may comprise a fee for the provision to a member of financial advice by financial planners authorised by the Board.
- (10) Despite a preceding subregulation, if a member whose only account in the scheme is a co-contribution account satisfies the Board that he or she is unlikely to receive any further co-contributions that will be payable to the Board in respect of the member, the Board may allow the member to carry over the balance of the account to some other superannuation fund or scheme approved by the Board (and when the balance has been carried over by the Board the person will cease to be a member of the Triple S scheme).
- (11) The Board must keep a record of the aggregate of the amounts of premiums debited against accounts under this regulation.
- (12) A disability pension premium is not payable under subregulation (3)(a)(iii) in relation to—
 - (a) a member who is not entitled to a disability pension under regulation 36 under any circumstances; or
 - (b) a member who is exempted under regulation 37 from the ambit of regulation 36.

Subdivision 3—Contributions

17—Contributions (section 20 of Act)

- (1) For the purposes of section 20(1)(a) of the Act, but subject to this regulation, a member may elect to make contributions to the Treasurer as a deduction from salary at a whole number percentage, or at 4.5%, of the combined value of the monetary and non-monetary salary (if any) to which the member is entitled in each period in respect of which salary is paid to the member.
- (2) A person who is a member of the scheme by virtue only of regulation 9(3), (5), (5a), (5b), (6), (7) or (8) (including any combination of these provisions) is not entitled to make contributions under section 20(1)(a) of the Act.
- (2a) A Super SA Select member (including a police member who is a Super SA Select member) is not entitled to make contributions under section 20 of the Act.

- (4) A police cadet is not obliged to contribute but may elect to do so.
- (5) Subject to this regulation, a member who has elected to contribute may subsequently elect to contribute at a different rate or to cease contributing.
- (6) An election under this regulation must be made to the Board in writing and will operate from a date to be fixed by the Board.
- (7) If, following a change in a member's salary, it will be difficult for an employer to determine the amount of the member's contribution for the first payment period to which the new contribution applies, the Board may, by notice in writing to the employer, specify a date from which the new contribution amount will apply.
- (8) A notice under subregulation (7) may be varied or revoked by the Board by subsequent notice served on the employer.
- (9) If over a particular period a member receives (while remaining in employment) weekly workers compensation payments for total or partial incapacity for work, contributions will be payable as if the weekly payments were salary or a component of salary (as the case requires).
- (10) Contributions are payable from the member's monetary salary on the days on which monetary salary is paid to the member.
- (11) A member whose membership of the scheme commences on the commencement of the member's employment will commence making contributions on a date fixed by the Board.

Division 2—Spouse members

20—Purpose of Division

Pursuant to sections 19(3)(c) and 20(2)(d) of the Act, the purpose of this Division is to make provision for—

- (a) spouses of members to become spouse members of the scheme; and
- (b) contributions to be made by or on behalf of spouse members.

21—Interpretation

In this Division—

death insurance means death insurance granted by the Board under regulation 40;

death insurance benefits means benefits payable in respect of death insurance;

eligible member means a member in respect of whom payments are being made to the Treasurer under section 20 of the Act, regulation 12 or regulation 13;

prescribed payment means payment of an amount that is a contributions-splitting superannuation benefit within the meaning of Division 6.7 of the *Superannuation Industry (Supervision) Regulations 1994* of the Commonwealth.

22—Spouse contributions splitting (section 20 of Act)

- (1) Pursuant to section 20(2)(d) of the Act, but subject to this regulation, an eligible member may apply to the Board, in the approved form, to make a prescribed payment from the member's contribution account into a rollover account established in the name, and for the benefit, of the member's spouse.
- (2) An application under subregulation (1), and the making of a prescribed payment following the acceptance of an application, are subject to, and must comply with—
 - (a) Division 6.7 of the *Superannuation Industry (Supervision) Regulations 1994* of the Commonwealth (as if the provisions of that Division apply to, and in relation to, the scheme); and
 - (b) such terms and conditions as may be specified by the Board.

- (3) The Board may fix administrative charges payable in respect of applications under this regulation.
- (4) Any charge payable under subregulation (3) may be deducted by the Board from—

23—Other contributions for spouse members (section 20 of Act)

- (1) Pursuant to section 20(2)(d) of the Act, an eligible member may make monetary contributions to the Treasurer under this regulation for crediting to a contribution account in the name of the member's spouse.

24—Spouse members and spouse accounts (section 19 of Act)

- (1) If a prescribed payment, or a monetary contribution under regulation 23(1), is made by a member for the benefit of a spouse in respect of whom neither a prescribed payment nor a contribution under regulation 23(1) has previously been made, the spouse becomes a *spouse member* of the Triple S scheme by virtue of this subregulation.
- (2) A spouse member's contribution account must—
 - (a) be credited with the amount of contributions made by or on behalf of the spouse member; and
 - (b) be debited with any payment that is to be charged against the account under the Act or these regulations.
- (3) In addition to maintaining a rollover account in the name of a spouse member as required under section 12(1)(b)(i) of the Act, the Board must maintain a rollover account in the name of a spouse member for the benefit of whom a prescribed payment has been made.
- (4) A spouse member's rollover account must—

- (6) The Board may fix an administrative charge and apply it to any account or accounts maintained by the Board on behalf of a spouse member by deduction of a fixed fee from, or adjustment to the investment returns allocated to, the account or accounts.

- (7) However, an administrative charge may not be applied to a spouse member's co-contribution account by deduction of a fixed fee from the account if the Board is maintaining a contribution account or rollover account in the name of the spouse member and the credit balance (if any) of either or both of those accounts is sufficient to pay the administrative charge.
- (7a) An administrative charge fixed and applied under this regulation may comprise a fee for the provision to a spouse member of financial advice by financial planners authorised by the Board.
- (8) The Board may, for the purposes of subregulation (6), fix different charges depending on the balance of spouse members' accounts or any other relevant factor.

25—Amalgamation of accounts

- (1) If a person who is a spouse member is, or becomes, a member of the scheme, the Board may transfer the amounts standing to the credit of the person's spouse accounts to a contribution account, rollover account or co-contribution account, as appropriate, maintained by the Board in the name of the person (and the Board may, if necessary for the purposes of this subregulation, establish such an account in the name of the person).
- (2) If all amounts standing to the credit of the person's spouse accounts are transferred from those accounts under this regulation—
- (a) the person ceases to be a spouse member of the scheme; and
 - (b) the person's death insurance under Part 3 Division 3 (if any) is taken to be additional invalidity/death insurance under Part 3 Division 2 Subdivision 2.

Division 2—Members

Subdivision 1—Default invalidity/death insurance

28—Default invalidity/death insurance

- (1) Subject to this regulation and regulation 35A, a member under the age of 70 years is entitled to default invalidity/death insurance regardless of the state of the member's health.
- (2) A member is not entitled to default invalidity/death insurance if the member—
 - (a) is a member of the scheme by virtue only of regulation 9(3), (5), (5a), (5b), (6), (7) or (8) or 14(1) (including any combination of these provisions); or
 - (b) is—
 - (i) employed or engaged for a specified period of time; and
 - (ii) remunerated solely by a fee, allowance or commission; or
 - (c) has received insurance benefits (or benefits of a similar kind) on account of a terminal illness paid—
 - (i) under regulation 58(1)(b) or a provision of the repealed Act; or
 - (ii) under an Act that provides for the payment of benefits by the Treasurer; or
 - (iii) under an administered scheme.
- (3) A spouse member of the scheme is not entitled to default invalidity/death insurance in the spouse member's capacity as a spouse member.
- (4) Subject to subregulation (5), the following provisions apply in relation to a member who has received invalidity insurance benefits (or invalidity benefits of a similar kind) under the Act, the repealed Act, another Act that provides for the payment of benefits by the Treasurer or an administered scheme, and is subsequently employed in employment to which the Act applies:
 - (a) the member is entitled to default death insurance, but not default invalidity insurance, in respect of the member's subsequent employment (and a reference in these regulations to invalidity/death insurance is to be taken, insofar as it applies to the member, to be a reference to death insurance only);
 - (b) however, a death insurance benefit is payable only if the cause of the member's death has no connection with the condition in relation to which invalidity benefits (or a benefit in the nature of invalidity benefits) were previously paid to the member.

- (5) Subregulation (4) does not apply in relation to a member who is not entitled to default invalidity/death insurance by virtue of subregulation (2)(c).
- (6) In this regulation—
administered scheme has the same meaning as in Schedule 3 of the *Superannuation Act 1988*.

Note—

A member who holds fixed insurance cover when this regulation commences is not entitled to default invalidity/death insurance—see Schedule 3 Part 2.

Subdivision 2—Additional invalidity/death insurance

29—Interpretation

In this Subdivision—

fixed benefit insurance cover—see regulation 34;

standard insurance cover—see regulation 34.

30—Application for additional invalidity/death insurance

- (1) Subject to this regulation, a member under the age of 70 years (other than a prescribed member under the age of 65 years) may apply to the Board for additional invalidity/death insurance under this regulation.
- (1a) Additional invalidity/death insurance may only be provided to a PSS 3 member in connection with an election under section 36 of the *Parliamentary Superannuation Act 1974* to take out voluntary invalidity/death insurance if the member has applied to the Board for the insurance in accordance with these regulations.
- (2) A person who is employed on a casual basis can only apply for additional invalidity/death insurance if he or she is employed pursuant to an arrangement under which he or she is to work for 9 or more hours each week or for periods that average, over a 3 month period, 9 or more hours each week.
- (3) A person who is not entitled to default invalidity/death insurance under regulation 28(2)(b) or (c), or who is entitled to default death insurance but not default invalidity insurance, cannot apply for additional invalidity/death insurance or death insurance.
- (4) A person who is a member of the scheme by virtue only of regulation 9(3), (5b), (6) or (7) (including any combination of these provisions) cannot apply for additional invalidity/death insurance.
- (4a) A person who is a member of the scheme by virtue only of regulation 14(1) is not entitled to additional invalidity/death insurance and any additional invalidity/death insurance cover held by a person if and when they become a member of the scheme by virtue only of regulation 14(1) is cancelled.

- (5) If within 3 months after electing to become a member of the Triple S scheme, a contributor under the *Superannuation Act 1988* applies to the Board under this regulation for additional invalidity/death insurance that will entitle the applicant to benefits that will not, in the Board's opinion, exceed the benefits in the nature of invalidity and death insurance to which the applicant would have been entitled under the *Superannuation Act 1988*—
- (a) regulation 49(2) does not apply to the applicant; and
 - (b) the Board must accept the application and the only conditions that it can impose on its acceptance are the conditions (if any) to which the applicant's membership of the State Scheme is subject or conditions to which the applicant agrees.
- (6) If the Board grants an application for additional invalidity/death insurance or for an increase or decrease in the level of additional insurance, the Board must fix the date for the commencement of the insurance or of the increase or decrease in the level of insurance.

31—Additional invalidity/death insurance for prescribed members

- (1) A prescribed member under the age of 65 years who has not taken out fixed benefit insurance has, regardless of the state of the health of the member, additional invalidity/death insurance cover at least equal in value to 3 units of standard insurance cover, determined according to the member's current age, and is liable for premiums in respect of that insurance fixed by or under regulation 34.
- (2) A prescribed member under the age of 65 years who has taken out fixed benefit insurance cover has, regardless of the state of the health of the member, the number of units of fixed benefit insurance cover necessary to provide the member with invalidity/death insurance cover at least equal in value to 6 units of standard insurance cover (taking into account the member's default invalidity/death insurance cover), determined according to the member's current age, and is liable for premiums in respect of that insurance fixed by or under regulation 34.
- (3) A prescribed member is not required to apply for additional insurance to which the member is entitled under subregulation (1) or (2).
- (4) Subject to regulation 34, a prescribed member may apply to the Board, in the approved form, to increase the level of the member's additional invalidity/death insurance.
- (5) If the Board grants an application for an increase in the level of additional insurance, the Board must fix the date for the commencement of the increase in the level of insurance.

Subdivision 3—Amount of insurance benefits and premiums

34—Amount of invalidity/death insurance benefits and amount of premiums

- (1) There will be 2 classes of invalidity/death insurance:
- (a) *standard insurance cover* under the Table in Schedule 1 where the value of a unit of cover, as designated in column 2, is determined on the basis of the member's age;

-
- (b) **fixed benefit insurance cover** where the value of a unit of cover is fixed at \$10 000 irrespective of the member's age (up to age 69).
- (2) There will be 2 classes of death insurance for members to whom regulation 28(4) applies:
- (a) **standard insurance cover** under the Table in Schedule 2 where the value of a unit of cover, as designated in column 2, is determined on the basis of the member's age;
- (b) **fixed benefit insurance cover** where the value of a unit of cover is fixed at \$10 000 irrespective of the member's age (up to age 69).
- (3) Insurance cover under this Division ceases in relation to a member when the member reaches the age of 70 years.
- (4) The amount of the premium payable per unit of insurance cover provided under this regulation is to be fixed by the Board on the recommendation of an actuary.
- (5) An applicant for additional invalidity/death insurance may apply for standard insurance cover or fixed benefit insurance cover.
- (6) The class of insurance held by a member may, on application by the member in the approved form and subject to terms and conditions determined by the Board, be changed to the other class of insurance.
- (7) However, a member may not, at any 1 time, take out both standard and fixed benefit insurance cover.
- (8) Subject to regulation 35A, the amount of default invalidity/death insurance for a member who has not taken out fixed benefit insurance cover is 3 units of standard insurance cover.
- (9) If a member has an entitlement to default invalidity/death insurance immediately before taking out fixed benefit insurance cover, the level of the member's default invalidity/death insurance will be determined by the Board.
- (10) In making a determination for the purposes of subregulation (9), the Board must ensure that the member's default invalidity/death insurance after the member takes out fixed benefit insurance cover is fixed at a level that provides insurance cover that is as close as possible in value to, but does not exceed in value, the value of the member's default invalidity/death insurance cover immediately before the fixed benefit insurance cover is taken out.
- (11) If a member who takes out fixed benefit insurance cover does not have an entitlement to default invalidity/death insurance immediately before taking out the fixed benefit insurance cover, the member is not entitled to default invalidity/death insurance.

Note—

A member to whom subregulation (11) applies may nevertheless make application for additional insurance.

- (12) The Board may allow a rebate of the premium payable under this regulation in respect of invalidity/death insurance cover or death insurance cover.
- (13) The aggregate value of units of cover granted to a member employed other than on a casual basis must not exceed \$1 500 000 (inclusive of the member's default cover).

- (14) The aggregate value of units of cover granted to a member employed on a casual basis must not exceed \$750 000 (inclusive of the member's default cover).

35—Voluntary reduction or cessation of invalidity/death insurance

- (1) Subject to subregulation (2), the amount of invalidity/death insurance held by a member may be reduced on application by the member to the Board in the approved form.
- (2) The value of invalidity/death insurance held by a prescribed member under the age of 65 years may not be reduced below an amount equivalent in value to 6 units of standard insurance cover.
- (3) Invalidity/death insurance held by a member (other than a prescribed member under the age of 65 years) may cease on application to the Board by the member in the approved form.
- (4) If the amount of invalidity/death insurance held by a member is reduced, or ceases, under this regulation, premiums will cease to be payable in respect of any cover that is no longer held by the member from a day determined by the Board (which must be as soon as practicable after receipt of the application).

35A—Application for insurance following decrease or cessation of insurance

- (1) If the amount of invalidity/death insurance held by a member is reduced under regulation 35—
- (a) further invalidity/death insurance may subsequently be granted to the member on application by the member in the approved form; but
- (b) if the amount of the member's insurance has been reduced to 2 units or less of standard insurance cover (or an amount of insurance that is lower in value than, but does not exceed in value, 2 units of standard insurance cover)—
- (i) the member's default invalidity/death insurance will not exceed in value the amount to which the member's insurance has been reduced; and
- (ii) accordingly, the Board may, having regard to the state of the member's health, grant the application subject to authorised conditions (see regulation 49).
- (2) If the amount of invalidity/death insurance held by a member ceases under regulation 35, further invalidity/death insurance may subsequently be granted to the member on application by the member in the approved form, subject to the following:
- (a) the member will no longer be entitled to default invalidity/death insurance;
- (b) the Board may, having regard to the state of the member's health, grant the application subject to authorised conditions (see regulation 49).

Subdivision 4—Income protection

- (3) For the purposes of subregulation (2)—
- (a) if an application by a member for a disability pension is taken under regulation 36AA(2) to have been received on a day that is not the day on which it was lodged, and the application is successful, the period commencing on the day on which the application was lodged and ending on the day on which the applicant gives notice to the Board that the application is to be assessed is to be taken into account as a period during which a disability pension was paid to the member; and

- (1) A member is not required to make a contribution over a period for which the member receives a disability pension.

-
- (2) A right to a disability pension under this Subdivision cannot be assigned.
 - (3) Subregulation (2) does not prevent the making of a garnishee order in relation to a pension.
 - (4) If a person who is a member of the scheme by virtue of regulation 9(2) becomes entitled to a benefit under this Subdivision, the person is not entitled to a benefit under section 30 or 36 of the *Superannuation Act 1988*.
 - (5) Despite any other regulation, a member may receive a disability pension under this Subdivision while engaged in remunerative activities if the Board is satisfied that the member is engaged in the activities for the purposes of a rehabilitation or return to work arrangement.
 - (6) However, if at any time during a financial year a member who is receiving, or would, but for this subregulation, be entitled to receive, a pension under this Subdivision is also receiving income from remunerative activities, the pension will be reduced by the amount by which the pension and income exceed, when aggregated, the amount that the member would be entitled to receive if the member were in receipt of the member's notional salary (within the meaning of regulation 36AAB) and if those payments equal or exceed that amount, the pension will be suspended.

36A—Notional salary

- (1) For the purposes of regulation 36AAB, the *notional salary* of a member who is entitled to a disability pension is the salary that the member was receiving immediately before the commencement of the member's incapacity for work, adjusted at the commencement of each adjustment period to reflect—
 - (a) in the case of an April adjustment period—the percentage variation (rounded to 2 decimal places) between the Consumer Price Index for the immediately preceding December quarter and the Consumer Price Index for the immediately preceding June quarter; and
 - (b) in the case of an October adjustment period—the percentage variation (rounded to 2 decimal places) between the Consumer Price Index for the immediately preceding June quarter and the Consumer Price Index for the immediately preceding December quarter.
- (2) However—
 - (a) if the member was not, immediately before the commencement of the incapacity, in full-time employment, the notional salary will be calculated by reference to a formula determined by the Board, having regard to such evidence of the member's salary (over the course of the member's employment or, if the member has been employed for more than 3 years, the last 3 years of the member's employment) as the Board considers appropriate (including, without limitation, premiums paid by the member under these regulations); and
 - (b) if the Board is satisfied that—
 - (i) the member was not, immediately before the commencement of his or her incapacity, in receipt of a shift work allowance or an on call allowance to which he or she would ordinarily be entitled; and

- (ii) he or she was not in receipt of the allowance only because of a medical condition to which his or her incapacity is attributable, the member will be taken to have been receiving the allowance immediately before the commencement of his or her incapacity.
- (3) Despite subregulations (1) and (2), if a member's notional salary would, but for this subregulation, exceed the automatic acceptance limit, the member's notional salary is fixed at the automatic acceptance limit.
- (4) A member whose notional salary is fixed under subregulation (3) may apply to the Board for additional income protection cover.
- (5) Regulation 37A applies in relation to an application under subregulation (4).
- (6) If the Board approves the member's application, the member's notional salary will be determined, subject to regulation 36B, under subregulation (1) or (2), as appropriate.
- (7) The member may, by subsequent application in the approved form, apply for a reduction in the level of the member's income protection cover.
- (8) If the Board approves the member's application, the member's notional salary will be fixed at the automatic acceptance limit unless and until the member's notional salary if determined under subregulation (1) or (2) would be set at a level lower than the automatic acceptance limit (and subregulations (1) and (2) will then apply for the purposes of determining the member's notional salary).
- (9) If an application for additional income protection cover is granted subject to authorised conditions under regulation 37A, any entitlement of the member to a disability pension based on a notional salary set at a level higher than the automatic acceptance limit will be subject to those conditions (but the member will, if the member has income protection cover under these regulations that the member was not required to apply for, be entitled, without conditions, to a disability pension based on a notional salary fixed at the automatic acceptance limit).
- (9a) An adjustment is not to be made under subregulation (1) if the effect of the adjustment would be to reduce the amount of a member's disability pension.
- (10) In this regulation—
- adjustment period*** means the period of 6 months commencing on 1 April and 1 October in each year;
- April adjustment period*** means an adjustment period commencing on 1 April in any year;
- automatic acceptance limit*** means a salary level fixed by the Board from time to time for the purposes of this definition;

36B—Maximum level of income protection

- (2) For the purposes of regulations 36AAB and 36A, the notional salary of a member whose salary exceeds the level of the maximum salary income protection cap will be fixed at the level of that cap and the member's disability pension premium will be determined accordingly.
- (3) A member whose salary exceeds the maximum salary income protection cap may not apply for a level of income protection cover that exceeds the cover provided to a member whose notional salary is equal to the maximum salary income protection cap.
- (4) In this regulation—

maximum salary income protection cap means a salary level fixed by the Board from time to time for the purposes of this definition.

37—Exemption from ambit of regulation 36

- (2) An election under subregulation (1) will take effect from a date determined by the Board.
- (3) Subject to subregulation (4), a member employed on a casual basis is exempted from the ambit of regulation 36 unless—
 - (a) the member was entitled to a disability pension in the event of incapacity for work under section 33A of the repealed Act immediately before the repeal of that Act; or
 - (b) not more than 3 months before commencing that casual employment, the member was engaged in employment to which the Act applies on a full-time or part-time basis (other than as a casual employee) and had an entitlement to a disability pension under this Subdivision.
- (4) A member who is exempted from the ambit of regulation 36 under subregulation (1) or (3) may apply to the Board to be brought within the ambit of that regulation.

 - (b) that an applicant has in the past engaged in a prescribed activity that increases the risk of incapacity for work; or
 - (c) that an applicant is likely in the future to engage in an activity of a kind referred to in paragraph (b),

- (6) A condition on which an application has been granted may be varied or removed by the Board if the Board considers it appropriate to do so following consideration of medical evidence provided by the applicant (but a condition may not be removed unless the Board is satisfied that none of the circumstances specified in subregulation (4)(a), (b) or (c) apply in relation to the applicant).
- (7) Subject to subregulation (8), if it appears to the Board that an applicant withheld information required in relation to the member's application under this regulation, the Board may withhold or reduce the pension to which the applicant would otherwise have been entitled.
- (8) If—
 - (a) it appears to the Board that an applicant withheld information required in relation to the member's application under this regulation; and

 - (ii) was receiving treatment from a medical practitioner in respect of the ill health and is following the advice of the practitioner; or

63—Benefits for spouse members

- (1) Subject to this regulation, the following provisions apply in respect of an amount standing to the credit of a spouse member's spouse account:

 - (i) the spouse member—
 - (A) has reached his or her preservation age; and
 - (B) is the spouse of the relevant member; and
 - (ii) the relevant member has taken the benefit of regulation 53,
 payment of the amount may be made to the spouse member subject to restrictions (if any) imposed by the SIS Act;
 - (ab) if the spouse member—
 - (i) is the spouse of the relevant member; and
 - (ii) has attained the age of 65 years,

payment of the amount may be made to the spouse member or rolled over to some other fund or scheme approved by the Board;

- (b) if—
 - (i) the spouse member—
 - (A) has reached the retirement age; and
 - (B) is the spouse of the relevant member; and
 - (ii) the employment of the relevant member has terminated or the relevant member has taken the benefit of regulation 56A,

payment of the amount may be made to the spouse member subject to restrictions (if any) imposed by the SIS Act;

- (c) if—
 - (i) the spouse member—
 - (A) has not reached the retirement age; and
 - (B) is the spouse of the relevant member; and
 - (ii) the employment of the relevant member has terminated or the relevant member has taken the benefit of regulation 56A,

- (d) if the spouse member—
 - (i) is not the spouse of the relevant member; and
 - (ii) has not reached the retirement age,

the amount must be preserved;

- (e) if the spouse member—
 - (i) is not the spouse of the relevant member; and
 - (ii) has reached the retirement age,

payment of the amount may be made to the spouse member subject to restrictions (if any) imposed by the SIS Act.

Note—

If all amounts standing to the credit of a spouse member's accounts are paid to the spouse member, the spouse member's voluntary death insurance will be suspended—see regulation 43(2).

- (2) If an amount standing to the credit of a spouse member's spouse account is preserved under subregulation (1)—
 - (a) the spouse member may elect to carry the amount over to some other fund or scheme approved by the Board; or
 - (b) subject to restrictions (if any) imposed by the SIS Act, the spouse member may at any time after reaching the retirement age require the Board to authorise payment of the amount and, if no such requirement has been made on or before the date on which the spouse member reaches 65 years of age, the Board will authorise payment of the amount to the spouse member.

- (3) If the Board is satisfied that—
- (a) a spouse member—
 - (i) is suffering from ill health (whether physical or mental) that makes it unlikely that the spouse member will at any future time engage in gainful employment for which the spouse member is reasonably qualified by education, training or experience or for which the spouse member could be expected to become reasonably qualified following appropriate training or rehabilitation; and
 - (ii) is receiving treatment from a medical practitioner in respect of the ill health and is following the advice of the practitioner; or
 - (b) a spouse member is suffering from a terminal illness,
the spouse member is entitled to benefits made up of the amount (if any) standing to the credit of each of the spouse member's spouse accounts.
- (4) If a spouse member dies, the amount (if any) standing to the credit of each of the spouse member's spouse accounts, and the death insurance benefit (if any), will be paid to—

 - (b) if the deceased spouse member does not have a legal personal representative but is survived by a spouse—a payment will be made to the spouse; and
 - (c) if the deceased spouse member does not have a legal personal representative and is not survived by a spouse—a payment will be made to the spouse member's estate.
- (5) However, a surviving spouse will not be entitled to a benefit under subregulation (4) if regulation 69 applies to the spouse.
- (5a) Subregulation (4), insofar as it provides for payment of the death insurance benefit, does not apply in relation to the spouse of a public sector superannuation beneficiary (within the meaning of Part 3 Division 4) who has death insurance cover by virtue of regulation 47(9).
- (6) A payment under subregulation (2), (3) or (4) excludes further rights so that a claim cannot subsequently be made under another of those subregulations.
- (7) In this regulation—
- relevant member***, in relation to a spouse member, means the member who, by making a prescribed payment (within the meaning of Part 2 Division 2), or a contribution under regulation 23(1), for the benefit of the spouse member, caused the spouse member to become a spouse member of the scheme.

63A—Early access to superannuation benefits in case of severe financial hardship or on compassionate grounds

- (1) A spouse member may apply to the Board for the early release of an amount of the spouse member's benefit—
- (a) if the spouse member is in severe financial hardship; or
 - (b) on a compassionate ground.

- (2) The Board may require that an application under subregulation (1) be made in such manner, comply with such requirements and be on such terms and conditions as the Board thinks fit.
- (3) The Board must, on receipt of an application under subregulation (1), determine whether, in the Board's opinion, if the SIS regulations applied, the spouse member would be taken for the purposes of those regulations—
 - (a) to be in severe financial hardship; or
 - (b) to satisfy a condition of release on a compassionate ground.
- (4) If the Board makes a determination that subregulation (3)(a) or (b) applies to the spouse member, the Board must—
 - (a) determine the maximum amount that the SIS regulations would permit to be paid to the spouse member in those circumstances; and
 - (b) if the Board considers it appropriate to do so in all the circumstances, pay to the spouse member—
 - (i) the amount applied for by the spouse member; or
 - (ii) the amount determined by the Board under paragraph (a); or
 - (iii) the combined balance of the spouse member's eligible contribution accounts (subject to any minimum account balance required by the Board),whichever is the lesser.
- (5) If the Board makes a payment to a spouse member under subregulation (4)(b), the Board must debit the amount of the payment against the spouse member's contribution account or, if the credit balance of the spouse member's contribution account is not sufficient to make the payment, the spouse member's rollover account or co-contribution account.
- (6) A spouse member making an application under subregulation (1) must furnish the Board with any information that it requires for the purposes of making a determination under this regulation.
- (7) In this regulation—

compassionate ground and ***condition of release*** have the same respective meanings as in Part 6 of the SIS regulations;

66—Non-member spouse entitlement

- (1) The Board must, on service of a splitting instrument, create an interest for the non-member spouse named in the instrument in accordance with the provisions of the instrument, with effect from the operative time.
- (2) The value of the non-member spouse's interest will be determined by reference to the provisions of the instrument but in any event may not exceed the value of the member spouse's interest.

67—Payment of lump sum

- (1) The interest of a non-member spouse under regulation 66 will, according to the election of the non-member spouse—
 - (a) be paid out to the extent (if any) that payment can be made in accordance with the SIS Act; or
 - (b) be retained to the credit of the non-member spouse in an account in the name of the non-member spouse in the Fund; or
 - (c) be rolled over or transferred to some other superannuation fund or scheme approved by the Board.
- (2) The Board must, if necessary, establish a member's contribution account so as to provide for the requirements of subregulation (1)(b).
- (3) The Board must ensure that the money constituting the interest of the non-member spouse continues to be invested in the class of investments, or the combination of classes of investments, that the money was invested in before the creation of the interest unless or until the non-member spouse makes a nomination under section 14(1) of the Act for his or her accounts to be invested in a different class of investments or combination of classes of investments.
- (4) The Board must take the action required under subregulation (1) within 28 days after receiving the relevant election.
- (5) However, if an election is not made by the non-member spouse before the end of 28 days after the Board gives notice to the non-member spouse, the Board must, subject to this regulation, transfer the interest to the credit of the non-member spouse under subregulation (1)(b).
- (6) A notice under subregulation (5) must—
 - (a) be in writing; and
 - (b) notify the non-member spouse that the interest may be retained in the Triple S scheme; and
 - (c) advise the non-member spouse of—
 - (i) his or her option to make an election and the consequences of a failure to do so within 28 days; and
 - (ii) the value of his or her interest; and
 - (iii) the basis of any adjustments that have been, or will be, applied to the interest.
- (7) If the interest of a non-member spouse is transferred to the credit of the non-member spouse in the Triple S scheme because an election has not been made, the Board must, within 14 days of the interest being rolled over—
 - (a) advise the non-member spouse that his or her interest has been retained in the Triple S scheme; and
 - (b) provide the non-member spouse with a membership identification number, a copy of the most recent annual report prepared in respect of the Triple S scheme and any other information that, according to a determination of the Board, may be of assistance to the non-member spouse.

68—Effect on member's entitlement

- (1) Despite the other provisions of the Act and these regulations, if a payment split is payable with respect to the superannuation interest of a member, there is a corresponding reduction in the entitlement of the member under the Act or these regulations.
- (2) A reduction in the entitlement of a member will be given effect on the basis that the member's contribution account, rollover account, and co-contribution account (insofar as they exist) will be subject to a charge that takes effect by reducing the balance of each of those accounts at the operative time (insofar as a balance exists) by a percentage equal to the percentage that the non-member spouse's share in the relevant superannuation interest bears to the total value of the contributor's accrued superannuation benefit at the operative time (subject to any relevant method or factor adopted or applied by the regulations and to the extent necessary to take into account the full value of the entitlement of the non-member spouse).
- (3) A reduction in the entitlement of a member will not extend to any superannuation benefit that is not a splittable payment under Part VIII B of the *Family Law Act 1975* of the Commonwealth.
- (4) If 2 or more reductions must be made with respect to an entitlement of a member because 2 or more splitting instruments have been served on the Board, the Board may determine to apply the reductions separately, or in aggregate.
- (5) If a member has received a draw down benefit under regulation 53—
 - (a) the superannuation interest of the member will be taken to include the balance of any draw down benefit that is being held under regulation 53(6) and (7); and
 - (b) any entitlement under regulation 53 will be adjusted to take into account the effect of a payment split under this Part.

69—Lump sum not payable to spouse on death of member if split has occurred

If a member dies and is survived by a spouse who—

- (a) has received, is receiving or is entitled to receive a benefit under a splitting instrument; or
- (b) is, under the terms of a splitting instrument, not entitled to any amount arising out of the member's superannuation interest under the Act or these regulations (or any proportion of such an interest),

the spouse is not entitled to a benefit under the Act or these regulations in respect of the deceased member (except in accordance with the instrument) and will not be considered to be a spouse of the deceased member for the purposes of regulation 74 (if relevant).

70—Board to comply with Commonwealth requirements

The Board must comply with the requirements imposed on the Board under Part VIII B of the *Family Law Act 1975* of the Commonwealth.

71—Provision of information

In addition to any other information that may be provided by the Board in connection with this Part, the Board may, on application, provide to an eligible person a statement of the value of a superannuation interest of a member spouse, as at a particular date specified in the application.

72—Payment from contribution account in name of non-member spouse

If the interest of a spouse (or former spouse) is paid into a contribution account under regulation 67(1)(b), or is rolled over for payment into an account under the Act or these regulations or under the provisions of another Act or of regulations that correspond to this Part, the amount paid into the account will be taken to be a rollover component that may be paid out in accordance with regulation 55(7).

73—Fees

- (1) The Board may fix fees in respect of matters in relation to which fees may be charged under regulation 59 of the Commonwealth regulations.
- (2) Any fee under subregulation (1) that is payable by a member spouse or a non-member spouse and has not been paid within 1 month of the amount becoming payable may be deducted by the Board—
 - (a) if the outstanding fee is payable by a member spouse—
 - (i) from the member spouse's contribution account; or
 - (ii) from any benefit payable to the member spouse under the Act or these regulations; or
 - (b) if the outstanding fee is payable by a non-member spouse—
 - (i) from any interest that is to be rolled over or transferred to a fund for the benefit of the non-member spouse; or
 - (ii) from any other benefit payable to the non-member spouse under the Act or these regulations.

Part 6—Miscellaneous

 - (a) a report obtained from a medical practitioner at the request of the Board for the purposes of determining whether a person is suffering from a terminal illness; or

-
- (3) The Board may require a person seeking benefits on account of invalidity, or a disability pension, to provide evidence of his or her incapacity and, for that purpose, may require the person to submit himself or herself for a medical examination by 1 or more medical practitioners nominated by the Board.
 - (4) The cost of any medical examination to which a member is required to submit for the purposes of subregulation (3) is to be borne by the Board.

74—Division of benefit where deceased member or spouse member is survived by lawful and putative spouse

- (1) If a deceased member or spouse member is survived by a lawful spouse and a putative spouse, any benefit to which a surviving spouse is entitled under the Act or these regulations will be divided between them in a ratio determined by reference to the relative length of the periods for which each of them cohabited with the deceased as his or her spouse.
- (2) If a number of periods of cohabitation are to be aggregated for the purpose of determining an aggregate period of cohabitation for the purpose of subregulation (1), any separate period of cohabitation of less than 3 months will be disregarded.
- (3) A surviving spouse must, at the request of the Board, furnish it with any information that it requires for the purposes of making a division under subregulation (1).
- (4) A putative spouse is not entitled to any benefit under this regulation, unless the deceased member or spouse member and that spouse were putative spouses as at the date of the death of the member or spouse member.
- (5) If—
 - (a) a deceased member or spouse member is survived by a lawful and a putative spouse; and
 - (b) a benefit is paid to 1 of them on the assumption that he or she is the sole surviving spouse of the deceased,

the other spouse has no claim on the benefit insofar as it has been already paid unless that spouse gave the Board notice of his or her claim before the date of payment.

75—Payment in case of death

- (1) Subject to subregulation (2), if a person to whom a payment is to be made under the Act or these regulations dies, the Board may, in its discretion, make the payment to—
 - (a) the personal representative of the deceased; or
 - (b) the spouse of the deceased; or
 - (c) the children of the deceased.
- (2) The Board may use the amount payable, or such part of it as is required, to pay the funeral expenses of the person who has died or to reimburse a person who has paid those expenses.

76—Liabilities may be set off against benefits

- (1) A liability of a member or spouse member arising under the Act or these regulations may be set off against a payment that is to be made to, on behalf of, or in respect of the member or spouse member under the Act or these regulations.

- (2) An amount overpaid to a person under the Act or these regulations is a debt due to the Treasurer and constitutes a liability of the person for the purposes of subregulation (1).

77—Annuities

- (1) The Board may, with the Minister's approval, provide annuities on terms and conditions fixed by the Board.
- (2) The Board can only undertake to provide an annuity to a person who is, or has been—
 - (a) a member of the Triple S scheme or some other scheme of superannuation established by an Act; or
 - (b) a member of some other scheme of superannuation established for the benefit of employees of an agency or instrumentality of the Crown.

- (1) The Board must provide members of the scheme who do not contribute or who are not entitled to additional invalidity/death insurance with information as to the benefits of contributing or applying for additional invalidity/death insurance.
- (2) When a person becomes a member of the Triple S scheme by virtue of regulation 9(5), (5a), (5b) or (7), the Board must advise the person in writing of his or her membership of the scheme and provide the person with information as to the management and investment of his or her payments and the benefits to which he or she is entitled under the Act.

79—Inactive low balance and lost member accounts

- (1) If an amount of the Fund is attributable to a lost member account or an inactive low balance account of a member or spouse member, the Treasurer may, in accordance with any relevant law of the Commonwealth and subject to subregulation (2), pay an amount equal to the residual balance of the lost member account or inactive low balance account to the Commissioner of Taxation.
- (2) The Board may determine that an amount of the Fund attributable to a lost member account or an inactive low balance account of a particular class or kind, or in respect of a particular member or class of member, that would be otherwise payable under subregulation (1), is not to be paid in accordance with that subregulation.
- (3) If a payment is made under subregulation (1), the Treasurer must reimburse the Consolidated Account by charging the Fund with an amount equal to the residual balance of the lost member account or inactive low balance account (as the case requires).
- (4) The Board must then close the inactive low balance or lost member accounts (as the case requires) maintained by the Board in the name of the member or spouse member, after which—
 - (a) if the Board maintains no other accounts in the name of the member or spouse member—
 - (i) they will cease to be a member or spouse member; and
 - (ii) any rights in relation to superannuation under the Act will be taken to have been exhausted and no derivative rights will exist in relation to the member or spouse member under the Act; or

- (b) in any other case—any rights in relation to superannuation in respect of an account to which this regulation applies will be taken to have been exhausted.
- (5) In this regulation—
inactive low balance account and *lost member account* have the same respective meanings as in the *Superannuation (Unclaimed Money and Lost Members) Act 1999* of the Commonwealth.

Schedule 3—Transitional provisions

Part 1—Transitional provisions operating from commencement of these regulations

2—Members previously entitled to future service benefit

- (1) Subject to this clause, a member of the scheme who was, immediately before the commencement of the *Southern State Superannuation (Invalidity/Death Insurance) Amendment Act 2001* (the **amending Act**), a member—
- (a) who would have been entitled to a basic future service benefit in the circumstances referred to in section 34 of the repealed Act as in force immediately before the commencement of the amending Act; or
 - (b) in respect of whom a basic future service benefit would have been payable in the circumstances referred to in section 35 of the repealed Act as in force immediately before the commencement of the amending Act,

but who was not a supplementary future service benefit member is entitled to a level of basic invalidity/death insurance that, in the opinion of the Board, will give the member invalidity and death insurance equivalent to or greater than the level of basic insurance that he or she was entitled to immediately before the commencement of the amending Act.

- (2) A person who was, immediately before the commencement of the amending Act, a supplementary future service benefit member of the scheme is entitled to a level of basic and voluntary invalidity/death insurance the combined value of which will, in the opinion of the Board, give the member invalidity and death insurance equivalent to or greater than the combined level of basic and supplementary insurance that he or she was entitled to immediately before the commencement of the amending Act.
- (3) A member referred to in subclause (1) may, by application in the approved form, reduce the level of basic invalidity/death insurance to which he or she is entitled under that subclause to the level permitted by these regulations.
- (4) The entitlement of a person to voluntary invalidity/death insurance under subclause (2) is subject to the same conditions (if any) that his or her entitlement to supplementary future service benefits was subject immediately before the commencement of the amending Act.
- (5) If a member referred to in subclause (1) had, before the repeal of the *Southern State Superannuation Act 1994*, reduced the level of basic invalidity/death insurance to which he or she was entitled under that Act—
 - (a) subclause (1) does not operate in relation to the member; and
 - (b) the member is entitled, on the commencement of this clause, to the level of basic invalidity/death insurance he or she enjoyed immediately before that repeal.

3—Visiting medical officers

- (1) Subject to this clause, a transferred visiting medical officer is entitled (without being required to undergo a medical examination) to maintain the insurance cover the member enjoyed under the VMO Fund immediately prior to the repeal of the *Superannuation (Visiting Medical Officers) Act 1993* (subject to any adjustments that would have occurred from time to time under the terms of that insurance).
- (2) The insurance cover to which a transferred visiting medical officer is entitled under subclause (1)—
 - (a) will be in substitution for invalidity/death insurance under Part 3 of these regulations (and that Part will not apply while the insurance cover under subclause (1) is maintained); and
 - (b) will, if the transferred visiting medical officer had attained the age of 60 at the time he or she became a member of the scheme (but had not yet attained the age of 65)—
 - (i) be available to the member despite the fact that he or she has attained the age of 60; and
 - (ii) continue to be available to the member until he or she attains the age of 65; and
 - (c) will be subject to premiums, determined by the Board, being premiums that do not exceed the premiums the member was paying under the VMO Fund immediately before 1 July 2003.

- (3) If a transferred visiting medical officer suffers from a medical condition or restriction relevant to the determination of his or her entitlements under the VMO Fund, any insurance cover to which he or she is entitled under subclause (1) may be subject to such authorised conditions as the Board thinks fit to impose.
- (4) A transferred visiting medical officer may apply to the Board to cancel or vary the insurance cover provided by subclause (1) but, in such a case, the transferred visiting medical officer will then be subject to the operation of Part 3 of these regulations.
- (5) This clause does not apply in relation to a transferred visiting medical officer who has, before the commencement of this clause, applied to the Board to cancel or vary the insurance cover provided by Schedule 3 Part 1 clause 12(1) of the repealed Act.
- (6) In this clause—

authorised condition has the same meaning as in regulation 49;

transferred visiting medical officer means a visiting medical officer who, immediately before 1 July 2003, was a member of the VMO Fund;

VMO Fund means the SAHC Visiting Medical Officers Superannuation Fund established by a trust deed dated 24 February 1983.

4—Transitional arrangement for certain police members (Schedule 1 clause 12)

For the purposes of subclause (2)(d) of clause 12 of Schedule 1 of the Act, the benefits to which a police member may be entitled under that subclause on his or her retirement in lieu of benefits under regulation 54 are to be determined in accordance with the following formula:

$$LS = 5.4545 \times A \times FS \times \left(1 + \frac{0.1667 \times X}{100}\right) \times \left(1 + \frac{0.2778 \times Y}{100}\right) + Pn \times \frac{FS \times 1.36 \times M}{480}$$

where—

LS is the minimum benefit

FS is the member's actual or attributed salary as defined by the *Police Superannuation Act 1990* (expressed as an annual amount and determined on the basis that the member's actual or attributed salary is to be increased by 10% (rather than 11%) if section 4(6) of that Act applies)

X is the number of months (if any) by which the member's age at retirement exceeds 50 years, with a maximum value of 60

Y is the number of months (if any) by which the member's age at retirement exceeds 55 years

Pn is—

- (a) in the case of a member who was employed on a full-time basis throughout his or her membership of the Police Superannuation Scheme and the Triple S scheme—1; and
- (b) in any other case—

$$\frac{Pn8 \times M8 + PnTS \times (M - M8)}{M}$$

A is the lesser of the following:

- (a) unity;
- (b) $\frac{Pn \times M}{D}$

M is the number of completed months between the day on which the member commenced service and the day of his or her retirement

D is—

6—Restrictions on payment of disability pension for certain members

11—Application of Part

This Part applies to a member of the scheme who was a member immediately before the commencement day.

Division 2—Invalidity/death insurance

Subdivision 1—General

12—Application of Schedule

- (1) Schedules 1 and 2, as inserted by the *Southern State Superannuation (Insurance) Variation Regulations 2017*, apply on and from the commencement day for the purposes of determining the value of units of standard insurance cover (including in relation to insurance held before the commencement day).
- (2) The premium payable in respect of those units of insurance cover is the applicable premium determined by the Board for the purposes of regulation 34 or 42 (as inserted by the *Southern State Superannuation (Insurance) Variation Regulations 2017*).

Subdivision 2—Members

13—Continuation of basic invalidity/death insurance held by members before commencement day

- (1) Basic invalidity/death insurance held by a member to whom this Part applies immediately before the commencement day will, subject to regulation 35, continue to be held by the member as default invalidity/death insurance.
- (2) Subject to regulation 35, default invalidity/death insurance held by a member to whom this Part applies will, on and from the commencement day, include additional units of insurance necessary to ensure that the default invalidity/death insurance held by the member is equivalent to 3 units of standard insurance cover.

- (3) However, if a member to whom this Part applies notifies the Board in the approved form, not more than 1 month after the commencement day (or within such longer period following the commencement day as the Board considers fair in a particular case), that the member does not wish to increase the level of the member's default invalidity/death insurance above the level of basic invalidity/death insurance held by the member immediately before the commencement day, the member ceases to be entitled to (and no premiums may be charged in respect of) additional units of default invalidity/death insurance as specified in subclause (2).
- (4) Subject to regulation 35—
- (a) if, immediately before the commencement day, a member to whom this Part applies (other than a prescribed member) holds 3 or more units of standard invalidity/death insurance, at least 3 of those units (which must be comprised of units that have been held by the member for the longest period) are to be held by the member, on and from the commencement day, without authorised conditions, regardless of the state of the member's health; and
 - (b) if, immediately before the commencement day, a member to whom this Part applies (other than a prescribed member) holds 1 or 2 units of standard invalidity/death insurance or standard death insurance, those units are to be held by the member, on and from the commencement day, without authorised conditions, regardless of the state of the member's health; and
 - (c) if, immediately before the commencement day, a prescribed member to whom this Part applies holds 6 or more units of standard invalidity/death insurance, at least 6 of those units are to be held by the member, on and from the commencement day, without authorised conditions, regardless of the state of the member's health.
- (5) Subclause (4) does not apply in relation to a member who is not entitled to default invalidity/death insurance under these regulations.
- (6) If—
- (a) a member to whom this Part applies is, immediately before the commencement day, a permanent employee who was formerly employed in employment to which the Act applies on a casual basis; and
 - (b) the member's basic invalidity/death insurance was suspended under regulation 35 while the member was employed on that basis; and
 - (c) the member has not, since becoming a permanent employee, paid a premium in respect of invalidity/death insurance,
- the following provisions apply:
- (d) the suspension of the member's insurance will be taken to have continued until immediately before the commencement day;
 - (e) subject to regulation 35 and paragraph (f), the member will, on and from the commencement day, hold default invalidity/death insurance equivalent to 3 units of standard insurance cover;

- (f) if the member notifies the Board in the approved form, not more than 1 month after the commencement day (or within such longer period following the commencement day as the Board considers fair in a particular case), that the member does not wish to hold the default invalidity/death insurance to which the member is entitled under paragraph (e), the member ceases to be entitled to (and no premiums may be charged in respect of) that insurance.
- (10) This clause does not apply in relation to a member who holds fixed insurance cover immediately before the commencement day.

Note—

See clause 23.

14—Continuation of voluntary invalidity/death insurance held by members before commencement day

Voluntary invalidity/death insurance held by a member to whom this Part applies immediately before the commencement day will, subject to clause 13 and regulation 35, continue to be held by the member as additional invalidity/death insurance (and any authorised conditions that applied to the member's voluntary invalidity/death insurance immediately before the commencement day will continue to apply).

15—Eligibility for invalidity benefits (members)

- (1) For the purposes of determining whether a member to whom this Part applies is entitled to invalidity insurance benefits under regulation 58(1)(a) in respect of termination of the member's employment on account of invalidity where the termination occurred before the commencement day, the following is to be substituted for paragraph (a) of subregulation (2) of that regulation:
- (a) the Board is not satisfied that, on the day on which the member's employment is terminated, the member's incapacity for all kinds of work was 60% or more of total incapacity and was likely to be permanent; or
- (2) Subregulations (11), (12), (12a) and (13) of regulation 58 as in force immediately before the commencement day continue to apply for the purposes of determining whether a member to whom this Part applies is entitled to invalidity insurance benefits under regulation 58(1)(a) in respect of termination of the member's employment on account of invalidity where the termination occurred before that day (and, accordingly, subregulation (11) of regulation 58 as inserted by the *Southern State Superannuation (Insurance) Variation Regulations 2017* does not apply).
- (3) For the purposes of determining whether a PSS 3 member is entitled to invalidity insurance benefits under regulation 62E(1)(d) in respect of resignation from the Parliament of the State on account of invalidity where the resignation occurred before the commencement day, the following is to be substituted for paragraph (a) of subregulation (2) of that regulation:
- (a) the Board is not satisfied that, on the day on which the member resigned from the Parliament, the member's incapacity for all kinds of work was 60% or more of total incapacity and was likely to be permanent; or

16—Application of earlier transitional provisions in relation to certain members

- (1) Clause 2 of this Schedule will cease to apply to a member on and from the commencement day.
- (2) On and from the commencement day, the insurance entitlements of a member to whom clause 2 of this Schedule applied immediately before the commencement day will be as set out in Part 3 of these regulations and the other provisions of this Schedule.

17—Visiting medical officers

- (1) Clause 3 of this Schedule will cease to apply to a transferred visiting medical officer (within the meaning of that clause) on and from the commencement day.
- (2) A transferred visiting medical officer to whom clause 3 applied is, on and from the commencement day, entitled, without being required to undergo a medical examination, to maintain the insurance cover that the officer enjoyed under clause 3 immediately before the commencement day.
- (3) Accordingly, the insurance entitlements of a transferred visiting medical officer will, on and from the commencement day, be as set out in Part 3 of these regulations and the other provisions of this Schedule, subject to the following:
 - (a) if a transferred visiting medical officer held VMO standard insurance cover under clause 3 immediately before the commencement day, the officer will cease to hold that cover but will instead hold standard insurance cover of the same value as the cover held by the officer under clause 3;
 - (b) if a transferred visiting medical officer held VMO fixed insurance cover under clause 3 immediately before the commencement day, the officer will cease to hold that cover but will instead hold fixed benefit insurance cover of the same value as the fixed insurance cover held by the officer under clause 3;
 - (c) if, on the commencement day, a transferred visiting medical officer holds 3 or more units of standard invalidity/death insurance cover (or an amount of fixed benefit invalidity/death insurance cover that is equivalent to 3 or more units of standard invalidity/death insurance cover), 3 of those units (or an amount equivalent to 3 units of standard invalidity/death insurance cover) are to be held by the officer as default invalidity/death insurance (and, accordingly, no authorised conditions will apply to those units);
 - (d) if, on the commencement day, a transferred visiting medical officer holds more than 3 units of standard invalidity/death insurance cover (or an amount of fixed benefit invalidity/death insurance cover that is equivalent to more than 3 units of standard invalidity/death insurance cover), those additional units are to be held by the officer as additional invalidity/death insurance;

- (e) if, on the commencement day, a transferred visiting medical officer would, but for this paragraph, hold only 1 or 2 units of standard invalidity/death insurance (or an amount of fixed benefit invalidity/death insurance that is equivalent to 1 or 2 units of standard invalidity/death insurance cover), the officer will, by virtue of the officer's entitlement to default invalidity/death insurance under regulation 28, in fact hold 3 units of standard invalidity/death insurance (or an equivalent amount of fixed benefit invalidity/death insurance as determined by the Board under regulation 34(3));
 - (f) any authorised conditions that applied to the officer's insurance cover under clause 3 immediately before the commencement day will apply to the additional invalidity/death insurance (if any) held by the officer under Part 3.
- (4) Subject to subclause (3), the provisions of Part 3 apply in relation to the insurance entitlements of a transferred visiting medical officer.
- (5) In this clause—
- VMO fixed insurance cover* means fixed insurance cover provided to visiting medical officers (and not to other members) before the commencement day in accordance with clause 3;
- VMO standard insurance cover* means standard insurance cover provided to visiting medical officers (and not to other members) before the commencement day in accordance with clause 3.

18—Suspension of insurance to continue

- (1) Subject to subclause (2), if the insurance held by a member to whom this Part applies (other than a member referred to in clause 13(6)) is, immediately before the commencement day, suspended under regulation 35 (as in force immediately before that day), suspension of the insurance will continue on and from that day despite the revocation of that regulation.
- (2) The following provisions apply in relation to insurance suspended under subclause (1):
- (a) the member may, at any time, by notice in writing to the Board, reinstate the member's suspended insurance;
 - (b) when the insurance ceases to be suspended, the member is entitled (in accordance with regulation 28) to a minimum level of insurance equivalent in value to the member's default insurance cover entitlement;
 - (c) however, insurance benefits are only payable to or in respect of a member (other than a prescribed member) whose employment terminates on account of invalidity or death within 1 year after the member's insurance is reinstated if the invalidity or death is caused by accidental injury.
- (3) Subclause (2) applies even if the member has, on or after the commencement day, ceased to be employed on a casual basis because the member has become a permanent employee.

Subdivision 3—Spouse members

19—Application of Subdivision

This Subdivision applies to a spouse member of the scheme who was a spouse member immediately before the commencement day.

20—Continuation of voluntary invalidity/death insurance held by spouse members before commencement day

Voluntary death insurance held by a spouse member to whom this Subdivision applies immediately before the commencement day will, subject to Part 3 Division 3, continue to be held by the spouse member as death insurance under that Division (and any authorised conditions that applied to the member's voluntary death insurance immediately before the commencement day will continue to apply).

Subdivision 4—Public sector superannuation beneficiaries and their spouses

21—Application of Subdivision

This Subdivision applies to public sector beneficiaries, and the spouses of public sector beneficiaries, who held insurance under Part 3 Division 4 Subdivision 3 immediately before the commencement day.

22—Eligibility for invalidity benefits

If the employment of a public sector superannuation beneficiary to whom this Subdivision applies who holds invalidity/death insurance under regulation 48 ceases before the commencement day, regulation 48(8) as in force immediately before the commencement day is to apply for the purposes of determining whether the public sector superannuation beneficiary is entitled to invalidity insurance benefits under that regulation.

Subdivision 5—Fixed insurance cover

 - (b) the member will, if the member is entitled to default invalidity/death insurance under regulation 28, be issued with 3 units of standard invalidity/death insurance cover.
- (3) A member who has fixed insurance cover may not take out standard insurance cover or fixed benefit insurance cover and is not entitled to default invalidity/death insurance except as specified in subclause (2)(b).

- (4) However, the Board may grant an application for standard insurance cover or fixed benefit insurance cover made by a member who has fixed insurance cover if the standard insurance cover or fixed benefit insurance cover does not apply until after the fixed insurance cover has ceased (whether under subclause (2)(a) or (7)(a)).
- (5) For the purposes of this clause, Table 1 of Subdivision 6 applies as follows:
 - (a) the value of a unit of cover is fixed at the amount designated in column 2;
 - (b) the amount of corresponding premium per unit of cover, as designated in column 3, is determined on the basis of the member's age at the time the insurance cover commences.

- (3) A spouse member who has fixed insurance cover may not take out standard insurance cover or fixed benefit insurance cover.
- (4) However, the Board may grant an application for standard insurance cover or fixed benefit insurance cover made by a spouse member who has fixed insurance cover if the standard insurance cover or fixed benefit insurance cover does not apply until after the fixed insurance cover has ceased (whether under subclause (2) or (6)(a)).
- (5) For the purposes of this clause, Table 2 of Subdivision 6 applies as follows:
 - (a) the value of a unit of cover is fixed at the amount designated in column 2;

- (b) the amount of corresponding premium per unit of cover, as designated in column 3, is determined on the basis of the spouse member's age at the time the insurance cover commences.

Division 3—Income protection

26—Members over 60 on commencement day

- (1) Subject to this clause, a member who has reached the age of 60 years before the commencement day is not entitled to a disability pension under regulation 36 unless the Board grants an application by the member for income protection cover.
- (2) Regulation 37A applies to an application under subclause (1).
- (3) If a member who reached the age of 60 years not more than 30 days before the commencement day (or within such longer period before the commencement day as the Board considers fair in a particular case) applies for income protection under subclause (1), the Board may waive any 1 or more of the requirements of regulation 37A when determining the application and may grant the application without conditions regardless of the state of the member's health.
- (4) If a member to whom subclause (3) applies was, before the commencement day, in receipt of a disability pension that ceased only because of the member having reached the age of 60 years, the disability pension received by the member under regulation 36 at the time that the member reached the age of 60 years will be taken into account for the purposes of regulation 36AAD(2) when determining the duration of any pension paid to the member in respect of the same incapacity after the commencement day.

27—Contribution replacement benefit

A contribution replacement benefit is not payable under regulation 36AAB in connection with a disability pension paid—

- (a) to a member who ceased to be engaged in employment to which the Act applies before the commencement day; or
- (b) in respect of incapacity that commenced before the commencement day.

28—Waiting period

Regulation 36AAC(1) to (3) apply for the purposes of determining the applicable waiting period for any disability pension payable in relation to an incapacity for work that commences on or after the commencement day.

29—Eligibility for disability pension

- (1) Regulation 36 as in force on and from the commencement day applies for the purposes of determining a member's eligibility for a disability pension in respect of incapacity for work if the day on which the member is first incapacitated for work as a consequence of the disability occurs on or after the commencement day.
- (2) If the day on which the member is first incapacitated for work as a consequence of the disability occurs before the commencement day, regulation 36(1) as in force immediately before that day applies for the purpose of determining the member's eligibility for a disability pension.

30—Conditions of income protection to continue

If an application under regulation 37(4) of these regulations as in force before the commencement day was accepted by the Board subject to authorised conditions under regulation 37(8), those conditions continue to apply in relation to the member's entitlement to a disability pension on and from the commencement day.

31—Notional salary and automatic acceptance limit

- (1) Regulation 36A(1) and (2) as in force immediately before the commencement day continue to apply in relation to a disability pension to which a member became entitled before that day (and, accordingly, regulation 36A(1) and (2) as inserted or varied by these regulations apply only in relation to a disability pension to which a member becomes entitled after the commencement day).
- (2) Regulation 36A(3) to (9) do not apply in relation to a member to whom this Part applies.
- (3) However, a member to whom this Part applies may, if the member's notional salary exceeds the automatic acceptance limit, by notice in writing in the approved form, elect to reduce the level of the member's income protection cover by having the member's notional salary fixed at the automatic acceptance limit.
- (4) If a member makes an election under subclause (3)—
 - (a) the member's notional salary under regulation 36A will be taken to be fixed at the automatic acceptance limit; and
 - (b) the member's disability pension premium will accordingly be determined on the basis of the fixed amount.
- (5) A member who has made an election under subclause (3) may subsequently apply to the Board for an increase in the level of the member's income protection cover.
- (6) If an application by a member under subclause (5) is approved by the Board—
 - (a) the member's notional salary will be determined under regulation 36A(1) or (2), as appropriate; and
 - (b) regulation 36A(3) to (9) will not apply in relation to the member; and
 - (c) the member's disability pension premium will accordingly be determined on the basis of the member's notional salary.
- (7) Regulation 37A applies to an application under subclause (5).
- (8) If an application under subclause (5) is granted subject to authorised conditions under regulation 37A—
 - (a) any entitlement of the member to a disability pension based on a notional salary set at a level higher than the automatic acceptance limit will be subject to those conditions; and
 - (b) the member's entitlement to a disability pension will continue to be subject to any authorised conditions that applied before the application was granted; and

- (c) if the member has income protection cover under these regulations that the member was not required to apply for, the member will be entitled, without conditions, to a disability pension based on a notional salary fixed at the automatic acceptance limit (or, if there is a later reduction in the member's salary, at a lower level that corresponds to the member's notional salary as determined under regulation 36A(1) and (2)).
- (9) In this regulation—
automatic acceptance limit has the same meaning as in regulation 36A.

32—Maximum salary income protection cap

- (1) Regulation 36B, as in force on and from the commencement day, applies in relation to a member whether the member became a member of the scheme before or after that day.
- (2) However, if, immediately before the commencement day, the notional salary of a member to whom this Part applies exceeded the maximum salary income protection cap (within the meaning of regulation 36B)—
 - (a) the member's notional salary for the purposes of regulation 36A is to be fixed at the level of the member's salary immediately before the commencement day irrespective of any subsequent increase in the member's salary (but any subsequent reduction in the member's salary is to be taken into account in determining the member's notional salary); and
 - (b) the member's disability pension premium will accordingly be determined on the basis of the fixed amount.
