Part 1—Preliminary

1—Short title

These rules may be cited as the *Warden's Court Rules 2016*.

2—Commencement

These rules come into operation on the day on which they are made.

3—Interpretation

- (1) In these rules, unless the contrary intention appears—
Act means the *Mining Act 1971*;
Court means the Warden's Court;
Registrar means the Registrar of the Court;
regulations means the regulations made under the Act and for the time being in force;
suit includes application or objection.
- (2) Nothing in these rules may be construed to diminish or take away any power or authority conferred on the Court or a warden by an Act.
- (3) These rules must be construed, interpreted and applied, to the fullest extent that their context will allow, in a manner that will best ensure the attainment of the following objects:
 - (a) the simplification of practice and procedure;
 - (b) the identification and clarification of material issues between the parties;
 - (c) the saving of expense;
 - (d) the expeditious disposal of the business of the Court.

Part 2—General procedure

4—Failure to comply with rules

- (1) Subject to any statutory requirements, non-compliance with any 1 or more of these rules does not, unless the Court directs, render void the proceedings to which the rule or rules relates or relate.
- (2) However, those proceedings may be set aside wholly or in part as irregular, or amended, or otherwise dealt with in such manner, on such terms (if any), as the Court deems just.

5—Court may dispense with observance of certain rules

If reasonable cause exists the Court may, at any stage of any proceedings, and subject to any statutory requirements, dispense with the observance of any rule that relates to or governs powers that the Court may exercise of its own motion.

6—Commencement of action

- (1) A suit is commenced by lodging a plaint note in the form set out in Schedule 1.

- (2) A plaint note may be drawn up by or under the direction of a warden in any case where the warden considers it appropriate to do so.

7—Procedure on receipt of plaint note

- (1) On the receipt of a plaint note, the Court must conduct a preliminary examination for the purpose of—
 - (a) making any necessary interlocutory orders; and
 - (b) setting a closing date for the lodgement with the Registrar of any objection to an application; and
 - (c) fixing the day, hour and place of the hearing; and
 - (d) such other matters as may be appropriate in the particular action.
- (2) The Court must, at least 7 days before the day on which a hearing is to take place, cause a copy of the plaint note to be given or sent by post to the defendant and to all persons who may be affected by the proceedings together with notice of the time and place of the hearing.
- (3) On an application for an injunction whether ancillary to another remedy claimed or not, the Court may, where reasonable cause exists, dispense with any rule relating to the service of proceedings and may give to the applicant such direction as to service or the time for effecting service as the circumstances of the matter may require.

8—Practice on hearing of suit

- (1) Subject to these rules, the practice generally on the hearing of a suit must, as far as practicable, conform to the practice of a court of summary jurisdiction.
- (2) The Court may, at any stage of a hearing, direct or allow any departure from the practice that appears to it to be desirable having regard to the nature of the case and the circumstances generally.
- (3) The Court at its discretion may, in appropriate circumstances, direct that any matter be heard *ex parte*.
- (4) The Court at its discretion may, in appropriate circumstances, permit evidence to be given by affidavit.
- (5) The Court may, if it thinks it just, hear concurrently 2 or more plaints if they arise out of the same set of circumstances.

- (2) The holder of the mining tenement must, within the time specified by the Court, furnish to the Court a detailed plan of the land in question.
- (3) The Court may require that the plan be prepared by a surveyor licensed under the *Survey Act 1992*, at the expense of the holder of the mining tenement, and may require the licensed surveyor to furnish a report on all matters incidental to preparation of the plan.
