LR is the relevant levy rate (per megalitre) that applies under Column D of Table 1,

- (5) For the avoidance of doubt, if in respect of a particular area covered by a licence within the ambit of subregulation (1) or subregulation (3) there was no authorisation to use water during the period of restriction for the relevant purpose, then no amount is payable under subregulation (2) or (4) (as the case may be) in relation to water authorised to be used for that purpose.
- (6) Subject to subregulation (7), a person who is the holder of a licence that—
 - (a) has been granted in respect of a well in the prescribed area; and
 - (b) is endorsed with a water (taking) allocation for irrigation purposes,

is exempt from section 124 to the extent that the levy declared for the 2003/2004 financial year in relation to the licence is based on the right to take water for irrigation purposes under the licence.

- (7) An exemption under subregulation (6) is subject to the following conditions:
 - (a) that the holder of the licence pay to the Minister an amount calculated as follows:

$$A = WA(LR + SL)$$

Where

A is the amount to be paid

WA is the amount of water (expressed in megalitres) allocated to the person for irrigation purposes under the licence for the 2003/2004 financial year

LR is the relevant levy rate (per megalitre) that applies under Column C of Table 3

SL is—

- (i) if the water allocation is from the unconfined aquifer—\$0.25 per megalitre of allocation;
- (ii) if the water allocation is from the confined aquifer—\$1.50 per megalitre of allocation,

and if the holder of the licence has an allocation that will relate to more than one crop during the 2003/2004 financial year (as determined by the Minister for the purposes of making the allocation), then there will be an amount payable with respect to each of the relevant circumstances that apply under Table 3;

- (b) that any amount payable under paragraph (a) be paid by the holder of the licence to the Minister by a date and in a manner specified by the Minister by a notice served on the holder of the licence after the commencement of the 2003/2004 financial year.

- (8) In this regulation—

megalitre means 1 000 kilolitres;

period of restriction means the period for which a restriction applied with respect to the prescribed area under section 16 of the Act during the 2002/2003 financial year;

prescribed area means the Tintinara Coonalpyn Prescribed Wells Area (see the *Water Resources (Tintinara Coonalpyn Prescribed Wells Area) Regulations 2000*).

29—Exemption in relation to the Tintinara Coonalpyn Prescribed Wells Area—2004/2005

- (1) Subject to subregulation (2), a person who is the holder of a licence that—
- (a) has been granted in respect of a well in the prescribed area; and
 - (b) is endorsed with a water (taking) allocation for irrigation purposes,
- is exempt from section 124 to the extent that the levy declared for the 2004/2005 financial year in relation to the licence is based on the right to take water for irrigation purposes under the licence.
- (2) An exemption under subregulation (1) is subject to the following conditions:
- (a) that the holder of the licence pay to the Minister an amount calculated as follows:

$$A = WA (LR + SL)$$

where

A is the amount to be paid

WA is the amount of water (expressed in megalitres) allocated to the person for irrigation purposes under the licence for the 2004/2005 financial year

LR is the relevant levy rate (per megalitre) that applies under Column C of Table 1

SL is—

 - (i) if the water allocation is from the Tolmer Management Area (Confined Aquifer)—\$1.50 per megalitre of allocation;
 - (ii) if the water allocation is from any other area—nil,

and if the holder of the licence has an allocation that will relate to more than one crop during the 2004/2005 financial year (as determined by the Minister for the purposes of making the allocation), then there will be an amount payable with respect to each of the relevant circumstances that apply under Table 1;

- (b) that any amount payable under paragraph (a) be paid by the holder of the licence to the Minister by a date and in a manner specified by the Minister by a notice served on the holder of the licence after the commencement of the 2004/2005 financial year.

- (3) In this regulation—

megalitre means 1 000 kilolitres;

prescribed area means the Tintinara Coonalpyn Prescribed Wells Area (see the *Water Resources (Tintinara Coonalpyn Prescribed Wells Area) Regulations 2000*).
