**The Parliament of South Australia enacts as follows:**

## **Part 1—Preliminary**

### **1—Short title**

This Act may be cited as the *Local Government (Flood Mitigation Infrastructure) Amendment Act 2004*.

### **2—Commencement**

This Act will come into operation on a day to be fixed by proclamation.

### **3—Amendment provisions**

In this Act, a provision under a heading referring to the amendment of a specified Act amends the Act so specified.

## **Part 2—Amendment of *Local Government Act 1999***

### **4—Amendment of section 7—Functions of a council**

Section 7(f)—After "within its area" insert:

(including infrastructure that helps to protect any part of the local or broader community from any hazard or other event, or that assists in the management of any area)

**5—Amendment of section 295—Power to carry out surveys, work etc**

Section 295(2), definition of *work*—delete the definition and substitute:

*work* includes work associated with—

- (a) the construction, maintenance, repair or replacement of infrastructure, equipment, connections, structures, works or other facilities (including dams or other structures or facilities associated with stormwater management or flood mitigation); or
- (b) the provision of services or facilities that benefit the area of the relevant council; or
- (c) the carrying out of any other function or responsibility of the relevant council.
