- (4) If a person does not respond in accordance with this section within the prescribed period, any money paid into the Court under section 23A in respect of the relevant acquisition (being money that has not been withdrawn by, or on behalf of, the person) will, by force of this subsection, be paid to the Authority.
- (5) To avoid doubt, nothing in subsection (4) affects an entitlement of a person to compensation in respect of an acquisition of land.

- (3) If amounts of money to which this section applies are paid into the Court on different dates, the period referred to in subsection (2) will be calculated from the latest date the money was paid into the Court.
- (4) The Authority must, not later than 30 days before the day on which money to which this section applies is to be paid to the Authority, give written notice to the claimant setting out—
 - (a) the effect of this section; and
 - (b) the date on which the money will be paid to the Authority; and
 - (c) any other information required by the regulations.
- (5) If money to which this section applies is not withdrawn in accordance with subsection (2), the money, together with any accrued interest, will, by force of this subsection, be paid to the Authority (however, nothing in this subsection affects an entitlement of the claimant to compensation in respect of the acquisition of the relevant land).
- (6) Money paid to the Authority pursuant to subsection (5) will be taken not to accrue interest to which a claimant is entitled.
- (7) Subsection (2) does not apply to such portion of money required to give effect to any orders under section 26.

(8) In this section—

Authority means the Authority who paid the relevant money into the Court under section 23A.
