Energy Products (Safety and Efficiency) (Type B Appliance) Proclamation 2024

under section 5 of the *Energy Products (Safety and Efficiency) Act 2000*

1—Short title

This proclamation may be cited as the *Energy Products (Safety and Efficiency) (Type B Appliance) Proclamation 2024*.

2—Commencement

This proclamation comes into operation on the day on which it is made.

3—Interpretation

(1) In this proclamation—

Act means the *Energy Products (Safety and Efficiency) Act 2000*;

Type B appliance has the same meaning as in AS/NZS 5601.

(2) For the purposes of this proclamation—

- (a) a reference to a standard is, unless the contrary intention appears, a reference to the standard as amended from time to time and, if the standard is substituted, to the subsequent standard; and
- (b) a reference to a standard includes a reference to any code or standard called up by or under the standard.

4—Declaration in relation to type B appliance

Pursuant to section 5(1)(a) and (d) of the Act and for the purposes of section 6(3) of the Act—

- (a) a Type B appliance is declared as a class of energy product to which section 6(3) of the Act applies; and
- (b) *Information Standard Type B Appliances* as published by the Technical Regulator on 20 December 2023 is declared as the applicable information standard for a Type B appliance.

Made by the Governor's Deputy

with the advice and consent of the Executive Council
