## **Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

under the *Workers Rehabilitation and Compensation Act 1986*

---

### **Contents**

#### **Part 1—Preliminary**

- 1 Short title
- 2 Commencement
- 3 Variation provisions

#### **Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995***

- 4 Substitution of Schedule 2  
Schedule 2—Scales of charges—physiotherapy services
  - 5 Substitution of Schedules 4 and 5  
Schedule 4—Scales of charges—speech pathologists  
Schedule 5—Scales of charges—occupational therapists
- 

### **Part 1—Preliminary**

#### **1—Short title**

These regulations may be cited as the *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007*.

#### **2—Commencement**

These regulations will come into operation on 1 July 2007.

#### **3—Variation provisions**

In these regulations, a provision under a heading referring to the variation of specified regulations varies the regulations so specified.

## **Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995***

### **4—Substitution of Schedule 2**

Schedule 2—delete the Schedule and substitute:

#### **Schedule 2—Scales of charges—physiotherapy services**

This Schedule must be read in conjunction with the *Physiotherapy Fee Schedule Guidelines*.

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
<b>Consultations</b>		
<b>Initial consultation</b>		
An initial consultation by a treating physiotherapist involving some or all of the following elements (although the extent of the consultation is at the discretion of the physiotherapist):		
	<ul style="list-style-type: none"><li>• <b>Subjective reporting</b> Consideration by the physiotherapist of major symptoms and lifestyle dysfunction; current history and treatment; past history and treatment; pain, 24 hour behaviour, aggravating and relieving factors; general health, medication, risk factors.</li><li>• <b>Objective assessment</b> Assessment by the physiotherapist of movement (eg, active, passive, resisted, repeated; muscle tone, spasm, weakness; accessory movements, passive intervertebral movements etc) and the carrying out of appropriate procedures and tests.</li><li>• <b>Assessment results</b> Provisional diagnosis; the setting of the goals of treatment, and the development of a treatment plan, by the physiotherapist.</li><li>• <b>Treatment</b> Discussion between the physiotherapist and the worker regarding working hypothesis, treatment goals and expected outcomes; initial treatment and response and the provision of advice by the physiotherapist regarding home care, including any exercise programs to be followed.</li><li>• <b>Clinical records</b> Recording of information by the physiotherapist in the worker's clinical records, including the results of procedures and tests carried out.</li></ul>	

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

*Variation of Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

Item No	Service description	Maximum charge (excl GST)
	<ul style="list-style-type: none"> <li>• <b>Communication</b> Communication by the physiotherapist of information relevant to the rehabilitation and return to work of the worker to the claims agent or self-insured employer, the worker's employer (if not self-insured) and the worker's referring/treating medical expert.</li> </ul>	
PT107	Short initial consultation of not more than 20 minutes duration.	\$35.70
PT108	Initial consultation of more than 20 minutes duration.	\$59.50
	<p><b>Subsequent consultation</b></p> <p>A subsequent consultation by a treating physiotherapist involving assessment and treatment of a worker's condition and some or all of the other elements listed below (although the extent of the consultation is at the discretion of the physiotherapist):</p> <ul style="list-style-type: none"> <li>• <b>History taking/assessment</b> Consideration by the physiotherapist of the clinical records of the worker relating to the condition and the worker's progress since the previous consultation.</li> <li>• <b>Examination</b> Examination by the physiotherapist of the condition.</li> <li>• <b>Treatment</b> Appropriate treatment of the condition by the physiotherapist.</li> <li>• <b>Reassessment and management</b> Reassessment of the goals of treatment, the treatment plan and the management program by both the worker and the physiotherapist; counselling by the physiotherapist regarding further treatment (if any), care and preventative measures.</li> <li>• <b>Communication</b> Communication by the physiotherapist of information relevant to the rehabilitation and return to work of the worker to the claims agent or self-insured employer, worker's employer (if not self-insured) and the worker's referring/treating medical expert.</li> <li>• <b>Physiotherapy treatment form</b> If treatment is expected to extend for longer than 6 weeks, completion by the physiotherapist of a physiotherapy treatment form (in a form approved by the Corporation) and forwarding of the form to the claims agent or self-insured employer.  No additional fee is payable for completion of this form.</li> </ul>	

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

Item No	Service description	Maximum charge (excl GST)
	<ul style="list-style-type: none"> <li>• <b>Clinical records</b></li> </ul>	
	Recording of information by the physiotherapist in the worker's clinical records, including the results of any procedures and tests carried out.	
PT205	Brief subsequent consultation of not more than 15 minutes duration.  The consultation will involve minimal physiotherapist contact time.	\$29.70
PT210	Standard subsequent consultation of more than 15 minutes duration but not more than 20 minutes duration.	\$41.60
PT215	Long subsequent consultation of more than 20 minutes duration but not more than 30 minutes duration.  The consultation will involve all of the elements of a subsequent consultation, and, because of the complexity of the injury, will require extra time for history taking, examination, treatment, documentation and liaison. For example, this type of consultation may be expected in cases of injuries following major trauma or major surgery requiring intensive post-operative treatment.	\$59.50
PT220	Prolonged subsequent consultation of more than 30 minutes duration.  The consultation will involve all of the elements of a subsequent consultation and, because of the extreme complexity of the injury or treatment, will require extra time for history taking, examination, treatment, documentation and liaison. This type of consultation is expected in only a limited number of cases, for example, in cases of injuries following extensive burns, multi-trauma, major surgery requiring intensive post-operative treatment such as complicated hand injuries or joint reconstruction and some neurological conditions.	\$83.30
	<b>Corrective/serial splinting</b>	
PT300	Fabrication/fitting/adjustment of splint	\$142.80 per hour

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

*Variation of Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

Item No	Service description	Maximum charge (excl GST)
<b>Aquatic physiotherapy</b>		
PT415	<p>Individual aquatic physiotherapy session</p> <p>An aquatic physiotherapy session requiring significant planning, supervision and monitoring of individual workers by a physiotherapist.</p> <p>The prior approval of a claims manager or self-insured employer is required for a session other than—</p> <ul style="list-style-type: none"> <li>• the initial session;</li> <li>• 2 subsequent individual sessions following the initial session;</li> <li>• a review session at week 4 to 6 of the aquatic physiotherapy program.</li> </ul>	\$50.10
PT420	<p>Subsequent individual or group aquatic physiotherapy session</p> <p>An aquatic physiotherapy session not referred to in PT415. If the session is a group session—</p> <ul style="list-style-type: none"> <li>• the group will be comprised of not more than 6 workers; and</li> <li>• the session will involve programs that are unique and individualised to particular workers.</li> </ul>	\$20.90 per worker
<b>Exercise</b>		
PT455	<p>Individual exercise session</p> <p>Exercise session (other than an aquatic physiotherapy session) planned by a physiotherapist where an individual worker is constantly and directly supervised and assessed by the physiotherapist. The session will involve all or some of the elements of a subsequent consultation (but a subsequent consultation cannot be separately charged).</p>	\$50.10
PT460	<p>Group exercise session</p> <p>Group exercise session (other than an aquatic physiotherapy session) planned and supervised by a physiotherapist for a group of not more than 8 workers. The session will involve all or some of the elements of a subsequent consultation (but a subsequent consultation cannot be separately charged).</p>	\$14.80 per worker
<b>Telephone calls</b>		
PT552	<p>Telephone call greater than 3 minutes</p>	\$19.80

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
	<p>Calls of a case specific nature made by a physiotherapist to, or received by a physiotherapist from, the worker's referring/treating medical expert, rehabilitation provider contracted by WorkCover, claims agent or self-insured employer, employer (if not self-insured), WorkCover provider consultant or the worker's representative, excluding—</p> <ul style="list-style-type: none"><li>(a) calls made during a consultation; and</li><li>(b) calls of a duration of 3 minutes or less.</li></ul> <p>There is no charge for a telephone call to or from a worker.</p>	
<b>Functional capacity evaluation</b>		
PT700	<p>Functional capacity evaluation</p> <p>The maximum time chargeable is 7 hours.</p> <p>Assessment by a physiotherapist of a worker's work capacity, including—</p> <ul style="list-style-type: none"><li>(a) a series of standardised tests of the worker's physical capabilities focussed on selected work tolerances (ie, the observed and measured physical capabilities that affect a worker's ability to perform the physical demands of specified work tasks); and</li><li>(b) an analysis of the results of the tests to infer the worker's capacity to sustain a given work effort (ie, the worker's capacity to undertake specified work at a prescribed frequency over a given period of time, taking into account the pace compatible with such work); and</li><li>(c) preparation of a report with an executive summary outlining the major components of the service and relevant findings.</li></ul>	\$142.80 per hour
<b>Worksite assessment</b>		
PT730	<p>Worksite assessment</p> <p>Attendance by a physiotherapist at a worker's workplace in order to obtain an overview of the workplace and determine the availability of suitable duties.</p>	\$142.80 per hour

---

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
<b>Job analysis</b>		
PT740	Job analysis	\$142.80 per hour
	Job analysis by a physiotherapist, including—	
	(a) an analysis of the critical physical demands of occupational tasks; and	
	(b) determining the worker's capacity to undertake the tasks or giving consideration to available medical guidelines and the physiotherapist's knowledge of the worker's diagnosis, pathology and prognosis; and	
	(c) making recommendations for—	
	(i) modifying the tasks or the way in which the tasks are undertaken; or	
	(ii) providing aids or equipment; or	
	(iii) introducing work practice guidelines to ensure that the worker utilises appropriate body mechanics; and	
	(d) preparation of a report with an executive summary outlining the major components of the service and relevant findings.	
<b>Graduated return to work program</b>		
PT750	Graduated return to work program	\$142.80 per hour
	A program of work duties and work practice guidelines for a worker designed by a physiotherapist to increase the worker's tolerance for the physical demands of work.	
	The purpose of the program is to assist the worker to maintain his or her employment while undertaking rehabilitation.	
	The program will involve actual and productive work duties identified by the physiotherapist as being within the worker's capacity and work practice guidelines relevant to the nature of the worker's injury and the performance of the particular duties.	
<b>Activities of daily living assessment</b>		
PT760	Activities of daily living assessment	\$142.80 per hour
	Assessment by a physiotherapist, usually conducted in a worker's home environment, of the worker's level of functioning in relation to personal care, household tasks and recreational and social activities.	

---

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
	<p>The purpose of the assessment is to facilitate the reduction of the adverse impact of the injury on the worker and the early return of the worker to normal activity, and to provide an indicator of functional tolerances for determining work capacity.</p>	
	<p><b>Independent clinical assessment</b></p>	
PT780	<p>Independent clinical assessment and report</p> <p>Service provided by a physiotherapist other than the treating physiotherapist comprising—</p> <ul style="list-style-type: none"><li>(a) a review of the worker's medical history; and</li><li>(b) a clinical assessment; and</li><li>(c) a review of the worker's activity and functional capacity; and</li><li>(d) preparation of a report,</li></ul> <p>for the purpose of providing a different diagnosis or making recommendations in relation to ongoing treatment goals, the worker's return to work and any other relevant matters.</p> <p>The report will have been requested in writing by—</p> <ul style="list-style-type: none"><li>(a) a claims agent or self-insured employer; or</li><li>(b) a worker or worker's representative.</li></ul>	\$142.80 per hour
	<p><b>Functional notification form</b></p>	
PT785	<p>Functional notification form</p> <p>Completion by a physiotherapist of a functional notification form (in a form approved by the Corporation) and provision of the form to a worker's referring/treating medical expert. The form is completed when information directly affecting the worker's capacity to return to work or the process of the worker returning to work is identified by the physiotherapist.</p>	\$19.80
	<p><b>Reports</b></p>	
PT810	<p>Comprehensive report</p> <p>A report by a treating physiotherapist, relating to the status of a claim and comprising a clinical opinion or statement or a response to specific questions, that has been requested in writing by—</p> <ul style="list-style-type: none"><li>(a) a claims agent or self-insured employer; or</li><li>(b) a worker or worker's representative.</li></ul>	\$214.10

---

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

*Variation of Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
	<p>A report will be taken to be comprehensive when re-examination of the worker is a prerequisite for preparation of the report.</p> <p>The consultation should be charged in accordance with the appropriate item.</p>	
PT820	<p>Standard report</p> <p>A report by a treating physiotherapist, relating to the status of a claim and comprising a clinical opinion or statement or a response to specific questions, that has been requested in writing by—</p> <p>(a) a claims agent or self-insured employer; or</p> <p>(b) a worker or worker's representative.</p> <p>A report will be taken to be standard when re-examination of the worker is not required and the report is based on a transcription of existing clinical records.</p>	\$142.80
	<p><b>Case conference</b></p>	
PT870	<p>Case conference</p> <p>Case conference, attended by a physiotherapist and authorised by a claims agent or self-insured employer, for the purpose of determining—</p> <ul style="list-style-type: none"> <li>• details of limitations/recommendations relating to a sustainable return to work;</li> <li>• options for management of a worker's recovery;</li> <li>• other related information.</li> </ul> <p>A case conference may be requested by—</p> <ul style="list-style-type: none"> <li>• a treating medical expert;</li> <li>• a worker or worker's representative;</li> <li>• a claims agent or self-insured employer;</li> <li>• an employer (if not self-insured);</li> <li>• a rehabilitation provider contracted by WorkCover.</li> </ul> <p>The hourly rate excludes travelling time from rooms or other appropriate departure point to the venue and return. Travel may be charged separately.</p>	\$142.80 per hour

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
<b>Travel</b>		
PT905	Travel time	\$121.30 per hour
	Travel, authorised by a claims agent or self-insured employer, by a treating physiotherapist for the purposes of—	
	(a) a case conference; or	
	(b) a home, hospital or worksite visit; or	
	(c) consultation where the worker is otherwise unable to attend the physiotherapist's clinic or rooms.	
	There is no charge for travel from 1 clinic or rooms to another clinic or rooms.	
<b>Non-scheduled services</b>		
PT999	Non-scheduled services	\$142.80 per hour
	A service of a kind not listed above, provided by a physiotherapist and authorised by a claims agent or self-insured employer prior to the delivery of the service as being necessary, appropriate and reasonably required.	

**5—Substitution of Schedules 4 and 5**

Schedules 4 and 5—delete the Schedules and substitute:

**Schedule 4—Scales of charges—speech pathologists**

This Schedule must be read in conjunction with the *Speech Pathology Fee Schedule Guidelines*.

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
<b>Consultations</b>		
<b>Initial consultation</b>		
	An initial consultation by a speech pathologist involving some or all of the following elements:	

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

*Variation of Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

Item No	Service description	Maximum charge (excl GST)
	<ul style="list-style-type: none"> <li>• the taking of a detailed case history;</li> <li>• counselling (according to the worker's emotional needs);</li> <li>• determination of options for ongoing management following assessment;</li> <li>• consideration and implementation of appropriate treatment;</li> <li>• administration of a standardised clinical assessment or an empirical clinical assessment;</li> <li>• assessment of the ability of the worker to communicate at the worker's workplace;</li> <li>• evaluation and analysis of assessment results.</li> </ul> <p>The initial consultation will be designed to form the basis of the diagnosis and assist in prognostic indications and treatment planning.</p>	
E0149	Standard initial consultation of up to 1.5 hours duration.	\$133.10 per hour
E0151	Extended initial consultation of more than 1.5 hours duration (up to a maximum time chargeable of 2.5 hours).	\$133.10 per hour
<b>Subsequent consultation</b>		
	<p>A subsequent consultation by a speech pathologist involving treatment and intervention designed to restore the worker's function to optimal levels. The consultation may involve—</p> <ul style="list-style-type: none"> <li>(a) tasks specifically related to skill development;</li> <li>(b) counselling to facilitate adjustment and transfer of restored skill to everyday communicative situations.</li> </ul>	
E0249	Subsequent consultation of up to 1 hour duration.	\$133.10 per hour
<b>Reports</b>		
E0810	<p>Comprehensive report</p> <p>A report by a treating speech pathologist, relating to the status of a claim and comprising a clinical opinion or statement or a response to specific questions, that has been requested in writing by—</p> <ul style="list-style-type: none"> <li>(a) a claims agent or self-insured employer; or</li> <li>(b) a worker or worker's representative.</li> </ul> <p>A report will be taken to be comprehensive when re-examination of the worker is a prerequisite for the preparation of the report.</p> <p>The consultation should be charged in accordance with the appropriate item.</p>	\$266.20

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
E0820	<p>Standard report</p> <p>A report by a treating speech pathologist, relating to the status of a claim and comprising a clinical opinion or statement or a response to specific questions, that has been requested in writing by—</p> <p>(a) a claims agent or self-insured employer; or</p> <p>(b) a worker or worker's representative.</p> <p>A report will be taken to be standard when re-examination of the worker is not required and the report is based on a transcription of existing clinical records.</p>	\$199.70
<b>Telephone calls</b>		
E0850	<p>Telephone call greater than 3 minutes</p> <p>Calls of a case specific nature made by a speech pathologist to, or received by a speech pathologist from, the worker's referring/treating medical expert, rehabilitation provider contracted by WorkCover, claims agent or self-insured employer, employer (if not self-insured), WorkCover provider consultant or the worker's representative excluding—</p> <p>(a) calls made during a consultation; and</p> <p>(b) calls of a duration of 3 minutes or less.</p> <p>There is no charge for a telephone call to or from a worker.</p>	\$2.20 per minute
<b>Case conference</b>		
E0870	<p>Case conference</p> <p>Case conference, attended by a speech pathologist and authorised by a claims agent or self-insured employer, for the purpose of determining—</p> <ul style="list-style-type: none"><li>• details of limitations/recommendations relating to a sustainable return to work;</li><li>• options for management of a worker's recovery;</li><li>• other related information.</li></ul> <p>A case conference may be requested by—</p> <ul style="list-style-type: none"><li>• a treating medical expert;</li><li>• a worker or worker's representative;</li><li>• a claims agent or self-insured employer;</li><li>• an employer (if not self-insured);</li><li>• a rehabilitation provider contracted by WorkCover.</li></ul>	\$133.10 per hour

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

Item No	Service description	Maximum charge (excl GST)
	The hourly rate excludes travelling time from rooms or other appropriate departure point to the venue and return. Travel may be charged separately.	
<b>Travel</b>		
E0910	Travel time	\$113.20 per hour
	Travel, authorised by a claims agent or self-insured employer, by a treating speech pathologist for the purposes of— <ul style="list-style-type: none"> <li>• a case conference; or</li> <li>• a home, hospital or worksite visit; or</li> <li>• a consultation where the worker is otherwise unable to attend the speech pathologist's clinic or rooms.</li> </ul>	
	There is no charge for travel from 1 clinic or rooms to another clinic or rooms.	
<b>Non-scheduled services</b>		
E0999	Non-scheduled services	\$133.10 per hour
	A service of a kind not listed above, provided by a speech pathologist and authorised by a claims agent or self-insured employer prior to the delivery of the service as being necessary, appropriate and reasonably required.	

## **Schedule 5—Scales of charges—occupational therapists**

This Schedule must be read in conjunction with the *Occupational Therapy Fee Schedule Guidelines*.

Item No	Service description	Maximum charge (excl GST)
<b>Consultation (individual worker)</b>		
OT105	Initial consultation (history, examination and treatment)	\$142.80 per hour

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
OT205	Subsequent consultation and treatment  A consultation by an occupational therapist involving some or all of the following elements: <ul style="list-style-type: none"><li>• clinical assessment;</li><li>• clinical treatment;</li><li>• graded activity/exercise;</li><li>• pain management;</li><li>• stress management;</li><li>• relaxation training;</li><li>• biomechanical education;</li><li>• independent living skills training.</li></ul>	\$142.80 per hour
<b>Corrective/serial splinting</b>		
OT300	Fabrication/fitting/adjustment of splint	\$142.80 per hour
<b>Work simulation (group program)</b>		
OT502	Work simulation, group program  A graduated program of activities planned and supervised by an occupational therapist used to simulate work conditions and the physical demands of duties.  The program will involve at least 2, and not more than 5, workers and will take place at the occupational therapist's rooms. The program will be highly structured, goal orientated and individualised for each worker.  The purpose of the program is to maximise the worker's ability to return to work.  The program will usually be agreed to by the worker to encourage attendance and appropriate behaviour at work.	\$39.80 per hour, per worker
<b>Telephone calls</b>		
OT552	Telephone call greater than 3 minutes  Calls of a case specific nature made by an occupational therapist to, or received by an occupational therapist from, the worker's referring/treating medical expert, rehabilitation provider contracted by WorkCover, claims agent or self-insured employer, employer (if not self-insured), WorkCover provider consultant or the worker's representative, excluding— <ul style="list-style-type: none"><li>(a) calls made during a consultation; and</li><li>(b) calls of a duration of 3 minutes or less.</li></ul>	\$19.80

---

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

*Variation of Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
	There is no charge for a telephone call to or from a worker.	
<b>Pain management group program</b>		
OT602	Pain management, group program	\$39.80 per hour, per worker
	Pain management by way of a group program planned and supervised by an occupational therapist involving at least 2, but not more than 5, workers.	
<b>Functional capacity evaluation</b>		
OT700	Functional capacity evaluation	\$142.80 per hour
	The maximum time chargeable is 7 hours.	
	Assessment by an occupational therapist of a worker's work capacity, including—	
	(a) a series of standardised tests of the worker's physical capabilities focussed on selected work tolerances (ie, the observed and measured physical capabilities that affect a worker's ability to perform the physical demands of specified work tasks); and	
	(b) an analysis of the results of the tests to infer the worker's capacity to sustain a given work effort (ie, the worker's capacity to undertake specified work at a prescribed frequency over a given period of time, taking into account the pace compatible with such work); and	
	(c) preparation of a report with an executive summary outlining the major components of the service and relevant findings.	
<b>Worksite assessment</b>		
OT730	Worksite assessment	\$142.80 per hour
	Attendance by an occupational therapist at a worker's workplace in order to obtain an overview of the workplace and determine the availability of suitable duties.	

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation Regulations 2007**

Part 2—Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Regulations 1995*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
<b>Job analysis</b>		
OT740	Job analysis  Job analysis by an occupational therapist, including— <ul style="list-style-type: none"><li>(a) an analysis of the critical physical demands of occupational tasks; and</li><li>(b) determining the worker's capacity to undertake the tasks or giving consideration to available medical guidelines and the occupational therapist's knowledge of the worker's diagnosis, pathology and prognosis; and</li><li>(c) making recommendations for—<ul style="list-style-type: none"><li>(i) modifying the tasks or the way in which the tasks are undertaken; or</li><li>(ii) providing aids or equipment; or</li><li>(iii) introducing work practice guidelines to ensure that the worker utilises appropriate body mechanics; and</li></ul></li><li>(d) preparation of a report with an executive summary outlining the major components of the service and relevant findings.</li></ul>	\$142.80 per hour
<b>Graduated return to work program</b>		
OT750	Graduated return to work program  A program of work duties and work practice guidelines for a worker designed by an occupational therapist to increase the worker's tolerance for the physical demands of work.  The purpose of the program is to assist the worker to maintain his or her employment while undertaking rehabilitation.  The program will involve actual and productive work duties identified by the occupational therapist as being within the worker's capacity and work practice guidelines relevant to the nature of the worker's injury and the performance of the particular duties.	\$142.80 per hour

---

**Workers Rehabilitation and Compensation (Scales of Medical and Other Charges) Variation  
Regulations 2007**

Variation of *Workers Rehabilitation and Compensation (Scales of Medical and Other Charges)  
Regulations 1995—Part 2*

---

<b>Item No</b>	<b>Service description</b>	<b>Maximum charge (excl GST)</b>
<b>Activities of daily living assessment</b>		
OT760	Activities of daily living assessment  Assessment by an occupational therapist, usually conducted in a worker's home environment, of the worker's level of functioning in relation to personal care, household tasks and recreational and social activities.  The purpose of the assessment is to facilitate the reduction of the adverse impact of the injury on the worker and the early return of the worker to normal activity, and to provide an indicator of functional tolerances for determining work capacity.	\$142.80 per hour
<b>Independent clinical assessment</b>		
OT780	Independent clinical assessment and report  Service provided by an occupational therapist other than the treating occupational therapist comprising—  (a) a review of the worker's medical history; and  (b) a clinical assessment; and  (c) a review of the worker's activity and functional capacity; and  (d) preparation of a report,  for the purpose of providing a different diagnosis or making recommendations in relation to ongoing treatment goals, the worker's return to work and any other relevant matters.  The report will have been requested in writing by—  (a) a claims agent or self-insured employer; or  (b) a worker or worker's representative.  This service is NOT to be performed by the treating occupational therapist.	\$142.80 per hour
<b>Functional estimation form</b>		
OT785	Functional estimation form  Completion by an occupational therapist of a functional estimation form (in a form approved by the Corporation) and provision of the form to a worker's referring/treating medical expert. The form is completed when information directly affecting the worker's capacity to return to work or the process of the worker returning to work is identified by the occupational therapist.	\$19.80
