These regulations will come into operation on 15 November 2010.

3—Interpretation

In these regulations—

Act means the Local Government Act 1999;

prescribed meeting, in relation to a member of a council, means a meeting of the council or council committee, or an informal gathering, discussion, workshop, briefing, training course or similar activity which is directly or closely related to the performance or discharge of the roles or duties of the member.

4—Allowances—section 76

(1) For the purposes of section 76 of the Act, an allowance may be paid in instalments up to 3 months in advance or 3 months in arrears of each month in respect of which an instalment is payable.

(2) For the purposes of section 76(9) of the Act, an allowance is to be adjusted by multiplying the allowance by a proportion obtained by dividing the Consumer Price Index for the September quarter last occurring before the date on which the allowance is to be adjusted by the Consumer Price Index for the September quarter immediately before the date on which the allowance was determined under section 76 of the Act (with the amount so adjusted being rounded up to the nearest dollar).

5—Reimbursement of expenses—section 77(1)(a)

- (1) Subject to this regulation, for the purposes of section 77(1)(a) of the Act, the kinds of expenses for which a member of a council will be reimbursed are as follows:

 - (b) expenses for the care of—
 - (i) a child of the member; or
 - (ii) a dependant of the member requiring full-time care,

actually and necessarily incurred by the member as a consequence of the member's attendance at a prescribed meeting.

- (2) However—
 - (a) in relation to the operation of subregulation (1)(a)—
 - (i) if an eligible journey relates to travel between a place within the area of a council and a place outside the area of a council (in either direction), the member is only entitled to be reimbursed in respect of expenses that can be attributed to travel within the area of the council; and
 - (ii) the rate of reimbursement for motor vehicle costs will be at a rate equal to the appropriate rate per kilometre (determined according to the engine capacity of the vehicle) prescribed for the purposes of calculating deductions for car expenses under section 28.25 of the *Income Tax Assessment Act 1997* of the Commonwealth; and
 - (b) in relation to the operation of subregulation (1)(b)—a member of a council is not entitled to be reimbursed if the care is provided by a person who ordinarily resides with the member.
- (3) A council may aggregate claims for reimbursement of expenses under subregulation (1)(a) that relate to journeys that do not exceed 20 kilometres and then pay them on either a quarterly or monthly basis.

- (d) expenses for the care of—
 - (i) a child of the member; or
 - (ii) a dependant of the member requiring full-time care,

incurred by the member as a consequence of the member's attendance at a function or activity on the business of the council (other than for which the member is reimbursed under section 77(1)(a) of the Act);

(e) expenses incurred by the member as a consequence of the member's attendance at a conference, seminar, training course or other similar activity which is directly or closely related to the performance or discharge of the roles or duties of a member of a council (other than for which the member is reimbursed under section 77(1)(a) of the Act).
