2—Commencement

These regulations will come into operation on 1 September 2015.

3—Interpretation

In these regulations, unless the contrary intention appears—

accident towing roster or ***roster*** means an accident towing roster prepared by the Registrar under Part 2;

accident towing roster scheme or ***scheme*** means the accident towing roster scheme continued in existence by Schedule 4 Part 2 clause 3;

Act means the *Motor Vehicles Act 1959*;

council has the same meaning as in the *Local Government Act 1999*;

designated police communications centre means a police communications centre designated for the purposes of these regulations by the Commissioner of Police from time to time;

position on a roster includes the position originally granted by the Registrar on a roster and any renewal or re-grant of position;

storage area means premises, or a part of premises, set aside for the storage of vehicles that have been towed in compliance with an accident towing direction.

4—Definition of declared area

The areas specified in Schedule 1 are within the declared area for the purposes of the definition of ***declared area*** in section 5(1) of the Act.

5—Division of declared area into zones

The Minister may, by notice in the Gazette—

- (a) declare that the declared area is divided into specified zones (which may, without limitation, include 1 or more zones for general accident towing and 1 or more zones for heavy vehicle accident towing); and

- (b) vary or revoke a declaration under paragraph (a).

Part 2—Accident towing roster scheme

6—Functions of Registrar

The Registrar is responsible for the administration of the accident towing roster scheme.

7—Functions of Commissioner of Police

The Commissioner of Police is responsible—

- (a) for receiving all requests for the services of a towtruck for any purpose related to the recovery or towing of a vehicle at or from the scene of an accident occurring within the declared area; and
- (b) for the giving of all accident towing directions under the Act.

8—Rosters

- (1) The Registrar is responsible for preparing a roster for each zone into which the declared area is divided.
- (2) A roster will—
 - (a) be in a form determined by the Minister; and
 - (b) contain the following information:
 - (i) the names and contact telephone numbers of the towtruck operators and towtrucks in the roster;
 - (ii) any other information that the Registrar considers necessary.
- (3) The Registrar must endorse on any heavy vehicle accident towing roster, recognition of a contract between the owner of heavy vehicles and a towtruck operator for the towing of that owner's heavy vehicles.
- (4) A roster comes into force at 0001 hours on the first day of the commencement period nominated by the Registrar for that roster and remains in force until 2400 hours on the day nominated by the Registrar.
- (5) A person must not at any time alter, or change in any manner, a roster or roster form without the express permission of the Registrar or an officer appointed under section 7 of the Act and authorised by the Registrar to so act.

Maximum penalty: \$1 250.

Expiation fee: \$310.

9—Accident towing directions

- (1) The Commissioner of Police must direct police officers on duty at the designated police communications centre to—
 - (a) receive all requests for the services of a towtruck for any purpose related to the recovery or towing of a vehicle at or from the scene of an accident that has occurred within the declared area; and

- (b) give an accident towing direction directly to the towtruck operator next listed on the appropriate accident towing roster for the zone in which the accident occurred; and
 - (c) identify to the towtruck operator the vehicle to be towed.
- (2) However, if—
- (a) an accident towing direction is to be given to a towtruck operator listed on the heavy vehicle accident towing roster; and
 - (b) there is endorsed on the heavy vehicle accident towing roster recognition of a contract between a towtruck operator and the owner of the vehicle to be towed,

the accident towing direction must be given to that towtruck operator.

10—Towtruck operator's turn on roster

- (1) An accident towing direction given to a towtruck operator constitutes that towtruck operator's turn on the roster.
- (2) No towtruck operator is entitled to receive an accident towing direction, fee, benefit, advantage, reward or compensation in respect of an act or activity that does not result effectively in the towing of a vehicle under an accident towing direction having been given.
- (3) Despite subregulation (2), if a towtruck operator included on a roster can substantiate that he or she has lost 4 or more accident tows during a calendar month under circumstances that appear to be unduly harsh or unfair, or as a result of the misuse or abuse of the scheme, he or she may make written application to the Registrar for the reallocation of turns on a roster.

11—Offence to give accident towing direction other than in accordance with regulations

A person must not give an accident towing direction except in accordance with the Act and these regulations.

 - (b) are situated wholly within the boundaries of the zone for the roster on which the towtruck operator holds a position or for which the operator has applied for a position; and
 - (c) are premises at and from which the towtruck operator seeking registration of the premises conducts the operator's towing business; and
 - (d) are used by only 1 towtruck operator; and
 - (e) are owned or leased solely by the towtruck operator seeking registration of the premises; and
 - (f) include a permanent building that is suitable for use as business premises; and
 - (g) are adequate to prevent the entry of unauthorised persons and the unauthorised removal of vehicles or goods; and

 - (c) the standards fixed by the Registrar; and
 - (d) any conditions stipulated by the Registrar under these regulations.

- (2) If a towtruck does not carry radio equipment capable of receiving messages transmitted from the registered premises of the towtruck operator who owns it, the Registrar must not approve the towtruck unless the Registrar is satisfied that there is an alternate means of communication by which the driver of the towtruck is able, at all times, to receive messages transmitted from the registered premises.

17—Surrender of towtruck number plates

If an approved towtruck ceases to be used in the operation of the scheme, the owner of that towtruck must, within the time specified by the Registrar, surrender to the Registrar the number plates issued in respect of that towtruck.
