 - (ii) to keep all fixtures and structures in or on the land in as good a state of repair as those fixtures and structures were at the commencement of the tenancy, reasonable wear and tear and damage by fire, tempest and earthquake only excepted;
 - (iii) not to make any alteration or addition to the improvements, fixtures or structures in or on the land;
 - (iv) not to make a use of the land that is, in any material respect, a departure from the use being lawfully made of the land at the commencement of the tenancy;
 - (v) without affecting the generality of subparagraph (iv), not to do, or to permit or suffer to be done, on the land, anything that may be or become a nuisance or annoyance to the Authority or to the occupiers of any neighbouring property;
 - (vi) not to assign, underlet, or charge or part with the possession of the land or any part of the land;
 - (vii) to permit all duly authorised agents, servants and employees of the Authority at all reasonable times to enter and inspect the land and to make reasonable surveys and other calculations with respect to any undertaking to be carried out by the Authority;

Schedule 1—Forms

(regulation 4)

Form 1—Notice of intention to acquire land

Land Acquisition Act 1969

(section 10)

[This form is to be used for an acquisition other than one to which Part 4 Division 1 of the Act applies.]

TO:

of ¹

1—Notice of intention to acquire land

This notice is to inform you that *[insert name of the Authority]*

of

intends to acquire the following interests in the following land:

for the following purpose:

(If—

- the Authority is the Crown or an instrumentality of the Crown; and
- the Authority proposes to acquire native title; and
- the Authority does not propose to acquire the land for the purpose of conferring rights or interests on someone other than the Crown or an instrumentality of the Crown,

the notice must state that the purpose of the acquisition is to confer rights or interests in relation to the land on the Crown or an instrumentality of the Crown.)

The Authority seeks to negotiate the compensation payable for the acquisition.

This notice is given under section 10 of the *Land Acquisition Act 1969*. It does not bind the Authority to acquire the land.

2—Right to obtain explanation of reasons for acquisition (section 11)

Within 30 days a person who has an interest in the land (including in the case of native title land, the registered representative of a native title claimant or holder or, in certain cases, the representative Aboriginal body for the area) may require the Authority, by written notice—

- to give an explanation of the reasons for acquisition of the land; and
- to provide reasonable details of any statutory scheme in accordance with which the land is to be acquired.

3—Right to object (section 12)

Within 30 days or, if an explanation of the reasons for the acquisition was requested, within 30 days after the explanation is provided, a person who has an interest in the land (including in the case of native title land, the registered representative of a native title claimant or holder or, in certain cases, the representative Aboriginal body for the area) may request the Authority, by written notice—

- not to proceed with the acquisition of the land; or
- to alter the boundaries of the land to be acquired; or
- not to acquire a particular part of the land or to acquire further land.

The request may be made—

- on the ground that acquisition of the land or a particular part of the land is not necessary for the purposes of carrying out the undertaking to which the acquisition relates; or
- on the ground that the acquisition of the land or carrying out the purposes for which the acquisition is proposed would—
 - seriously impair an area of scenic beauty; or
 - destroy, damage or interfere with an Aboriginal site within the meaning of the *Aboriginal Heritage Act 1988*; or
 - destroy or impair a site of architectural, historic or scientific interest; or

- prejudice the conservation of flora or fauna that should be conserved in the public interest; or
- prejudice some other public interest; or
- on some other ground stated in the request.

4—Right of review (section 12A)

A person who makes a request under section 12 which is refused by the Authority may apply to the South Australian Civil and Administrative Tribunal under section 34 of the *South Australian Civil and Administrative Tribunal Act 2013* for a review of the decision.

An application for review must be made within 7 days (or such longer period as the Tribunal may allow under the *South Australian Civil and Administrative Tribunal Act 2013*) of the person being served with the notice of the Authority's decision to refuse the request.

A review by the Tribunal must be completed within 14 days of the application for review being made by the person.

The merits or otherwise of the undertaking to which the proposed acquisition relates cannot be called into question in a review.

A decision of the Tribunal on review is not subject to appeal under section 71 of the *South Australian Civil and Administrative Tribunal Act 2013*.

5—Additional right of native title parties to object to prescribed private acquisition (section 12B)

Within 2 months or, if an explanation of the reasons for the acquisition is required, within 2 months after the explanation is provided, native title parties may, by written notice to the Minister, object to a prescribed private acquisition² so far as it affects their registered native title rights.

Note—

- The Minister must consult any native title parties who object about ways of minimising the impact of the acquisition project on registered native title rights and, if relevant, access to the land.
- The Attorney-General must, at the request of a native title party who has made an objection under this section, appoint an independent person or body to hear the objection.
- Before making such an appointment, the Attorney-General must consult the Minister and the native title party.
- If the independent person or body hearing an objection under this section makes a determination upholding the objection, or that contains conditions about the acquisition that relate to registered native title rights, the determination must be complied with unless—
 - the Minister responsible for indigenous affairs is consulted; and
 - the consultation is taken into account; and
 - it is in the interests of the State not to comply with the recommendation.

6—Right to compensation (Part 4 Division 2)

The Authority seeks to negotiate in good faith with you about the compensation payable for the acquisition of the land.

Note—

- The Authority is required to negotiate with the persons who have or had, or claim to have or to have had, an interest in the land that is divested or diminished by the acquisition or the enjoyment of which is adversely affected by the acquisition.
- If the land is native title land, any party may request the Environment, Resources and Development Court to mediate between the parties to assist in obtaining their agreement on the matters at issue between them.
- The Authority may offer, and must consider any request made by a party who is the holder of native title to the negotiations for, non-monetary compensation (eg a transfer of land, the provision of goods or services, or the carrying out of work for the reinstatement or improvement of land remaining in the claimant's ownership after acquisition).
- The land is acquired by notice of acquisition. Notice of acquisition may be given at any time after 3 months, and before 18 months or a longer period fixed under section 15(4a) of the *Land Acquisition Act 1969*, from the giving of this notice.
- At that time the Authority is required to make an offer to the person or persons whom it believes to be entitled to compensation for the acquisition, stating the amount of compensation the Authority is prepared to pay. The claimant may dispute the offer.
- Part 4 Division 2 of the *Land Acquisition Act 1969* governs compensation. In particular, section 25 sets out the principles for determining compensation.

7—Prospective purchasers of land etc to be informed about this notice (section 13)

You must not enter into a transaction in respect of the land without first disclosing the fact that this notice of intention to acquire the land has been served on you. Any contract or agreement in relation to the land entered into without that disclosure would be voidable at the option of the person to whom disclosure should have been made.

[Clause 7 is only to be included if the land has not been brought under the Real Property Act 1886 and the land is not native title land.]

Aboriginal groups who are not registered under the law of the State or the Commonwealth as holders of or claimants to native title in the land but want to participate in the negotiations must take the necessary steps under that law to become native title parties in relation to the relevant land within 3 months after service of this notice. In order to be appropriate native title parties with whom the Authority must negotiate under section 19 of the *Land Acquisition Act 1969*, the parties must be registered as holders of or claimants to native title in the land on the date falling 4 months after service of this notice.

This notice is given under section 10 of the *Land Acquisition Act 1969*. It does not bind the Authority to acquire the land.

The request may be made—

- on the ground that acquisition of the land or a particular part of the land is not necessary for the purposes of carrying out the undertaking to which the acquisition relates; or

An application for review must be made within 7 days (or such longer period as the Tribunal may allow under the *South Australian Civil and Administrative Tribunal Act 2013*) of the person being served with notice of the Authority's decision to refuse the request.

A review by the Tribunal must be completed within 14 days of the application for review being made by the person.

A decision of the Tribunal on review is not subject to appeal under section 71 of the *South Australian Civil and Administrative Tribunal Act 2013*.

5—Right to negotiate about acquisition (Part 4 Division 1)

The Authority seeks to negotiate in good faith with the native title parties in an attempt to reach agreement about the acquisition of the native title in the land.

- If any of the negotiating parties requests the Environment, Resources and Development Court (ERD Court) to do so, the Court must mediate among the parties to assist in obtaining their agreement.
- If agreement is not reached between the Authority and the native title parties within 6 months after this notice is given, any party may apply to the ERD Court for a resolution of the matter.
- The ERD Court may determine whether the Authority may acquire the land and, if so, the conditions on which the acquisition is to proceed (but a final determination of compensation cannot be made at this stage).
- Section 21 of the *Land Acquisition Act 1969* sets out criteria that the ERD Court must take into account.
- The Minister may, within 2 months, overrule a determination of the ERD Court if the Minister considers it to be in the interests of the State or in the national interest.
