The New Tax System Price Exploitation Code text applying as a law of this jurisdiction may be cited as the New Tax System Price Exploitation Code of South Australia.

11—References to New Tax System Price Exploitation Code

- (1) The object of this section is to help ensure that the New Tax System Price Exploitation Code of this jurisdiction can operate, in appropriate circumstances, as if that Code, together with the New Tax System Price Exploitation Code of each other participating jurisdiction, constituted a single national New Tax System Price Exploitation Code applying throughout the participating jurisdictions.
- (2) A reference in any instrument to the New Tax System Price Exploitation Code is a reference to the New Tax System Price Exploitation Codes of any or all of the participating jurisdictions.

- (2) If a law of a participating jurisdiction other than this jurisdiction provides that the New Tax System Price Exploitation Code text as in force for the time being applies as a law of that jurisdiction, the New Tax System Price Exploitation Code of that jurisdiction is the New Tax System Price Exploitation Code text, applying as a law of that jurisdiction.

Part 4—Application of New Tax System Price Exploitation Codes to Crown

13—Application law of this jurisdiction

The application law of this jurisdiction binds (so far as the legislative power of Parliament permits) the Crown in right of this jurisdiction and of each other jurisdiction, so far as the Crown carries on a business, either directly or by an authority of the jurisdiction concerned.

14—Application law of other jurisdictions

The application law of each participating jurisdiction other than this jurisdiction binds the Crown in right of this jurisdiction, so far as the Crown carries on a business, either directly or by an authority of this jurisdiction.

15—Activities that are not business

- (1) For the purposes of sections 13 and 14, the following do not amount to carrying on a business:
 - (a) imposing or collecting—

 - (i) the body chooses to acquire the products; or
 - (ii) the body has not exercised a discretion that it has under the legislation that would allow it not to acquire the products.
- (2) Subsection (1) does not limit the things that do not amount to carrying on a business for the purposes of sections 13 and 14.
- (3) In this section—

acquisition of primary products by a government body under legislation includes vesting of ownership of primary products in a government body by legislation;

government body means a State or an authority of a State;

- (1) Nothing in the application law of this jurisdiction makes the Crown in any capacity liable to a pecuniary penalty or to be prosecuted for an offence.
- (2) Without limiting subsection (1), nothing in the application law of a participating jurisdiction makes the Crown in right of this jurisdiction liable to a pecuniary penalty or to be prosecuted for an offence.
- (3) The protection in subsection (1) or (2) does not apply to an authority of any jurisdiction.

17—This Part overrides the prerogative
